Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On November 7, 2008, the board of directors of SunPower Corporation (the “Company”) amended and restated the By-laws of the Company. The amendments to the By-laws provide, among other things, that stockholders must give advance notice to the Company of any business that they propose to bring before an annual meeting or of any person that they propose to be nominated as a director and must follow the other procedures set forth in the amended and restated By-Laws.

The advance notice provisions specify information that must be set out in a stockholder’s notice in respect of a shareholder proposal or stockholder nominee, including the disclosure all stock ownership and derivative positions in the Company’s stock. Under the advance notice provisions, to be timely, a stockholder’s notice must be delivered or mailed to the Secretary of the Company at the Company’s principal executive offices not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting of stockholders. These provisions are designed to ensure that the Company and its stockholders have adequate information to evaluate any proposal or stockholder nominee in advance of any stockholders meeting.

The foregoing summary description of the amended and restated By-laws does not purport to be complete and is qualified in its entirety by reference to the full text of the amended and restated By-laws, a copy of which is attached as Exhibit 3.1 and incorporated herein by reference.
