SANDATA TECHNOLOGIES INC. AND SUBSIDIARIES

AMENDMENT TO QUARTERLY REPORT ON FORM 10-QSB FOR THE QUARTER ENDED AUGUST 31, 2002

The Quarterly Report on Form 10-QSB for Sandata Technologies, Inc. and Subsidiaries (the "Company") for the quarter ended August 31, 2002 is hereby amended and restated to the extent, and only to the extent, of amending the following sections of the items.

ITEM 1. CONSOLIDATED FINANCIAL STATEMENTS

Notes to Condensed Consolidated Financial Statements (Unaudited)

4. SHAREHOLDERS' EQUITY

Stock Options

On July 14, 1998, the Chairman, certain officers, directors, and a former director (Bert E. Brodsky, Hugh Freund and Gary Stoller) and the spouse of an officer, Carol Freund (who is an employee of Sandsport Data Services, Inc. ("Sandsport") the Company's wholly owned subsidiary), exercised their respective options and warrants to purchase an aggregate of 921,334 shares of Common Stock. The exercise prices ranged from \$1.38 to \$2.61 per share for an aggregate cost of \$1,608,861. Payment for such shares was made to the Company in the amount of \$921 representing the par value of the shares, and a portion in the form of non-recourse promissory notes due in July 2001, with interest at eight and one-half percent (8 1/2%) per annum, payable annually, and secured by the number of shares acquired ("Non-recourse Notes"). On July 14, 2001, the Company agreed to extend the due dates of the Non-recourse Notes for one hundred twenty days. On November 9, 2001, the due date of the notes was extended to November 9, 2004 and the Company agreed to substitute full recourse unsecured notes ("Recourse Notes") for the Non-recourse Notes it had previously accepted. The Recourse Notes will bear interest at the rate of eight and one-half percent (8 1/2%) per annum, payable annually, with the principal amount of each Recourse Note, plus any accrued and unpaid interest, due and payable on November 9, 2004.

Effective December 1, 2001, the interest rate on the Recourse Notes was changed to six percent (6%) per annum, to reflect fair market value, and the shares and Recourse Note of the spouse of the officer, Carol Freund, were both transferred to the officer.

During the year ended May 31, 2002, 24,667 shares of common stock were surrendered by a former director and an employee in settlement of Non-recourse Notes in the amount of \$37,962. As of August 31, 2002, the outstanding balance on Recourse Notes, including principal and accrued but unpaid interest, was \$1,512,679. During the period ended August 31, 2002, the Chairman repaid \$100,000 of his Recourse Note.

5. COMMITMENTS AND CONTINGENCIES

Litigation

a. In August of 1999, the Company's wholly-owned subsidiary, Sandsport Data Services, Inc. ("Sandsport") was named as a defendant in Greater Bright Light Home Care Services, Inc. et al. v. Joseph Jeffries-El, El Equity Corporation, Sandsport Data Services, Inc. et al. (Supreme Court of the State of New York, Kings County). Greater Bright Light Home Care Services, Inc. ("GBL") is a not-for-profit corporation that was organized to render home care attendant services to individuals selected as eligible recipients by the City of New York acting through the Department of Social Services of the Human Resources Administration ("HRA"). Pursuant to its agreement with HRA, GBL was entitled to reimbursement checks from the New York State Department of Health Medicaid Management Information System for the services it provided ("MMIS Checks"). Before GBL could provide home care attendant services it was required to demonstrate to HRA that it obtained a \$1.2 million line of credit. Joseph Jeffries El represented to GBL that he would provide it with the \$1.2 million line of credit that HRA required in exchange for an annual fee of \$120,000 payable in twelve equal monthly installments of \$10,000. GBL and Joseph Jeffries El's company, El Equity Corporation ("El Equity"), thereafter entered into an Escrow Agreement pursuant to which El Equity was to receive a portion of the funds received from MMIS. The MMIS checks were to be deposited in a specified account at Marine Midland Bank. GBL alleged that El Equity misappropriated the MMIS funds. GBL further alleged that El Equity breached the Escrow Agreement because it failed to provide GBL with the \$1.2 million line of credit.

