DYNEX CAPITAL, INC.

April 26 , 2013

To Our Shareholders:

You are cordially invited to attend the Annual Meeting of Shareholders of Dynex Capital, Inc. (the “Company”) to be held at Le Parker Meridien Hotel located at 119 W. 56th Street, New York, New York on Wednesday, June 5, 2013, at 9:00 a.m. Eastern Time.

The business of the meeting is to consider and act upon the election of directors, to approve, in an advisory and non-binding vote, the compensation of our executive officers, to approve three amendments to our Restated Articles of Incorporation, and to ratify the selection of the auditors of the Company.

As permitted by rules adopted by the Securities and Exchange Commission, we are furnishing our proxy statement, 2012 Annual Report to Shareholders and proxy card over the Internet to most of our shareholders. This means that most of our shareholders will initially receive only a notice containing instructions on how to access the proxy materials over the Internet. This approach allows us to lower the costs of delivering the annual meeting materials and reduce the environmental impact of the meeting. If you would like to receive a paper copy of the proxy materials, the notice contains instructions on how you can request copies of these documents.

Whether or not you plan to attend the meeting, your vote is important and we encourage you to vote promptly. You may vote your shares via a toll-free telephone number or over the Internet. If you request to receive your proxy materials by mail, you may sign, date and mail the proxy card in the postage-paid envelope provided. Instructions regarding all three methods of voting are contained in the proxy card. If you mail the proxy card and desire to vote your shares of common stock in accordance with management's recommendations, you need not mark your votes on the proxy but need only sign, date and return the proxy card in the envelope provided in order to record your vote.

Sincerely,

This Proxy Statement is furnished to the holders of the common stock (“Common Stock”) of Dynex Capital, Inc. (the “Company”) in connection with the solicitation by the Company’s Board of Directors of proxies to be used at the Annual Meeting of Shareholders of the Company to be held at Le Parker Meridien Hotel located 119 W. 56th Street, New York, New York on Wednesday, June 5, 2013, at 9:00 a.m. Eastern Time (the “Annual Meeting”). The Annual Meeting is being held for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

As permitted by rules adopted by the Securities and Exchange Commission (the “SEC”), the Company is making this Proxy Statement and its 2012 Annual Report to Shareholders available to most of our shareholders electronically via the Internet. Instead, the Notice of Internet Availability of Proxy Materials instructs you on how to access and review over the Internet all of the important information contained in the Proxy Statement and Annual Report and on how you may submit your proxy over the Internet. GENERAL INFORMATION

Solicitation

Edgar Filing: DYNEX CAPITAL INC - Form DEF 14A

You have received these proxy materials because the Company's Board of Directors is soliciting your proxy to vote your shares at the Annual Meeting. The costs of this solicitation will be borne by the Company. Proxy solicitations will be made by the Internet and the mail, and also may be made by personal interview, telephone and e-mail by directors and officers of the Company, acting without compensation other than their regular compensation. Brokerage houses and nominees will be requested to forward the proxy soliciting material to the beneficial owners of shares of Common Stock and to obtain authorization for the

execution of proxies. The Company will, upon request, reimburse such parties for their reasonable expenses in forwarding these proxy materials to such beneficial owners. The Company has hired Georgeson Inc. to solicit proxies for a fee not to exceed \$8,500, plus expenses and other customary charges.

Voting Rights

Holders of shares of Common Stock at the close of business on April 15, 2013, the record date, are entitled to notice of, and to vote at, the Annual Meeting. On that date, 54,837,551 shares of Common Stock were outstanding, with each outstanding share of Common Stock entitled to one vote for each of the five directors nominated to be elected and one vote on each other matter presented at the Annual Meeting.

Quorum

The presence in person or by proxy of shareholders entitled to vote a majority of the outstanding shares of Common Stock will constitute a quorum for all matters presented at the Annual Meeting. Shares represented by proxy or in person at the Annual Meeting, including shares represented by proxies that reflect abstentions, will be counted as present in the determination of a quorum. An abstention as to any particular matter, however, does not constitute a vote "for" or "against" such matter. "Broker non-votes" (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owner or the persons entitled to vote the shares, and (ii) the broker does not have discretionary voting power on a particular matter) will be treated in the same manner as abstentions. The election of directors and the advisory vote to approve the compensation of the Company's named executive officers are not considered routine matters and, therefore, brokers do not have discretionary voting power with respect to these proposals. The three amendments to the Company's Restated Articles of Incorporation and the ratification of the selection of BDO USA, LLP as the Company's auditors for the 2013 fiscal year are considered routine matters and, therefore, brokers do have discretionary voting power with respect to these proposals.

