SPECIAL MEETING OF SHAREHOLDERS
TO BE HELD ON APRIL 20, 2017

Dear Shareholder:

Important information regarding a special shareholders meeting of RENN Fund, Inc. (the “Fund”) is enclosed. We encourage you to review it carefully.

This special meeting is being called because on October 19, 2016, the Fund announced that it had entered into a Letter of Intent with Horizon Kinetics LLC (“Horizon Kinetics”) for Horizon Kinetics, through one of its wholly owned subsidiary registered investment advisers, to become the new investment manager for the Fund. This action was based on a determination by the Fund’s Board of Directors that the engagement of Horizon Kinetics would be more beneficial to our shareholders than proceeding with the previously-approved complete liquidation and dissolution of the Fund. Therefore, the Board is now seeking your approval for the following proposals, which the Board approved at meetings held on October 12, 2016, December 16, 2016 and January 20, 2017:

- a proposal to approve a new investment advisory agreement with a subsidiary of Horizon Kinetics;
- a proposal to revoke the Plan of Liquidation and Dissolution approved at the Fund’s 2016 Annual Meeting of Shareholders;
- a proposal to elect four new members to the Board; and
- a proposal to ratify the appointment of the Fund’s auditor for the fiscal year ended December 31, 2016.

While the proposals are discussed in greater detail in the enclosed Proxy Statement, which we urge you to review carefully, we have prepared answers to what we anticipate may be some of your questions regarding the proposals on the next few pages.

For the reasons set forth in the Proxy Statement, the Board unanimously recommends that you vote FOR the proposals.

Please use the enclosed proxy card to authorize the named proxies to cast your votes by signing, dating, and returning your proxy card in the enclosed postage-paid envelope. You may also have the ability to submit a proxy by telephone or internet; please consult the enclosed proxy card or voting instruction form for further guidance.

On behalf of the Fund, I thank you for your continued support.

Sincerely,

Russell Cleveland
President, CEO, and CFO of the Fund

QUESTIONS AND ANSWERS REGARDING THE SPECIAL MEETING
AND THE PROXY STATEMENT

By its nature, the following “Questions and Answers” section is a summary and is not intended to be as detailed as the discussion found later in the materials. For that reason, the information below is qualified in its entirety by reference to the attached Proxy Statement and the exhibits appended to it.

Q. WHY IS THE FUND HOLDING A SPECIAL MEETING?

As described in the Proxy Statement, you are being asked to vote and approve four (4) proposals (collectively, the “Proposals”): (Proposal One) to approve a new investment advisory agreement with Horizon Asset Management LLC (“Horizon”); (Proposal Two) to approve the revocation of the Plan of Liquidation and Dissolution that was approved A. at the Fund’s 2016 Annual Meeting of Shareholders; (Proposal Three) to elect four new directors to oversee the Fund; and (Proposal Four) to ratify the appointment by the Fund’s Board of Directors of BKD, LLP, as the auditor of the Fund for the fiscal year ended December 31, 2016.

On October 19, 2016, the Fund announced that its Board of Directors (the “Board” or the “Directors”) approved a Letter of Intent with Horizon Kinetics LLC (“Horizon Kinetics”), on behalf of one of its wholly owned registered investment advisers, to become the new investment manager for the Fund. As contemplated by the Letter of Intent, the proposed investment advisory agreement provides that Horizon will become the new investment manager to the Fund and will waive its management fee on assets less than \$25 million, and thereafter will charge a management fee of no more than 1.0% on assets above \$25 million. Furthermore, and subject to applicable rules and regulations, as well as shareholder approval and the Fund’s ability to preserve and use a significant portion of its existing tax loss carryforwards, Horizon Kinetics has informed the Fund that it intends to recapitalize the Fund through either a rights offering or other mechanism to increase assets as soon as practicable. In addition, Horizon Kinetics has informed the Fund that it intends to conduct a tender offer to Fund shareholders whereby Horizon Kinetics or its affiliates would purchase up to 10% of the Fund’s outstanding shares, or \$1 million worth of shares, whichever is less, at the then-prevailing net asset value.

Because the portfolio management team of Horizon will differ from the portfolio management team of RENN Capital Group, Inc. (“RENN Group”), the Fund’s current investment adviser, the new advisory agreement will be considered to result in an assignment and termination of the Fund’s advisory agreement with the RENN Group. Shareholders of the Fund are required to vote to approve the Fund’s new advisory contract with Horizon so that the Fund may receive advisory services from Horizon.

The shareholders of the Fund, upon the recommendation of the Board, previously approved the liquidation and dissolution of the Fund at the Annual Meeting of Shareholders held on August 4, 2016. Based on its determination that the engagement of Horizon as investment adviser to the Fund on the terms described above is in the best interests of the Fund and its shareholders, and preferable to the liquidation and dissolution of the Fund, the Board approved, at its October 19, 2016 meeting, a proposal to revoke the Plan of Liquidation and Dissolution previously approved by the Board and the shareholders. Such a revocation requires the approval of the Fund’s shareholders in accordance with Texas law and the Fund’s articles of incorporation. Proposals One and Three to be voted upon at the Special Meeting are contingent upon the approval of the Proposal to revoke the Plan of Liquidation and Dissolution (Proposal Two). Likewise, the proposal to revoke the Plan of Liquidation and Dissolution (Proposal Two) is contingent upon the approval of Proposals One and Three.

The Fund currently operates as a non-diversified closed-end fund under the Investment Company Act of 1940 (the “1940 Act”).

Shareholders are also being asked to vote on new Directors of the Fund. Mr. Russell Cleveland, who is currently considered an “interested” Director, will continue to serve as an “interested” Director. Current Directors J. Philip

McCormick, Ernest C. Hill and Charles C. Pierce, Jr., will resign upon approval of the new Directors by shareholders.

Q. WHO IS PAYING FOR EXPENSES RELATED TO THE PROXY SOLICITATION AND SHAREHOLDER MEETING?

A. The expenses, including legal expenses, printing, packaging and postage, plus the costs of any supplementary solicitation, will be borne by Horizon Kinetics or one of its affiliates.

i

QUESTIONS AND ANSWERS RELATED TO PROPOSAL ONE

Q. WHY AM I BEING ASKED TO VOTE ON THE PROPOSED NEW INVESTMENT ADVISORY AGREEMENT?

The 1940 Act, which regulates investment companies such as the Fund, requires shareholders of the Fund to vote to A. approve the Fund's new advisory contract with Horizon so that the Fund may continue to receive advisory services. Horizon will receive its advisory fees described below if shareholders approve the new advisory agreement.

Q. HOW WILL THE NEW ADVISORY AGREEMENT AFFECT ME AS A FUND SHAREHOLDER?

Under the proposed agreement with Horizon, Horizon will not charge a management fee on net assets that are less than \$25 million. Additionally, the fee payable to Horizon thereafter will be 1.0% of net assets above \$25 million. A. The existing management agreement with RENN Group provides for a management fee of 1.75% on all net assets. You will still own the same shares in the same Fund. With the exception of this lower fee structure, effective dates and time periods of the agreements, the new investment advisory agreement is substantially similar to the agreement it will replace.

Horizon intends to modify the current investment strategy of the Fund to include a value discipline that is consistent with Horizon Kinetics' long-term, fundamental value approach. Horizon has advised the Board that it intends to implement the investment strategy summarized on Exhibit B attached to this Proxy Statement with respect to the Fund.

Q. WILL THE INVESTMENT ADVISORY FEES CHANGE AS A RESULT OF THE NEW INVESTMENT ADVISORY AGREEMENT?

Yes. The Proposal to approve the new investment advisory agreement will decrease the investment advisory fees as A. stated above. In addition, Horizon Kinetics has informed the Fund that it will leverage its existing relationships and internal resources in an effort to achieve a total Fund expense ratio of 2% or less within 12 months.

QUESTIONS AND ANSWERS RELATED TO PROPOSAL TWO

Q. WHY AM I BEING ASKED TO VOTE ON THE PROPOSAL TO REVOKE THE PLAN OF LIQUIDATION AND DISSOLUTION OF THE FUND PREVIOUSLY APPROVED BY THE SHAREHOLDERS?

The Board, based upon the prior recommendation of RENN Group, the Fund's current investment adviser, previously determined that approving and recommending to the shareholders a Proposal to liquidate and dissolve the Fund (the "Liquidation Proposal") would be in the best interests of the Fund and its shareholders. The Board unanimously adopted and approved a Plan of Liquidation and Dissolution (the "Plan of Liquidation"), and shareholders subsequently approved the Liquidation Proposal. Since that time, the Board engaged in extensive discussions with Horizon Kinetics regarding an alternative solution to the Plan of Liquidation. Ultimately, the A. Board determined that it is in the best interest of the Fund and its shareholders not to liquidate and dissolve the Fund and, instead, to engage Horizon to serve as the new investment adviser to the Fund on the terms described in this Proxy Statement. The Fund has entered into a Letter of Intent with Horizon Kinetics whereby its wholly owned investment adviser subsidiary, Horizon, would assume management of the Fund, subject to shareholder approval of the proposed investment advisory agreement between the Fund and Horizon and the revocation of the Plan of Liquidation. The revocation of the Plan of Liquidation is contingent upon shareholder approval of Proposals One and Three.

QUESTIONS AND ANSWERS RELATED TO PROPOSAL THREE

Q. WHO ARE THE NOMINEES FOR ELECTION AS DIRECTORS?

A. One incumbent Director, Russell Cleveland, will continue to serve as a Director of the Fund. Mr. Cleveland is an “interested” Director by virtue of being an officer of the Cleveland Family Limited Partnership, which owns more than 5% of the Fund’s securities. Four additional persons, Murray Stahl and Eric Sites, both of whom are employees of Horizon Kinetics, and Alice C. Brennan and Herbert M. Chain, are standing for election to the Board of the Fund. It is anticipated that Mr. Stahl will serve as Chairman of the Board if elected. The election of the Directors will be effective upon shareholder approval. J. Philip McCormick, Ernest C. Hill and Charles C. Pierce, Jr., who currently serve as Directors, will resign upon approval of the aforementioned proposed Directors by shareholders. Information about each of the nominees is set forth in the Proxy Statement.

