Item 5. Other Events

On March 23, 2004, we completed our acquisition of certain assets of USL Environmental Services, Inc. d/b/a A&A Environmental ("A&A"), primarily located in Baltimore, Md. and US Liquids of Pennsylvania, Inc. d/b/a EMAX ("EMAX"), located in Pittsburgh, Pa., both of which are wholly owned subsidiaries of US Liquids Inc. ("USL"). Perma-Fix paid \$2.9 million in cash for the acquired assets of A&A and EMAX. A&A and EMAX had unaudited combined revenues of approximately \$15.0 million in 2003.

A&A is a full line provider of environmental, marine and industrial maintenance services. A&A has been in business for over 45 years and continues to adapt to meet the specialized needs of today's environmental and plant managers. A&A offers expert environmental services such as 24 hour emergency response, vacuum services, hazardous and non-hazardous waste disposal, marine environmental and other remediation services. EMAX, through its field and industrial services group, provides a variety of environmental services such as transportation of drums and bulk loads, tank cleaning, industrial maintenance, dewatering, drum management and chemical packaging. EMAX also has a wastewater treatment group, which provides for the treatment of non-hazardous wastewaters such as leachates, oily waters, industrial process waters and off-spec products. We currently intend to continue operating the assets acquired from A&A and EMAX as they

were operated prior to acquisition.