Sandsport had been retained by GBL to pick up its MMIS checks and deposit them in a designated account at Marine Midland Bank. El Equity alleged that Sandsport's agreement with GBL prohibited it from depositing the MMIS funds into any other account absent written instructions signed by both GBL and El Equity. El Equity alleged that Sandsport, pursuant to GBL's instructions, deposited certain MMIS checks into an account other than the designated account. El Equity therefore asserted cross-claims against Sandsport for breach of contract and conversion. Although Sandsport is named as a defendant, the complaint seeks no affirmative relief against Sandsport. Co-defendant Citibank has asserted indemnification claims against Sandsport and all of the other defendants. Sandsport disputes all liability and has denied any wrongdoing. However, the Company is unable to predict the outcome of these claims and accordingly, no adjustments have been made in the consolidated financial statements in response to these claims.

b. On March 1, 2000, Dataline, Inc. ("Dataline") began a lawsuit against MCI WorldCom Network Services, Inc. ("MCI") and the Company for alleged trade libel and related counts, in the United States District Court for the Southern District of New York. The court dismissed that lawsuit, with prejudice, on May 23, 2002. On May 4, 2001 MCI had brought a patent infringement lawsuit against Dataline, alleging that it was infringing three MCI patents, under which the Company has an exclusive license in New York City. Shortly thereafter, the Company joined MCI in the suit against Dataline. Pursuant to a Settlement Agreement dated January 1, 2002 among MCI, its parent (MCI Communications Corporation), the Company, and Dataline, Dataline acknowledged the validity and enforceability of the 3 MCI-owned patents that were the subject of the lawsuits. There were no payments from either MCI or the Company to Dataline. As part of the settlement, Dataline agreed to pay the Company \$100,000 in cash and issue an 8% promissory note in the amount of \$721,000. Due to the uncertainty of realization of the note receivable, the Company is recognizing the income on the note using the installment method of accounting. For the three months ended August 31, 2002, the Company has recognized approximately \$45,000 of income. In

Edgar Filing: SANDATA TECHNOLOGIES INC - Form 10QSB/A

addition, Sandata and Dataline entered into an Exclusive Service Agreement by which Dataline agreed to use the Company's "call capture infrastructure" for all

of Dataline's time and attendance systems, and to pay royalties to the Company for such use. The terms of the settlement also included mutual releases.

c. By letter dated June 26, 2002, a former employee of the Company asserted claims for back wages of \$410,000. The letter, from the employee's attorney, also contained allegations of age discrimination and retaliatory discharge. The letter also contained an offer of settlement. No formal litigation has been started and the Company intends to pursue settlement negotiations. A provision of \$200,000 is included in accrued expenses relating to the asserted claim, which represents the Company's best estimate of costs to be incurred. The amount of the ultimate cost may vary from this estimate.

d. For description of the going private transaction, and of the class-action lawsuits initiated in connection with such transaction, see Note 8.

Royalty Agreement

The Company has been granted a license under certain of MCI's patents which permits the Company to continue to market and sell its SANTRAX time and attendance verification product non-exclusively nationwide, and exclusively in the home health care industries for the five New York boroughs, and that the Company will pay MCI certain royalties, on a per call basis. The license remains in effect until the last to expire of various patents held by MCI or until October 19, 2010, whichever is later.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

Liquidity and Capital Resources

The Company has a working capital deficit as of August 31, 2002 of \$2,371,686, as compared to working capital of \$1,890,988 at May 31, 2002. The primary factor is a result of the revolver becoming short-term liability of which \$3,750,000 is due in June 2003.

For the three months ended August 31, 2002, the Company spent approximately \$266,000 in fixed asset additions, of which \$229,000 was for software capitalization costs in connection with revenue growth and new product development. The Company expects the current levels of capital expenditures to continue.