Q. HOW MANY OF THE NOMINEES WILL BE “INDEPENDENT” DIRECTORS IF ELECTED?

A. Alice C. Brennan and Herbert M. Chain will be considered independent Directors if elected by the shareholders. Independent Directors have no affiliation with Horizon Kinetics or Horizon, the proposed investment manager, or with the Fund, apart from any personal investments they currently have or choose to make in the Fund as private individuals. Independent Directors play a critical role in overseeing Fund operations and representing the interests of the Fund’s shareholders.

Q. HOW LONG WILL EACH DIRECTOR SERVE?

A. The Fund’s Board is divided into three classes, with each class serving a staggered three-year term. Each nominee for election as a Director will serve until the expiration of such Director’s term (which varies, depending on the Director’s applicable class) and until his or her successor is elected and qualified or until his or her earlier death, resignation, disqualification or removal from the Board as provided in the Fund’s governing documents. A Director may be removed from the Board by a vote of 75% of the then sitting Directors, excluding the Director to be removed. If a nominee is unable to accept election, or subsequently leaves the Board before the next election, the Board may, in its discretion, select another person to fill the vacant position.

QUESTION AND ANSWER RELATING TO APPOINTMENT OF AUDITOR

Q. WHY AM I BEING ASKED TO VOTE TO RATIFY THE APPOINTMENT OF THE FUND’S AUDITOR FOR FISCAL YEAR 2016?

A. At the time of the 2016 Annual Meeting of the Fund’s shareholders, the Board had not appointed an accounting firm to audit the Fund’s financial statements for the year ending December 31, 2016, because the Board anticipated that the Fund would have completed its liquidation prior to the end of the year and, therefore, that no audit of the 2016 financial statements would be required. Because the Board has now approved, and asked the shareholders to approve, the revocation of the Plan of Liquidation (Proposal Two), the Board is seeking ratification by the shareholders of its appointment of BKD, LLP, as the Fund’s auditor for 2016.

ADDITIONAL QUESTIONS AND ANSWERS

Q. WHAT FACTORS DID THE BOARD CONSIDER IN DETERMINING TO RECOMMEND THE VARIOUS PROPOSALS?

A.

Edgar Filing: RENN Fund, Inc. - Form PRE 14A

In determining to approve the various Proposals, the Board weighed a variety of factors, including (in no particular order):

the management fee to be charged by Horizon will be waived on the first \$25 million in net assets, and thereafter shall be no greater than 100 basis points (1.0%) on net assets above \$25 million;

the expenses of the Fund are too high to continue to operate economically, and Horizon, which is significantly larger than the Fund's current investment adviser and has significantly greater resources, has informed the Board that it will leverage its existing relationships and internal resources in an effort to achieve a total Fund expense ratio of 2% or less within 12 months;

iii

the Fund will be able to preserve and Horizon Kinetics has informed the Board that it will be able to use the Fund's significant tax loss carryforwards over time instead of forfeiting the same under the Liquidation Proposal, subject to certain legal and regulatory restrictions;

• Horizon Kinetics has informed the Board that it intends to recapitalize the Fund through a rights offering or other mechanism in order to increase assets as soon as practicable; and

• the Fund has been trading at a significant discount to its net asset value for an extended period of time, and Horizon Kinetics has informed the Board that it intends to provide liquidity to shareholders by conducting a tender offer of up to 10% of the Fund's outstanding shares or \$1 million worth of shares, whichever is less, at the then-prevailing net asset value.

Based on these considerations, among others, on balance, the Board—consistent with the recommendation of Fund management—determined that revoking the Plan of Liquidation and adopting the other Proposals contained herein would be in the best interests of the Fund and its shareholders.

Q. IF THE PROPOSALS ARE APPROVED AT THE SPECIAL MEETING, WHAT WILL HAPPEN NEXT?

If the Proposals are approved by shareholders, RENN Group will transfer the management of the Fund to Horizon.

A. As part of the transition, Horizon Kinetics has informed the Fund that some of the Fund's service providers are expected to change in an effort to reduce Fund expenses so that the total Fund expense ratio is 2.0% or less.

Q. WHAT HAPPENS IF THE PROPOSALS DO NOT RECEIVE ENOUGH VOTES FOR APPROVAL AT THE SPECIAL MEETING?

A. If there are not enough votes to approve any Proposal at the Special Meeting, the shareholders who are represented may adjourn the Special Meeting to permit the further solicitation of proxies. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any Proposal for which an adjournment is sought, to permit the further solicitation of proxies. If any of Proposals One through Three are not approved at the Special Meeting or any adjournment, Horizon will not assume management of the Fund assets, and the Board will consider what action should be taken in the best interests of the shareholders, including the possibility of completing the complete liquidation and dissolution of the Fund pursuant to the Plan of Liquidation previously approved by the shareholders.

Q. WHO IS ELIGIBLE TO VOTE ON THE PROPOSALS?

A. Holders of common stock of record as of the close of business on March 1, 2017, are entitled to vote at the Special Meeting.

Q. HOW DOES THE BOARD RECOMMEND THAT I VOTE?

A. The Board recommends that you vote "FOR" all the Proposals.

Q. WHAT VOTE IS REQUIRED TO APPROVE THE PROPOSALS?

A. The approval of the new investment advisory agreement (Proposal One) and the approval of the revocation of the Plan of Liquidation (Proposal Two) require the affirmative vote of the holders of a majority of the Fund's outstanding shares. The election of Directors (Proposal Three) requires the affirmative vote of a majority of the votes cast at the meeting. Ratification of the selection of the Fund's independent auditors

(Proposal Four) requires the affirmative vote of a majority of the shares present, in person or by proxy, and entitled to vote at the meeting.

Q. WHERE DO I FIND FURTHER INFORMATION ABOUT THE PROPOSALS?

A. Further information about the Proposals is contained in the attached Proxy Statement.

This Proxy Statement is being furnished to the shareholders of RENN Fund, Inc., a Texas corporation (the “Fund”). The Fund’s Board of Directors is soliciting proxies to be voted at the Special Meeting of Shareholders (the “Special Meeting”) to be held on April 20, 2017, at the offices of Thompson & Knight, LLP, One Arts Plaza, 1722 Routh Street, Suite 1500, Dallas, Texas 75201, at 10:00 a.m., Central time, and at any adjournment(s). This Proxy Statement is being sent to shareholders on or about March [], 2017.

The accompanying proxy card is designed to permit each shareholder to vote for or against, or to abstain from voting on, the proposals described in this Proxy Statement (collectively, the “Proposals”). When a shareholder’s executed proxy card specifies a choice with respect to a voting matter, the shares will be voted accordingly. If no specifications are made, then the proxy will be voted by the persons serving as proxies at the Special Meeting FOR the Proposals:

- (1) to approve a new investment advisory agreement between Horizon Asset Management LLC (“Horizon”) and the Fund;
- (2) to approve a proposal to revoke the Plan of Liquidation and Dissolution (the “Plan of Liquidation”) previously approved by the Fund’s shareholders at the Annual Meeting held on August 4, 2016;

to elect Murray Stahl, Eric Sites, Alice C. Brennan, and Herbert M. Chain as Directors of the Fund, each of whom

No revocation notice or later-dated proxy, however, will be effective until received by the Fund at, or prior to, the Special Meeting. Revocation will not affect a vote on any matters taken prior to the receipt of the revocation. Mere attendance at the Special Meeting will not by itself revoke the proxy.

In addition to soliciting proxies by mail, officers and Directors of the Fund and officers, directors, and employees of the Adviser, may solicit the return of proxies by personal interview, mail, telephone, and facsimile. These persons will

not receive additional compensation for their services, but will be reimbursed for out-of-pocket expenses by Horizon Kinetics LLC, the parent company of Horizon (“Horizon Kinetics”). PURPOSES OF THE MEETING

At the Special Meeting, Shareholders will consider and vote upon the following matters:

- (1) to approve a new investment advisory agreement between Horizon and the Fund;
- (2) to approve a Proposal to revoke the Plan of Liquidation previously approved by the Fund's shareholders;
to elect Murray Stahl, Eric Sites, Alice C. Brennan, and Herbert M. Chain as Directors of the Fund, each of whom
- (3) is to hold office for the remainder of the original three (3)-year term applicable to the class of Directors to which he or she is elected and until his or her successor is elected and qualified; and
- (4) to ratify the appointment by the Fund's Board of Directors of BKD, LLP, as the auditor of the Fund for the fiscal year ending December 31, 2016.

RECORD DATE AND SHARE OWNERSHIP

The close of business on March 1, 2017, has been fixed as the record date (the "Record Date") for determining shareholders entitled to notice of and to vote at the Special Meeting and any adjournment. At the close of business on the Record Date, the Fund had outstanding 4,463,967 shares of common stock held by approximately [___] registered owners and [___] beneficial owners.

QUORUM REQUIRED

A quorum must be present at the Special Meeting for any business to be conducted. The presence at the Special Meeting, in person or by proxy, of the holders of a majority of all the shares entitled to vote at the Special Meeting will constitute a quorum. Abstentions will be treated as shares present for quorum purposes. Shares held in street name for which the broker has not received voting instructions from the record holder and does not have discretionary authority to vote the shares on certain Proposals (which are considered "Broker Non-Votes" with respect to such Proposals) will be treated as shares present for quorum purposes.

If a quorum is not present at the Special Meeting, the shareholders who are represented may adjourn the Special Meeting until a quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any Proposal for which an adjournment is sought, to permit the further solicitation of proxies.

