The Annual Meeting will be held at the Westin Palo Alto Hotel, 675 El Camino Real, Palo Alto, CA 94301. The Company's headquarters are located at 1005 Hamilton Court, Menlo Park, California 94025. At the Record Date, 34,195,024 shares of the Company's common stock, \$0.001 par value, were issued and outstanding. The closing price of the Company's common stock on the Record Date, as reported by Nasdaq, was \$2.18 per share.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by filing a written instrument revoking the proxy with the Secretary of the Company, by executing a subsequent proxy prior to the meeting, or by attending the Meeting and voting in person.

Voting and Solicitation

In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone, telegram, telefax or otherwise.

Table of Contents

Deadline for Receipt of Stockholder Proposals

Proposals of stockholders of the Company which are intended to be presented by such stockholders at the Company's next Annual Meeting of Stockholders to be held in 2004 must be received by the Company no later than December 23, 2003 in order that they may be considered for possible inclusion in the proxy statement and form of proxy relating to that meeting.

In addition, the Company's Bylaws establish an advance notice procedure with regard to certain matters, including stockholder proposals not included in the Company's proxy statement, to be brought before an annual meeting of stockholders. For nominations or other business to be properly brought before the meeting by a stockholder, such stockholder must provide written notice delivered to the Secretary of the Company between no later than 60 and no more than 90 days in advance of the annual or special meeting, which notice must contain specified information concerning the matters to be brought before such meeting and concerning the stockholder proposing such matters. In the event that less than 65 days notice of the date of the meeting is given to stockholders, notice by the stockholder to be timely must be received not later than the close of business on the seventh day following the day on which such notice of the date of the annual meeting was mailed. A copy of the full text of the Bylaw provision discussed above may be obtained by writing to the Secretary of the Company. All notices of proposals by stockholders, whether or not included in the Company's proxy materials, should be sent to Nuance Communications, Inc., 1005 Hamilton Court, Menlo Park, California, 94025, Attn.: General Counsel.

The attached proxy card grants the proxy holders discretionary authority to vote on any matter raised at the Meeting. If a stockholder intends to submit a proposal at the next annual meeting of stockholders, which proposal is not eligible for inclusion in the proxy statement relating to that meeting, the stockholder must give notice to the Company in accordance with the requirements set forth in the Securities Exchange Act of 1934, as amended (the Exchange Act), no later than January 13, 2004. If a stockholder does not comply with the foregoing notice provision, the proxy holders will be allowed to use their discretionary voting authority when and if the proposal is raised at the next annual meeting of stockholders.

Quorum; Abstentions; Broker Non-Votes

The required quorum for the transaction of business at the Annual Meeting is the holders of a majority of the common stock issued and outstanding and entitled to vote thereat. Shares that are voted FOR, AGAINST or ABSTAIN on a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares entitled to vote (the Votes Cast) at the Annual Meeting with respect to such matter.

While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions, the Company believes that abstentions should be counted for purposes of determining both (i) the presence or absence of a quorum for the transaction of business and (ii) the total number of Votes Cast with respect to a matter (other than the election of directors). In the absence of controlling precedent to the contrary, the Company intends to treat abstentions in this manner. Accordingly, with the exception of the proposal for the election of directors, abstentions will have the same effect as a vote against the proposal. Because directors are elected by a plurality vote, abstentions in the election of directors have no impact once a quorum exists. In a 1988 Delaware case, *Berlin v. Emerald Partners*, the Delaware Supreme Court held that, while broker non-votes may be counted for purposes of determining the presence or absence of a quorum for the transaction of business, broker non-votes should not be counted for purposes of determining the number of Votes Cast with respect to the particular proposal on which the broker has expressly not voted. Broker non-votes with respect to proposals set forth in this Proxy Statement will therefore be counted only for purposes of determining the presence or absence of a quorum and will not be considered Votes Cast. Accordingly, broker non-votes will not affect the determination as to whether the requisite majority of Votes Cast has been obtained with respect to a particular matter.

The New York Stock Exchange (NYSE) has proposed new regulations that would prohibit brokers or other nominees that are NYSE member organizations from voting in favor of proposals relating to equity compensation plans unless they receive specific instructions from the beneficial owner of the shares to vote in

Table of Contents

that manner. Since this proposed rule applies to all NYSE member brokers, the proposed rule would also apply to proxy solicitations of Nasdaq-listed companies. This new rule may become effective before the Annual Meeting, in which case, for shares held through a broker or other nominee who is a NYSE member organization, your shares will only be voted in favor of a proposal in favor of equity compensation plans, if there is such a proposal, if you have provided specific voting instructions to your broker or other nominee to vote your shares in favor of that proposal.

