Item 8.01 Other Events.

On February 17, 2009, LandAmerica Financial Group, Inc. (the "Company") filed the Monthly Operating Report for the period from November 26, 2008 to December 31, 2008 with the United States Bankruptcy Court for the Eastern District of Virginia, Richmond Division. The Bankruptcy Court has presided over the Company's Chapter 11 case since its voluntary petition filing on November 26, 2008. A copy of the Monthly Operating Report is attached as Exhibit 99.1 to this report and is incorporated herein by reference into this Item 8.01.

The Company cautions investors and potential investors not to place undue reliance upon the information contained in the Monthly Operating Report, which was not prepared for the purpose of providing the basis for an investment decision relating to any of the Company's securities. The Monthly Operating Report is limited in scope, covers a limited time period, and has been prepared solely for the purpose of complying with the monthly reporting requirements of the Office of the United States Trustee. The Monthly Operating Report was not audited or reviewed by independent accountants, is in a format prescribed by applicable requirements of the Office of the United States Trustee and is subject to future adjustment and reconciliation. There can be no assurance that, from the perspective of an investor or potential investor in the Company's securities, the Monthly Operating Report contains any information beyond that required by the Office of the United States Trustee. The Monthly Operating Report also contains information for periods that are shorter or otherwise different from those required in the Company's reports pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and such information might not be indicative of the Company's financial condition or operating results for the period that would be reflected in the Company's financial statements or in its reports pursuant to the Exchange Act. Results set forth in the Monthly Operating Report should not be viewed as indicative of future results.

This report and Exhibit 99.1 to this report may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 with respect to the Company's financial condition, results of operations, and business that is not historical information. As a general matter, forward-looking statements are those focused upon future or anticipated events or trends and expectations and beliefs relating to matters that are not historical in nature. The words "believe," "expect," "plan," "intend," "estimate," or "anticipate" and similar expressions, as well as future or condit verbs such as "will," "should," "would," and "could," often identify forward-looking statements. The Company believes that there is a reasonable basis for its expectations and beliefs, but they are inherently uncertain, and the Company may not realize its expectations and its beliefs may not prove correct. The Company undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events, or otherwise. The Company's actual results and future financial condition may differ materially from those described or implied by any such forward-looking statements as a result of many factors that may be outside the Company's control. Such factors include, without limitation, developments in the bankruptcy proceedings, the results from the disposition of the Company's various businesses and other matters.
