Edgar Filing: HAVERTY MICHAEL R - Form 4

Mr. Haverty pledged all 7,100 shares of KCS Common Stock (the "Pledged Shares of the Second Contract") to secure his obligations under the Second Contract, while retaining the dividend and voting rights in the Pledged Shares of the Second Contract during the term of the pledge. The Second Contract provided that the number of shares of KCS Common Stock that Mr. Haverty would be obligated to deliver to the Buyer on the maturity date would be determined as follows: (a) if the closing price of KCS Common Stock, subject to adjustment, on the maturity date (the "Settlement Price of the Second Contract") was less than or equal to \$28.0333 (the "Initial Share Price of the Second Contract"), Mr. Haverty would deliver to the Buyer all of the Pledged Shares of the Second Contract; (Continued in Footnote 12)

- (8) (b) if the Settlement Price was between the Initial Share Price of the Second Contract and \$39.2466 (the "Cap Price of the Second Contract"), Mr. Haverty would deliver to the Buyer a number of shares of KCS Common Stock having a value (based on the then market price) equal to \$199,036.43; and (c) if the Settlement Price of the Second Contract was greater than the Cap Price of the Second Contract, Mr. Haverty would deliver to the Buyer 5,071 shares of KCS Common Stock. On November 16, 2009, the Settlement Price of the Second Contract was \$29.2876. Accordingly, Mr. Haverty transferred to the Buyer 6,772 of the Pledged Shares of the Second Contract, and the Buyer returned to Mr. Haverty the remaining 328 Pledged Shares of the Second Contract. (Continued in Footnote 13)

- (9) Mr. Haverty and Buyer entered into a third Prepaid Variable Forward Contract on February 9, 2007 (the "Third Contract"). The Third Contract obligates Mr. Haverty to deliver to the Buyer up to 167,900 shares of Kansas City Southern ("KCS") Common Stock (or an equivalent amount of cash, if elected by him) on the maturity date of the Third Contract (February 12, 2010). The Third Contract permits early settlement with permission of the Buyer. In exchange for entering into the obligations under the Third Contract, Mr. Haverty received a cash payment of \$4,314,721.24 for the February 13, 2007 trade. Mr. Haverty pledged all 167,900 shares of KCS Common Stock (the "Pledged Shares of the Third Contract") to secure his obligations under the Third Contract, while retaining the dividend and voting rights in the Pledged Shares of the Third Contract during the term of the pledge. (Continued in Footnote 14)

- (10) The Third Contract provides that the number of shares of KCS Common Stock that Mr. Haverty will be obligated to deliver to the Buyer on the maturity date will be determined as follows: (a) if the closing price of KCS Common Stock, subject to adjustment, on the maturity date (the "Settlement Price of the Third Contract") is less than or equal to \$32.0386 (the "Initial Share Price of the Third Contract"), Mr. Haverty will deliver to the Buyer all of the Pledged Shares of the Third Contract; (b) if the Settlement Price is between the Initial Share Price of the Third Contract and \$44.8540 (the "Cap Price of the Third Contract"), Mr. Haverty will deliver to the Buyer a number of shares of KCS Common Stock having a value (based on the then market price) equal to \$5,379,280.94; and (c) if the Settlement Price of the Third Contract is greater than the Cap Price of the Third Contract, Mr. Haverty will deliver to the Buyer 119,939 shares of KCS Common Stock.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