Fiscal Year End

The Company's fiscal year ends on December 31. The Company's last fiscal year ended on December 31, 2002 and is referred to herein as the Last Fiscal Year.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's executive officers, directors and persons who own more than 10% of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the SEC). Such executive officers, directors and ten-percent stockholders are also required by SEC rules to furnish the Company with copies of all forms that they file pursuant to Section 16(a). Based solely on its review of copies of Forms 3 and 4 and amendments thereto furnished to the Company pursuant to Rule 16a-3(e) and Forms 5 and amendments thereto furnished to the Company with respect to the Last Fiscal Year, and any written representations referred to in Item 405(b)(2)(i) of Regulation S-K stating that no Forms 5 were required, the Company believes that, during the Last Fiscal Year, all Section 16(a) filing requirements applicable to the Company's officers and directors were complied with, except one late Form 4 filing by Eng Yew Lee in connection with the exercise of a stock option of 13,541 shares on February 25, 2002.

PROPOSAL ONE

ELECTION OF DIRECTORS

General

The Company's Board of Directors is currently comprised of eight (8) directors who are divided into three classes with overlapping three-year terms. A director serves in office until his or her respective successor is duly elected and qualified or until his or her earlier death or resignation. Nominees for Class III Directors

Two Class III directors are to be elected at the Annual Meeting for a three-year term ending in 2006. The Board of Directors has nominated CHARLES BERGER and GARY MORGENTHALER for election and re-election, respectively, as Class III directors. Unless otherwise instructed, the persons named in the enclosed Proxy intend to vote proxies received by them for the election of Mr. Berger and re-election of Mr. Morgenthaler. The Company expects that each of Messrs. Berger and Morgenthaler will accept such nomination; however, in the event that any nominee is unable to or declines to serve as a director at the time of the Annual Meeting, proxies will be voted for a substitute nominee or nominees designated by the present Board of Directors. The term of office of each person elected as a director will continue until such director's term expires in 2006 or until such director's successor has been elected and qualified.

Table of Contents

Board Composition

The Company currently has eight (8) directors. In accordance with the terms of the Nuance's certificate of incorporation, the terms of office of the Company's Board of Directors are divided into three classes: Class I, whose term will expire at the annual meeting of stockholders to be held in 2004, Class II, whose term will expire at the annual meeting of stockholders to be held in 2005 and Class III, whose term will expire at the Meeting. The Class I directors are Dr. Cerf, Mr. Croen and Mr. Federman, the Class II directors are Dr. Carlson, Mr. Herzig and Mr. Quigley and the Class III directors are Mr. Berger and Mr. Morgenthaler. At each annual meeting of stockholders after the initial classification, the successors to directors whose terms will then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the Company's directors. This classification of the Board of Directors may have the effect of delaying or preventing changes in control of the Company. The Company's directors may be removed for cause by the affirmative vote of the holders of a majority of the Company's outstanding common stock.

Board Meetings and Committees

The Board of Directors of the Company held a total of nine (9) meetings, including regularly scheduled and scheduled meetings, during the Last Fiscal Year. During the Last Fiscal Year, no director attended fewer than 75% of the aggregate of the number of meetings held by the Board of Directors and the number of meetings of committees, if any, upon which such director served. Certain matters approved by the Board of Directors were approved by unanimous written consent.

The Audit Committee, which was established in January 2000, consists of Messrs. Federman and Herzig. The Audit Committee approves the appointment of the Company's independent auditors, reviews the scope and results of annual audits and other accounting-related services and evaluates the Company's internal control functions. The Audit Committee held a total of four (4) meetings during the Last Fiscal Year.

The Compensation Committee, which was established in March 1998, consists of Messrs. Quigley and Herzig. The Compensation Committee makes recommendations regarding the Company's stock option plans and all matters concerning executive compensation. The Compensation Committee held a total of four (4) meetings during the Last Fiscal Year.

The Board of Directors does not have a nominating committee nor any committee performing such function.

Director Compensation

In December 2002, the Board of Directors adopted a new Director Compensation structure. Non-employee Board members receive an annual retainer fee of \$15,000, paid quarterly. The first annual retainer fee installment of \$3,750 was paid on January 15, 2003 for the previous quarter's services. In addition, Board members receive a Board meeting attendance fee and a committee meeting attendance fee of \$1,000, each paid per Board and Committee meeting attended. The committee meeting attendance fees became effective in the fourth fiscal quarter of 2002. The Company also pays the Chairman of the Audit Committee an additional annual retainer fee in the amount of \$2,500. Such fee is subject to the approval of the Compensation Committee. In addition, the Company reimburses Board and Committee meeting expenses on an as submitted basis.

