MERGER AGREEMENT

THIS MERGER AGREEMENT (this “Agreement”) is made and entered into as of November 25, 2012, among Fiat Industrial S.p.A. (“FI”), an Italian joint stock company (Società per Azioni), Fiat Netherlands Holding N.V. (“FNH”), a Dutch public limited liability company (naamloze vennootschap), CNH Global N.V. (“CNH”), a Dutch public limited liability company (naamloze vennootschap), and FI CBM Holdings N.V. (“DutchCo”), a Dutch public limited liability company (naamloze vennootschap). Except as otherwise expressly defined in this Agreement, all capitalized terms used in this Agreement shall have the meanings ascribed to them in Section 8.4.

WHEREAS, FI has proposed that CNH and FI each merge into DutchCo; and

WHEREAS, upon the recommendation of the Special Committee of the Board of Directors of CNH, the Board of Directors of CNH, acting through its unconflicted members, has approved this Agreement and the transactions contemplated hereby, subject to the terms and conditions of this Agreement, and following the execution and delivery of this Agreement, CNH desires to adopt the Merger Proposal (voorstel tot fusie) regarding the merger of CNH and DutchCo (the “CNH Merger Proposal”); and

WHEREAS for U.S. Federal income Tax purposes, the CNH Merger (as defined below) is intended to qualify as a “reorganization” within the meaning of Section 368(a) of the Code (the “Intended Tax Treatment”), and this Agreement is intended to be, and is adopted as, a “plan of reorganization” for purposes of Sections 354 and 361 of the Code; and

WHEREAS, the Board of Directors of FI has approved this Agreement and the transactions contemplated hereby, subject to the terms and conditions of this Agreement, and following the execution and delivery of this Agreement, FI desires to adopt the Cross-Border Merger Terms for the merger between FI and DutchCo (the “Cross-Border Merger Terms”) and the Cross-Border Merger Terms for the merger between FNH and FI (the “FNH Cross-Border Merger Terms”) and together with the CNH Merger Proposal and the Cross-Border Merger Terms, the “Merger Plans”), each pursuant to the tenth Directive of the European Council; and

WHEREAS, in connection with and prior to the consummation of the mergers of each of CNH and FI into DutchCo, FNH, a wholly-owned subsidiary of FI, will merge into FI; and

WHEREAS, each of the Board of Directors of FNH and FI, in its capacity as the sole shareholder of FNH, has approved this Agreement and the transactions contemplated hereby, subject to the terms and conditions of this Agreement, and following the execution and delivery of this Agreement, FNH desires to adopt the FNH Cross-Border Merger Terms; and

WHEREAS, the Board of Directors of DutchCo has approved this Agreement and the transactions contemplated hereby, subject to the terms and conditions of this Agreement, and following the execution and delivery of this Agreement, DutchCo desires to adopt each of the Merger Plans.

NOW, THEREFORE, in consideration of the provisions and the representations, warranties, covenants and agreements contained herein, the parties agree as follows:

ARTICLE I

THE MERGERS

1.1 The Mergers. Upon the terms and subject to the conditions set forth in this Agreement, and in accordance with Dutch law (“Dutch Law”) and Italian law (“Italian Law”), as applicable: (i) FI shall be merged with and into DutchCo (the “FI Merger”); and (ii) CNH shall be merged with and into DutchCo (the “CNH Merger” and, together with the FI Merger, the “Mergers”). The FI Merger shall be effective at 00.00 CET on the Closing Date and the CNH Merger shall follow the FI Merger on the date immediately following the Closing Date and become effective at the CNH Effective Time as further contemplated by Section 1.3 hereof. Following the Mergers, the separate corporate existence of each of FI and CNH shall cease and DutchCo shall continue as the sole surviving corporation and by operation of law, DutchCo shall succeed to and assume all of the rights and obligations as well as the assets and liabilities of FI and CNH in accordance with Dutch Law and Italian Law.

1.2 Closing. The Closing of the FI Merger shall take place at a date and time to be specified by the parties, which shall be no later than the third Business Day after satisfaction or (to the extent permitted by applicable law) waiver of the conditions set forth in Article V (other than those conditions that by their terms are to be satisfied at the Closing, but subject to the satisfaction or (to the extent permitted by applicable law) waiver of such conditions) (such date, the “Closing Date”), at Freshfields Bruckhaus Deringer, Amsterdam office, before a Dutch civil law notary (the “Dutch Civil Law Notary”) selected by FI, unless another time, date or place is mutually agreed upon in writing by the parties hereto. The Closing of the CNH Merger shall take place on the date immediately following the Closing Date as further contemplated by Section 1.3 hereof. For purposes of this Agreement, the “Closing” shall mean, with respect to each of the Mergers, the execution and delivery of all relevant legal and contractual documentation required hereunder and under each of Dutch Law and Italian Law, as applicable, to properly consummate each of the Mergers.