VOTE REQUIRED

Each share of common stock of the Fund is entitled to one vote on each matter to be voted upon at the Special Meeting. The common stock is the only class of securities of the Fund entitled to vote at the Special Meeting. A shareholder is entitled to vote all shares of common stock held of record at the close of business on the Record Date, in person or by proxy, at the Special Meeting. There are no cumulative voting rights. All votes will be tabulated by the Inspector of Elections appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions, and broker non-votes.

Approval of the new Investment Advisory Agreement between the Fund and Horizon (Proposal One). The affirmative vote of the holders of a majority of the outstanding shares of the Fund is required to approve the new investment advisory agreement between the Fund and Horizon. Broker non-votes and abstentions will have the effect of votes against this Proposal.

Approval of the revocation of the Plan of Liquidation (Proposal Two). The affirmative vote of the holders of a majority of the outstanding shares of the Fund is required to approve the Proposal to revoke the Plan of Liquidation. Broker non-votes and abstentions will have the effect of votes against this Proposal.

Approval of the election of the Directors (Proposal Three). The affirmative vote of a majority of the votes cast at the Special Meeting is sufficient to elect each of Murray Stahl, Eric Sites, Alice C. Brennan, and Herbert M. Chain as a Director. Broker non-votes, if any, and abstentions will not be considered votes cast, and therefore will have no effect on the outcome of the election of any nominee.

Ratification of the Board's appointment of auditor of the Fund for the 2016 fiscal year (Proposal Four). The affirmative vote of a majority of the shares present, in person or by proxy, and entitled to vote at the Special Meeting is required for the ratification of the selection of the Fund's independent auditor. An abstention will have the effect of a vote against the ratification of the appointment of BKD, LLP, as the Fund's independent auditor. Shares represented by broker non-votes, if any, will not be considered entitled to vote on this Proposal, and therefore will not have any effect on the outcome of the vote to ratify the appointment of the auditor.

Additional solicitation. If there are not enough votes to approve any Proposals at the Special Meeting, the shareholders who are represented may adjourn the Special Meeting to permit the further solicitation of proxies. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any Proposal for which an adjournment is sought to permit the further solicitation of proxies.

Also, a shareholder vote may be taken on any of the Proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such Proposal.

Broker-dealers are prohibited from voting on certain matters for which they have not received voting instructions from the beneficial owners of shares held in street name. Proxies submitted by brokers are considered “broker non-votes” with respect to such matters, and the shares represented by those proxies will not be considered entitled to vote on such matters, but will be deemed present at the Special Meeting for purposes of establishing a quorum. Under applicable stock exchange rules, broker-dealers are permitted to vote, in their discretion, on certain routine matters, including the election of directors of an investment company, such as the Fund, registered under the Investment Company Act of 1940 (the “1940 Act”) and the ratification of the appointment of auditors. Therefore, the Fund does not expect that there will be any broker non-votes on Proposals Three and Four.

VOTING ELECTRONICALLY VIA THE INTERNET OR BY TELEPHONE

In lieu of mailing in the proxy card, shareholders whose shares are registered in their own names may vote either via the Internet or by telephone. Specific instructions to be followed by any registered shareholder interested in voting via the Internet or by telephone are set forth on the enclosed proxy card. The Internet and telephone voting procedures are designed to authenticate the shareholder’s identity and to allow shareholders to vote their shares and confirm that their voting instructions have been properly recorded.

If your shares are registered in the name of a bank or brokerage firm, you may be eligible to vote your shares electronically over the Internet or by telephone. A large number of banks and brokerage firms are participating in the Broadridge Investor Communications Services online program, which provides eligible street-name shareholders the opportunity to vote via the Internet or by telephone. If your bank or brokerage firm is participating in that program, they will furnish you with a proxy card with instructions. If your proxy card does not reference Internet or telephone information, please complete and return the proxy card in the self-addressed, postage-paid envelope provided.

Mr. Cleveland is an “interested person” of the Fund as defined by Section 2(a)(19) of the 1940 Act by virtue of currently being an officer, Director, and beneficial owner of all shares of the Fund’s current investment adviser and by being a limited partner in the Cleveland Family Limited Partnership, which owns more than 5% of the Fund’s securities. Assuming shareholders approve the Proposals herein, Mr. Cleveland will not have an affiliation with the Fund’s new investment adviser, but will still be considered an “interested person” by virtue of the aforementioned ownership by the Cleveland Family Limited Partnership.

(1) All shares are owned by the Cleveland Family Limited Partnership, of which Mr. Cleveland is the managing partner and also a limited partner.

3

Upon approval of the Proposals, Horizon will become investment adviser to the Fund and Mr. Stahl and Mr. Sites will become “interested persons” of the Fund as defined in Section 2(a)(19) of the 1940 Act by virtue of being officers and directors of Horizon, officers of Horizon Kinetics, and in Mr. Stahl’s case, a director and beneficial owner of outstanding securities of Horizon Kinetics.

⁽⁴⁾ These shares are held by an account for which Mr. Stahl serves as managing member and in which he, along with other shareholders of Horizon Kinetics, owns an interest.

None of the above individuals beneficially owns equity securities in registered investment companies within the same Family of Investment Companies as the Fund. A “Family of Investment Companies” is two or more registered investment companies that share the same investment adviser and hold themselves out to investors as related companies for purposes of investment and investment services. The Fund is not currently grouped with any such companies. None of the above individuals directly or indirectly owns beneficially or of record any class of securities of any entity controlling, controlled by, or under common control with the Adviser, other than as disclosed above regarding the Fund.

PROPOSAL ONE NEW INVESTMENT ADVISORY AGREEMENT

The Adviser

The Fund’s current investment adviser is RENN Group, which is registered under the Investment Advisers Act of 1940 (the “Advisers Act”) and subject to the reporting and other requirements of the Advisers Act. The address of the Adviser’s executive offices is 11520 North Central Expressway, Suite 162, Dallas, Texas 75243. Upon shareholder approval, the Fund’s investment adviser will change to Horizon, also registered under the Advisers Act and subject to the reporting and other requirements of the Advisers Act. Founded in 1994, Horizon, a wholly owned subsidiary of Horizon Kinetics, is an independently owned and operated investment adviser that adheres to a long-term, contrarian, fundamental value investment philosophy that the founders established in 1985 at Bankers Trust Company. Horizon’s and Horizon Kinetics’ executive offices are located at 470 Park Avenue South, New York, New York 10016.

As of December 31, 2016, Horizon Kinetics, through its wholly owned registered investment advisers, was responsible for managing approximately \$5.4 billion in assets under management, including approximately \$3.5 billion of assets managed by Horizon. Horizon Kinetics has over 70 employees, with offices in New York City and White Plains, New York.

Pursuant to the proposed investment advisory agreement between the Fund and Horizon (the “Advisory Agreement”) to be dated April 20, 2017, a copy of which is attached as Exhibit A to this Proxy Statement, Horizon will serve as investment adviser to the Fund and will be subject to the supervision of the Fund’s Board of Directors. Services provided to the Fund will include causing the Fund’s assets to be invested in portfolio securities consistent with the Fund’s investment objectives and policies and recommending the valuation of assets of the Fund to the Board of Directors, when requested and upon which the management fee paid to Horizon will be based. The valuations of portfolio securities will be performed in accordance with generally accepted accounting principles and financial reporting policies of the SEC. In addition, from time to time, the Board will review the valuation policies to determine their continuing appropriateness.

The Advisory Agreement will be reviewed and approved annually by the Board, including its independent Directors. Pursuant to the Advisory Agreement, Horizon will be entitled to receive a monthly management fee from the Fund computed daily at an annual rate of 1.0% of the Fund’s net assets in excess of \$25 million, determined and due within five business days after the end of each month; Horizon will receive no management fees on net assets below \$25 million. The current advisory agreement provides for a quarterly management fee payable to the RENN Group of 0.4375% of net assets (1.75% annualized), which resulted in aggregate management fees of \$111,996 to the RENN

Group in 2016. Because the Fund has net assets of less than \$25 million, the RENN Group would not have received any management fees for its services in 2016 if the fee structure set forth in the proposed Advisory Agreement had been in effect throughout the year.

Officers

Set forth below is certain information provided to the Fund by Horizon regarding the prospective executive officers of the Fund, each of whom is also an officer of Horizon:

Murray Stahl, age 63, is expected to serve as Chairman of the Board, President, Chief Executive Officer, and a Director of the Fund. He currently serves as Chief Executive Officer, Chairman of the Board and Chief Investment Strategist of Horizon Kinetics, parent company of Horizon, and is the Chairman and Chief Executive Officer of FRMO Corp, a publicly-traded company. Murray is also a member of the Board of Directors of the Bermuda Stock Exchange, the Minneapolis Grain Exchange, Winland Electronics, Inc., and IL&FS Securities Services Limited. Prior to co-founding Horizon Kinetics, Murray spent 16 years

at Bankers Trust Company (1978-1994) as a senior portfolio manager and research analyst. Murray received a Bachelor of Arts in 1976, a Masters of Arts in 1980 from Brooklyn College, and an MBA from Pace University in 1985.

Jay Kesslen, age 44, is expected to serve as Secretary and Chief Compliance Officer of the Fund. He currently serves as General Counsel and a member of the board of directors of Horizon Kinetics, parent company of Horizon. He oversees all aspects of Horizon Kinetics' legal affairs, advises on all material compliance matters, and is responsible for the Horizon Kinetics' corporate governance. Jay is the Horizon Kinetics' Anti-Money Laundering Officer and also serves as a director for several private funds managed by subsidiaries of the firm. He is also Vice President and Assistant Secretary for Kinetics Mutual Funds, Inc., a series of U.S. mutual funds managed by Kinetics Asset Management LLC, a subsidiary of Horizon Kinetics. Jay also serves as the General Counsel of FRMO Corp., a publicly-traded company. Jay holds a BA in Economics from the State University of New York at Plattsburgh (cum laude) and a JD from Albany Law School.