Vote Required

With regard to the election of Directors, votes may be cast in favor or withheld. If a quorum is present, the directors will be elected by a plurality of the votes cast in the election of Directors; therefore, abstentions, broker non-votes or withheld votes will have no effect on the outcome of the election.

With regard to the proposals to approve the amendments to our Restated Articles of Incorporation, votes may be cast in favor or against, or you may abstain from voting. If a quorum is present, each such proposal will be approved if the number of votes cast in favor of such proposal constitute a majority of the total votes entitled to be cast for such proposal. Abstentions and broker non-votes, if applicable, will count as votes entitled to be cast for such proposals but not as votes in favor of such proposals, and therefore will have the same effect as votes against such proposals.

For all other proposals, votes may be cast in favor or against, or you may abstain from voting. For these proposals, including the advisory vote to approve the compensation of the Company's named executive officers and ratification of the selection of BDO USA, LLP as the Company's auditors for the 2013 fiscal year, if a quorum is present, such proposal will be approved if the votes cast in favor of the proposal exceed the votes cast against the proposal. Abstentions or broker non-votes will have no effect on the outcome of any such proposals.

Information about Voting

You will receive multiple Notices of Internet Availability of Proxy Materials or printed copies of the proxy materials if you hold your shares in different ways (e.g., joint tenancy, trusts, custodial accounts, etc.) or in multiple accounts. You should vote the shares represented by each Notice of Internet Availability of Proxy Materials or proxy card you receive to ensure that all of your shares are voted.

Shareholders of record can vote in person at the Annual Meeting or by proxy. There are three ways for shareholders of record to vote by proxy:

2

By Telephone - you can vote by telephone toll-free by following the instructions on the Notice of Internet Availability of Proxy Materials or proxy card (you will need the control number on your Notice of Internet Availability of Proxy Materials or proxy card);

By Internet - you can vote over the Internet by following the instructions on the Notice of Internet Availability of Proxy Materials or proxy card (you will need the control number on your Notice of Internet Availability of Proxy Materials or proxy card); or

By Mail - if you received these proxy materials by mail, you can vote by mail by signing, dating and mailing the proxy card in the postage-paid envelope provided.

Telephone and Internet voting for shareholders of record will be available 24 hours a day and will close at 11:59 p.m. Eastern Time on June 3, 2013. If you hold shares in the Dynex Capital, Inc. 401(k) Plan, your voting instructions for those shares must be received by 5:00 p.m. Eastern Time on May 31, 2013 to allow sufficient time for voting by the trustee of the plan.

If your shares are held in the name of a bank, broker or other holder of record, you will receive voting instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted. Telephone and Internet voting also will be offered to shareholders owning shares through certain banks and brokers.

Revocability of Proxy

If you are a shareholder of record, you may change or revoke your proxy at any time before your shares are voted at the Annual Meeting, by any of the following methods:

By submitting a written notice of revocation to the Secretary of the Company by the close of business on June 3, 2013;

By submitting by the close of business on June 3, 2013 a completed proxy card bearing a later date than any other proxy submitted by you;

By toll-free telephone by following the instructions on the Notice of Internet Availability of Proxy Materials or proxy card (you will need the control number on your Notice of Internet Availability of Proxy Materials or proxy card) by 11:59 p.m. Eastern Time on June 3, 2013;

By visiting the web page listed on the Notice of Internet Availability of Proxy Materials or proxy card and following the instructions (you will need the control number on your Notice of Internet Availability of Proxy Materials or proxy card) by 11:59 p.m. Eastern Time on June 3, 2013; or

By attending the Annual Meeting and requesting to vote in person.

Your latest proxy card, telephone vote, or Internet proxy with respect to the same shares is the one that will be counted.

If your shares are held in the name of a bank, broker or other holder of record, you should contact the holder of record to change your vote.

