Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

As previously disclosed in the Form 8-K filed June 24, 2010, Magnetek, Inc. (the “Company” or “Magnetek”) received a notice from NYSE Regulation on June 21, 2010, that the Company did not meet the New York Stock Exchange (“NYSE”) continued listing standards because its average market capitalization was less than \$50 million over a consecutive 30 trading-day period and its stockholders’ equity was less than \$50 million. In response to the notice, the Company submitted a business plan on August 4, 2010, demonstrating how it intends to regain compliance with the continued listing standards.

On September 20, 2010, Magnetek was notified by NYSE Regulation that the Company’s proposed plan to regain compliance with the continued listing standards of the NYSE was accepted. Accordingly, the Company's stock will continue to be listed on the NYSE, pending quarterly reviews by the NYSE's Listing and Compliance Committee (the “Committee”) to assess progress against the plan. Further, the Committee has chosen, at its discretion, to truncate the plan period for regaining compliance with the continued listing standards from 18 months to 12 months, given the Company’s recurrence of having fallen below the continued listing standards.

The Company issued a press release on September 21, 2010, announcing that it had received the notice of acceptance from NYSE Regulation. A copy of the press release is attached to this Current Report on Form 8-K as Exhibit 99.1.