Options may also be granted to non-employee directors under the Company's 2000 Stock Plan (the "Stock Plan"), which was approved by the Company's stockholders in February 2000. The Company grants all non-employee Board members options to purchase up to 20,000 shares of the Company's Common Stock on an annual on-going basis. All options granted to directors under the Stock Plan contain the following provisions: the exercise price per share of common stock is 100% of the fair market value of the Company's common stock on the date the option is granted; the term of the option may be no more than ten years from the date of grant; and the option may be exercised only while the Outside Director remains a director or within

Table of Contents

ninety days after the date he or she ceases to be a director or service provider of the Company; upon a proposed liquidation or dissolution of the Company, the options will terminate immediately prior to such action; and in the event of a merger or sale of substantially all of the Company's assets, each option may be assumed or an equivalent option substituted by the successor corporation. The Board may at any time amend, alter, suspend or discontinue the Stock Plan, subject to stockholder approval in certain circumstances. The stock options granted to Board members will vest monthly, and shall be fully vested one year from the vesting commencement date.

Employment Contracts and Termination of Employment Arrangements

The Company entered into an Executive Employee Agreement with Ronald Croen, dated as of January 1, 2003 (the Croen Employment Agreement). Mr. Croen resigned as President and Chief Executive Officer of the Company in April 2003 when his successor was appointed. As a result, Mr. Croen will not be eligible for certain of the benefits set forth below. The Croen Employment Agreement has a term of one year and provided that Mr. Croen would continue to serve as President and Chief Executive Officer until his successor was selected. The Croen Employment Agreement further provides that Mr. Croen will serve as Chairman of the Board of Directors until he voluntarily resigns or the Board does not nominate him on the slate of directors in connection with an annual meeting. The Croen Employment Agreement provides for options to purchase up to 200,000 shares of Common Stock in connection with Mr. Croen's service in 2003, a base salary of \$250,000 for service as CEO in 2003 and options to purchase up to 160,000 shares of Common Stock in connection with Mr. Croen's service in 2002. Likewise, the Croen Employment Agreement provides that Mr. Croen is eligible for an incentive cash bonus on a quarterly basis up to a maximum of \$187,500 per year during Mr. Croen's service as President and CEO. As a result of Mr. Croen's resignation as President and CEO, he will no longer be eligible to receive base salary or quarterly incentive cash bonuses. In addition, the Croen Employment Agreement provides for certain benefits in the event of a Change in Control of the Company. Lastly, the Croen Employment Agreement provides for certain benefits, such that Mr. Croen will receive a lump sum severance payment in the amount of \$250,000 and a payment in the amount of \$100,000 in connection with his efforts to identify and recruit a successor to the position of CEO. If, in addition to termination of employment, Mr. Croen is also terminated from the Board of Directors prior to January 7, 2004, vesting of Mr. Croen's options shall be accelerated such that the number of shares vested thereunder shall be equal to the number of shares that would have vested had his service to the Company as an executive or Board member continued through January 7, 2004. All capitalized terms used in this paragraph have the meanings set forth in the Croen Employment Agreement.

The Company entered into an Executive Employee Agreement with Charles Berger, effective March 31, 2003 (the Berger Employment Agreement). The Berger Employment Agreement has a term of one year and provides that Mr. Berger will serve as President and Chief Executive Officer of the Company, said term to be extended upon mutual agreement of both parties. The Berger Employment Agreement further provides that Mr. Berger will be elected to the Company's Board of Directors effective April 7, 2003, or the agreed-upon start date or employment. The Berger Employment Agreement provides for a base salary of \$275,000, an option to purchase up to 900,000 shares of Common Stock and an option to purchase up to 300,000 shares of Common Stock in connection with Mr. Berger's service as President and CEO. The Berger Employment Agreement also provides that, while an employee, Mr. Berger is eligible for an incentive cash bonus of up to \$137,500 in 2003. The Berger Employment Agreement provides for certain benefits in the event of a Change in Control of the Company. If Mr. Berger is terminated by a successor corporation Without Good Cause or if Mr. Berger resigns for Good Reason within twelve months following such Change in Control, then 50% of Mr. Berger's unvested options shall vest immediately. If such termination occurs after thirty-six months of employment, Mr. Berger shall vest in 100% of any unvested options granted in 2003. Lastly, the Berger Employment Agreement provides for certain severance benefits for termination of employment such that upon nonrenewal of the Berger Employment Agreement by the Company, termination of Mr. Berger by the Company without Good Cause or termination by Mr. Berger for Good Reason, Mr. Berger is entitled to receive a lump sum severance payment. If such termination occurs during the fiscal year 2003, such severance payment shall be equal to nine months base salary. If such termination occurs after the fiscal year 2003, such