The current executive officers of the Fund are Russell Cleveland, President and CEO of the Fund and the Adviser, and Lynne Marie Simon, Corporate Secretary and Chief Compliance Officer of the Fund and the Adviser. Biographical information about Mr. Cleveland is included under the caption "Proposal Three – Election of Directors – Information Concerning Nominees and Continuing Director" below. Biographical information about Ms. Simon, who is expected to resign upon the approval of the Proposals, was included in the Fund's proxy statement related to the 2016 Annual Meeting of Shareholders.

During the last two completed fiscal years of the Fund, no officer of RENN Group or any officer of any person controlling, controlled by or under common control with the Adviser served on the board of directors of any entity where an independent Director or nominee of the Fund, or any member of his or her immediate family, was an officer.

If Proposals One through Three are approved by the Fund's shareholders at the Special Meeting, Horizon will become the Fund's investment adviser on or about April 20, 2017, and its executive offices will be 470 Park Avenue South, New York, NY 10016. Horizon will provide investment advisory and administrative services to the Fund pursuant to an Investment Advisory Agreement between it and the Fund, the form of which is attached hereto as Exhibit A. Horizon shall, through its officers and employees, devote such time to the Fund's business as is necessary for the conduct of the Fund's operations.

Officers and employees of Horizon are compensated solely by Horizon. Murray Stahl serves as the Chief Executive Officer, Chairman of the Board and Chief Investment Strategist of Horizon Kinetics and beneficially owns part of the stock of Horizon Kinetics. For biographical information regarding Mr. Sites, see "Proposal Three – Election of Directors – Information Concerning Nominees and Continuing Directors" below.

There are eight members of Horizon's board of directors, including Mr. Stahl and Mr. Kesslen, all of whom are officers or employees of Horizon Kinetics. The other six members of Horizon's board, and their positions with Horizon Kinetics, are: Steven Bregman, President; Lawrence Doyle, Director; Peter Doyle, Managing Director; Tom Ewing, Managing Director; Leonid Polyakov, Director; and Hugh Ross, Chief Operating Officer. Each such person holds the same position with each of Horizon Kinetics' registered investment adviser subsidiaries, including Horizon. The address of each Horizon director is c/o Horizon Asset Management LLC, 470 Park Avenue South, New York, New York 10016.

In 2016, the Fund incurred \$111,996 as its management fee to the Adviser and \$15,825 for reimbursement of directly allocable administrative expenses paid by the Adviser.

Officers and employees of the Adviser are compensated solely by RENN Group. Russell Cleveland directly and/or beneficially owns 100% of the common stock of RENN Group and is the sole director of RENN Group.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Neither Horizon nor its affiliates are prohibited from engaging in activities outside the Fund's business. Horizon has formed, and may in the future form, other investment funds to make investments in companies similar to those in which the Fund invests. Any determination regarding the existence of a conflict of interest between these investment funds and the Fund, and the resolution of any such conflict, vests in the Fund's Board of Directors, subject to the provisions of the 1940 Act.

THE BOARD RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE APPROVAL OF THE INVESTMENT ADVISORY AGREEMENT.

PROPOSAL TWO REVOCATION OF PLAN OF LIQUIDATION

On March 31, 2016, the Board unanimously approved and adopted the Plan of Liquidation and recommended its approval to the Fund's shareholders. The shareholders approved the Plan of Liquidation at the shareholders' Annual Meeting on August 4, 2016. The Plan of Liquidation provides for the liquidation of the Fund's assets, the distribution to the shareholders of the Fund's assets, after paying or providing for all known and reasonably ascertainable debts and obligations, and the dissolution of the Fund in accordance with the Texas Business Organizations Code (the "TBOC") and other applicable law. Liquidating distributions would be in the form of securities held by the Fund and cash, including cash proceeds from the Fund's sale of securities. After the distribution of all or substantially all the Fund's assets in accordance with the Plan of Liquidation, all outstanding shares of common stock of the Fund would be cancelled.

The Fund has not made any liquidating distributions pursuant to the Plan of Liquidation or taken any other material steps in furtherance of the dissolution of the Fund or the termination of its existence. Shares of the Fund's common stock continue to trade on the NYSE MKT, and no actions have been taken to initiate a process for delisting the shares.

Subsequent to the approval of the Plan of Liquidation by the shareholders, the Board has engaged in extensive discussions with Horizon Kinetics regarding an alternative solution to the Plan of Liquidation. Ultimately, for the reasons discussed below, the Board determined that it is in the best interest of the Fund and its shareholders not to liquidate and dissolve the Fund and, instead, to engage Horizon Kinetics or one of its wholly owned registered investment adviser subsidiaries to serve as the new investment adviser to the Fund on the terms described in this Proxy Statement. The effectiveness of the proposed investment advisory agreement between the Fund and Horizon, a wholly owned subsidiary of Horizon Kinetics (which is the subject of Proposal One), and the election as directors of persons designated by Horizon Kinetics (Proposal Three) are contingent upon the approval by the shareholders of this proposal to revoke the Plan of Liquidation. Likewise, this proposal to revoke the Plan of Liquidation is contingent upon the approval by shareholders of Proposals One and Three.

The proposal to revoke the Plan of Liquidation was approved and adopted by the Board of Directors at a meeting held on October 12, 2016. Pursuant to the TBOC, the revocation of the Plan of Liquidation requires the approval of a majority of the outstanding shares of common stock of the Fund in accordance with the Fund's articles of incorporation.

Rationale for the Proposal to Revoke the Plan of Liquidation

The following summarizes the principal factors on which the Board based its decision to approve the Plan of Liquidation at its March 31, 2016 meeting, followed in each case by a discussion of factors that the Board, following its negotiations and discussions with representatives of Horizon Kinetics and consistent with the recommendation of the Adviser, based its subsequent decision to approve, and recommend to the shareholders, the proposal to revoke the Plan of Liquidation.

1. The expenses of the Fund are too high for the Adviser to continue to operate the Fund economically. The Fund is a closed-end investment company that was first offered to the public in 1994. Since that time, the investment fund industry has grown dramatically, and there are many larger closed-end, open-end and other funds that offer the same features as those of the Fund. The business of a small, stand-alone closed-end fund has become more and more challenging. Increasing regulatory requirements and expenses have caused the Fund's fixed costs to grow as a percentage of its assets, resulting in a higher expense ratio and lower net investment income.

-

Horizon Kinetics is significantly larger than the current Adviser and has significantly greater resources. Horizon Kinetics informed the Board that it will leverage its existing relationships and internal resources in an effort to achieve a total Fund expense ratio of 2% or less within 12 months. The Fund's expense ratio was 12.2% for the 12-month period ended December 31, 2016. Due to the size and scope of Horizon Kinetics' operations, it is able to charge an advisory fee that is less than the fee that the Fund currently pays to the Adviser. Under the proposed investment advisory agreement with Horizon, Horizon will not charge a management fee on net assets that are less than \$25 million, and the fee payable to Horizon thereafter will be 1.0% of net assets above \$25 million. This compares favorably to the existing management agreement with Adviser, which provides for a management fee of 1.75% on all net assets. See the discussion of Proposal One, above.

2. As a closed-end fund, the Fund does not continuously offer its shares and has limited opportunities to raise capital. As a result, the Fund's assets have remained relatively static in recent years. The Board determined that the Fund does not currently have sufficient assets to economically continue its business.

Horizon Kinetics has informed the Board that it intends to recapitalize the Fund through a rights offering or other mechanism in order to increase the Fund's assets as soon as practicable. As of December 31, 2016, the Fund had total assets of approximately \$9.4 million and net assets of approximately \$7.3 million.

3. Shares of closed-end funds frequently trade at a discount to net asset value, which limits the liquidity of investors' interests in the Fund. For the two years prior to the announcement on April 5, 2016 of the Board's approval of the Plan of Liquidation, this discount ranged from approximately 16% to 45% for the Fund. The discount is affected by a number of factors, many of which are beyond the Fund's control, and the Fund has very limited options to address this discount.

Horizon Kinetics has informed the Board that it intends to provide liquidity to shareholders by conducting a tender offer of up to 10% of the Fund's outstanding shares or \$1 million worth of shares, whichever is less, at the then-prevailing net asset value. In addition, Horizon Kinetics and the Board believe that the anticipated future growth of the Fund, as discussed above, should have a positive impact on trading prices of the Fund's shares in relation to net asset value, although no assurance of such an impact can be given.

4. In making its initial decision to approve the Plan of Liquidation, the Board concluded that a liquidation would allow all stockholders to receive the net asset value of their shares (after payment and provision for the Fund's debts and obligations, including expenses of the liquidation) without favoring any shareholders, as to timing or otherwise, over any other shareholders of the Fund. Liquidation would allow the Fund to sell some portfolio securities and distribute the cash proceeds to shareholders, and to distribute certain of the Fund's portfolio securities in kind, in an equitable and orderly manner over a period of time.

These factors were considered by the Board primarily in contrast to possible alternatives, such as a disposition of the Fund or its assets to a third party, that might have led to the liquidation and dissolution of the Fund on an accelerated basis or the disposition of Fund assets prematurely, including certain assets for which there is not an active trading market and that could not currently be sold at prices that the Board considers adequate. Horizon Kinetics has informed the Board that it does not have any present intention to liquidate any of the Fund's remaining assets in the near term. If the Proposals are approved, the previously-approved liquidation will not occur and Horizon Kinetics intends to grow the Fund as discussed above.

5. In light of the depressed trading prices of the Fund's shares in recent years, and the difficulties facing small, closed-end funds as discussed above, the Board previously determined that a complete liquidation of the Fund would benefit shareholders by allowing them to invest the proceeds of the liquidation in alternative investments of their choice, including, for example, larger closed-end or open-end funds with investment objectives similar to the Fund's.

If the Proposals are approved, Horizon intends to modify the current investment strategy of the Fund to include a value discipline that is consistent with Horizon Kinetics' long-term, fundamental value approach. Horizon has advised the Board that it intends to implement the investment strategy summarized on Exhibit B attached to this Proxy Statement with respect to the Fund. For this reason, and the reasons discussed above, the benefits that a shareholder of the Fund might have obtained by investing proceeds of a liquidation of the Fund in a larger fund with investment objectives similar to the Fund's may be obtainable by continuing to hold shares of the Fund.

