CORPORATION**

**PROXY STATEMENT**

We are providing this Proxy Statement in connection with the solicitation by our Board of Directors (our “Board”) of proxies to be voted at a special meeting of shareholders which will be held on August 3, 2006. We expect to mail proxy materials to our shareholders on or about June 30, 2006. Our mailing address is 667 Madison Avenue, New York, New York 10021-8087. Please note that throughout this Proxy Statement we refer to Loews Corporation as “we,” “us,” “our,” or the “Company.”

**Voting**

We have two classes of common stock which are outstanding and eligible to vote at the meeting:

- Loews common stock; and
- Carolina Group stock.

As of June 22, 2006, the record date for determination of shareholders entitled to notice of and to vote at the meeting, there were 551,301,207 shares of Loews common stock and 93,289,246 shares of Carolina Group stock outstanding. Each outstanding share of Loews common stock is entitled to one vote and each outstanding share of Carolina Group stock is entitled to 3/10 of a vote on all matters which may come before the meeting.

Shares which are voted to abstain on these matters will be considered present at the meeting, but since they are not affirmative votes for a proposal they will have the same effect as votes against the proposal. All properly executed proxies in the accompanying form received by us prior to the meeting will be voted at the meeting. You may revoke your proxy at any time before it is exercised by giving notice in writing to our Corporate Secretary, by granting a proxy bearing a later date or by voting in person.

Our Board has adopted a policy of confidentiality regarding the voting of shares. Under this policy, all proxies, ballots and voting tabulations that identify how an individual shareholder has voted at the meeting will be kept confidential from us, except where disclosure is required by applicable law, a shareholder expressly requests disclosure, or in the case of a contested proxy solicitation. Proxy tabulators and inspectors of election will be employees of our transfer agent or another third party, and not our employees.

**AMENDMENT TO OUR  
RESTATED CERTIFICATE OF INCORPORATION TO  
INCREASE THE AUTHORIZED SHARES OF LOEWS COMMON STOCK  
(Proposal No. 1)**

Shareholders are being asked to approve an amendment to our Restated Certificate of Incorporation (our “Certificate”) to increase the number of authorized shares of Loews common stock from 600 million to 1.8 billion. On May 8, 2006, our Board approved this amendment, subject to shareholder approval, and directed that this amendment be submitted to a vote of our shareholders. Our Board has determined that this amendment is in the best interests of us and our shareholders and recommends approval by our shareholders.

Our Certificate currently authorizes the issuance of up to 600 million shares of Loews common stock. As of May 31, 2006, after giving effect to the 3-for-1 split of Loews common stock effected on May 8, 2006 (the “2006 Stock Split”), there were approximately 556.2 million shares of Loews common stock issued and outstanding and 10.3 million shares reserved for issuance upon the exercise of options and stock appreciation rights granted or available for grant under our Loews Corporation 2000 Stock Option Plan, as amended, leaving only 33.4 million shares of Loews common stock available for future issuances.

Our Certificate also authorizes the issuance of up to 600 million shares of our Carolina Group stock and 100 million shares of preferred stock. The proposed amendment will not change the authorized shares of Carolina Group stock or preferred stock.

Our Board believes that the number of shares of Loews common stock presently available for future issuance under our Certificate is insufficient and has therefore proposed to increase the number of authorized shares to ensure that we have the flexibility to issue shares for general corporate purposes, without further shareholder approval except as may be required by law, regulation or stock exchange rules. We may issue shares in the future in connection with, among other things, equity financings, acquisitions, equity incentives for employees, and payments of stock dividends, stock splits or other recapitalizations. From time to time we consider opportunities to pursue acquisitions, equity financings and other transactions depending on market conditions and other factors. We do not have any current plans or intentions with respect to any such transaction.

