• Reviews our financial and accounting practices, controls and results, reviews the scope and services of our auditors and appoints our independent auditors.

• Review and approve related parties transactions.

Compensation Committee

The Board of Directors has adopted a written Compensation Committee Charter. A copy of the Compensation Committee Charter is posted on our website under “Investor Relations - Corporate Governance.”

• Determines the compensation of our officers and employees.

• Administers our stock option plans.

Nominating and Corporate Governance Committee

The Board of Directors has adopted a written Nominating and Corporate Governance Committee Charter. A copy of the Nominating and Corporate Governance Committee Charter is posted on our website under “Investor Relations - Corporate Governance.”

• Oversees the Board’s review and consideration of shareholder recommendations for Director candidates.

• Oversees the Board's annual self-evaluation.

Code of Conduct and Code of Ethics. We have adopted a Code of Conduct applicable to all of our directors, officers and employees. In addition, we have adopted a Code of Ethics, within the meaning of applicable Commission rules, applicable to our Chief Executive Officer, Chief Financial Officer and Controller. If we make any amendments to either of these Codes (other than technical, administrative, or other non-substantive amendments), or waive (explicitly or implicitly) any provision of the Code of Ethics to the benefit of our Chief Executive Officer, Chief Financial Officer or Controller, we will disclose the nature of the amendment or waiver, its effective date and to whom it applies in the investor relations portion of our website at www.rcmt.com, or in a report on Form 8-K that we file with the Commission.

Related Party Transaction Approval Policy. Our Code of Conduct mandates that officers and directors bring promptly to the attention of our Compliance Officer, currently our Chief Financial Officer, any transaction or series of transactions that may result in a conflict of interest between that person and the Company. Furthermore, our Audit Committee must review and approve any “related party” transaction as defined in Item 404(a) of Regulation S-K, promulgated by the Securities and Exchange Commission, before it is consummated. Following any disclosure to our Compliance Officer, the Compliance Officer will then typically review with the Chairman of our Audit Committee the relevant facts disclosed by the officer or director in question. After this review, the Chairman of the Audit Committee and the Compliance Officer determine whether the matter should be brought to the Audit Committee or the full Board of Directors for approval. In considering any such transaction, the Audit Committee or the Board of Directors, as the case may be, will consider various relevant factors, including, among others, the reasoning for the Company to engage in the transaction, whether the terms of the transaction are at arm’s length and the overall fairness of the transaction to the Company. If a member of the Audit Committee or the Board is involved in the transaction, he or she will not participate in any of the discussions or decisions about the transaction. The transaction must be approved in advance

whenever practicable, and if not practicable, must be ratified as promptly as practicable.

ITEM 10. DIRECTORS, EXECUTIVE OFFICERS AND CORPORATE GOVERNANCE (CONTINUED)

Risk Oversight by the Board. The role of our Board of Directors in our risk oversight process includes receiving regular reports from members of management on areas of material risk to us, including operational, financial, legal and strategic risks.

In particular, our Audit Committee is tasked pursuant to its charter to “discuss significant financial risk exposures and the steps management has taken to monitor, control and report such exposures.” As appropriate, the Chairman of the Audit Committee reports to the full Board of Directors on the activities of the Audit Committee in this regard, allowing the Audit Committee and the full Board to coordinate their risk oversight activities.

As one component of our risk oversight and anti-fraud program, our Audit Committee has established complaint reporting procedures described under “Compliance Policy” in the “Investors” section of our website at www.rcmt.com. These procedures indicate how to submit complaints to our Audit Committee regarding concerns about our accounting practices, our adherence to financial policies and procedures, or our compliance with the Sarbanes-Oxley Act of 2002. Once received, grievances are reviewed by the Chairman of the Audit Committee for consideration.

Board Leadership Structure. Our governance documents provide the Board with flexibility to select the appropriate leadership structure for the Company. In making leadership structure determinations, the Board may consider many factors, including the specific needs of our business and what is in the best interests of our stockholders. Our Chairman, or our Lead Independent Director if our Chairman is not independent: (i) presides at all meetings of the Board including presiding at executive sessions of the Board (without management present) at every regularly scheduled Board meeting, (ii) serves as a liaison between the management and the independent directors, (iii) approves meeting agendas, time schedules and other information provided to the Board, and (iv) is available for direct communication and consultation with major stockholders upon request. On June 1, 2018, in conjunction with Mr. Vizi’s appointment as Executive Chairman and President, Mr. Ballou was designated by the Company’s independent directors to serve as a Lead Independent Director.

