- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 2.02. Results of Operations and Financial Condition

Vector Group Ltd. (the “Company”) is filing this Current Report on Form 8-K to revise previously reported non-GAAP financial measures to reflect the impact of its recent 5% stock dividend, which was paid on September 29, 2015 to stockholders of record on September 16, 2015, in calculating its non-GAAP financial measure of Adjusted Pro-forma Net Income (related to Earnings Per Share). The Company is also including Pro-Forma Adjusted Revenues, Pro-forma Adjusted EBITDA, New Valley LLC Pro-forma Adjusted EBITDA, and Douglas Elliman Realty, LLC Pro-forma Adjusted EBITDA (collectively, with Adjusted Pro-forma Net Income, the "non-GAAP financial measures") for certain of the periods presented in the Selected Financial Data. All non-GAAP financial measures and their reconciliations to GAAP measures have been presented as part of Exhibit 99.2. New Valley's Pro-forma Adjusted EBITDA does not include an allocation of expenses from the “Corporate and Other” segment of Vector Group Ltd. These non-GAAP financial measures included in Exhibit 99.2 were previously reported in the Current Reports on Form 8-K, which were filed on August 5, 2015, July 29, 2015, April 29, 2015, March 2, 2015, November 10, 2014 and October 6, 2014.

Non-GAAP Financial Measures

Pro-forma Adjusted Revenues, Pro-forma Adjusted EBITDA, Pro-forma Adjusted Net Income, New Valley LLC Pro-forma Adjusted EBITDA, and Douglas Elliman Realty, LLC Pro-forma Adjusted EBITDA (hereafter referred to as “the Non-GAAP Financial Measures”) are financial measures not prepared in accordance with generally accepted accounting principles (“GAAP”). The Company believes that the Non-GAAP Financial Measures are important measures that supplement discussions and analysis of its results of operations and enhance an understanding of its operating performance. The Company believes the Non-GAAP Financial Measures provide investors and analysts with a useful measure of operating results unaffected by differences in capital structures, capital investment cycles and ages of related assets among otherwise comparable companies. Management uses the Non-GAAP Financial Measures as measures to review and assess operating performance of the Company's business and management and investors should review both the overall performance (GAAP net income) and the operating performance (the Non-GAAP Financial Measures) of the Company's business. While management considers the Non-GAAP Financial Measures to be important, they should be considered in addition to, but not as substitutes for or superior to, other measures of financial performance prepared in accordance with GAAP, such as operating income, net income and cash flows from operations. In addition, the Non-GAAP Financial Measures are susceptible to varying calculations and the Company's measurement of the Non-GAAP Financial Measures may not be comparable to those of other companies. Included in Exhibit 99.2 as Tables 1 through 5 is information for the years ended December 31, 2014, 2013, 2012, 2011 and 2010 and the three months ended June 30, 2015, March 31, 2015, December 31, 2014, September 30, 2014, June 30, 2014 and March 31, 2014 reconciling these non-GAAP Financial Measures to the most comparable GAAP financial measures for the periods above.

Item 8.01. Other Events

On September 2, 2015, the Company's Board of Directors declared a 5% stock dividend to stockholders of record as of September 16, 2015. The stock dividend was paid on September 29, 2015. The Company is filing updated Selected Financial Data to reflect the stock dividend as Exhibit 99.1.

Revisions to December 31, 2014, 2013, 2012, 2011 and 2010 Consolidated Balance Sheets. The Company has revised its December 31, 2014, 2013, 2012, 2011 and 2010 Consolidated Balance Sheets, which originally presented deferred income tax assets and liabilities (current and noncurrent) on a gross basis, rather than a net basis. The revisions conform to ASC 740-10-45-6 which states all current deferred tax liabilities and assets shall be offset and presented as a single amount and all noncurrent deferred tax liabilities and assets shall be offset and presented as a single amount. The Company assessed the materiality of this error on previously issued financial statements and concluded that the error was immaterial.

The revisions are presented in the tables below:

December 31, 2014
