On October 26, 2017, FirstCash, Inc. (the “Company”) issued a press release announcing its financial results for the three and nine month periods ended September 30, 2017, the Board of Directors’ declaration of a fourth quarter cash dividend of \$0.20 per common share and the announcement of an additional \$100 million share repurchase authorization (the “Earnings Release”). Item 8.01 Other Events.

New Share Repurchase Authorization

The Company has announced that its Board of Directors (the “Board”) approved a new share repurchase program on October 24, 2017 authorizing the Company to repurchase up to \$100 million of its common stock (“New Authorization”). The New Authorization will become effective following the completion of the current share repurchase authorization, which the Company expects to complete later this year or early in 2018, subject to expected liquidity, debt covenant restrictions and other relevant factors. The Board made this determination after considering the Company’s liquidity needs and capital resources as well as the estimated current value of the Company’s assets.

Under the New Authorization, the Company may purchase common stock in open market transactions, block or privately negotiated transactions, and may from time to time purchase shares pursuant to a trading plan in accordance with Rule 10b5-1 and Rule 10b-18 under the Exchange Act or by any combination of such methods. The number of shares to be purchased and the timing of the purchases are based on a variety of factors, including, but not limited to, the level of cash balances, credit availability, debt covenant restrictions, general business conditions, regulatory requirements, the market price of the Company’s stock and the availability of alternative investment opportunities. No time limit was set for completion of repurchases under the New Authorization and the program may be suspended or discontinued at any time.

Lead Independent Director

On October 24, 2017, the Board established the position of Lead Independent Director and appointed Mr. Mikel Faulkner to serve as Lead Independent Director. Mr. Faulkner has served on the Board as an independent director since 2009 and is the current Chair of the Nominating and Governance Committee and a member of the Compensation Committee. The Company also amended the Company’s Corporate Governance Guidelines to provide for a Lead Independent Director role.

The creation of the Lead Independent Director role and Mr. Faulkner’s appointment reflects the Company’s continued commitment to corporate governance best practices. The Lead Independent Director will serve as a liaison between the independent directors and management, will chair executive sessions of the non-management and independent directors and will consult with the chairman and CEO on board agendas and meeting materials.

A copy of the Company’s amended Corporate Governance Guidelines is available on the Company’s investor relations website at [ir.firstcash.com](http://ir.firstcash.com) under the Governance Documents section. The information on the Company’s website is not incorporated herein by reference.