Voting your shares by telephone or over the Internet or sending in a proxy card will not affect your right to attend the Annual Meeting and to vote in person. However, if your shares are held in the name of a bank, broker or other holder of record and you plan to vote in person at the Annual Meeting, you should contact your broker or agent to obtain a legal proxy or broker's proxy card to bring to the Annual Meeting as proof of your authority to vote the shares.

If you vote in time for the Annual Meeting using the proxy, the individuals named on the proxy (your “proxies”) will vote your shares of Common Stock in accordance with the choices you specified. If you properly submit a proxy without indicating your instructions, the shares of Common Stock represented by such proxy will be voted FOR the election of the nominees named in this Proxy Statement as directors, FOR the approval of the compensation of the Company's named executive officers, FOR the approval of an amendment to our Restated Articles of Incorporation to increase the number of authorized shares of Common Stock from 100,000,000 to 200,000,000, FOR the approval of an amendment to our Restated Articles of Incorporation to remove obsolete language regarding the Company's 1999 reverse stock split, FOR the approval of an amendment to our Restated Articles of Incorporation to remove obsolete language regarding the Series D 9.50% Cumulative Convertible Preferred Stock, and FOR ratification of the selection of BDO USA, LLP as the Company's auditors for the 2013 fiscal year.

Directions to Annual Meeting

Directions to attend the Annual Meeting, where you may vote in person, may be obtained by calling Investor Relations at (804) 217-5897.

Other Matters

The management and the Board of Directors of the Company know of no other matters to come before the Annual Meeting other than those stated in the Notice of Annual Meeting of Shareholders. However, if any other matters are properly presented to the shareholders for action, it is the intention of the individuals named in the proxy to vote in their discretion on all matters on which the shares represented by such proxy are entitled to vote.

Annual Report on Form 10-K

The Company's Annual Report on Form 10-K, including financial statements for the year ended December 31, 2012, which is available on the Internet as set forth in the Notice of Internet Availability of Proxy Materials and is being mailed together with this Proxy Statement to shareholders who receive the proxy materials by mail, contains financial and other information about the activities of the Company, but is not incorporated into this Proxy Statement and is not to be considered a part of these proxy soliciting materials.

PROPOSAL ONE

ELECTION OF DIRECTORS

General

Pursuant to Virginia law and our Articles of Incorporation, directors of the Company are to be elected by the holders of shares of Common Stock at the Annual Meeting to serve until the next annual meeting and until their successors are elected and duly qualified. On the recommendation of the Nominating & Corporate Governance Committee, the Board of Directors has nominated Thomas B. Akin, Byron L. Boston, Michael R. Hughes, Barry A. Igdaloff, and James C. Wheat, III for election by the holders of shares of Common Stock to the Board of Directors at the Annual Meeting.

Current director Daniel K. Osborne notified the Nominating & Corporate Governance Committee that he would not stand for re-election to the Company's Board of Directors at the 2013 Annual Meeting. Since joining the Board of Directors in 2005, Mr. Osborne has been a valuable contributor to the Board and the committees on which he has served. Mr. Osborne will continue to serve as a director until the Annual Meeting. In connection with Mr. Osborne not standing for re-election at the Annual Meeting, the Board of Directors has reduced its size to five members effective as of the Annual Meeting while the search is underway for a new director.

Unless otherwise indicated, a proxy will be voted FOR the election of Messrs. Akin, Boston, Hughes, Igdaloff, and Wheat to the Board of Directors. Each Director nominee has agreed to serve if elected. Selected biographical information regarding each Director nominee is set forth below.

Although it is anticipated that each Director nominee will be able to serve, should any nominee become unavailable to serve, the shares represented by each proxy will be voted for another person or persons designated by the Company's Board of Directors. In no event will a proxy be voted for more than five Directors.

Board of Directors Nominees

The following information sets forth as of April 15, 2013, the names, ages, principal occupations and business experience for the Company's Director nominees. In addition to the information presented below regarding each Director nominee's specific experience, qualifications, attributes and skills that led our Board to the conclusion that he should serve as a director, we also believe that all of our Director nominees have a reputation for integrity, honesty and adherence to high ethical standards. They each have demonstrated business acumen and an ability to exercise sound judgment, as well as a commitment of service to the Company and our Board. Finally, we value their significant experience on other public company boards of directors and board committees. Unless otherwise indicated, the business experience and principal occupations shown for each director has extended five or more years.

