Item 1.01 Entry into a Material Definitive Agreement

On April 19, 2010, USA Truck, Inc. (the “Company”) entered into a Credit Agreement with Branch Banking and Trust Company, as Administrative Agent, Regions Bank, as Syndications Agent, U.S. Bank, Bank of America, N.A. and BancorpSouth (collectively, the “Lenders”) that matures April 19, 2014 (the “Credit Agreement”). The Credit Agreement takes the place of that certain Amended and Restated Senior Credit Facility, which was entered into on September 1, 2005 and was scheduled to mature on September 1, 2010.

The Credit Agreement is structured as a \$100.0 million revolving credit facility, with an accordion feature that, so long as no event of default exists, will allow the Company to request an increase in the revolving credit facility of up to \$75.0 million. Borrowings under the Credit Agreement are classified as either “base rate loans” or “LIBOR loans.” Base rate loans accrue interest at a base rate equal to the Administrative Agent’s prime rate plus an applicable margin that is adjusted quarterly between 0.0% and 1.0%, based on the Company’s leverage ratio. LIBOR loans accrue interest at LIBOR plus an applicable margin that is adjusted quarterly between 2.00% and 3.25% based on the Company’s leverage ratio. On a per annum basis, the Company must pay a fee on the unused amount of the revolving credit facility of between 0.25% and 0.375% based on the Company’s leverage ratio, and it must pay an annual administrative fee to the Administrative Agent of 0.03% of the total commitments.

The obligations of the Company under the Credit Agreement are guaranteed by the Company and secured by a pledge of substantially all of the Company’s assets with the exception of real estate.

The Credit Agreement includes the usual and customary events of default for a facility of this nature and provides that, upon the occurrence and continuation of an event of default, payment of all amounts payable under the Credit Agreement may be accelerated, and the Lenders’ commitments may be terminated. The Credit Agreement contains certain restrictions and covenants relating to, among other things, dividends, liens, acquisitions and dispositions, affiliate transactions and total indebtedness.

This description of the Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Credit Agreement, which will be filed with the Company’s Form 10-Q for the quarter ending June 30, 2010.