6. The Board previously determined that some possible alternatives to a liquidation of the Fund would not be feasible because they could require the commitment of significant additional resources, which would not be available.

Pursuant to the letter of intent it entered into with the Fund, Horizon Kinetics has agreed to assume and pay all direct costs of the parties relating to Horizon's engagement as the new investment adviser to the Fund, including but not limited to the costs related to that letter of intent and the costs of preparation and review of this Proxy Statement.

In addition to the foregoing factors, Horizon Kinetics has informed the Board that it will be able to use the Fund's significant tax loss carryforwards over time, subject to certain legal and regulatory restrictions. The Fund would not be able to use such tax loss carryforwards for the benefit of its shareholders if the Fund were liquidated and dissolved.

Based on these considerations, on balance, the Board, consistent with the recommendation of Fund management, determined that revoking the Plan of Liquidation and adopting the other Proposals contained in this Proxy Statement would be in the best interests of the Fund and its shareholders. If this Proposal is approved by the shareholders at the Special Meeting, the Fund will continue in existence as a Texas corporation and its shares of common stock will continue to be listed and traded on the NYSE MKT under the trading symbol "RCG."

THE BOARD RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE APPROVAL OF THE PROPOSAL TO REVOKE THE PLAN OF LIQUIDATION.

7

PROPOSAL THREE
ELECTION OF DIRECTORS

Pursuant to the Fund's Restated Articles of Incorporation and Bylaws, the Board of Directors is to consist of one or more Directors, the number of which may be increased or decreased from time to time by resolution adopted by a majority of the Board. On January 20, 2017, the Board adopted a resolution setting the number of Directors constituting the full Board of Directors at five, to be effective upon shareholder approval of Proposals One through Three.

The Board is divided into three classes, and each class normally serves for a three-year term. Under Texas law, procedures are available to remove Directors even if they are not then standing for re-election. Otherwise, ordinarily only those Directors in a single class may be changed in any one year. Due to the anticipated resignations of Messrs. McCormick, Hill and Pierce and a vacancy created by an increase in the size of the Board to five Directors, Directors will be elected in each of the three classes, effective upon approval of the Proposals, with each Director to serve until the expiration of the term applicable to such class and until his or her successor is elected and qualified.

Having a classified Board of Directors may be regarded as an "anti-takeover" provision by making it more difficult for shareholders to change the majority of Directors, and may have the effect of maintaining the continuity of management.

The nominees for the Directors receiving the majority of the votes cast for that directorship will be elected.

INFORMATION CONCERNING NOMINEES AND CONTINUING DIRECTOR

Term of Office. One of the current Class Three Directors, Russell Cleveland, was recently re-elected at the Annual Meeting. Mr. Cleveland's term as a Class Three Director is for a term of three (3) years expiring at the Annual Meeting to be held in 2019, and until his successor is elected and qualified. Murray Stahl has been nominated for election as a Class Three Director, and if elected, he will also serve for a term expiring at the Annual Meeting to be held in 2019, and until his successor is elected and qualified. The terms of office of the persons elected as Class One Directors will expire at the Annual Meeting to be held in 2017, and the term of office of the person elected as the Class Two Director will expire at the Annual Meeting to be held in 2018. The nomination of each of the four persons whose election will be voted upon at the Special Meeting was recommended to the Board by Horizon Kinetics.

Additionally, Murray is the Chairman and Chief Executive Officer of FRMO Corp. He is also a member of the Board of Directors of the Bermuda Stock Exchange, the Minneapolis Grain Exchange, Winland Electronics, Inc., and IL&FS Securities Services Limited. Eric received a BA from Southern Illinois University in 2000 and an MA from Columbia University, Teachers College in 2002.

Diversity in Board Members. In selecting nominees for election or re-election to the Board, consideration is given to the presence on the Board of a broad spectrum of business acumen and personal perspectives. The Fund has members who bring experience in securities and finance, executive management of corporations, directorships, corporate governance and financial reporting, among others. The Fund has no policy regarding such, but it intends to keep a diversity of skills and attitudes in its Board makeup, and it assesses those qualities in any present Director or one who is being considered for nomination to the Board.

Board's Role in Risk Management. The Board endeavors to forestall risk by its development of fundamental investment policies for approval by the shareholders and other policies which are more flexible for the Adviser's activities on the Fund's behalf. The Board is also involved in the assessment and monitoring of risk by virtue of its review of the Fund's investment activities, noting whether the portfolio has industry or geographic susceptibilities, by the appointment of the Adviser's portfolio managers to directorships on portfolio boards when indicated, and by review of the financial particulars of the Fund, including any occasions of debt. It also considers the strength of the Adviser's staff to provide uninterrupted investment and administrative services to the Fund. The Board feels that its considerable oversight of risk fuses well with the Fund's leadership structure.

Board Structure. Upon approval by shareholders of Proposals One through Three, Murray Stahl is expected to serve as both the Chairman of the Board and the Fund's Chief Executive Officer, and the Board has determined that the dual role is appropriate for this Fund. Mr. Stahl will be an interested person in the Fund by virtue of his roles with Horizon, the Fund's proposed new investment adviser, giving him an additional incentive for its good performance and protection. He will forego compensation from the Fund for both roles except for his indirect benefit from Horizon's management fee. The appointment of a separate person to serve as chairman would likely require the Fund to incur additional fee expense for the position, which the Board feels is unwarranted at this time. While not being named as such, the chairs of the Fund's Audit and Governance Committees in essence serve as lead independent Directors. They

regularly hold meetings without management present to assess matters concerning financial reporting and administrative risk and portfolio investment parameters and execution risk, and relay to the Chairman of the Board any concerns they may have.

Director Transactions with Affiliates. As of the record date, with the exception of interested Director Russell Cleveland and interested proposed Director Murray Stahl, none of the Directors own any interest in RENN Group, the Fund's current investment adviser, or Horizon, the Fund's proposed investment adviser, or any person controlling, controlled by, or under common control with RENN Group or Horizon; nor has any Director, or a member of his immediate family, engaged in, or had a material interest in, a transaction or series of similar transactions involving the Fund, RENN Group or Horizon which exceeded \$120,000 in any fiscal year during the previous five fiscal years of the Fund; nor is any such transaction being currently considered. Since January 1, 2015, no Director or nominee, or a member of his or her immediate family, has had a material interest in any material transaction or any currently proposed material transaction involving the Fund, RENN Group or Horizon, an officer of the Fund, RENN Group or Horizon, a parent, subsidiary or other affiliate of RENN Group or Horizon (or any officer of such a parent, subsidiary or affiliate) or any investment company having the same adviser as the Fund (or any officer of such an investment company).

Legal Proceedings. There have been no material pending legal proceedings in which any Director or nominee for Director or any affiliated person of such Director or nominee is a party adverse to the Fund or has a material interest adverse to the Fund or any of its affiliated persons.

Director nominee Eric Sites filed for personal bankruptcy protection under Chapter 13 of the United States Bankruptcy Code in 2011. The Chapter 13 plan of reorganization was approved by the United States Bankruptcy Court for the Northern District of Illinois on October 7, 2011, and Mr. Sites was granted a discharge on July 13, 2016. Additional information concerning the Directors may be included in the Statement of Additional Information contained in the N-2 registration statement filed with the SEC by the Fund. This information may be obtained without charge by calling 1-214-891-8294.

Board Meetings and Committees. The Board of Directors held 18 meetings during 2016. The Board has established an Audit Committee and a Nominating and Corporate Governance Committee. The Board has not established a Compensation Committee because the Fund has no employees, its officers receive no compensation from the Fund, and the Fund has never issued options or warrants to officers or Directors of the Fund. All Directors attended at least 75% of the aggregate number of meetings held by the Board and all committees on which such Director served during 2016.

Audit Committee. The Audit Committee is appointed by the Board of Directors to assist the Board in fulfilling its oversight responsibilities. In 2016, the Audit Committee held three meetings. The primary duties and responsibilities of the Audit Committee are:

- to select and approve the compensation of the Fund’s independent auditors, including those to be retained for the purpose of preparing or issuing an audit report or performing other audit review or attest services for the Fund;
- to monitor the independence and performance of the Fund’s independent auditors, who report directly to the Audit Committee;
- to oversee generally the accounting and financial reporting processes of the Fund and the audits of its financial statements;
- to review the reports and recommendations of the Fund’s independent auditors;
- to provide an avenue of communication among the independent auditors, management, and the Board of Directors; and
- to address any matters between the Fund and its independent auditors regarding financial reporting.

During 2016 the Audit Committee was comprised of three independent Directors, who currently are Ernest C. Hill (Chairman), Charles C. Pierce, Jr., and J. Philip McCormick. Upon shareholder approval of Proposals One through Three set forth in this Proxy Statement, the Audit Committee will be comprised of Alice C. Brennan and Herbert M. Chain, each of whom will be considered an independent director.

Regulation S-K requires that an audit committee have a member who is a “financial expert.” The SEC rules do not require that an audit committee financial expert have any additional duties, obligations or liabilities, and he is not considered an expert under the Securities Act of 1933. The Board of Directors determined that J. Philip McCormick satisfies the standard for “audit committee financial expert” within the meaning of Regulation S K. The Board believes that Herbert M. Chain, who will become a director and a member of the Audit Committee upon approval by shareholders of Proposals One through Three, also satisfies the standard for “audit committee financial expert.”

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee was created in January 2004 and is responsible for nominating individuals to serve as Directors and to address such governance matters as the Board may request from time to time. During 2016 the Nominating and Corporate Governance Committee held one meeting.