Thomas B. Akin (60) has been a director of Dynex Capital, Inc. since May 2003, Chairman since May 30, 2005, and on February 4, 2008 accepted the position of Chief Executive Officer of the Company. Mr. Akin also founded and has served as the managing member of Talkot Capital, LLC, which is the sole general partner of the Talkot Fund, L.P., located in Sausalito, California since 1995. Mr. Akin is also a limited partner of the Talkot Fund, L.P. From 1981 to 1994, Mr. Akin held various positions at Merrill Lynch Institutional Services. Prior to Merrill Lynch, Mr. Akin was an employee of Salomon Brothers from 1978 to 1981. Mr. Akin also currently serves on the board of See Kai Run. Mr. Akin previously served on the boards of Acacia Research Corporation, Advance Data Exchange, Centriv Services, Inc., CombiMatrix Corporation, and eFAX.com (including as Chairman of the Board of Centiv Services, Inc.,

CombiMatrix Corporation, and eFAX.com). Mr. Akin holds a B.A. from the University of California at Santa Cruz and an M.B.A. from the Anderson School of Management, UCLA.

We believe Mr. Akin's qualifications to serve on our Board of Directors include his extensive background in evaluating investments in private and public companies, including over 30 years of experience in the financial and investment industries. Mr. Akin has significant experience in investing in mortgage REITs through his experience as managing member at Talkot Capital. Mr. Akin also has experience managing and advising organizations which have special investment needs. Mr. Akin's significant service as a director of several other companies also demonstrates that he has the leadership skills required to serve as Chairman of the Company.

Byron L. Boston (54) became a director of the Company in March 2012. Since March 1, 2012, he has served as President and Chief Investment Officer, having held the position of Chief Investment Officer since April 2008. From November 2006 to

April 2008, Mr. Boston was the President of Boston Consulting Group, which provided advice on business strategies for its clients. From January 2004 to October 2006, Mr. Boston was Executive Vice President of Sunset Financial Resources, Inc. Prior to this, Mr. Boston was a senior officer for the Freddie Mac Corporation from 1997 to 2003. From 1981 to 1997, Mr. Boston held banking and trading positions at New York investment banking firms. Mr. Boston holds an A.B. in Economics and Government from Dartmouth College and an M.B.A. in Finance and Accounting from the Graduate School of Business, University of Chicago.

We believe Mr. Boston's qualifications to serve on our Board of Directors include his background as Chief Investment Officer of the Company, as well as his eight years of experience with REIT investments, his leadership positions at the Freddie Mac Corporation and Sunset Financial Resources, Inc., and his Wall Street credit and capital markets experience. These experiences allow Mr. Boston to offer a different perspective on the Company's current and future business operations regarding investments, which is valuable resource for our Board of Directors.

Michael R. Hughes (52) became a director of the Company in November 2010. Mr. Hughes is currently an analyst at Ascend Capital Management and serves as the President of the Board of Trustees of the Bentley School in Oakland, California. Prior to beginning his position at Ascend Capital Management in 2012 and at the Bentley School in 2009, Mr. Hughes was a partner and portfolio manager of Osterweis Capital Management from 2005 to 2008. From 1989 to 2005, Mr. Hughes was the First Vice President of Merrill Lynch Financial Institutions Research. Mr. Hughes began his career as an equity analyst at Dean Witter Reynolds in 1986. Mr. Hughes serves as the Chairman of the Compensation Committee and as a member of the Audit Committee and the Nominating & Corporate Governance Committee for the Company. Mr. Hughes holds an A.B. from the University of California at Berkley in Geophysics. Mr. Hughes was awarded the Chartered Financial Analyst (CFA) designation in 1991.

We believe Mr. Hughes' qualifications to serve on our Board of Directors include his background as a portfolio manager of financial institutions, as well as his extensive experience as a securities analyst overseeing equity analysis for mortgage companies, mortgage REITs, consumer and commercial finance, and government agencies including Fannie Mae and Freddie Mac. These experiences, coupled with Mr. Hughes' substantial financial expertise, allow him to offer significant insights and advice, thus making him a valuable addition to our Board.

