- (1) These performance shares were originally granted effective March 31, 2008, but were denominated in dollars instead of in shares on the grant date and the number of shares was not determinable until January 26, 2009 based on the Compensation Committee's certification of the company's earnings per share for 2008. Each performance share represents the right to receive one share of the company's common stock. The actual number of shares to be issued is subject to upward or downward adjustment of up to 20%, based on the company's total shareholder return for the three-year period ending December 31, 2010. No shares will be issued until the Compensation Committee certifies that three-year performance, which certification will occur after December 31, 2008.
- (2) Includes shares acquired through dividend reinvestment.