Section 16(a) Beneficial Ownership Reporting Compliance. We believe that, during our fiscal year ended December 29, 2018, our executive officers and directors made all required filings under Section 16(a) of the Securities Exchange Act on a timely basis. Our belief is based solely on:

- our review of copies of forms filed pursuant to Section 16(a) and submitted to us during and with respect to our fiscal year ended December 29, 2018 and
- representations from the Company’s directors, executive officers and beneficial owners of more than 10% of our Common Stock that they have complied with all Section 16(a) filing requirements with respect to 2018.

ITEM 11. EXECUTIVE COMPENSATION

Overview of Compensation Program; Certain Developments

The Compensation Committee of the Board has responsibility for establishing, implementing and continually monitoring adherence with the Company's compensation philosophy. The Compensation Committee seeks to ensure that the total compensation paid to the executives is fair, reasonable and competitive. Generally, the types of compensation and benefits provided to our executives, including the named executive officers, are similar to those provided to other executive officers.

The following discussion makes reference to our Named Executive Officers, including our former President and Chief Executive Officer, Rocco Campanelli, who retired as of June 1, 2018.

As part of our ongoing effort to better align our leadership, corporate governance structure and compensation methodologies with the interests and perspectives of our stockholders, members of our Board of Directors and management team periodically speak with many of our more significant stockholders. Mindful of the input of these stockholders and motivated by our commitment to the implementation of best practices in corporate governance and compensation, the Compensation Committee and our Board have undertaken over the last several years a series of efforts with respect to compensation reform, including the following steps:

- Limiting executive severance cash pay-outs to no more than 24 months' base salary and bonus;
 - Prohibiting tax gross-ups in all future employment agreements;
 - Requiring future employment agreements to contain a "double trigger" with respect to executive change-in-control payments;
 - Adopting an incentive payment claw back policy for named executive officers; and
- Developed the conceptual framework for a long term incentive plan containing performance-based stock units for the Company's Chief Executive Officer and Chief Financial Officer, which, as discussed below, was initially implemented in fiscal year 2016.

Since the implementation of the new long term incentive plan described above, three grants have been made under this program. On each of March 30, 2016, March 24, 2017, and April 5, 2018 the Compensation Committee made grants of 120,000 performance stock units ("PSUs") to Mr. Campanelli. Mr. Campanelli's three grants terminated as of June 1, 2018, due to his retirement.

In 2018, the Compensation Committee granted Mr. Vizi 15,000 restricted stock units ("RSUs") upon his appointment as the Company's Executive Chairman and President on June 1, 2018. These RSUs will vest on June 1, 2019, contingent on Mr. Vizi continuing to provide service to the Company on such date. On December 14, the Compensation Committee granted Mr. Vizi, an additional 20,000 RSUs, to vest on January 2, 2020 contingent on Mr. Vizi continuing to provide service to the Company on such date. Further, on October 23, 2018, the Compensation Committee granted 40,000 PSUs to Mr. Vizi. The number of PSUs that could ultimately be earned and vested under this grant was subject to increase to up to 60,000 PSUs and was to be determined based on the level of achievement of certain performance goals tied to EBITDA (Earnings Before Interest, Taxes, Depreciation & Amortization) as measured over the performance period beginning on December 31, 2017 and ending on December 29, 2018. On January 21, 2019, the Compensation Committee certified the results under this grant and a total of 47,148 PSUs, valued at \$176,805, vested with respect to this award.

ITEM 11. EXECUTIVE COMPENSATION

Overview of Compensation Program; Certain Developments (Continued)

Finally, on March 6, 2019, the Compensation Committee granted to a total of 160,000 PSUs to Mr. Vizi. The number of PSUs that will ultimately be earned and vested under this grant can be increased to up to 240,000 PSUs and shall be determined based on the level of achievement of certain performance goals tied to EBITDA (Earnings Before Interest, Taxes, Depreciation & Amortization) as measured over two periods as follows:

With respect to a target amount of 80,000 (with a maximum of 120,000 PSUs), the performance period beginning on December 30, 2018 and ending on December 28, 2019 (subject to adjustment upon a Change in Control, as defined under the Plan); and

With respect to a target amount of 80,000 (with a maximum of 120,000 PSUs), the performance period beginning on December 31, 2017 and ending on January 2, 2021 (subject to adjustment upon a Change in Control, as defined under the Plan).

