COMPENSATION OF DIRECTORS

The directors of the Corporation who are employees of the Corporation or one of its subsidiaries received no separate compensation for their services as directors in 2005. The directors of the Corporation who are not employees of the Corporation or one of its subsidiaries, other than the Chairman of the Board, were paid an annual retainer of \$15,000, plus \$3,000 for each Board Committee on which the director served. The Committee Chairmen received an additional \$2,000, except that the Audit Committee Chairman, James F. Ault, who is retiring as a director as of the 2006 annual shareholders' meeting, received an additional \$5,000. The Chairman of the Board, Robert M. Smitson, received an annual retainer of \$50,000 in 2005, but no retainer for Committee service. In addition, under the provisions of the Corporation's 1999 Long-term Equity Incentive Plan, options were granted to each of the non-employee directors on July 1, 2005 to purchase shares of the Corporation's common stock. Each option was for 1,157 shares at an option price of \$25.00 per share, the market price on the date of the grants.

Some non-employee directors received additional compensation in 2005 for their services as a director of a subsidiary of the Corporation. James F. Ault was the Chairman of the Board of Directors of The Madison Community Bank, National Association ("MCB"), a wholly owned subsidiary of the Corporation, and was paid \$375 and \$75, respectively, for each MCB board and committee meeting he attended. Barry J. Hudson was Chairman of the Board of Directors of FNB and was paid \$10,976 in 2005 for his services in this capacity, of which \$4,356 was deferred compensation under an insurance-funded deferred compensation plan maintained by FNB. Richard A. Boehning and Robert T. Jeffares were directors of Lafayette Bank and Trust Company, National Association ("LBT"), a wholly owned subsidiary of the Corporation, for which Mr. Boehning received a retainer of \$19,800 and Mr. Jeffares received a retainer of \$13,200 in 2005. The full amount of both retainers was deferred under an unfunded deferred compensation plan maintained by LBT. Mr. Boehning and Mr. Jeffares also received life insurance coverage from LBT in the amount of \$6,000. Mr. Jeffares retired as a director of LBT in August 2005 and is retiring as a director of the Corporation as of the 2006 annual shareholders' meeting.

BOARD INDEPENDENCE

The Board has determined that each of the director-nominees and continuing directors is an "independent director," as defined in the listing standards of the Nasdaq Stock Market, Inc. ("NASDAQ"), except for the Corporation's President and CEO, Michael L. Cox, the Corporation's Executive Vice President and COO, Michael C. Rechin, FNB's Board Chairman, Barry J. Hudson, and CNB's Board Chairman, President and CEO, Thomas D. McAuliffe. All of the members of the Nominating and Governance Committee, the Compensation and Human Resources Committee, and the Audit Committee are "independent directors," as defined in the NASDAQ listing standards.

4

COMMITTEES OF THE BOARD

Nominating and Governance Committee

The Corporation has a Nominating and Governance Committee whose purpose is to seek to ensure continuation of the effectiveness and independence of the Board of Directors. The Committee is responsible for reviewing the credentials of persons suggested as prospective directors, nominating persons to serve as directors and as officers of the Board of Directors, including the slate of directors to be elected each year at the annual meeting of shareholders, making

Edgar Filing: FIRST MERCHANTS CORP - Form DEF 14A

recommendations concerning the size and composition of the Board of Directors, as well as criteria for Board membership, making recommendations concerning the Board's committee structure and makeup, providing for continuing education of the directors and self-assessment of the Board's effectiveness, and overseeing the Corporate-wide Code of Business Conduct and the Code of Ethics for senior financial officers of the Corporation. As of the date of this proxy statement, the Nominating and Governance Committee is composed of directors Thomas B. Clark (Chairman), James F. Ault, who is retiring as a director of the Corporation as of the 2006 annual meeting, Richard A. Boehning, Robert M. Smitson and Jean L. Wojtowicz. The Nominating and Governance Committee met 4 times during 2005.

The Board has adopted a written charter for the Nominating and Governance Committee. A copy of the charter is included among the documents under the "Corporate Governance Disclosures" link on the Corporation's website, www.firstmerchants.com.

In nominating persons to serve as directors, the Nominating and Governance Committee considers the person's ethical character, reputation, relevant expertise and experience, accomplishments, leadership skills, demonstrated business judgment, contribution to Board diversity, "independence" (as defined in the NASDAQ listing standards) if a non-employee director, residency in the Corporation's market area, ability and willingness to devote sufficient time to director responsibilities, and willingness to maintain a meaningful ownership interest in the Corporation and assist the Corporation in developing new business.

