**TASEKO PRICES US\$30 MILLION CONVERTIBLE BOND ISSUE AT A  
40% PREMIUM OVER RECENT TRADING PRICES, AND SETS COMPLETION DATE**

**August 24, 2006, Vancouver, BC** - Taseko Mines Limited (TSX: TKO; AMEX: TGB) ("Taseko" or "the Company") announces the final pricing of US\$30 million in principal amount of five year convertible bonds due in 2011 (the "Bonds") to qualified institutional buyers outside of North America. The Bonds will be convertible into Taseko's common (ordinary) shares. The Bonds will constitute direct, unsubordinated, unsecured, general and unconditional obligations of Taseko.

The five-year Bonds are issued at 100% and, if not converted, redeemed at maturity at 101%. The Bonds carry a coupon of 7.125%. The Bonds will be convertible after 40 days from issuance until August 30, 2011 into up to 8,955,224 ordinary shares of Taseko at a conversion price of US\$3.350 (C\$3.726), an approximate premium of 40% over recent trading prices of Taseko shares. At any time after year two, the Company will have the right to call for the conversion of the Bond into the number of shares as set out above, when Taseko shares are trading at least 50% above the conversion price. At year three, the Bondholders have a one time right to redeem the Bond at 100.60%.

The net proceeds from the issue will be used for further investments into the Company's producing assets.

The Bonds will also provide flexibility and diversity to Taseko's funding mix on preferential terms. Upon conversion, the Bonds will reduce debt levels and fortify the equity base while minimizing existing shareholders' dilution.

The Bonds will not be registered under U.S. Securities Act of 1933, and have been offered to investors outside the United States in compliance with Regulation S of that Act and in compliance with the laws and regulations applicable in each country where the offering takes place. Settlement is expected on or about August 29, 2006. The resale of any Taseko shares issued on a Bond conversion prior to December 29, 2006 will be restricted in Canada until that date.

**HVB Corporates & Markets** acted as Sole Lead Manager and Sole Bookrunner on the transaction.
