On May 30, 2002, Accrue Software, Inc. and certain of its wholly owned subsidiaries including Pilot Software, Inc., Marketwave Corporation, Accrue GmbH, Pilot Software Ltd. and Thorn EMI Computer Software Ltd, (collectively, Accrue ) and Pilot Software Acquisition Corp. and Pilot Software Services Corp. (collectively, the Purchaser ) executed an asset purchase agreement (the Agreement ) pursuant to which Accrue sold and transferred to the Purchaser intellectual property and technology assets (including the Pilot and Hit List software products), certain related customer contracts, certain other assets and liabilities (collectively, the Assets ) for \$1,500,000 in cash. The consideration of \$1,500,000 was based on the fair market value of the Assets as of May 30, 2002, as determined in good faith by Accrue and the Purchaser. In connection with the sale of the Assets and pursuant to the Agreement, certain employees who have developed and supported the Assets may become employees of the Purchaser, including John D Albis, former Chief Technology Officer of Accrue, who became an employee of the Purchaser as of May 30, 2002. Tom LeFort, Accrue s current Vice President of Engineering, will be providing certain services to the Purchaser during a nine-month transition period which began on May 30, 2002 and may receive an offer to become an employee of the Purchaser at the end of such transition period.

In connection with the sale of the Assets, Accrue retained rights to use the Pilot and Hitlist software technology within its Accrue G2 product pursuant to a separate license agreement dated May 30, 2002 (the License Agreement ) for a royalty fee of \$200,000 payable in equal installments over the next 24 months. Additionally, Pilot Software Services Corp., an entity affiliated with Pilot Software Acquisition Corp., will provide to Accrue support services for the Pilot and Hit List software technology pursuant to a separate support agreement dated May 30, 2002 (the Support Agreement ).

Pilot Software Acquisition Corp. and Pilot Software Services Corp. are newly established companies formed by institutional investors who are not affiliated with Accrue.

The preceding description of the Agreement, the License Agreement and the Support Agreement executed in connection with the sale of the Assets is qualified in its entirety by reference to the copy of the Agreement included as exhibit 2.1 hereto, the License Agreement included as exhibit 10.1 hereto, and the Support Agreement included as exhibit 10.2 hereto, each of which is incorporated herein by reference. In addition, Accrue s press releases dated May 21, 2002, containing the unaudited statement of results of operations for the fourth fiscal quarter ended March 30, 2002 and the unaudited consolidated balance sheet as of March 30, 2002, and dated June 3, 2002, announcing the transactions with the Purchaser, are attached as exhibits 20.1 and 20.2 hereto and are incorporated herein by reference.

The May 21, 2002 and June 3, 2002 press releases filed as exhibits to this report include safe harbor language pursuant to the Private Securities Litigation Reform Act of 1995, as amended, indicating that certain statements about the Company s business contained in the press release are forward-looking rather than historic. The press release also states that a more thorough discussion of certain factors which may affect the Company s operating results is included in