In addition to considering the criteria described in the preceding paragraph, the Committee's process for identifying and evaluating nominees involves, for incumbent directors whose terms are expiring, reviewing the quality of their prior service to the Corporation, including the nature and extent of their participation in the Corporation's governance and their contributions of management and financial expertise and experience to the Board and the Corporation. For new director candidates, the Committee also considers whether their skills are complementary to those of existing Board members and whether they will fulfill the Board's needs for management, financial, technological or other expertise. The Nominating and Governance Committee considers candidates coming to its attention through current Board members, search firms, shareholders and other persons.

Article IV, Section 9, of the Corporation's Bylaws, describes the process by which a shareholder may suggest a candidate for consideration by the Committee as a director nominee. Under this process, a suggestion by a shareholder of a director nominee must include: (a) the name, address and number of the Corporation's shares owned by the shareholder; (b) the name, address, age and principal occupation of the suggested nominee; and (c) such other information concerning the suggested nominee as the shareholder may wish to submit or the Committee may reasonably request. A suggestion for a director nominee submitted by a shareholder must be in writing and delivered or mailed to the Secretary, First Merchants Corporation, 200 East Jackson Street, Muncie, Indiana 47305. Suggestions for nominees from shareholders are evaluated in the same manner as other nominees.

There are no nominees for election to the Corporation's Board of Directors at the 2006 annual shareholders' meeting other than directors standing for re-election.

5

The authority to periodically adjust the compensation and benefits of employees, other than executive officers and senior management of the Corporation and the chief executive officers of its subsidiaries, has been delegated by the Committee to the chief executive officers of the subsidiaries. The Compensation and Human Resources Committee is responsible for the administration of the Corporation's incentive compensation and stock plans. As of the date of this proxy statement, the Compensation and Human Resources Committee is composed of directors Robert M. Smitson (Chairman), Thomas B. Clark, Roderick English and Charles E. Schalliol. The Committee met 5 times during 2005.

Compensation and Human Resources Committee Interlocks and Insider Participation

The Audit Committee recommends the selection of the independent auditor for approval by the Board and ratification by the shareholders, and it approves the independent auditor's compensation. As of the date of this proxy statement, the Audit Committee is composed of directors James F. Ault (Chairman), Thomas B. Clark, Jo Ann M. Gora, Robert T. Jeffares, Robert M. Smitson and Jean L. Wojtowicz. Mr. Ault and Mr. Jeffares are retiring as directors of the Corporation as of the 2006 annual meeting. In accordance with Section 407 of the Sarbanes-Oxley Act, the Corporation has identified Mr. Clark, Mr. Jeffares and Ms. Wojtowicz as "Audit Committee financial experts." All of them are "independent" as that term is used in the NASDAQ listing standards. The Audit Committee met 5 times during 2005.

The Board has adopted a written charter for the Audit Committee. The charter was amended by the Board in February 2006. A copy of the amended charter is attached as Appendix A to this proxy statement and is also included among the documents under the "Corporate Governance Disclosures" link on the Corporation's website, www.firstmerchants.com.

The Audit Committee has reviewed and discussed the audited financial statements of the Corporation for 2005 with the Corporation's management, and it has discussed with BKD, LLP, the Corporation's independent auditors for 2005, the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU ss.380), as modified or supplemented. The following table shows the estimated annual benefits payable upon retirement at normal retirement age 65 to employees of the Corporation and its subsidiaries who are covered by the First Merchants Corporation Retirement Pension Plan (the "Pension Plan"), a qualified defined benefit pension plan. For employees who are also covered by the First Merchants Corporation Supplemental Executive Retirement Plan (the "SERP Plan"), a nonqualified "excess benefit" plan, it includes the estimated annual benefits payable under that plan. Benefits under the Pension and SERP plans are computed on the basis of straight-life annuity amounts under the following formula: 1.6% of average final compensation plus .5% of average final compensation in excess of Social Security covered compensation, both times years of service (to a maximum of 25 years). Benefits are integrated with Social Security but are not subject to any deduction for Social Security or other offset amounts.

The benefits shown in the above table are based on covered compensation of \$57,636, the covered compensation set forth in the 2005 covered compensation table for persons born in 1944 (Mr. Cox's birth year). Mr. Cox is the only one of the Named Executive Officers who is currently accruing benefits under the Pension Plan, and he is the only Named Executive Officer who participates in the SERP Plan.