In its assessment of each potential nominee for Director, the Committee reviews the nominee's judgment, experience, independence, financial literacy, knowledge of emerging growth companies, understanding of the Fund and its investment objectives, and such other factors as the Committee may determine. The Committee also takes into account the ability of a nominee to devote the time and effort necessary to fulfill his or her responsibilities. The Committee has no formal policy regarding the consideration of nominees for election as directors that may be recommended by shareholders of the Fund, but would consider any qualified persons who might be recommended by shareholders in appropriate circumstances.

During 2016 the Nominating and Corporate Governance Committee was comprised of three independent Directors, who currently are Charles C. Pierce, Jr. (Chairman), Ernest C. Hill, and J. Philip McCormick. The Members of the Nominating and Corporate Governance Committee will change to Murray Stahl (Chairman), Alice C. Brennan and Herbert M. Chain upon shareholder approval of Proposals One through Three set forth in this Proxy Statement.

The Nominating and Corporate Governance Committee has a written charter, a copy of which was attached as Appendix C to the Fund’s proxy statement related to the 2016 Annual Meeting of Shareholders.

Director Compensation. The Fund does not pay any fees to, or reimburse expenses of, its Directors who are considered “interested persons” of the Fund. Directors who are not interested persons of either the Fund or its current investment adviser, RENN Group, currently receive a monthly fee of \$2,000 (\$3,000 per month for the Chairman of the Audit Committee), plus \$750 and out-of-pocket expenses for each quarterly valuation meeting attended. Notwithstanding the foregoing, upon approval from shareholders of Proposals One through Three set forth in this Proxy Statement, it is expected that Directors’ fee will be reduced to a level consistent with a fund of similar size and complexity. For the fiscal year ended December 31, 2016, the aggregate compensation paid by the Fund to each Director, and the aggregate compensation paid by any other funds in a Fund Complex with the Fund to each Director, is set forth below:

| Name of Director | Aggregate Deferred Compensation from Fund | Retirement Benefits Estimated Accrued as Part of Fund Expenses | Annual Benefits upon Retirement | Total 2016 Compensation from Fund and Fund Complex ⁽²⁾ |
|----------------------------------|---|--|---------------------------------|---|
| Russell Cleveland ⁽¹⁾ | \$0 | \$0 | \$0 | \$ 0 |
| Ernest C. Hill | \$0 | \$0 | \$0 | \$39,000 |
| Charles C. Pierce, Jr. | \$0 | \$0 | \$0 | \$27,000 |
| J. Philip McCormick | \$0 | \$0 | \$0 | \$27,000 |

Mr. Cleveland is an “interested person” as defined by Section 2(a)(19) of the 1940 Act by virtue of being CEO and sole director of RENN Group, the Fund’s current investment adviser, and by being a limited partner in the Cleveland Family Limited Partnership, which owns more than 5% of the Fund’s securities and all of the securities of RENN Group. Assuming shareholder approval of the Proposals herein, Mr. Cleveland will continue to be an “interested person” by virtue of his role with the Cleveland Family Limited Partnership and its ownership of the Fund’s securities.

The term “Fund Complex” means all 1940-Act-registered investment funds, or separate portfolios of such a fund, which share a common investment adviser (or have investment advisers that are affiliated persons) or which hold themselves out to investors as related companies for purposes of investment and investment services. The Fund is not currently grouped into a Fund Complex with any other such funds.

Compensation Committee Interlocks and Insider Participation.

During the last completed fiscal year of the Fund, no executive officer of the Fund was a director or member of a compensation committee of any entity of which a member of the Fund’s Board was or is an executive officer.

THE BOARD RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE ELECTION OF NOMINEES MURRAY STAHL AS A CLASS THREE DIRECTOR, ERIC SITES AND ALICE C. BRENNAN AS CLASS ONE DIRECTORS, AND HERBERT M. CHAIN AS A CLASS TWO DIRECTOR.

**PROPOSAL FOUR
RATIFICATION OF APPOINTMENT OF AUDITOR**

The Board of Directors has selected BKD, LLP, to audit the Fund for the fiscal year ending December 31, 2016. Its selection was approved by the vote of a majority of the Board of Directors, including a majority of the directors who are not “interested persons” of the Fund, as defined in the 1940 Act. A representative of BKD, LLP, is expected to attend the Special Meeting, and will respond to appropriate questions from shareholders and will have the opportunity to make a statement, should he or she so desire.

The following table presents fees paid by the Fund for professional services rendered by BKD, LLP, for the fiscal years ended December 31, 2015, and December 31, 2014.

| Fee Category | Fees for 2015 | Fees for 2014 |
|--------------------|---------------|------------------|
| | BKD | BKD |
| Audit Fees | \$58,000 | \$59,000 |
| Audit-Related Fees | 0 | 0 |
| Tax Fees | 0 | 0 |
| All Other Fees | 0 | 0 |
| Total Fees | \$58,000 | \$59,000 |

Audit Fees were for professional services rendered for the audit of the Fund's annual financial statements. No tax or other non-audit fees were incurred or paid by the Fund to the independent audit firm of BKD, LLP, for the fiscal years ended December 31, 2015 and 2014.

The Audit Committee has adopted a pre-approval policy that provides for the prior consideration by the Audit Committee of any audit or non-audit services that may be provided by its independent auditor to the Fund. Audit services were approved as delineated on the auditor's engagement letter before services were commenced. No tax or other non-audit fees were pre-approved with regard to the auditor for the fiscal years ended December 31, 2015 or 2014. Neither has the Audit Committee pre-approved its auditor's providing any non-audit services for RENN Group, the current Adviser, or any entity controlling, controlled by, or under common control with the Adviser that provides ongoing services to the Fund, nor is it aware of any such situation that would require its pre-approval.

BKD, LLP's address is 14241 Dallas Parkway, Suite 1100, Dallas, Texas 75254. The firm was also the Fund's independent auditor for the years ended December 31, 2015, 2014 and 2013. No conflicts between the Fund and the auditor occurred during those audits.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed the Fund's audited financial statements for the fiscal year ended December 31, 2015, with the Fund's management. The Audit Committee has discussed with BKD, LLP, the Fund's independent auditor, the matters required to be discussed by the standards of the Public Company Accounting Oversight Board. The Audit Committee has received the written disclosures and the letter of BKD, LLP, required by current authoritative standards and has discussed with the auditor its independence.

Based on the review and discussions described above, among other things, the Audit Committee recommended to the Board of Directors that the audited financial statements of the Fund be included in the Fund's Annual Report to Shareholders for the fiscal year ended December 31, 2015. The Fund's Annual Report to Shareholders for the fiscal year ended December 31, 2016, which will include the Fund's audited financial statements for that year, will be distributed to the Fund's shareholders together with the proxy materials for the 2017 Annual Meeting of shareholders later this year.

Ernest C. Hill, Chairman
Charles C. Pierce, Jr.
J. Philip McCormick

The affirmative vote of a majority of shares present, in person or by proxy, and entitled to vote at the Special Meeting is required for the ratification of the selection of the Fund's independent auditors.

THE BOARD RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF BKD, LLP, AS THE FUND'S INDEPENDENT AUDITOR FOR THE FISCAL YEAR ENDED DECEMBER 31, 2016.

DISSENTER'S RIGHTS

The Texas Business Organizations Code does not grant shareholders of a Texas corporation dissenter's rights with respect to any of the Proposals covered by this Proxy Statement.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Fund's officers and Directors and persons who own more than 10% of a registered class of the Fund's equity securities to file reports of ownership and changes in ownership with the SEC. Such reporting individuals are required by SEC regulations to furnish the Fund with copies of all Section 16(a) forms that they file.

To the Fund's knowledge, all Section 16(a) filings relating to the Fund's common stock applicable to its officers, Directors, and greater-than-10% beneficial owners were timely filed for the fiscal year ended December 31, 2016.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Investment Description; Appointment

The Company desires to employ its capital by investing and reinvesting in investments of the kind and in accordance with the limitations specified in its Articles of Incorporation, as amended, and in the Company's most recent prospectus as filed with the Securities and Exchange Commission (“SEC”) or in such other, more recent SEC filing as may properly set forth such information from time to time, and in such manner and to such extent as may from time to time be approved by the Board of Directors of the Company. Copies of the appropriate SEC filing and the Company’s Articles of Incorporation, as amended, have been or will be submitted to the Adviser. The Company agrees to provide copies of all amendments to the Company’s Articles of Incorporation and all new or amended SEC filings containing the Company’s investment objectives and limitations to the Adviser on an ongoing basis. The Company desires to employ and hereby appoints the Adviser to act as investment adviser to the Company. The Adviser accepts the appointment and agrees to furnish the services described herein for the compensation set forth below.

2. Services as Investment Adviser

Subject to the supervision and direction of the Board of Directors of the Company, the Adviser will (a) act in accordance with the Company’s Articles of Incorporation, the Investment Company Act of 1940 and the Investment Advisers Act of 1940, all applicable SEC rules and regulations and any other applicable provisions of law, as the same may from time to time be amended, (b) use its best efforts to increase the value of the Company’s assets by causing such assets to be invested in such securities as the Adviser in its discretion shall deem advisable in accordance with the Company’s investment objectives and policies as stated in the Company’s Articles of Incorporation and the appropriate SEC filing as from time to time in effect, (c) make investment decisions and exercise voting rights in respect of portfolio securities for the Company, and (d) place purchase and sale orders on behalf of the Company. In providing these services, the Adviser will provide investment research and supervision of the Company’s investments and conduct a continual program of investment, evaluation and, if appropriate, sale and reinvestment of the Company’s

assets. The Adviser shall allocate such personnel and devote such efforts as are necessary for it to carry out its duties under this Agreement. In addition, the Adviser will furnish the Company with whatever statistical information the Company may reasonably request with respect to the securities that the Company may hold or contemplate purchasing. The Company acknowledges that the Adviser does not guarantee the investment performance of any particular securities selected by the Adviser for the investment of the Company's assets.

