* Optional Call Provisions: Dates (month and year) and prices of the earliest optional call or redemption There may be other call provisions at varying prices at later dates.

** Ratings: Using the higher of Standard & Poor's or Moody's rating.

*** Securities are backed by an escrow or trust containing sufficient U.S. Government or U.S. Government agency securities which ensures the timely payment of principal and interest. Such securities are normally considered to be equivalent to AAA rated securities.

On December 9 2002, UAL Corporation, the holdong company of United Air Lines, Inc filed for federal bankruptcy protection. The Adviser determined that it was likely United would not remain current on their interest payment obligations with respect to these bonds and thus has stopped accruing interest.

N/R Investment is not rated.

+ Security has a maturity of more than one year, but has variable rate and demand features which qualify it as a short-term security. The rate disclosed is that in effect at the end of the reporting period. This rate changes periodically based on market conditions or a specified market index.

Income Tax Information

The following information is presented on an income tax basis. Differences between amounts for financial statement and federal income tax purposes are primarily due to timing differences in recognizing income on taxable market discount securities and timing differences in recognizing certain gains and losses on investment transactions.

At June 30, 2005, the cost of investments was \$225,130,255.

Gross unrealized appreciation and gross unrealized depreciation of investments at June 30, 2005, were as follows:

Gross unrealized:	
Appreciation	\$19,516,5
Depreciation	(2,080,75
<hr/>	
Net unrealized appreciation of investments	\$17,435,7