On July 14, 1998, the Chairman, certain officers, directors and a former director (Bert E. Brodsky, Hugh Freund and Gary Stoller) and the spouse of an officer, Carol Freund, who is also an employee of Sandsport Data Services, Inc. ("Sandsport"), the Company's wholly owned subsidiary, exercised their respective options and warrants to purchase an aggregate of 921,334 shares of Common Stock at exercise prices ranging from \$1.38 to \$2.61 per share for an aggregate cost of \$1,608,861. Payment for such shares was made to the Company in the amount of \$921 representing the par value of the shares, and a portion in the form of non-recourse promissory notes due in July 2001, with interest at eight and one-half percent (8-1/2%) per annum, payable annually, and secured by the number of shares exercised. On July 14, 2001, the Company agreed to extend the due dates of such notes for one hundred twenty days until November 11, 2001. On November 9, 2001, the Company agreed to substitute full recourse unsecured Notes

for the Notes it had previously accepted in connection with these option and warrant exercises. Such notes will bear interest at the rate of eight and

Edgar Filing: SANDATA TECHNOLOGIES INC - Form 10QSB/A

one-half percent (8 1/2%) per annum, payable annually, with the principal amount of each such Note, plus any accrued and unpaid interest, due and payable on November 9, 2004.

As of December 1, 2001, the interest rate on the notes was changed to six percent (6%) per annum, to reflect fair market value, and the shares and note of the spouse of the officer, Carol Freund, were both transferred to the officer. During the year ended May 31, 2002, 24,667 shares of common stock were surrendered by a former director and an employee in settlement of notes in the amount of \$37,962. As of August 31, 2002, the outstanding balance on such notes, including principal and accrued but unpaid interest, was \$1,512,679.

On April 18, 1997, the Company's wholly owned subsidiary, Sandsport, entered into a revolving credit agreement (the "Credit Agreement") with HSBC Bank USA, which allows Sandsport to borrow amounts up to \$3,000,000. Interest accrues on amounts outstanding under the Credit Agreement at a rate equal to the London Interbank Offered Rate plus 2% and will be paid quarterly in arrears or, at Sandsport's option, interest may accrue at the Bank's prime rate. The Credit Agreement requires Sandsport to pay a fee equal to 1/4% per annum payable on the unused average daily balance of amounts under the Credit Agreement. In addition, there are other fees and charges imposed based upon Sandsport's failure to maintain certain minimum balances. The Credit Agreement has been amended by the Bank to permit Sandsport to borrow amounts up to \$4,500,000 until February 14, 2003. Interest accrues at the same rate as the original Credit Agreement. The indebtedness under the Credit Agreement is guaranteed by the Company and Sandsport's sister subsidiaries (the "Group"). All of the Group's assets are pledged to the Bank as collateral for amounts due under the Credit Agreement, which pledge is secured by a first lien on all equipment owned by members of the Group, as well as a collateral assignment of \$2,000,000 of life insurance payable on the life of the Company's Chairman. The Group's guaranty to the Bank was modified to include all indebtedness incurred by the Company under the Credit Agreement. On April 11, 2002, the Bank approved the extension of the termination date of the Credit Agreement to June 14, 2003 (from February 14, 2003).

In addition, pursuant to the Credit Agreement, the Group is required to maintain certain levels of net worth and meet certain financial ratios in addition to various other affirmative and negative covenants. As of August 24, 2001, Sandsport, the Company and the other members of the Group, and the Bank, entered into the Third Amendment and Waiver (the "Third Amendment") to the Credit Agreement. Pursuant to the Third Amendment, Sandsport's covenants to the Bank to maintain a certain net worth and to maintain certain financial ratios were revised, on a going-forward basis, and the noncompliance with the existing covenants was waived by the Bank. In addition, in connection with the Third Amendment, Sandsport and each member of the Group executed and delivered to the Bank a Collective Amended and Restated Security Agreement, pursuant to which the Bank's security interest was extended to include a security interest in all of the personal and fixture property of Sandsport, the Company and the members of the Group. On October 23, 2001 the Credit Agreement was amended with respect to one of the financial ratios, at the Company's request. At August 31, 2002 the Group met the net worth and financial ratios requirements of the Credit Agreement. In the past, the Group has failed to meet certain of the financial ratios, and the Bank has granted the Group a waiver. There can be no assurance that the Bank will continue to grant waivers if the Group fails to meet the net

worth and financial ratios in the future. If such waivers are not granted, any loans outstanding under the Credit Agreement become immediately due and payable, which may have an adverse effect on the Company's business, operations or financial condition. As of August 31, 2002, the outstanding balance on the Credit Agreement with the Bank was \$3,750,000.

Edgar Filing: SANDATA TECHNOLOGIES INC - Form 10QSB/A

The Company believes the results of its continued operations, together with the available credit line, should be adequate to fund presently foreseeable working capital requirements.
