WESTWOOD ONE, INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(In thousands, except per share data)

NOTE 1 - Basis of Presentation:

The accompanying consolidated balance sheet as of March 31, 2002, the consolidated statements of operations and the consolidated statements of cash flows for the three month periods ended March 31, 2002 and 2001 are unaudited, but in the opinion of management include all adjustments necessary for a fair presentation of the financial position and the results of operations for the periods presented. These financial statements should be read in conjunction with the Company's Annual Report on Form 10-K, filed with the Securities and Exchange Commission.

NOTE 2 - Accounting Change - Goodwill and Other Intangible Assets

In July 2001, the Financial Accounting Standard Board ("FASB") issued Statement of Financial Accounting Standards No. 141, "Business Combinations" ("SFAS 141") and No. 142 "Goodwill and Other Intangible Assets" ("SFAS 142") (collectively, the "Statements"). SFAS 141 supercedes APB Opinion No. 16, "Business Combinations" and requires all business combinations to be accounted for under the purchase methods. SFAS 142 primarily addresses the accounting for

Edgar Filing: WESTWOOD ONE INC /DE/ - Form 10-Q

goodwill and intangible assets subsequent to their initial recognition. The provisions of SFAS 142 (1) prohibit the amortization of goodwill and indefinite-lived intangible assets, (2) require that goodwill and indefinite-lived intangible assets be tested annually for impairment, (3) require that reporting units be identified for the purpose of assessing potential future impairments of goodwill, and (4) remove the forty-year limitation on the amortization period of intangible assets that have finite lives. The Company adopted these Statements, as required, on January 1, 2002.

In accordance with SFAS No. 142, the Company completed its transitional impairment testing of intangible assets during the first quarter of 2002. The outcome of such impairment testing indicated that the fair value of the Company's intangible assets were in excess of their carrying value.

At March 31, 2002, intangible assets subject to amortization primarily consisted of network affiliation agreements that are being amortized on an accelerated basis over periods ranging from 4 to 20 years with a weighted-average amortization period of approximately 8 years. At March 31, 2002, the Company's amortizable intangible assets gross value was \$29,337 with accumulated amortization of \$17,890. The Company's estimated aggregate amortization expense for fiscal year 2002, 2003, 2004, 2005 and 2006 are \$1,800, \$1,450, \$1,450, \$1,450 and \$900, respectively.

6

The following table provides a reconciliation of reported net income for the three months ended March 31, 2001 to net income that would have been reported had SFAS No. 142 been applied as of January 1, 2001:

	Three months ended March 31, 2001 -----
Reported net income	\$4,600
Add back goodwill amortization, net of tax	8,735

Adjusted net income	\$13,335
	=====
Basic and diluted earnings per share:	
As reported	\$.04
Goodwill amortization	.08

As adjusted	\$.12
	=====

NOTE 3 - Reclassification:

Certain prior period amounts have been reclassified to conform to the current presentation.

NOTE 4 - Earnings Per Share:

Net income per share is computed in accordance with SFAS No. 128. Basic earnings per share excludes all dilution and is calculated using the weighted average number of shares outstanding in the period. Diluted earnings per share reflects the potential dilution that would occur if all financial instruments

Edgar Filing: WESTWOOD ONE INC /DE/ - Form 10-Q

which may be exchanged for equity securities were exercised or converted to Common Stock.

The Company has issued options and warrants which may have a dilutive effect on reported earnings if they were exercised or converted to Common Stock. The following numbers of shares related to options and warrants were added to the basic weighted average shares outstanding to arrive at the diluted weighted average shares outstanding for each period:

	March 31,	
	-----	-----
	2002	2001
	----	----
Warrants	394	1,154
Options	3,411	2,747

NOTE 5 - Debt:

A March 31, 2002 the Company had outstanding borrowings of \$175,750 under its bank revolving credit facility and additional available borrowings of \$121,000.

7

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

(In thousands, except per share amounts)

RESULTS OF OPERATIONS

Effective January 1, 2002, the Company adopted SFAS 141 and SFAS 142. The Statements prohibit retroactive application, and accordingly several comparisons to prior year reported amounts are not meaningful. As a result, the Company has included pro forma disclosures to compare the current year operating results to those that would have been reported had the Statements been applied as of January 1, 2001.