Table of Contents

severance payment shall be equal to twelve months base salary. All capitalized terms used in this paragraph have the meanings set forth in the Berger Employment Agreement.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee of the Board of Directors establishes the general compensation policies and programs of the Company as well as the compensation plans and specific compensation levels for substantially all of the Company's executive officers, including the Company's Chief Executive Officer (which is subject to the additional approval of the Company's Board of Directors). It also administers the Company's employee stock benefit plan for substantially all of the Company's executive officers, including the Chief Executive Officer, and administers the Company's employee stock benefit plan with respect to grants of securities in excess of 50,000 shares. The Compensation Committee is currently composed of independent, non-employee directors who have no interlocking relationships as defined by the Securities and Exchange Commission.

Table of Contents

The Compensation Committee believes that the compensation of the executive officers, including that of the Chief Executive Officer (collectively, the Executive Officers), should be influenced by the Company's performance. The Compensation Committee establishes the salaries and bonuses of all of the Executive Officers by considering (i) the Company's financial performance for the past year, (ii) the achievement of certain objectives related to the particular Executive Officer's area of responsibility, (iii) the salaries and bonuses of executive officers in similar positions of comparably-sized companies and (iv) the relationship between revenue and executive officer compensation. The Compensation Committee believes that the Company's executive officer salaries and bonuses in the Last Fiscal Year were comparable in the industry for similarly-sized businesses.

In addition to salary and bonus, the Compensation Committee, from time to time, grants options to purchase Company common stock to Executive Officers. The Compensation Committee thus views option grants as an important component of its long-term, performance-based compensation philosophy. Since the value of an option bears a direct relationship to the Company's stock price, the Compensation Committee believes that options motivate Executive Officers to manage the Company in a manner which will also benefit stockholders. As such, options are granted at the current market price. And one of the principal factors considered in granting options to an Executive Officer is the Executive Officer's ability to influence the Company's long-term growth and profitability.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board is responsible for providing an independent, objective review of the Company's accounting functions and internal controls. The Audit Committee is comprised of independent directors, and is governed by a written charter first adopted and approved by the Board of Directors in January 2000. Each of the members of the Audit Committee is independent as defined by Company policy and Rule 4200(a)(15) of the National Association of Securities Dealers' listing standards. A copy of the Audit Committee Charter is attached to this Proxy Statement as Appendix A.

The responsibilities of the Audit Committee include appointing, compensating and overseeing the work of the Company's independent accountants. The Audit Committee also, as appropriate, reviews and evaluates, and discusses and consults with Company management and the independent accountants regarding the following:

reviewing on a continuing basis the adequacy of the Company's system of internal controls;

pre-approving audit and non-audit services by the independent auditors;

reviewing the Company's external audit and the annual audited financial statements and quarterly unaudited financial statements;

reviewing, approving and monitoring the Company's code of ethics and standards of business conduct;

reviewing legal matters, compliance with employee benefit plans, and related party transactions;

This year, the Audit Committee reviewed the Audit Committee Charter and, after appropriate review and discussion, the Audit Committee determined that the Committee had fulfilled its responsibilities under the Audit Committee Charter.

The Audit Committee is responsible for recommending to the Board of Directors that the Company's financial statements be included in the Company's annual report. The Audit Committee took a number of steps in making this recommendation for the Last Fiscal Year. First, the Audit Committee discussed throughout the Last Fiscal Year with Deloitte & Touche LLP, the Company's independent auditors for the Last Fiscal Year, those matters Deloitte & Touche LLP communicated to and discussed with the Audit Committee by Statement on Auditing Standards Board Standard No. 61, as amended (Communications with Audit Committees), including information concerning the audit. These communications and discussions are intended to assist the Audit Committee in overseeing the financial reporting and disclosure process. Second, the Audit Committee discussed Deloitte & Touche LLP's independence with Deloitte & Touche LLP and received a letter from Deloitte & Touche LLP regarding independence as required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). This discussion and disclosure informed the Audit Committee of Deloitte & Touche LLP's independence, and assisted the Audit Committee in evaluating such independence. Finally, the Audit Committee reviewed and discussed, with Company's management and Deloitte & Touche LLP, as appropriate, the Company's audited consolidated balance sheets at December 31, 2002 and 2001, and consolidated statements of operations, cash flows and stockholders' equity for the three years ended December 31, 2002. Based on the discussions with Deloitte & Touche LLP concerning the audit, the independence discussions, and the financial statement review, and additional matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommends to the Board of Directors that the Company's Annual Report on Form 10-K include these financial statements.