Compensation for purposes of the Pension Plan consists of the base salary and service award components of the amounts reported in the "Salary" column in the Summary Compensation Table on page 7. For plan years beginning on or after January 1, 2005, \$210,000 is the maximum amount of compensation that can be considered for purposes of calculating pension benefits accruing under the Pension Plan. This amount increased to \$220,000 for plan years beginning on or after January 1, 2006. Compensation for purposes of the SERP Plan, which provides benefits to designated executives that would otherwise be payable under the Pension Plan if Internal Revenue Code Section 401(a)(17) did not limit the amount of compensation that can be considered for purposes of calculating benefits accruing under the Pension Plan and if incentive compensation were included in compensation, also includes the amounts reported in the "Bonus" column in the Summary Compensation Table. Mr. Cox's 2005 compensation used for purposes of calculating his pension benefits under the Pension and SERP plans was \$409,426, and he had 10.5 years of credited years of service as of January 1, 2006.

Effective March 1, 2005, the benefits accruing to participants in the Pension Plan other than those who were at least age 55 with 10 or more credited years of service, including four of the Named Executive Officers - Mr. Connors, Ms. Ellington, Mr. Hardwick and Mr. Lorentson, were "frozen," and employees of the Corporation and its subsidiaries who were not participating in the plan on that date could not become eligible to participate. The benefits payable at age 65 to the participants whose benefits were frozen are determined under the formula described in the paragraph immediately preceding the Pension Plan Table above, based on their average final compensation as of March 1, 2005 times a fraction, the numerator of which is the employee's credited years of service as of March 1, 2005, and the denominator of which is the employee's credited years of service projected to age 65. The average final compensation and the fractions

10

used to determine the benefits payable under the Pension Plan to the Named Executive Officers whose benefits were frozen are: Mr. Connors, \$166,499 (2.50/12.00), Ms. Ellington, \$69,868 (8.24/27.99), Mr. Hardwick, \$106,541 (7.32/38.32), and Mr. Lorentson \$105,565 (3.40/26.82).

The Pension Plan participants who were at least age 55 with 10 or more credited years of service on March 1, 2005, including Mr. Cox and Mr. Helms, were "grandfathered;" that is, their benefits continued to accrue under the Pension Plan until their retirement, and the provisions of the Savings Plan that were in effect prior to its amendment continued to apply to them. Mr. Helms retired on October 28, 2005 with 33 credited years of service under the Pension Plan and receives a benefit under that plan based on the formula that was in effect prior

Edgar Filing: FIRST MERCHANTS CORP - Form DEF 14A

to 1990, equal to 2% of his average final compensation times his credited years of service (to a maximum of 25 years). Mr. Helms' average final compensation used to determine his Pension Plan benefit was \$130,042.

The First Merchants Corporation Retirement and Income Savings Plan (the "Savings Plan"), a Section 401(k) qualified defined contribution plan, was amended on March 1, 2005 to provide enhanced retirement benefits, including employer and matching contributions, for eligible employees of the Corporation and its subsidiaries whose benefits under the Pension Plan were frozen and employees of the Corporation and its subsidiaries who were not participating in the plan on that date. Because a participant's benefit under the Savings Plan is determined by the amounts of the annual employer, employee, and matching contributions and by the actual investment returns of the underlying assets, it is not possible to determine the amount of a participant's Savings Plan benefit at any future time.

