INSURANCE ALLOCATION AGREEMENT

THIS INSURANCE ALLOCATION AGREEMENT (the Agreement) is made as of September 8, 2006 by and among the investment companies listed as signatories on Schedule A to this Agreement (the Funds , sometimes individually hereinafter referred to as a party or collectively as parties).

WHEREAS, the Funds have been named as insured parties (Insureds) under a joint insured fidelity bond (hereinafter referred to individually as a Bond and collectively as the Bonds) as may be approved, from time to time, by the Funds Board of Directors (the Board);

WHEREAS, the parties desire to establish further (i) the criteria by which the premiums for the Bond shall be allocated among the parties, (ii) the basis on which additional investment companies for which the Adviser or its affiliates may hereafter act as investment adviser may be added as named Insureds under the Bond, (iii) the criteria by which the amounts payable under the Bond shall be allocated among the parties covered under same, and (iv) the manner in which the Adviser will report to the Funds Board information about claims and payments under the Bond;

NOW, THEREFORE, it is agreed as follows:

1. Each Fund shall pay a portion of the premium of each Bond under which it is covered, which portion shall be determined as of a specified date, which date shall be the same for all Funds, as allocated in such equitable manner as mutually agreed upon by the Funds, subject to the approval of the Board, including a majority of the non-interested directors, which amounts are set forth on Schedule B to this Agreement. From time to time, adjustments may be made by mutual agreement of the Funds to the portion of the balance of the premiums theretofore paid by a Fund, subject to the approval of the Board, including a majority of the non-interested directors, based on a subsequent change or changes in the gross assets of one or more Funds that affects the amount which the Fund would have paid had it provided and maintained a single insured bond with the minimum coverage required by Rule 17g-1(d) under the Investment Company Act of 1940, as amended (the Act) or the addition or withdrawal of a Fund or Funds pursuant to this Agreement.
2. If each of the insurers issuing a Bond (the Insurers) is willing, with or without additional premium, to add, as an Insured under a Bond, any investment company not listed as a signatory to this Agreement for which the Adviser or an affiliate thereof is investment adviser, administrator or underwriter, which investment company may be included in the Bond pursuant to Rule 17g-1(b) under the Act, the Funds agree (a) that such addition may be made provided that the non-interested directors of the Funds covered by the Bond shall approve such addition and (b) that such additional entity may become a party to this Agreement and be included within the terms Fund or party , provided that in each case such entity shall have executed and delivered to the Funds its written agreement to become a party hereto and to be bound by the terms of this Agreement.
3. In the event that the claims of loss of two or more Insureds under the Bonds are so related that the Insurer(s) are entitled to assert that the claims must be aggregated, or in the event that the aggregate recovery by two or more Insureds under the Bonds is less than the aggregate loss incurred by the Insureds that gave rise to the claims, the following rules shall determine, as among the claimants, the priority of satisfaction of the claims under the Bonds:

Each Fund claimant with respect to the same claim shall receive the lesser of (i) proceeds equal to the full amount of its claim or (ii) the amount which it would have received had it provided and maintained a single insured bond with

a minimum coverage which such Fund would have been required to carry by Rule 17g-1(d) under the Act at the time the claim arose.

4. The Adviser shall provide, on a quarterly basis, a report to the Funds Board which shall include:

- (i) a description of any claim made during the preceding calendar quarter under any of the Bonds; and
- (ii) a description of the current status of any matter previously reported by the Adviser to the Funds respective Boards pursuant to this Section 4.

5. This Agreement shall become effective as of the date first above written, and shall remain in full force and effect during the effective period of the Bonds as specified therein. Any party may withdraw from this Agreement and the Bonds upon sixty (60) days written notice to each of the other parties and the Securities and Exchange Commission in accordance with Rule 17g-1 under the Act. The withdrawing party shall be entitled to receive its proportionate share of any premium refund received from the Insurer.

6. This Agreement shall supersede all prior premium sharing and allocation agreements entered into among the Funds. Notwithstanding the foregoing, claims made under a Bond during a period prior to the effective date of this Agreement (and any recoveries related to any such claims) shall be subject to the terms of the premium sharing and allocation agreement in effect during that period.

IN WITNESS WHEREOF the parties have caused this Agreement to be executed by their officers, as appropriate, hereunto duly authorized all as of the day and year first above written.