1.3 Effective Time. Subject to the provisions of this Agreement, at the Closing, the parties shall execute: (i) a deed of cross-border merger with respect to the FI Merger (the “FI Deed of Merger”); and (ii) a deed of merger with respect to the CNH Merger (the “CNH Deed of Merger” and, together with the FI Deed of Merger, the “Deeds of Merger”). The parties shall make all filings and recordings required by Dutch Law and Italian Law in connection with the Mergers, including the filing of the FI Deed of Merger and the CNH Deed of Merger with the Amsterdam Chamber of Commerce and, in the case of the FI Merger, the Turin Chamber of Commerce, as required in accordance with applicable law as promptly as practicable following the effectiveness of each of the Mergers. The Mergers shall become effective sequentially with the time 00.00 CET following the date on which the FI Deed of Merger is executed being the “FI Effective Time”, and the time 00.00 CET following the date on which the CNH Deed of Merger is executed being the “CNH Effective Time”), provided that, for DutchCo accounting purposes, the Mergers will be deemed effective as of January 1, 2013 and the rights to dividends, if any are declared, shall accrue for the benefit of shareholders of DutchCo Common Shares as of January 1, 2013.

1.4 Effects of the Mergers. The Mergers shall have the effects set forth herein and in the applicable provisions of Dutch Law and Italian Law.

1.5 Articles of Association. At the FI Effective Time, the Articles of Association of DutchCo shall be as set forth in Exhibit A-1 attached hereto (which shall also be attached to each of the Merger Plans), until thereafter amended as provided therein or by applicable law.

1.6 Effect on Shares. At the times specified below, by virtue of the Mergers and without any action on the part of DutchCo or any holder of FI Ordinary Shares or CNH Common Shares, the following shall occur:

(a) Allocation of DutchCo Common Shares in Exchange for FI Ordinary Shares.

(i) DutchCo shall allot for each issued and outstanding FI Ordinary Share (other than Rescission Shares) at the FI Effective Time 1.00 (the "FI Exchange Ratio") DutchCo Common Shares, having the terms set forth in the Articles of Association of DutchCo attached hereto as Exhibit A-1 (the "FI Merger Consideration").

(ii) As of the FI Effective Time, all such FI Ordinary Shares shall no longer be outstanding, shall automatically be cancelled and shall cease to exist, and each book-entry position with depository intermediaries participating in the centralized depository and clearing system managed by Monte Titoli S.p.A. ("Monte Titoli") previously representing any such shares shall thereafter represent the DutchCo Common Shares allotted for such FI Ordinary Shares in the FI Merger in accordance with this Section 1.6(a). The holders of such book-entry positions with depository intermediaries participating in Monte Titoli previously evidencing such FI Ordinary Shares outstanding immediately prior to the FI Effective Time shall cease to have any rights with respect to FI and such FI Ordinary Shares as of the FI Effective Time except as otherwise provided in Section 1.9 of this Agreement or by law. Such book-entry positions previously representing FI Ordinary Shares shall be exchanged for book-entry positions representing whole DutchCo Common Shares issued as FI Merger Consideration, without interest. As of the FI Effective Time, each DutchCo Common Share issued as FI Merger Consideration shall be entitled to the same rights, preferences and privileges as other DutchCo Common Shares, including dividend rights, except as provided below and in the Articles of Association of DutchCo and the Special Voting Share Terms. No fractional DutchCo Common Shares shall be issued.

