PART II -- RULES 12b-25(b) AND (c)

If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate)

- (a) The reasons described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense;
- (b) The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, 11-K or Form N-SAR, or portion thereof, will be filed on or before the fifteenth calendar day following the prescribed due date; or the subject quarterly report or transition report on Form 10-Q, or portion thereof will be filed on or before the fifth calendar day following the prescribed due date; and
- (c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached if applicable.

PART III -- NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, or the transition report portion thereof, could not be filed within the prescribed time period.

We changed our reportable segments during the third quarter of 2006. As such, we are required to perform an interim goodwill test on the existing reporting units prior to the change to the new reporting units. We are still in the process of completing our interim goodwill impairment analysis. Accordingly, the work necessary to complete our Quarterly Report on Form 10-Q for the quarter ended September 30, 2006 was not finished in a sufficient time to permit the timely filing of the Form 10-Q and could not have been completed without unreasonable effort or expense. We are working diligently to file our quarterly report on Form 10-Q for the quarter ended September 30, 2006 by November 14, 2006.

Edgar Filing: BOWATER INC - Form NT 10-Q

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

[X] Yes [ ] No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

As indicated in Part III of this Form 12b-25, we are still in the process of completing our interim goodwill impairment analysis. On October 26, 2006, we issued a news release announcing our financial results for the third quarter ended September 30, 2006, which included a net loss of \$16.1 million, or \$0.28 per share, as compared to a loss of \$16.0 million, or \$0.28 per share, for the third quarter of 2005. In that release, we noted that we expected our interim goodwill impairment analysis to result in a material non-cash charge. Although we are still working diligently to finalize the amount of this charge, we now estimate that our non-cash goodwill impairment charge will be in excess of \$150 million, which is anticipated to have a corresponding, negative impact on our results for the third quarter of 2006.
