"for" a director must exceed the number of votes cast "against" that director. In contested elections where the number of nominees exceeds the number of directors to be elected, the vote standard will continue to be a plurality of votes cast.

In addition, if a nominee who already serves as a director is not elected, the director shall offer to tender his or her resignation to the Board of Directors. The Corporate Governance and Nominating Committee will make a recommendation to the Board on whether to accept or reject the resignation, or whether other action should be taken. The Board will act on the Committee's recommendation and publicly disclose its decision and the rationale behind it within 90 days from the date of the certification of the election results. The director who tenders his or her resignation will not participate in the Board's decision. If the failure of a nominee to be elected at the annual meeting results in a vacancy on the Board, that vacancy can be filled by action of the Board.

Additionally, the Board approved amendments to the Company's Bylaws setting a range for the size of the Board of between nine and fifteen members. This range will not be altered without stockholder approval. The amended bylaws are effective as of January 18, 2006 and are attached as Exhibit 3.1 to this Current Report on Form 8-K.
