Item 1.01. Entry into a Material Definitive Agreement.

Effective April 17, 2008, Concord Camera Corp. (the "Company") entered into an Express Creditline Loan Agreement (the "Loan Agreement") with Citigroup Global Markets, Inc. ("Citigroup") for a \$9 million secured revolving credit line (the "Citigroup Facility"). Advances under the Citigroup Facility may only be used by the Company to finance business operations and general working capital and cannot be used to purchase, carry or trade in securities, or reduce or retire indebtedness incurred to purchase, carry or trade in securities. In addition to the \$9 million credit line for advances, the Citigroup Facility provides for the accrual of up to \$1 million of interest, resulting in an aggregate credit limit of \$10 million (the "Loan Limit") under the Citigroup Facility. The Citigroup Facility is secured by a first priority lien and

security interest in approximately \$20 million of the Company's auction rate securities that have experienced failed auctions (the "Collateral"). On March 5, 2008, the Company announced that it had experienced several failed auctions for the portion of its auction rate securities portfolio that had then recently gone to auction, resulting in the Company's inability to sell these securities.

Under the terms of the Loan Agreement, interest on amounts outstanding under the Citigroup Facility is payable monthly at the Open Federal Funds rate plus 1.50% per annum from April 17, 2008 through August 20, 2008. In order to maintain its eligibility for this interest rate, the Company must continue to attempt to sell the Collateral at future auctions. After August 20, 2008, the interest rate is subject to review by Citigroup. Citigroup may, in its sole discretion and without cause, demand full or partial payment of any outstanding balance under the Citigroup Facility or reduce the Loan Limit at any time. The Loan Agreement may be terminated by either party upon 30 calendar days prior written notice to the other party.