Termination of Employment and Change of Control Arrangements

The Corporation has change of control agreements with each of the Named Executive Officers except Mr. Helms, whose change of control agreement terminated when he retired on October 28, 2005. These are "double trigger" change of control agreements, in that they provide for the payment of severance benefits to the executives only in the event of both a change of control of the Corporation and a termination or constructive termination of the employment of the executive within 24 months after the change of control (but no payment will be made if the termination was for cause, because of the executive's death or disability, or by the executive other than on account of constructive termination). In general, a "change of control" means an acquisition by any person of 25% or more of the Corporation's voting shares, a change in the makeup of a majority of the Corporation's Board of Directors over a 24-month period, a merger of the Corporation in which the shareholders before the merger own 50% or less of the Corporation's voting shares after the merger, or approval by the Corporation's shareholders of a plan of complete liquidation of the Corporation or an agreement to sell or dispose of substantially all of the Corporation's assets. A "constructive termination" means, generally, a significant reduction in duties, compensation or benefits or a relocation of the executive's office outside of area described in the agreement, unless agreed to by the executive. The severance benefits payable under each of the change of control agreements, in addition to base salary and incentive compensation accrued through the date of termination, would be a lump sum amount, determined by multiplying the sum of (1) the executive's annual base salary and (2) the executive's largest bonus under the Corporation's Senior Management Incentive Compensation Program during the 2 years preceding termination, by 299% in the cases of Mr. Cox and Mr. Hardwick, 200% in the cases of Mr. Connors and Ms. Ellington and 100% in the case of Mr. Lorentson. The Corporation also has a change of control agreement with Michael C. Rechin, who became Executive Vice President and Chief Operating Officer of the Corporation on November 21, 2005 and a director on December 13, 2005. The multiplier for Mr. Rechin's change of control agreement is 299%. The Corporation would also pay any excise tax imposed on the executive under Section 4999 of the Internal Revenue Code on an "excess parachute payment;" and it would provide to the executive 2 years' life, disability, accident and health insurance coverage, the bargain element value of outstanding stock options, outplacement services, and reasonable legal fees and expenses incurred as a result of the termination. The change of control agreements were not entered

11

into in response to any effort to acquire control of the Corporation, and the Board of Directors is not aware of any such effort.

Report of the Compensation and Human Resources Committee on Executive Compensation

Edgar Filing: FIRST MERCHANTS CORP - Form DEF 14A

General Compensation Policy

The Compensation and Human Resources Committee establishes the salaries and administers the executive compensation program applicable to the Corporation's executive officers, including the Named Executive Officers. The Corporation's compensation policy is designed to provide incentives to executive officers to achieve short-term and long-term corporate strategic management goals, with the ultimate objective of obtaining a superior return on the shareholders' investment. The Committee believes that a competitive compensation program, combining salary, employee benefits, incentive compensation, and equity-based compensation, is necessary to attract and retain qualified executives. The incentive compensation for executive officers, including the Chief Executive Officer, is tied to the Corporation's financial performance and the executive's individual contributions to that performance. The equity-based compensation programs encourage ownership and retention of the Corporation's stock by key employees, assuring that they have a meaningful stake in the Corporation's continued success and thereby aligning their interests more closely with the interests of shareholders.

Cash Compensation.

The annual salaries paid to the Corporation's executive officers for 2005, including the Chief Executive Officer, were determined by the Compensation and Human Resources Committee. The salaries for 2005 paid to the Named Executive Officers are shown in the "Salary" column of the Summary Compensation Table on page 7. These salaries were subjectively determined after consideration of the executive officer's individual responsibilities, performance, experience, the CEO's evaluation of the other executive officers, a review of several measurements of the Corporation's short-term and long-term financial results compared with industry peers, various industry salary surveys, and other factors such as budgetary considerations and inflation rates.

Incentive Compensation

The incentive compensation paid to the Corporation's executive officers for 2005, including the Chief Executive Officer, was determined under the Senior Management Incentive Compensation Program. This program incorporates modern incentive plan techniques and executive retention features for the purpose of closely aligning the interests of executives with those of shareholders. Under the program, at or near the beginning of each calendar year, the Committee assigns each of the program participants a target bonus for the year that is a percentage of salary. The participant's incentive compensation for the year is based on accomplishment of specific performance levels set forth in the program. The Chief Executive Officer's and Chief Operating Officer's bonuses for 2005 depended on meeting targets with respect to the Corporation's return on equity and improvements in the Corporation's operating earnings per share and diluted GAAP earnings per share compared to the previous year. The other executive officers' bonuses depended on meeting targets with respect to improvement in the Corporation's operating earnings per share compared to the previous year and accomplishing personal objectives as determined at or near the beginning of the year by the CEO. In order to avoid wide swings in payouts and to better focus the program participants on long-term results, 60% of any bonus paid to the participants is based on current year performance and 40% is based on the previous year's payout. To further the purpose of executive retention, 2/3 of each participant's bonus is payable in cash following the end of the calendar year, and the other 1/3 is payable in Deferred Stock Units ("DSUs") two years after the bonus is earned (unless the portion payable in DSUs is less than \$1,000, in which case the entire bonus is payable in cash). When payable, the DSUs are valued at an amount equal to the fair market value of the Corporation's common stock on the December 31 preceding the payment date plus accumulated

dividends. Payment is made to the participant in cash. The DSUs are forfeited if the participant's employment is terminated for cause or is voluntarily terminated by the participant (except on account of retirement, death or disability) prior to the date of payment. The participant may elect to defer payment of all or part of the cash portion of the bonus by filing an election to do so in the manner described in the program. Deferred amounts will be credited with interest quarterly based on the current 5-year U.S. Treasury Bond rate.