- (iii) Holders of FI Ordinary Shares that are Initial Qualifying Shareholders, as defined in the Special Voting Share Terms, may elect to receive with respect to all or part of the DutchCo Common Shares that they are entitled to receive in accordance with this Section 1.6(a)(ii) Special Voting Shares (as such term is defined in Exhibit A-2) in accordance with the procedures set forth in Exhibit A-2.
- (iv) In the event that between the date of this Agreement and the FI Effective Time, there is a change in the number of shares of FI Ordinary Shares or CNH Common Shares or securities convertible or exchangeable into or exercisable for shares of FI Ordinary Shares or CNH Common Shares issued and outstanding as a result of a reclassification, stock split (including a reverse split), stock dividend or distribution, recapitalization, merger, subdivision, issuer tender or exchange offer, or other similar transaction, the FI Exchange Ratio shall be appropriately adjusted to reflect such action.
- (b) Allocation of Dutch Common Shares in Exchange for CNH Common Shares.
- (i) DutchCo shall allot for each issued and outstanding CNH Common Share at the CNH Effective Time, subject to Section 1.8 of this Agreement, 3.828 (the “CNH Exchange Ratio”) DutchCo Common Shares, having the terms set forth in the Articles of Association of DutchCo attached hereto as Exhibit A-1 (the “CNH Merger Consideration”, and together with the FI Merger Consideration, the “Merger Consideration”). No DutchCo Common Shares will be allotted in exchange for any CNH Common Shares held by DutchCo.
- (ii) As of the CNH Effective Time, all CNH Common Shares shall no longer be outstanding, shall automatically be cancelled and shall cease to exist, and each book-entry position with any depositary intermediaries previously representing any such shares shall thereafter represent the DutchCo Common Shares allotted for such CNH Common Shares in the CNH Merger in accordance with this Section 1.6(b). The holders of such book-entry positions with depositary intermediaries previously evidencing such CNH Common Shares outstanding immediately prior to the CNH Effective Time shall cease to have any rights with respect to CNH and such CNH Common Shares as of the CNH Effective Time except as otherwise provided by law. Such book-entry positions previously representing CNH Common Shares shall be exchanged for book-entry positions representing whole DutchCo Common Shares issued as CNH Merger Consideration, without interest. As of the CNH Effective Time, each DutchCo Common Share issued as CNH Merger Consideration shall be entitled to the same rights, preferences and privileges as other DutchCo Common Shares, including dividend rights, except as provided below and in the Articles of Association of DutchCo, and the Special Voting Share Terms. No fractional DutchCo Common Shares shall be issued, but in lieu thereof, the provisions of Section 1.8 shall apply.

(iii) Holders of CNH Common Shares that are Initial Qualifying Shareholders, as defined in the Special Voting Share Terms, may elect to receive with respect to all or part of the DutchCo Common Shares that they are entitled to receive in accordance with this Section 1.6(b)(ii) Special Voting Shares (as such term is defined in Exhibit A-2) in accordance with the procedures set forth in Exhibit A-2.

(iv) In the event that between the date of this Agreement and the CNH Effective Time, there is a change in the number of shares of FI Ordinary Shares or CNH Common Shares or securities convertible or exchangeable into or exercisable for shares of FI Ordinary Shares or CNH Common Shares issued and outstanding as a result of a reclassification, stock split (including a reverse split), stock dividend or distribution, recapitalization, merger (other than the FI Merger), subdivision, issuer tender or exchange offer, or other similar transaction, the CNH Exchange Ratio shall be appropriately adjusted to reflect such action.

(c) **FI Equity Incentives.** At the FI Effective Time, each option, restricted share unit, performance unit or share appreciation right of FI, whether vested or unvested, outstanding immediately prior to the FI Effective Time shall be converted into an option, restricted share unit, performance unit or share appreciation right, as applicable, with respect to a number of DutchCo Common Shares equal to the equivalent number of FI Ordinary Shares subject to such option or related to such restricted share unit, performance unit or share appreciation right immediately prior to the FI Effective Time at the exercise price per FI Ordinary Share of such option, restricted share unit, performance unit or share appreciation right of FI immediately prior to the FI Effective Time. Except as specifically provided above, following the FI Effective Time, each such option, restricted share unit, performance unit or share appreciation right (the “FI-DutchCo Equity Incentives”) shall continue to be governed by the same terms and conditions as were applicable to such option, restricted share unit, performance unit or share appreciation right immediately prior to the FI Effective Time. Prior to the FI Effective Time, FI will adopt such resolutions and take such other actions as may be reasonably required to effectuate the actions contemplated by this Section 1.6(c), without paying any consideration or incurring any debts or obligations on behalf of FI or DutchCo, provided that such resolutions and actions shall expressly be conditioned upon the consummation of the Mergers and the other transactions contemplated hereby and shall be of no effect if this Agreement is terminated.