3. Provision of Management and Administrative Services. The Adviser shall provide, or arrange for suitable third parties to provide, any and all management and administrative services reasonably necessary for the operation of the Company and the conduct of its business. The Adviser will act in good faith in the selection, use and monitoring of third parties to perform

A-1

any services, and any delegation to or appointment of a third party shall not relieve the Adviser of any of its obligations under this Agreement. Without limiting any other provision of this Agreement, such management and administrative services shall include, but not be limited to, the following services:

- (i) Providing such office space, equipment, facilities and supplies, and the services of such clerical and other personnel of the Adviser, as may be necessary or required for the reasonable conduct of the business of the Company;
- (ii) Keeping and maintaining the books and records of the Company and handling communications and correspondence with shareholders of the Company;
- (iii) Preparing management and other reports and documents as may be necessary or appropriate for the reasonable conduct of the business of the Company;

(iv) Making such arrangements as may be necessary or appropriate for the custody, deposit and safekeeping of the Company's investment securities, cash and other assets; provided, that such custody, deposit and safekeeping of securities shall be an expense borne by the Company;

(v) Making such arrangements and handling such communications with accountants, attorneys, banks, transfer agents, custodians, underwriters, insurance companies, depositories and other persons as may from time to time be requested by the Company or as may be reasonably necessary to perform any of the other services to be rendered by the Adviser under this Agreement;

(vi) Providing such other managerial and administrative services as may be reasonably requested by the Company to identify, evaluate, structure, monitor, acquire and dispose of Company investments;

(vii) Providing such other advice and recommendations with respect to the business and affairs of the Company as the Adviser shall deem to be desirable or appropriate; and

(viii) Providing, as may be appropriate or necessary, from time to time, a director designee or advisory director to the Company's portfolio companies and making arrangements for the provision, at such costs as are reasonable and appropriate and for the benefit of the Company, of such other management assistance to portfolio companies as may be appropriate or necessary, in each case consistent with the applicable requirements of the Investment Company Act of 1940 and the Investment Advisers Act of 1940.

4. Brokerage

In executing transactions for the Company and selecting brokers or dealers, the Adviser will use its best efforts to seek the best overall terms available. In assessing the best overall terms available for any Company transaction, the Adviser will consider all factors it deems relevant including, but not limited to, breadth of the market in the security, the price of the security, the financial condition and execution capability of the broker or dealer, including the expected contribution of the broker or dealer and the reasonableness of any commission for the specific transaction and on a continuing basis. The price to the Company in any transaction may be less favorable than that available from another broker or dealer if the difference is reasonably justified by other aspects of the execution services offered, provided that such transaction is effected in compliance with Section 28(e) of the Securities Exchange Act of 1934 with a broker or dealer that is not affiliated with the Adviser and that the Adviser determines in good faith and in accordance with the Standard of Care (as defined in Section 9 below) that the commission paid is reasonable in relation to the benefits of the transaction received by the Company. In selecting brokers or dealers to execute a particular transaction and in evaluating the best overall terms available, the Adviser may consider the brokerage and research services (as those terms are defined in Section 28(e) of the Securities Exchange Act of 1934) provided to the Company and/or other accounts over which the Adviser or an affiliate exercises investment discretion. Concurrently with the execution of this Agreement, the Adviser has provided a copy of its "soft dollar" policy to the Company and will provide to the Company copies of all updates, amendments and supplements to such policy on an ongoing basis. Concurrently with

the execution of this Agreement and annually thereafter the Adviser will provide a written description to the Company of all “soft dollar” arrangements, including the amount paid for each service and the portion of the Company’s commissions directed to pay for such service, together with a statement that all such arrangements are in compliance with Section 28(e) of the Securities Exchange Act of 1934.

On occasions when the Adviser deems the purchase or sale of a security to be in the best interest of the Company as well as of other clients, the Adviser to the extent permitted by applicable law and regulations, may aggregate the securities to be so purchased or sold in order to obtain the most favorable price or lower brokerage commissions and the most efficient execution. In such event, allocation of the securities so purchased or sold, as well as the expenses incurred in the transaction, will be made by the Adviser in the manner it considers to be the most equitable and consistent with its fiduciary obligations to the Company and such other clients.

A-2

5. Confidentiality of Information

The Adviser will treat confidentially and as proprietary information of the Company all records and other information relative to the Company and the Company's prior, current or potential shareholders, and will not use such records and information for any purpose other than performance of its responsibilities and duties hereunder, except after prior notification to and approval in writing by the Company, which approval shall not be unreasonably withheld and may not be withheld where the Adviser may be exposed to civil or criminal contempt proceedings for failure to comply, when requested to divulge such information by duly constituted authorities, or when so requested by the Company.

6. Proxy Voting

The Adviser will have the responsibility to vote proxies solicited with respect to issuers of securities in which assets of the Company are invested in accordance with the Adviser's policies on proxy voting. The Adviser has provided a copy of its proxy voting policies to the Company and will provide to the Company copies of all updates, amendments and supplements to such policies on an ongoing basis.

7. Information Provided to the Company

The Adviser will keep the Company informed of developments materially affecting the Company, and will, on its own initiative, furnish the Company from time to time with whatever information the Adviser believes is appropriate for this purpose. The Adviser will furnish the Company with whatever information, reports, valuations, analyses and opinions the Board of Directors of the Company may reasonably request. Without limiting the foregoing, the Adviser shall provide the Company annually with copies of its Form ADV, Part 1, Part 2A Firm Brochure and Part 2B Brochure Supplement, and the Adviser shall notify the Company in writing within three business days of any of the following:

- (i) There is any material change in the Adviser's senior personnel assigned to perform services under this Agreement;
- (ii) There is any change in control of the Adviser;
- (iii) The Adviser becomes aware of any material change in its portfolio management structure or its business organization, including without limitation the filing for bankruptcy relief;
- (iv) The Adviser ceases to be registered as an investment advisor with the SEC under the Investment Advisers Act of 1940 or such registration is suspended; or

- Any investigation, examination, complaint, lawsuit, disciplinary action or other proceeding by or against the Adviser or any of its employees affecting the Adviser's ability to perform its duties under this Agreement is commenced by the SEC, the Financial Industry Regulatory Authority (FINRA), any Attorney General or any regulatory agency of any state of the United States, any U.S. Government department or agency, or any
- (v) governmental agency regulating securities of any country in which the Adviser is doing business (and the Adviser represents that no such proceeding is currently pending or, to its knowledge, threatened or contemplated). The Adviser will make the disclosure required by this paragraph (v) to the extent permitted by applicable law, and except as otherwise required by applicable law, the Company shall maintain the confidentiality of all such information until the investigating entity makes the information public.

8. Books and Records

The Adviser agrees to preserve for the periods prescribed by Rule 31a-2 under the Investment Company Act of 1940 the records required to be maintained by a registered investment company pursuant to Rule 31a-1 thereunder. The Adviser and the Company agree, in compliance with Rule 31a-3 under the Investment Company Act of 1940, that all records which the Adviser maintains for the Company are the property of the Company and further agrees to surrender promptly to the Company any such records upon the Company's request.

9. Standard of Care; Indemnification

(a) The Adviser acknowledges that this Agreement places it in a fiduciary relationship with the Company. In discharging its duties and performing its services under this Agreement, the Adviser shall act in good faith and with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent professional acting in like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims (the "Standard of Care"). The Adviser shall not be liable for any error of judgment or mistake of law or for any loss suffered by the Company in connection with the matters to which this Agreement relates, provided that nothing herein shall be deemed to protect or purport to protect the Adviser against any liability to the Company or its shareholders to which the Adviser would otherwise be subject by reason of (i) willful misfeasance, bad faith or gross negligence on its part in the performance of its duties or reckless disregard by it of its

obligations and duties under this Agreement, (ii) any breach by it of a fiduciary duty to the Company, (iii) failure by it to perform in accordance with the Standard of Care or any other material breach by it of this Agreement, or (iv) a violation by it of any applicable ethical rules or applicable law, including but not limited to the Investment Company Act of 1940, the Investment Advisers Act of 1940 and other federal and state securities laws and regulations (collectively, “disabling conduct”). The Company hereby agrees to indemnify the Adviser and each of the Adviser’s partners, officers and employees against, and hold it harmless from, any and all losses, claims, damages, liabilities or expenses (collectively, “Losses”), including reasonable counsel fees and expenses, arising out of the Adviser’s performance of this Agreement and not resulting from or relating to disabling conduct by the Adviser. The Adviser shall be entitled to reimbursement from the Company for payment of the reasonable expenses as and when incurred by it in connection with the matter as to which it is seeking indemnification in the manner and to the fullest extent permissible under the law. The Adviser shall provide to the Company a written affirmation of its good faith belief that the standard of conduct necessary for indemnification by the Company has been met and a written undertaking to repay any such expense reimbursement if it should ultimately be determined that such standard of conduct has not been met.

(b) The Adviser shall indemnify the Company and its officers, directors and trustees for any Losses, including attorneys’ fees, that may be sustained as a result of or relating to any disabling conduct by the Adviser or any Sub-Adviser (as defined in Section 10 below) in connection with this Agreement. Indemnification provided by the Adviser hereunder with respect to the actions of any Sub-Adviser shall be without duplication of any recovery by the Company (or a related indemnified party) for the same Losses from such Sub-Adviser under the indemnification provisions of an applicable Investment Sub-Advisory Agreement (as defined in Section 10 below).

(c) The rights of any indemnified person under this Section 9 shall be cumulative of, and in addition to, any and all other rights and remedies to which such person may otherwise be entitled by contract or as a matter of law or equity.

(d) Notwithstanding the foregoing, nothing contained in this Section 9 or any other provision of this Agreement shall constitute a waiver by the Company of any of its legal rights under applicable U.S. securities laws (including but not limited to the Investment Company Act of 1940 and the Investment Advisers Act of 1940) or any other laws whose applicability is not permitted to be contractually waived.