The cash portion of the bonuses for 2005 for the Named Executive Officers is set forth in the "Bonus" column of the Summary Compensation Table on page 7, and the DSU portion of these bonuses is set forth in the Long-Term Incentive Plan Awards Table on page 9. Cash amounts paid to these executive officers for DSUs earned for 2003 are set forth in the "LTIP Payouts" column of the Summary Compensation Table on page 7. For 2005, Mr. Cox's target bonus was 45% of salary, and his actual bonus, based 60% on 2005 performance and 40% on 2004 payout, was 19.35% of salary. The target bonuses for Mr. Connors, Ms. Ellington, Mr. Hardwick and Mr. Helms were each 30% of salary, and their actual bonuses, based 60% on 2005 performance and 40% on 2004 payout, were 20.66%, 19.57%, 21.10% and 17.68% of salary, respectively. The target bonus for Mr. Lorentson was 15% of salary, and his actual bonus, based 60% on 2005 performance and 40% on 2004 payout, was 10.67% of salary.

Equity-based Compensation.

In addition to the DSUs under the Senior Management Incentive Compensation Program described above, the Corporation's executive officers, including the Chief Executive Officer, received equity-based compensation for 2005 under the Corporation's Long-term Equity Incentive Plan and its 2004 Employee Stock Purchase Plan. The Long-term Equity Incentive Plan is briefly described in the paragraph on page 8 immediately preceding the Option Grants in Last Fiscal Year Table. The number of shares for which the Compensation and Human Resources Committee awarded options under that plan to the Named Executive Officers during 2005 is set forth in the "Number of Securities Underlying Options Granted" column of the Option Grants in Last Fiscal Year Table on page 8.

The 2004 Employee Stock Purchase Plan generally provides that full-time employees of the Corporation or a participating subsidiary with more than 6 months of service may elect, prior to the offering period (July 1 to June 30), to purchase common shares of the Corporation at a price equal to 85% of the lesser of the market price of the stock at the beginning of the period and the market price at the end of the period. For the offering period ending June 30, 2005, Mr. Cox, Mr. Connors, Ms. Ellington, Mr. Lorentson and Mr. Helms purchased 995, 248, 161, 62 and 124 shares, respectively, under the 2004 Employee Stock Purchase Plan. Mr. Hardwick did not participate in the Plan during this offering period.

Other Compensation.

The Corporation's executive officers, including the Named Executive Officers, are also covered by medical and retirement plans that are generally applicable to full-time employees of the Corporation and its subsidiaries. The retirement plans covering each of the executive officers are the First Merchants Corporation Retirement Pension Plan (the "Pension Plan"), a qualified defined benefit pension plan (described on page 10 under "Pension Plans"), and the First Merchants Corporation Retirement and Income Savings Plan (the "Savings Plan"), a qualified Internal Revenue Code ss.401(k) defined contribution pension plan (described on page 11 under "Pension Plans" and referred to in note (3) to the Summary Compensation Table on pages 7 and 8). Mr. Cox is also covered by the First Merchants Corporation Supplemental Executive Retirement Plan, a

Edgar Filing: FIRST MERCHANTS CORP - Form DEF 14A

nonqualified "excess benefit" plan (described on page 10 under "Pension Plans"). As explained on page 10, the Pension Plan was "frozen" on March 1, 2005 and the Savings plan was amended to provide enhanced retirement benefits for eligible employees of the Corporation and its subsidiaries. The Pension Plan participants

13

who were at least age 55 with 10 or more credited years of service on March 1, 2005, including Mr. Cox and Mr. Helms, were "grandfathered;" that is, their benefits continue to accrue under the Pension Plan until their retirement and the provisions of the Savings Plan that were in effect prior to its amendment continue to apply to them.

These investment companies, trusts and accounts are the "Funds." In its role as investment advisor or manager, Dimensional possesses investment and/or voting power over the shares of the Corporation's common stock owned by the Funds and may be deemed to be the beneficial owner of these shares under rules of the SEC. The information provided in the table is based on the Corporation's records and information filed with the SEC and provided to the Corporation.

The number of shares beneficially owned by each person is determined under rules of the SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under those rules, beneficial ownership includes shares which a person has the right to acquire as of April 11, 2006 (60 days after February 10, 2006) by exercising stock options ("Vested Options").