In addition to these corporate purposes, an increase in the number of authorized shares of our Loews common stock could be used to make it more difficult to, or discourage an attempt to, obtain control of the Company by means of a takeover bid that our Board determines is not in the best interests of us and our shareholders. However, our Board does not intend or view the increase in authorized Loews common stock as an anti-takeover measure and is not aware of any attempt or plan to obtain control of the Company.

Any newly authorized shares of Loews common stock will have voting and other rights identical to those of the currently authorized shares of Loews common stock. However, the additional shares of Loews common stock might be issued at times and under circumstances as to have a dilutive effect on earnings per share or the percentage ownership interest of the present holders of our Loews common stock, none of whom have preemptive rights under our Certificate to subscribe for additional securities that we may issue.

The affirmative vote of a majority of the voting power of our outstanding Loews common stock and Carolina Group stock, voting as a single class, is required to approve this proposed amendment.

**Our Board recommends that you vote FOR proposal No. 1.**

**AMENDMENT TO OUR  
RESTATED CERTIFICATE OF INCORPORATION TO  
REDUCE THE PAR VALUE PER SHARE OF LOEWS COMMON STOCK  
(Proposal No. 2)**

Shareholders are being asked to approve an amendment to our Certificate to reduce the par value per share of Loews common stock from \$1.00 to \$0.01. On May 8, 2006, our Board approved this amendment, subject to shareholder approval, and directed that this amendment be submitted to a vote of our shareholders. Our Board has determined that this amendment is in the best interests of us and our shareholders and recommends approval by our shareholders.

As stated above, as of May 31, 2006 we had approximately 556.2 million shares of Loews common stock issued and outstanding. As of such date, our accounting books and records reflected \$556.2 million, or \$1.00 per share, in our Loews common stock, or stated capital, account (“stated capital account”). This includes approximately \$370.8 million which was transferred to the stated capital account from additional paid-in capital as a result of the distribution of new shares of Loews common stock in connection with the 2006 Stock Split. If this proposal is approved and the par value per share of our Loews common stock is reduced to \$0.01, our stated capital account will be reduced by \$0.99 per outstanding share, or approximately \$550.7 million in the aggregate, and our additional paid-in capital account will be increased by a like amount. These changes would have no impact on our total shareholders’ equity.

Our Board has proposed to reduce the par value per share of our Loews common stock in order to reduce our stated capital account and limit the amounts to be credited to the stated capital account as a result of future issuances of Loews common stock. These reductions will give our Board additional flexibility with respect to possible future transactions related to our Loews common stock which we may consider from time to time, including the payment of cash dividends, share repurchases, stock splits and stock dividends and other recapitalizations. Under the Delaware General Corporation Law, we are prohibited from paying dividends or repurchasing our shares to the extent such an action would impair our stated capital. Therefore, a reduction in our stated capital account, and a corresponding increase to our additional paid-in capital, resulting from lower par value per share of our Loews common stock would enhance our Board’s flexibility in declaring future dividends and repurchasing shares of our capital stock, which our Board may deem to be in the best interests of our shareholders.

The affirmative vote of a majority of the voting power of our outstanding Loews common stock and Carolina Group stock, voting as a single class, is required to approve this proposed amendment.

**Our Board recommends that you vote FOR proposal No. 2.**

If the proposed amendments to our Certificate are approved by our shareholders, we intend to file a Certificate of Amendment to our Certificate with the Secretary of State of the State of Delaware as soon thereafter as practicable. The Certificate of Amendment would amend the first paragraph of Article FOURTH of our Certificate to read as follows:

“FOURTH: The total number of shares of all classes of stock which the Corporation shall have authority to issue is 2,500,000,000 shares, consisting of 100,000,000 shares of Preferred Stock, par value \$.10 per share (“Preferred Stock”) and 2,400,000,000 common shares, of which 1,800,000,000 shall be Loews common stock having a par value of \$0.01 per share (“Loews common stock”) and 600,000,000 shall be Carolina Group stock having a par value of \$0.01 per share (“Carolina Group stock”).”