Barry A. Igdaloff (58) has been a director of the Company since 2000. Mr. Igdaloff has been a registered investment advisor and the sole proprietor of Rose Capital in Columbus, Ohio, since 1995. Mr. Igdaloff graduated from Indiana University in 1976 with a B.S.B. in accounting and from The Ohio State University in 1978, with a Juris Doctorate degree. Mr. Igdaloff is a non-practicing certified public accountant and a non-practicing attorney. Mr. Igdaloff currently serves on the Board of Directors of Novation Companies, Inc. and serves on its audit committee. Previously, Mr. Igdaloff served on the board of Guest Supply, Inc. Mr. Igdaloff serves as the Chairman of the Audit Committee and as a member of the Compensation Committee and the Nominating & Corporate Governance Committee for the Company.

We believe Mr. Igdaloff's qualifications to serve on our Board of Directors include his financial expertise and his years of experience as an investment advisor, attorney, and accountant. Investment, legal, and accounting issues impact the Company in various ways, and Mr. Igdaloff's ability to draw on his experience in these professions allows him to contribute a unique perspective to the Board of Directors. In addition, as a result of his financial expertise and prior audit committee service, Mr. Igdaloff provides valuable insight and advice to our Board of Directors regarding our financial risk exposures and financial reporting matters.

James C. Wheat, III (60) joined the Board of Directors in August 2008. Mr. Wheat is the co-founder and managing director of Colonnade Capital Corporation, a private equity firm dedicated to sponsoring friendly growth buyouts of middle market companies. Since 1995, Mr. Wheat has also been the manager of Jasper, LLC, an investment firm investing in publicly traded securities, hedge funds, private equity and debt, and real estate, and has been the manager

of Blandfield Associates, LLC, a timberland and working farm, since 1992. In addition, Mr. Wheat has been a general partner of Riverfront Partners since 1992. Mr. Wheat was the Chairman of the Virginia Retirement System from 1997 to 2000. He was the managing director and a member of the board of directors of Wachovia Securities (formerly Wheat First Securities) from 1984 to 1993. Mr. Wheat serves as the Chairman of the Nominating & Corporate Governance Committee and as a member of the Audit Committee and the Compensation Committee for the Company. Mr. Wheat earned a B.A. from Hampden-Sydney College in 1975 and an M.B.A. from the University of Virginia in 1978.

We believe Mr. Wheat's background as a managing director and board member of financial services companies provides him the necessary depth of experience to implement our business strategy as a member of our Board of Directors. In addition, as a result of his entrepreneurial and management experience, Mr. Wheat has developed operational and organizational acumen, which is a valuable resource for our Board of Directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE DIRECTOR NOMINEES LISTED ABOVE.

CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS

General

The business and affairs of the Company are managed under the direction of the Board of Directors in accordance with the Virginia Stock Corporation Act and the Company's Articles of Incorporation and Bylaws. Members of the Board are kept informed of the Company's business through discussions with the Chairman of the Board and Chief Executive Officer and other officers, by reviewing materials provided to them and by participating in meetings of the Board and its committees. The corporate governance practices followed by the Company are summarized below.

Director Independence

The Board of Directors has adopted Corporate Governance Guidelines that set forth the practices of the Board with respect to its size, criteria for membership and selection to the Board, committees of the Board, meetings and access to management, director compensation, director orientation and continuing education, annual performance evaluation of the Board, director responsibilities, annual review of performance of the Chief Executive Officer and management succession and ethics and conduct. The Guidelines are available on the Company's web page at www.dynexcapital.com under "Investor Relations - Corporate Information - Corporate Governance." A printed copy is available to any shareholder upon written request to the Secretary of the Company, 4991 Lake Brook Drive, Suite 100, Glen Allen, Virginia 23060.

