On December 10, 2012, the Finance Committee of the Board of Directors of Avon Products, Inc. (the “Company”) approved initiatives relating to global headcount reductions, the closure and rationalization of certain facilities, and the exit of the South Korea and Vietnam markets. These initiatives are expected to be largely completed before the end of 2013.

The Company expects to record total charges related to these initiatives of approximately \$80 to \$90 million before taxes.
