Item 9. Regulation FD Disclosure

On January 28, 2004, Cadence Design Systems, Inc. (Cadence) issued a press release announcing, among other things, that it will restate certain information in its financial statements for its fiscal year 2002, and the first, second and third quarters of fiscal 2003. These restatements will correct the accounting treatment for certain minority equity investments made by Cadence and its affiliated venture capital partnerships in prior periods. In addition, these restatements will account for certain other adjustments that are expected to be immaterial both individually and in the aggregate. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated by reference herein.

A summary of financial information relating to these adjustments is provided in attachments to the press release attached hereto as Exhibit 99.1. In addition, detailed schedules relating to the adjustments, including the Impact of Restatement and Reclassification Adjustments on Previously Reported Consolidated Statements of Operations for the nine months ended September 27, 2003, for the first, second and third quarters of fiscal 2003, for the first, second, third and fourth quarters of fiscal 2002, and for the year ended December 28, 2002, are attached hereto as Exhibit 99.2 and incorporated by reference herein.

The Securities and Exchange Commission (SEC) has been notified of, and is evaluating, the proposed restatement in connection with its current review of Cadence s Registration Statement on Form S-3. Pending completion of this review, Cadence can give no assurances that the SEC will agree with Cadence s proposed restatements, that the SEC will not require additional items to be restated, or that such additional restatements will not require a reaudit of certain prior periods affected by those adjustments. Cadence is working to resolve these matters with the SEC as soon as possible.
