September 20, 2006

Stock/Restricted Stock

Stock Options & Restricted Stock

Unvested stock options and restricted stock will automatically become 100% vested at the time of the merger.

Employees holding outstanding/unexercised stock options will receive cash equal to the “spread” on the options at the time of the merger.

–

$(\$107.50 - \text{exercise price}) \times \text{number of shares subject to outstanding options (less appropriate taxes)}$

Employees with unvested shares of Restricted Stock will receive the value of the unvested shares.

–

$\$107.50 \times \text{number of unvested restricted shares (less appropriate taxes)}$

Stock cash-out will be processed either through Smith Barney or Payroll and will be subject to appropriate taxes.

ESPP Shares

Quarterly purchases will continue until the closing date of the merger.

If the merger occurs in the middle of a purchase period, ESPP participants will receive a refund of their payroll deductions for that quarter.

Example #1: The merger closes on December 1, 2006. Each ESPP participant will receive a refund of his/her ESPP payroll deductions made to-date during the 4th quarter, 2006.

Example #2: The merger closes on February 18, 2007. Each ESPP participant will receive a refund of his/her ESPP payroll deductions made to-date during the 1st quarter, 2007. However, ESPP participants will participate in the 4th quarter 2006 purchase.

–

Closing dates used above are for illustrative purposes only, and are not predictions of actual closing date.

Eligible employees may continue to enroll and change payroll deduction amount.

Foreign Subsidiary ESPP – current participants may not increase payroll deduction amount.

July 2006 Restricted Stock Grant

There will be no accelerated vesting on the July 2006 grant.

Cash dividends shall continue as if shares were granted.

The Compensation Committee approved the restricted stock grant contingent upon whether or not the privatization proposal is completed.

If privatization occurs, a substitute plan using cash will be implemented and the shares granted in July will not be issued.

We will await the results of the shareholder vote.

New ESPP

A new ESPP will be implemented if the company goes private. The terms of the new plan will be as similar to the current plan as possible.

Able to purchase KMP or KMR securities – not KMI securities.

KMP and KMR will be purchased at a 10% discount.

The 10% discount will be fully taxable to employees as imputed income.

KMP and KMR are not eligible for the 401k because of (1) UBIT or (2) prohibited security.