INTEREST OF MANAGEMENT IN CERTAIN TRANSACTIONS

Certain directors and executive officers of the Corporation and its subsidiaries and their associates are customers of, and have had transactions with, the Corporation's subsidiary banks from time to time in the ordinary course of business. Additional transactions may be expected to take place in the ordinary course of business in the future. All loans and commitments included in such transactions were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features.

Richard A. Boehning, a director of the Corporation and LBT, is of counsel to the law firm of Bennett, Boehning & Clary, Lafayette, Indiana, which LBT has retained as legal counsel during 2005 and proposes to retain as such during 2006.

DIRECTORS' ATTENDANCE AT ANNUAL SHAREHOLDERS MEETING

The Corporation's directors are encouraged to attend the annual meeting of shareholders. At the 2005 annual meeting, all 17 directors were in attendance.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Corporation's directors and executive officers to file reports of ownership and changes in ownership of the Corporation's stock with the SEC. Based on its records and the written representations of its directors and executive officers, the Corporation believes that during 2005 these persons complied with all Section 16(a) filing requirements.

INDEPENDENT PUBLIC ACCOUNTANTS

Selection of Independent Public Accountants

The Board, subject to ratification by the shareholders, has appointed BKD, LLP as the Corporation's independent public accountants for 2006. If the shareholders do not ratify the appointment of BKD, the Audit Committee and the Board will reconsider this appointment. Representatives of the firm are expected to be present at the annual shareholders' meeting. They will have an opportunity to make a statement, if they desire to do so, and are expected to be available to respond to appropriate questions.

The Board of Directors unanimously recommends a vote "FOR" ratification of the appointment of the firm of BKD, LLP as independent public accountants for 2006.

Fees for Professional Services Rendered by BKD, LLP

The following table shows the aggregate fees billed by BKD, LLP for audit and other services rendered to the Corporation for 2004 and 2005.

	2004	2005
	----	----
Audit Fees	\$352,428	\$383,400
Audit-Related Fees	43,489	76,292
Tax Fees	79,920	93,320
All Other Fees	0	14,230
	-----	-----
Total Fees	\$475,837	\$567,242
	=====	=====

The audit fees were for professional services rendered for the audits of the Corporation's consolidated financial statements and internal control over financial reporting, reviews of condensed consolidated financial statements included in the Corporation's Forms 10-Q, and assistance with regulatory filings.

The audit-related fees were for professional services rendered for audits of the Corporation's benefit plans.

The tax fees were for professional services rendered for preparation of tax returns and consultation on various tax matters.

The other fees were for professional investigatory services rendered by BKD, LLP at the request of the Audit Committee.

All of these audit-related, tax and other fees were pre-approved by the Audit Committee in accordance with the Committee's pre-approval policy described

Edgar Filing: FIRST MERCHANTS CORP - Form DEF 14A

below.

18

The Audit Committee has considered whether the provision by BKD, LLP of the services covered by the fees other than the audit fees is compatible with maintaining BKD, LLP's independence and believes that it is compatible.

Pre-approval Policies and Procedures

The Audit Committee has established a pre-approval policy, under which the Committee is required to pre-approve all audit and non-audit services performed by the Corporation's independent auditors, in order to assure that the provision of such services does not impair the auditor's independence. These services may include audit services, audit-related services, tax services and other services. Under this policy, pre-approval is provided for 12 months from the date of pre-approval unless the Committee specifically provides for a different period. The policy is detailed as to the particular services or category of services and fee levels that are pre-approved. Unless a service or type of service to be provided by the independent auditors has received general pre-approval, it will require specific pre-approval by the Audit Committee. The Committee must also approve any proposed services exceeding the pre-approved fee levels. The independent auditors are required to provide detailed back-up documentation with respect to each proposed pre-approved service at the time of approval. The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority has been delegated must report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditors to management.

SHAREHOLDER PROPOSALS

Proposals of shareholders intended to be presented at the 2007 annual meeting of the shareholders must be received by the Secretary of the Corporation at the Corporation's principal office by November 2, 2006, for inclusion in the Corporation's 2007 proxy statement and form of proxy relating to that meeting.

Shareholder proposals, if any, intended to be presented at the 2006 annual meeting that were not submitted for inclusion in this proxy statement will be considered untimely unless they were received by the Secretary of the Corporation at the Corporation's principal office by January 17, 2006.

OTHER MATTERS
