DEREGISTRATION OF SECURITIES

On March 21, 2002, we filed a registration statement on Form S-3 (file no. 333-84694) covering \$1,150,000,000 aggregate principal amount of our 3% senior convertible debentures due 2021 and the shares of our common stock issuable upon conversion of the debentures. We filed the registration statement pursuant to the terms of a registration rights agreement that we entered into with the initial purchasers of the debentures in a private placement transaction. We amended the registration statement on April 10, 2002. On April 11, 2002, the Securities and Exchange Commission declared the registration statement effective.

In accordance with the undertaking contained in the registration statement pursuant to Item 512(a)(3) of Regulation S-K, we are filing this post-effective amendment to remove from registration all of the aggregate principal amount of the debentures and the shares of common stock issuable upon conversion of the debentures that remain unsold under the registration statement as of the date hereof. We are seeking to deregister these securities because our obligation to maintain the effectiveness of the registration statement pursuant to the registration rights agreement has expired.

Accordingly, we are filing this post-effective amendment no. 1 to the registration statement to deregister such aggregate principal amount of the debentures and such number of the shares of common stock issuable upon conversion of the debentures registered pursuant to the registration statement as remain unsold thereunder as of the date hereof.