(e) The Adviser shall at all times during the term of this Agreement maintain, at the Adviser’s cost, for the benefit of the Company insurance of the types and with minimum coverage limits as are customary in the industry for an investment advisory firm providing services comparable to those provided by the Adviser hereunder, including without limitation general liability insurance, including contractual liability, with a limit of liability of no less than \$500,000 per occurrence and no aggregate claim limit; workers’ compensation as required by applicable laws covering personnel providing services in connection with this Agreement; and a professional indemnity policy covering the Adviser and its professional personnel providing coverage of no less than \$25,000,000 (inclusive of errors and omissions and fiduciary liability coverage).

10. Compensation

(a) In consideration of the services rendered pursuant to this Agreement, the Company will pay the Adviser within five business days after the end of each calendar month, a fee for the previous month computed daily at an annual rate of 1.0% of the Daily Base Amount (defined below); provided, however, that no fee shall be paid on net assets less than Twenty-Five Million Dollars (\$25,000,000.00). The “Daily Base Amount” for any day is the Company’s net assets in excess of Twenty-Five Million Dollars (\$25,000,000.00), in each case determined as of the end of each trading day.

(b) Upon any termination of this Agreement before the end of a quarter, the fee for such part of that quarter shall be prorated according to the proportion that such period bears to the full quarterly period and shall be payable upon the

date of termination of this Agreement. For the purpose of determining fees payable to the Adviser, the value of the Company's net assets shall be computed at the times and in the manner specified in the Company's Registration Statement as from time to time in effect.

11. Expenses

The Adviser will bear all expenses in connection with the performance of its services under this Agreement, including compensation of and office space for its officers and employees connected with investment and research, trading and investment management of the Company, except as otherwise may be provided in any separate agreement between the Company and the Adviser, as well as the fees of any directors of the Company who are affiliated with the Adviser, any Sub-Adviser or any of their respective affiliates. The Company will bear certain other expenses to be incurred in its operation, including, but not limited to: organizational expenses; taxes, interest, brokerage costs and commissions and stock exchange fees, including any value added tax; fees of directors of the Company who are not officers, directors, or employees of the Adviser, the Sub-Adviser or any of their

affiliates; SEC fees, state Blue Sky qualification or offering fees; charges of custodians, sub-custodians and transfer and dividend disbursing agents; expenses in connection with the Company's Dividend Reinvestment and Cash Purchase Plan; premiums for insurance policies maintained by the Company; outside auditing, pricing and legal expenses; costs of maintenance of the Company's existence; costs attributable to investor services, including, without limitation, telephone and personnel expenses; costs of printing stock certificates; costs of shareholders' reports and meetings of the shareholders of the Company and of the Board of Directors of the Company; membership fees in trade associations; stock exchange listing fees and expenses; litigation and other extraordinary or non-recurring expenses, except to the extent the Adviser is responsible for such expenses under the express terms of this Agreement (including Section 9 and the first sentence of this Section 11).

12. Services to Other Companies or Accounts

The Company understands that the Adviser now acts, will continue to act or may act in the future as investment adviser to other managed accounts or as investment adviser to one or more other investment companies, and the Company has no objection to the Adviser so acting, provided that whenever the Company and one or more other accounts or investment companies advised by the Adviser have available funds for investment, investments suitable and appropriate for each will be allocated in accordance with procedures believed to be equitable to each entity. Similarly, opportunities to sell securities will be allocated in an equitable manner. The Company recognizes that in some cases this procedure may adversely affect the size of the position that may be acquired or disposed of for the Company. In addition, the Company understands that the persons employed by the Adviser to assist in the performance of the Adviser's duties hereunder will not devote their full time to such service and nothing contained herein shall be deemed to limit or restrict the right of the Adviser or any affiliate of the Adviser to engage in and devote time and attention to other businesses or to render services of whatever kind or nature.

13. Term of Agreement

This Agreement shall become effective on the later of the date specified in the first paragraph of this Agreement and the date on which this Agreement is approved in accordance with the requirements of the Investment Company Act of 1940 and executed by the Adviser and the Company (the "Effective Date") and shall continue for an initial one-year term and shall continue thereafter so long as such continuance is specifically approved at least annually by (i) the Board of Directors of the Company or (ii) a vote of a "majority" (as defined in the Investment Company Act of 1940) of the Company's outstanding voting securities, provided that in either event the continuance is also approved by a majority of the Board of Directors who are not "interested persons" (as defined in said Act) of any party to this Agreement, by vote cast in person at a meeting called for the purpose of voting on such approval. This Agreement is terminable, without penalty, on 60 days' written notice by the Company authorized by the Board of Directors of the Company or by vote of holders of a majority of the Company's outstanding shares, or upon 60 days' written notice by the Adviser. This Agreement will also terminate automatically in the event of its assignment (as defined in said Act). Notwithstanding the foregoing, at the discretion of the Company's Board of Directors, all terms and conditions set forth in this Agreement shall continue to apply through a period (the "Transition Period") following the termination date specified in a notice of termination given by the Company or the Adviser pursuant to this Section 13, or following an automatic termination, during which the Adviser shall continue to serve as the Adviser hereunder at the then-existing compensation level. Such Transition Period shall not exceed three months after the termination date specified in a notice of termination or the date on which this Agreement would otherwise have terminated automatically. During the Transition Period, the Adviser shall perform all services required of it under this Agreement, including those services necessary to complete any pending transactions, and shall cooperate with the Company in good faith to effect an orderly transfer of all services contemplated by this Agreement and all applicable records to a successor investment adviser as expeditiously as possible, and in any event by the end of the Transition Period. The provisions of Sections 5, 8 and 9 shall survive any termination of this Agreement.

14. Entire Agreement

This Agreement constitutes the entire agreement between the parties hereto.

15. Governing Law

This Agreement shall be governed by and construed and enforced in accordance with the laws of the state of New York without giving effect to the conflicts of laws principles thereof.

16. Independent Contractor Status

The Adviser shall for all purposes herein be deemed to be an independent contractor and shall, unless otherwise expressly provided herein or authorized by the Board of Directors of the Company from time to time, have no authority to act for, bind or represent the Company in any way or otherwise be deemed an agent of the Company. For all purposes, including but not

limited to workers' compensation and unemployment liability, the parties understand and agree that all persons furnishing services pursuant to this Agreement are deemed employees solely of the Adviser and not of the Company.

17. Counterparts

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same original.

18. Notices

Any notice under this Agreement shall be in writing to the other party and shall be delivered in person or by facsimile or electronic mail (followed by mailing such notice, express mail postage prepaid, on the day on which such facsimile or electronic mail is sent) to the applicable address set forth below or to such other address as the other party may designate from time to time for the receipt of such notice and shall be deemed to have been given, if by personal delivery, on the day of such delivery, and, if by facsimile and mail or electronic mail and mail, on the date on which such facsimile and confirmatory letter or electronic mail and confirmatory letter are sent.

IN WITNESS WHEREOF, the parties, acting through their duly authorized representatives and intending to be legally bound hereby, have executed and delivered this Agreement to be effective as of the Effective Date.

EXHIBIT B

PROPOSED REVISED INVESTMENT STRATEGY FOR THE FUND

The Fund is a non-diversified, closed-end fund registered under the Investment Company Act of 1940, as amended. Upon the approval of the Proposals set forth in the Proxy Statement, Horizon Asset Management LLC (“Horizon”), a registered investment adviser and wholly owned subsidiary of Horizon Kinetics LLC, will become the investment manager to the Fund and will render advisory, management and administrative services to the Fund on the terms and conditions set forth in the form of Investment Advisory Agreement attached as Exhibit A to this Proxy Statement. In its capacity as investment adviser to the Fund, Horizon intends to implement the investment strategies and objectives summarized below.

Horizon will seek to achieve an above-market rate of return for the Fund through capital appreciation and current income primarily through investments in common stocks. The Fund may purchase convertible securities, warrants and other equity securities having the characteristics of common stocks such as, but not limited to, American Depositary Receipts (“ADRs”), Global Depositary Receipts (“GDRs”) and International Depositary Receipts (“IDRs”) of U.S. and foreign companies. On occasion, the Fund may acquire various equity-related instruments such as exchange traded funds (“ETFs”). The Fund may also write and sell options on securities in which it invests for hedging purposes and/or direct investment.

The Fund will invest in companies that Horizon believes are undervalued and have the potential for a high rate of return. Key fundamental factors in this approach may include:

- Identification of dormant assets
- Underappreciated intangible assets
- High returns on capital
- High earnings power relative to analysts’ expectations or current market capitalization
- Spin-offs, recapitalizations, and restructurings
- Discounts to stated or estimated book value
- Substantial inside stock ownership (i.e., owner-operated companies)
- Expected demand for the company’s services or products
- Transitory (not permanent) business problems causing a low valuation
- Expected growth in revenues, earnings, or assets.

The Fund will execute its investment strategy by regarding investments as representing fractional ownership in the underlying companies’ assets. This will allow the Fund to attempt to achieve its investment objective by acting as a classic value investor seeking high returns on equity, an intrinsic characteristic of the investment, not a reappraisal of a company’s stock value by the market, an external factor.

The Fund will select portfolio securities by evaluating a number of company specific factors including:

Market price of the issuer's common stock

Balance sheet

Historical income statements and earnings history

Statement of cash flows

Current analysts' earnings expectations

Dividend history

Perceived managerial skills.

B-1

Sell decisions are generally triggered by either adequate value being achieved, as determined by Horizon, or by an adverse change in a company's operating performance or a deterioration of the company's business model. A sale may also occur if Horizon discovers a new investment opportunity that it believes is more compelling and represents a greater risk-reward profile than other investment(s) owned in the Fund.

The Fund may invest in convertible and non-convertible debt securities. Such securities may, on occasion, be rated below investment grade, also known as junk bonds, or unrated. In addition, the Fund may acquire interests in privately-held companies or assets for which there may be no active trading market.

The Fund is engaged and will continue to engage in the business of making investments consistent with its operation as a registered, non-diversified, closed-end investment company (a "RIC") qualified for tax treatment under Subchapter M of the Internal Revenue Code of 1986, as amended.