Mr. Petraglia's and Mr. Sak's non-equity incentive plan compensation for fiscal 2018 was payable in cash and was primarily paid based on achievement of targets set for operating income growth. Mr. Petraglia and Mr. Saks earned cash bonuses for fiscal 2018 of \$130,000 and \$175,000, respectively.

ITEM 11. EXECUTIVE COMPENSATION (CONTINUED)

Compensation of Directors

Our employee directors do not receive any compensation for serving on our Board or its committees, other than the compensation they receive for serving as employees of RCM.

In 2014, the Compensation Committee engaged Towers Watson as an independent consultant to assist it in altering the structure of compensation to the Board's non-employee members. Ultimately, the Compensation Committee recommended to the Board, and the Board adopted, the following revised compensation structure for non-employee members of the Board, which was implemented beginning with the 2015 fiscal year and continued to be utilized through May 31, 2018:

• Annual cash retainer of \$40,000, payable in equal monthly installments.

No meeting fees for up to five Board meetings in each calendar year. For each meeting in calendar year in excess of five, each Board member shall receive a cash payment of \$1,500 for an in-person Board meeting and \$750 for a telephonic meeting.

Annual equity grants of \$40,000, in the form of RSUs with 1-year vesting feature (subject to acceleration upon Change in Control or separation from service in the same manner as the RSU grants made in December 2014), with delivery of the shares of common stock underlying to such RSUs to be made upon vesting; provided that, except for sales of shares in an amount no greater than required to generate an amount equal to the income tax on such shares, non-employee directors shall be required to retain shares delivered upon vesting unless, immediately following any such sale, such director would comply with the Company's ownership guidelines.

Payment of the following additional annual retainers: Chairman of the Board \$10,000; Lead Independent Director \$10,000 (who shall serve only at such time as the Board does not have an independent chair); Audit Committee chair \$10,000; Compensation Committee chair \$7,500.

• No other committee fees, for service or for meetings.

On June 1, 2018, the Compensation Committee recommended to the Board certain minor modifications in the structure of compensation to the Board's non-employee members. On that date the Board adopted the following revised compensation structure for non-employee members of the Board, which was implemented upon adoption:

• Annual cash retainer of \$45,000, payable in equal monthly installments.

• No meeting fees.

Annual equity grants of \$45,000, in the form of RSUs with 1-year vesting feature (subject to acceleration upon Change in Control or separation from service in the same manner as the RSU grants made in December 2017), with delivery of the shares of common stock underlying to such RSUs to be made upon vesting; provided that, except for sales of shares in an amount no greater than required to generate an amount equal to the income tax on such shares, non-employee directors shall be required to retain shares delivered upon vesting unless, immediately following any such sale, such director would comply with the Company's ownership guidelines.

Payment of the following additional annual retainers: Chairman of the Board (if independent) \$25,000; Lead Independent Director \$25,000 (who shall serve only at such time as the Board does not have an independent chair); Audit Committee chair \$10,000; Compensation Committee chair \$10,000; Nominating and Corporate Governance Committee chair \$5,000.

• No other committee fees, for service or for meetings.

Executive Severance Agreement and Change in Control Agreement

The Company is a party to an Executive Severance Agreement (the “Executive Severance Agreement”) with Mr. Vizi, the Company’s Executive Chairman and President, dated as of June 1, 2018, which sets forth the terms and conditions of certain payments to be made by the Company to executive in the event, while employed by the Company, Mr. Vizi experiences (a) a termination of employment unrelated to a “Change in Control” (as defined therein) or (b) there occurs a Change in Control and Mr. Vizi’s employment is terminated for a reason related to the Change in Control.

Under the terms of the Executive Severance Agreement, if either (a) Mr. Vizi is involuntarily terminated by the Company for any reason other than “Cause” (as defined therein), “Disability” (as defined therein) or death, or (b) Mr. Vizi resigns for “Good Reason” (as defined therein), and, in each case, the termination is not a “Termination Related to a Change in Control” (as defined below), Mr. Vizi will receive the following severance payments: (i) an amount equal to 1.5 times the sum of (a) Mr. Vizi’s annual base salary as in effect immediately prior to the termination date (before taking into account any reduction that constitutes Good Reason) (“Annual Base Salary”) and (b) the highest annual bonus paid to Mr. Vizi in any of the three fiscal years immediately preceding his termination date (“Bonus”), to be paid in installments over the twelve month period following Mr. Vizi’s termination date; and (ii) for a period of eighteen months following Mr. Vizi’s termination date, a monthly payment equal to the monthly COBRA premium that Mr. Vizi is required to pay to continue medical, vision, and dental coverage, for himself and, where applicable, his spouse and eligible dependents.