The Board of Directors in its business judgment has determined that Messrs. Hughes, Igdaloff, and Wheat, as well as Mr. Osborne, who will not stand for re-election to the Board at the Annual Meeting, are independent as defined by New York Stock Exchange listing standards. In reaching this conclusion, the Board considered whether the Company and its subsidiaries conduct business and have other relationships with organizations of which certain members of the Board or members of their immediate families are or were directors or officers. In addition, the Board considered all relevant facts and circumstances, including relationships that a director may have due to his status as an investor in an entity that may have a relationship with the Company. In determining the independence of each director, the Board considered that Mr. Hughes and Mr. Wheat are both investors in the Talkot Fund, L.P., of which Mr. Akin is the managing general partner and a limited partner. As part of its analysis, the Board considered the size of Mr. Hughes' and Mr. Wheat's investments in the Talkot Fund, L.P. and in each case concluded that the investment was not material to the director, either in terms of the percentage of the fund represented by the investment or the percentage of the director's net worth invested in the fund. Based partly on this determination and partly on the passive nature of their investments, the Board concluded that these relationships are not material to the evaluation and do not impair the ability of Mr. Hughes or Mr. Wheat to exercise independent judgment as directors.

Consistent with the New York Stock Exchange listing standards, the Company's Corporate Governance Guidelines establish categorical standards under which, except with respect to members of the Audit Committee and the Compensation Committee, the following relationships between a non-employee director and the Company will not be considered to be material:

- if during any twelve month period within the last three years, the director or any immediate family member of the director received \$120,000 or less in direct compensation from the Company, excluding director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);

-

if during each of the current fiscal year and three most recent fiscal years, the director is, or was, an executive officer or an employee (or has, or had, an immediate family member who is, or was, an executive officer) of another company that made payments to, or received payments from, the Company for property or services in an amount which, in each of the last three fiscal years, did not exceed the greater of \$1 million or 2% of such other company's consolidated gross revenues; or

if the director serves as an executive officer of a charitable organization to which the Company made charitable contributions that did not exceed the greater of \$1 million, or 2% of such charitable organization's consolidated gross revenues in each of the last three fiscal years.

None of the Company's directors, their immediate family members, or organizations in which they are a partner, shareholder or officer, are engaged in any relationships with the Company, except Mr. Akin as Chief Executive Officer and Mr. Boston as President and Chief Investment Officer.

7

Code of Ethics

The Board of Directors has approved a Code of Business Conduct and Ethics for directors, officers and employees of the Company and each of its subsidiaries, including the Company's Chief Executive Officer and Chief Financial Officer. The Code addresses such topics as compliance with applicable laws, conflicts of interest, use and protection of Company assets, confidentiality, dealings with the press and communications with the public, accounting and financial reporting matters, fair dealing, discrimination and harassment and health and safety. It is available on the Company's web page at www.dynexcapital.com under "Investor Relations - Corporate Information - Corporate Governance". A printed copy of the Code is available to any shareholder upon written request to the Secretary of the Company at the address set forth above.

We intend to provide any required disclosure of an amendment to or waiver from the Code that applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, on the Company's web page at www.dynexcapital.com under "Investor Relations- Corporate Information - Corporate Governance" promptly following the amendment or waiver. We may elect to disclose any such amendment or waiver in a report on Form 8-K filed with the SEC either in addition to or in lieu of the web page disclosure.

Board and Committee Meeting Attendance

In 2012, there were seven meetings of the Board of Directors. Each director attended 90% or more of the aggregate number of meetings of the Board and of the committees on which he served.

Board Leadership Structure

The Company's Chairman of the Board also serves as the Chief Executive Officer. Therefore, under the Company's Corporate Governance Guidelines, the Company has designated a Lead Independent Director to serve as Chairman of the Nominating & Corporate Governance Committee, to assist the Chairman of the Board with Board-related matters, and to act, as necessary, as a liaison between the independent directors and the Chairman of the Board. The Lead Independent Director also presides at all executive sessions and other meetings of non-employee directors and has the power to call meetings of non-employee directors. In addition, the Lead Independent Director provides input to the Chairman of the Board in determining the agenda for each Board meeting. The Company believes that, at this time, having one person serve as both Chief Executive Officer and Chairman of the Board demonstrates to its employees and shareholders that the Company is under strong leadership. The Board of Directors annually reviews the Company's corporate governance structure to ensure that it remains the most appropriate structure for the Company and its shareholders. The Company believes that, at this time, its leadership structure enables the single leader of both management and the Board to lead the Company through the current challenging economic times, with appropriate support from the Lead Independent Director and the committee chairmen, each of whom is an independent director.