THREE MONTHS ENDED MARCH 31, 2002 COMPARED WITH THREE MONTHS ENDED MARCH 31, 2001

Westwood One derives substantially all of its revenue from the sale of advertising time to advertisers. Net revenue in the first quarter of 2002 was \$126,296 compared with \$121,569 in the first quarter of 2001. The increase in net revenue was principally related to the Company's exclusive radio broadcast of the Winter Olympics from Salt Lake City.

Operating costs and expenses excluding depreciation and amortization increased 2% to \$92,401 in the first quarter of 2002 from \$90,441 in the first quarter of 2001. The increase was principally due to broadcast rights fees and other related costs associated with the Company's exclusive radio broadcast of the Winter Olympics, partially offset by tight cost controls, and reductions in affiliate compensation and personnel costs.

Depreciation and amortization decreased \$14,172, or 83%, to \$2,835 in the first quarter of 2002 compared with \$17,007 in the first quarter of 2001 due principally to the Company's adoption of SFAS 142, which prohibits the Company from continuing to amortize goodwill.

Edgar Filing: WESTWOOD ONE INC /DE/ - Form 10-Q

Corporate administrative expenses decreased 4% to \$1,737 in the first quarter of 2002 from \$1,811 in the first quarter of 2001. The decrease was primarily attributable to lower compensation expense.

Operating income increased 138% to \$29,323 in the first quarter of 2002 from \$12,310 in the first quarter of 2001, primarily due to lower depreciation and amortization expense resulting from the Company's adoption of SFAS 142 and higher operating cash flow (EBITDA). On a pro forma basis, assuming the Company had adopted the provisions of SFAS 142 on January 1, 2001, the Company's operating income would have increased approximately 23%.

Net interest expense decreased in the first quarter of 2002 to \$1,723 from \$2,743 in 2001. The decrease was due to lower interest rates, partially offset by slightly higher borrowing levels.

Income tax expense in the first quarter of 2002 was \$10,157 compared with \$4,967 in the first quarter of 2001. The Company's effective income tax rate in 2002 is approximately 37% compared with a 52% effective tax rate in the first quarter of 2001. Both the Company's reported income tax expense and effective income tax rate were affected by the Company's adoption of SFAS 142. On a pro forma basis, assuming the Company had adopted the provisions of SFAS 142 on January 1, 2001, income tax expense would have increased by approximately 30% and the Company's effective income tax rate would have been approximately 37% in the first quarter of 2001.

8

Net income in the first quarter of 2002 was \$17,443 (\$.16 per basic and diluted share) compared with \$4,600 (\$.04 per basic and diluted share) in the first quarter of 2001, an increase of approximately \$12,843, or 279%. On a pro forma basis, assuming the Company had adopted the provisions of SFAS 142 on January 1, 2001, the Company's net income would have increased by approximately 31% and net income per basic and diluted share would have increased by approximately 32%.

Weighted average shares outstanding used to compute basic and diluted earnings per share decreased to 106,629 and 110,434, respectively, in the first quarter of 2002 compared with 107,865 and 111,766, respectively, in the first quarter of 2001. The decrease is principally attributable to the Company's stock repurchase program.

LIQUIDITY AND CAPITAL RESOURCES

At March 31, 2002, the Company's cash and cash equivalents were \$9,560, an increase of \$5,051 from the December 31, 2001 balance.

For the three months ended March 31, 2002 versus the comparable prior year period, net cash from operating activities decreased \$1,972. The decrease was primarily attributable to changes in working capital.

At March 31, 2002, the Company had available borrowings of \$121,000 on its revolving credit facility. Pursuant to the terms of the facility, the amount of available borrowings declines by \$6,000 at the end of each quarter in 2002. In addition, the Company was required to repay its term loan by \$3,750 per quarter in its third and fourth quarters of 2002. The Company paid its September 2002 term loan installment in February 2002 and its December 2002 term loan installment in April 2002. The Company has used its available cash to either repurchase its Common Stock and warrants and/or repay its debt. In the first

Edgar Filing: WESTWOOD ONE INC /DE/ - Form 10-Q

quarter of 2002, the Company repurchased approximately 1,213 shares of Common Stock and 1,000 warrants at a cost of \$65,548. In the month of April, the Company repurchased an additional 322 shares of Common Stock at a cost of approximately \$12,058.