ITEM 11. EXECUTIVE COMPENSATION (CONTINUED)

Executive Severance Agreements and Change in Control Agreements (Continued)

Notwithstanding the above, if Mr. Vizi has a termination as described above and can reasonably demonstrate that such termination would constitute a Termination Related to a Change in Control, and a Change in Control occurs within 120 days following Mr. Vizi's termination date, Mr. Vizi will be entitled to receive the payments set forth below for a Termination Related to a Change in Control, less any amounts already paid to Mr. Vizi, upon consummation of the Change in Control.

Under the terms of the Executive Severance Agreement, if a Change in Control occurs and Mr. Vizi experiences a Termination Related to a Change in Control on account of (i) an involuntary termination by the Company for any reason other than Cause, death, or Disability, (ii) an involuntary termination by the Company within twelve months following a Change in Control on account of Disability or death, or (iii) a resignation by the Executive with Good Reason, then Mr. Vizi will receive the following severance payments: (1) a lump sum payment equal to two times the sum of Mr. Vizi's (a) Annual Base Salary and (b) Bonus; and (2) a lump sum payment equal to twenty-four multiplied by the monthly COBRA premium cost, as in effect immediately prior to Mr. Vizi's termination date, for Mr. Vizi to continue medical, dental and vision coverage, as applicable, in such Company plans for himself and, if applicable, his spouse and eligible dependents. Upon the occurrence of a Change in Control, the Company shall establish an irrevocable rabbi trust and contribute to the rabbi trust the applicable amounts due under the Executive Severance Agreements.

Mr. Petraglia and Mr. Saks, along with several other members of the Company's senior management (not including Mr. Vizi), are covered by our Change in Control Plan for Selected Executive Management (the "CIC Plan").

The CIC Plan sets forth the terms and conditions of severance and benefits to be provided to a covered employee in the event (a) the covered employee experiences a covered termination of employment after a "Potential Change in Control" (as defined in the CIC Plan), but prior to a "Change in Control" (as defined in the CIC Plan), and a Change in Control that relates to the Potential Change in Control occurs within the six month period following the covered employee's termination, or (b) the covered employee is employed by the Company on the date of a Change in Control. The CIC Plan also sets forth the terms and conditions of severance payments to be made to a covered employee in the event such employee is employed on the date of a Change in Control and is subsequently terminated on account of a covered termination during his "Designated Severance Period" (a period specified by the Company for each covered employee that is measured from the date of an applicable Change in Control, which is 18 months for Mr. Petraglia and Mr. Saks.

Under the terms of the CIC Plan, if a covered employee is (a) employed on the date of a Potential Change in Control, (b) terminated by the Company for a reason other than "Cause" (as defined in the CIC Plan), death, or disability, and (c) a Change in Control to which the Potential Change in Control relates occurs within the six month period following the covered employee's covered termination, the covered employee will receive, if the covered employee executes and does not revoke a release of claims, severance payments at the covered employee's annual base salary rate in regular payroll installments for the duration of the covered employee's Designated Severance Period. If the covered employee dies before receiving the entire amount that is owed, the remaining portion will be paid to the covered employee's estate. Severance payments will be discontinued if it is determined that the covered employee has engaged in any actions constituting Cause.

ITEM 11. EXECUTIVE COMPENSATION (CONTINUED)

Executive Severance Agreements and Change in Control Agreements (Continued)

Under the terms of the CIC Plan, if a covered employee is employed on the date of a Change in Control and the covered employee executes and does not revoke a release of claims:

- all outstanding Company equity-based awards granted to the covered employee prior to the date of the Change in Control will be immediately fully vested;

the Compensation Committee may, in its sole discretion, determine that the covered employee will receive a pro-rated annual bonus if (a) the Committee determines that the Change in Control is an asset sale with respect to an entity in which the covered employee is associated, (b) the covered employee's employment with the Company terminates in connection with such asset sale, and (c) the covered employee was eligible to participate in the Company's annual bonus plan at the time of the Change in Control; any such pro-rated annual bonus will be determined based on the level of achievement under the annual bonus plan at the time of the Change in Control; and

the Committee may, in its sole discretion, determine that the covered employee will receive a discretionary bonus upon a Change in Control.

