Item 5. Other Events and Regulation FD Disclosure.

On October 8, 2003, GP Strategies Corporation (the "Company") converted \$500,000 principal amount of the Senior Unsecured 8% Note due September 30, 2004 of Five Star Products, Inc. ("Five Star") into 2,000,000 shares of Five Star common stock. In consideration for the Company agreeing to convert at a conversion price of \$0.25 per share, which is more than twice the \$0.11 closing market price of Five Star common stock on the day prior to approval of the transaction, Five Star agreed to terminate the voting agreement between the Company and Five Star. The voting agreement, which by its terms would in any event have terminated on June 30, 2004, provided that the Company (i) would vote

its Five Star common stock so that not more than 50% of the members of the Five Star board of directors would be officers or directors of the Company and (ii) would vote on matters other than the election of directors in the same proportion as the other Five Star stockholders.

This transaction, which was approved by a Special Committee of the Five Star board of directors comprised of an independent non-management director who is unaffiliated with the Company, increased the Company's ownership in Five Star from approximately 48% to approximately 54% of the outstanding Five Star common stock. In addition, the Company continues to own the remaining \$3 million principal amount of Five Star's Senior Unsecured 8% Note due September 30, 2004.