Board Oversight of Risk Management

Directors are expected to apply themselves to understanding the Company's business and its significant risks. The Board of Directors through the Investment Committee oversees the investment activities of the Company and the risks related to these activities. The Investment Committee regularly receives presentations from senior management regarding the Company's risk profile and its risk management strategies. As part of that process, the Investment Committee oversees the Company's compliance with the investment and investment risk policies of the Company, including notification to the Board if these risk limits are approached or exceeded. Management reviews these risk limits with the Investment Committee generally quarterly. In addition, the Audit Committee, comprised solely of

independent directors, discusses with management, the independent auditor and the Company's internal auditor the Company's policies and practices with respect to risk assessment and risk management with an emphasis on risks related to financial reporting and controls. The Company believes that its leadership structure promotes effective Board oversight of risk management as the Audit and Investment Committees of the Board are comprised primarily of independent directors and actively monitor the Company's policies and practices with respect to risk assessment and risk management, and the directors are provided with the information necessary to evaluate the Company's significant risks and strategies for addressing them.

Executive Sessions

Executive sessions where non-employee directors meet on an informal basis are scheduled either before or after regularly scheduled Board meetings. At least once a year the Board schedules an executive session including only independent directors. Such sessions are chaired by the Lead Independent Director who by operation of our Corporate Governance Guidelines is the

Chairman of the Nominating & Corporate Governance Committee. Mr. Wheat is currently the Lead Independent Director and serves as chairman for executive sessions.

Communications with Directors

Any director may be contacted by writing to him c/o the Secretary of the Company at the address set forth on the first page of this Proxy Statement. Communications to the non-management directors as a group may be sent to the Lead Independent Director c/o the Secretary of the Company at the same address. The Company promptly forwards, without screening, any correspondence to a specified director to such director.

Committees of the Board

The Board of Directors has a standing Audit Committee, Compensation Committee and Nominating & Corporate Governance Committee. The Board also has established an Investment Committee, which is not considered a standing committee of the Board.

Audit Committee

The Audit Committee assists the Board of Directors in fulfilling the Board's oversight responsibility to the shareholders relating to the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the qualifications, independence and performance of the Company's independent auditor and the performance of the internal audit function. The Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditor engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services for the Company. The Committee operates under a written charter last amended by the Board in March 2012. The Audit Committee Charter is available on the Company's web page at www.dynexcapital.com under "Investor Relations - Corporate Information - Corporate Governance." A printed copy is available to any shareholder upon written request to the Secretary of the Company at the address set forth above.

The current members of the Audit Committee are Messrs. Igdaloff (Chairman), Hughes and Wheat. The members of the Audit Committee during 2012 were Messrs. Osborne (Chairman), Igdaloff and Wheat. Each of the current members of the Audit Committee is, and each member who served on the Audit Committee during 2012 was, as determined by the Board in its business judgment, independent for audit committee purposes as defined by regulations of the SEC and the New York Stock Exchange listing standards. The Board of Directors also has determined that all of the current Audit Committee members are, and all of the members who served on the Audit Committee during 2012 were, financially literate as such term is used in the New York Stock Exchange listing standards and that Mr. Igdaloff qualifies as an audit committee financial expert as defined by regulations of the SEC.

The Audit Committee met four times in 2012. For additional information regarding the Committee, see "Audit Information - Audit Committee Report" on page 35 of this Proxy Statement.

Compensation Committee

The Compensation Committee performs the responsibilities of the Board of Directors relating to compensation of the Company's executives. The Committee's responsibilities include reviewing and approving corporate goals and objectives relevant to compensation of the Company's Chief Executive Officer, evaluating the Chief Executive Officer's performance annually in light of those goals and objectives and determining and approving the Chief Executive Officer's compensation level based on this evaluation; reviewing and approving the compensation for executive officers, including their corporate goals and objectives; reviewing and discussing the Compensation

The Committee has not in the past

delegated the authorities granted it under its written charter given that it has typically consisted of four or fewer members. In discharging its responsibilities with respect to compensation matters, to date the Committee has not solicited the input of consultants, although the Committee is currently interviewing compensation consultants to advise the Committee on executive compensation matters during 2013. Rather, management of the Company, at the Committee's request, will periodically conduct reviews of the compensation practices of similar public companies.