Any bonuses paid under the CIC Plan upon a Change in Control will be paid in a single lump sum following the Change in Control.

Under the terms of the Plan, if a covered employee's employment with the "Employer" (as defined in the CIC Plan) is terminated during the covered employee's Designated Severance Period following the occurrence of a Change in Control (a) by the Employer for any reason other than Cause, death, or disability, or (b) by the covered employee for "Good Reason" (as defined in the CIC Plan), and the covered employee executes and does not revoke a release of claims, the Employer will continue to pay to the covered employee his annual base salary in regular payroll installments for the remainder of the covered employee's Designated Severance Period. A covered employee is not eligible for severance benefits from the Company after a Change in Control if the Change in Control is an asset sale with respect to the covered employee and the successor to the Company offers the covered employee employment with a level of compensation and benefits that in the aggregate are at least as favorable as the level of the covered employee's compensation and benefits with the Company prior to the Change in Control. If the covered employee dies before receiving the entire amount that is owed, the remaining portion will be paid to the covered employee's estate. Severance payments will be discontinued if the Employer determines that the covered employee has engaged in any actions constituting Cause.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Related Party Transaction Approval Policy

Our Code of Conduct mandates that officers and directors bring promptly to the attention of our Compliance Officer, currently our Chief Financial Officer, any transaction or series of transactions that may result in a conflict of interest between that person and the Company. Furthermore, our Audit Committee must review and approve any “related party” transaction as defined in Item 404(a) of Regulation S-K, promulgated by the Securities and Exchange Commission, before it is consummated. Following any disclosure to our Compliance Officer, the Compliance Officer will then typically review with the Chairman of our Audit Committee the relevant facts disclosed by the officer or director in question. After this review, the Chairman of the Audit Committee and the Compliance Officer determine whether the matter should be brought to the Audit Committee or the full Board of Directors for approval. In considering any such transaction, the Audit Committee or the Board of Directors, as the case may be, will consider various relevant factors, including, among others, the reasoning for the Company to engage in the transaction, whether the terms of the transaction are at arm’s length and the overall fairness of the transaction to the Company. If a member of the Audit Committee or the Board is involved in the transaction, he or she will not participate in any of the discussions or decisions about the transaction. The transaction must be approved in advance whenever practicable, and if not practicable, must be ratified as promptly as practicable.

Independence of the Board of Directors

The Board of Directors has determined that Roger H. Ballou, Richard A. Genovese, Leon Kopyt, and S. Gary Snodgrass are “independent directors” as defined in Marketplace Rule 4200(a)(15) of the NASDAQ Stock Market LLC.

ITEM 14. PRINCIPAL ACCOUNTANT FEES AND SERVICES

Our Audit Committee plans to engage EisnerAmper LLP (“EisnerAmper”) as our independent registered public accounting firm for the current fiscal year ending December 29, 2018.

Fees Billed by EisnerAmper during fiscal 2018 and 2017

Audit Fees. Fees billed to the Company by EisnerAmper for audit services rendered by EisnerAmper for the audit of the Company's 2018 annual financial statements, for the review of those financial statements included in the Company's Quarterly Reports on Form 10-Q, and for services that are normally provided by EisnerAmper in connection with statutory and regulatory filings or engagements, totaled approximately \$218,500. Tax Fees. Fees billed to the Company by EisnerAmper during 2018 and 2017 for professional services rendered for tax compliance, tax advice and tax planning totaled \$0 in both fiscal years.

All Other Fees. Other fees billed to the Company by EisnerAmper were \$20,000 for 2018 and \$0 for 2017. EisnerAmper does not audit the Company's 401(k) plan.

The Audit Committee has considered whether EisnerAmper's provision of services other than professional services rendered for the audit and review of our financial statements is compatible with maintaining EisnerAmper's independence, and has determined that it is so compatible.

All audit, audit-related, tax and other services were pre-approved by the Audit Committee pursuant to applicable regulations. The Audit Committee currently pre-approves all engagements of the Company's accountants to provide both audit and non-audit services, and has not established formal pre-approval policies or procedures. The Audit Committee did not approve any non-audit services pursuant to Rule 2-01 (c) (7) (i) (C) of Regulation S-X during 2018.