(d) CNH Equity Incentives. At the CNH Effective Time, each option, restricted share unit, performance unit or share appreciation right of CNH, whether vested or unvested, outstanding immediately prior to the CNH Effective Time shall be converted into an option, restricted share unit, performance unit or share appreciation right, as applicable, with respect to a number of DutchCo Common Shares equal to the product (rounded down to the nearest whole number) of (x) the number of CNH Common Shares subject to such option or related to such restricted share unit, performance unit or share appreciation right immediately prior to the CNH Effective Time and (y) the CNH Exchange Ratio, and, in the case of an option, at an exercise price per share (rounded up to the nearest whole cent) equal to (A) the exercise price per CNH Common Share of such option immediately prior to the CNH Effective Time divided by (B) the CNH Exchange Ratio; provided, however, that the exercise price and the number of DutchCo Common Shares purchasable pursuant to such option shall be determined in a manner necessary to satisfy the requirements of applicable law, including Sections 409A and 424(a) of the Internal Revenue Code of 1986, as amended. Except as specifically provided above, following the CNH Effective Time, each such option, restricted share unit, performance unit or share appreciation right (the “CNH-DutchCo Options” and, together with the FI-DutchCo Equity Incentives, the “DutchCo Equity Incentives”) shall continue to be governed by the same terms and conditions as were applicable to such option, restricted share unit, performance unit or share appreciation right immediately prior to the CNH Effective Time. Prior to the CNH Effective Time, CNH will adopt such resolutions and take such other actions as may be reasonably required to effectuate the actions contemplated by this Section 1.6(d), without paying any consideration or incurring any debts or obligations on behalf of CNH or DutchCo, provided that such resolutions and actions shall expressly be conditioned upon the consummation of the Mergers and the other transactions contemplated hereby and shall be of no effect if this Agreement is terminated.

1.7 Exchange of Shares. FI Ordinary Shares and CNH Common Shares shall be exchanged for DutchCo Common Shares in accordance with the terms of the Merger Plans, the rules and procedures of any depository or clearing agency through which such shares are held or traded, and applicable law.

1.8 No Fractional Shares.

(a) No fractional DutchCo Common Shares shall be allotted to shareholders of CNH as part of the CNH Merger Consideration.

(b) As soon as reasonably practicable after the Effective Time, with respect to each holder of CNH Common Shares that would, but for Section 1.8(a), otherwise receive a fractional entitlement to a DutchCo Common Share as part of the CNH Merger Consideration (after taking into account all CNH Common Shares then held by such holder), an intermediary appointed by DutchCo shall aggregate all such fractional entitlements and sell such shares in the market for cash. Following such sale, such intermediary shall deliver or cause to be delivered to each such holder a share of the cash consideration received in such sale proportionate to the amount of fractional entitlements of such holder.

1.9 **FI Rescission Shares.** Notwithstanding Section 1.6 hereof or any other provision of this Agreement, if the FI Merger is consummated pursuant to the terms and conditions of this Agreement and Dutch Law and Italian Law, FI Ordinary Shares outstanding immediately prior to the FI Effective Time and held by a holder who has exercised and perfected his or her rescission rights in accordance with Italian Law (the “Rescission Shares”), shall not be converted into or exchanged for the FI Merger Consideration, but, effective on or about the FI Effective Time or at any other time determined by FI and DutchCo in accordance with applicable laws, the holders of Rescission Shares shall be entitled to receive an amount of cash per share of FI Ordinary Shares to the extent required by Article 2437-ter (3) of the Italian Civil Code.

1.10 **No Further Ownership Rights in FI Ordinary Shares and CNH Common Shares.** All DutchCo Common Shares allotted in the Mergers in accordance with the terms of this Article I (including any cash paid pursuant to Section 1.8 hereof) shall be deemed to have been issued (and paid) in full satisfaction of all rights pertaining to FI Ordinary Shares and CNH Common Shares. At each of the FI Effective Time and the CNH Effective Time, respectively, each of the share transfer books of FI and CNH shall be closed, and there shall be no further registrations of transfers of FI Ordinary Shares or of CNH Common Shares thereafter on the records of FI and CNH, respectively.

1.11 **Merger Plans.** As soon as practicable following the date hereof, FI and CNH shall prepare or cause to be prepared the Merger Plans for the approval by the Board of Directors of each of FI, FNH, CNH and DutchCo in accordance with Dutch law and Italian law, as applicable. The Merger Plans shall give effect to the Mergers on the terms and subject to the conditions set forth in this Agreement, and shall include such other provisions consistent with this Agreement to the extent customary or legally required for transactions of the type of the Mergers under Dutch law and Italian law, as applicable. To the extent of any inconsistency between this Agreement and a Merger Plan, that Merger Plan shall be amended or modified so as to conform this Agreement, subject to mandatory provisions of Dutch Law and Italian Law, as applicable.

ADDITIONAL AGREEMENTS

4.1 Preparation of Registration Statement, Information Document, CNH Shareholder Circular, NYSE Listing Application and EU Listing Application; Shareholders' Meetings.

- (a) As promptly as reasonably practicable after the execution of this Agreement, FI shall cause DutchCo to prepare and file with the SEC a registration statement on Form F-4 (together with all amendments thereto, the "Registration Statement"), in connection with the registration under the Securities Act of the DutchCo Common Shares and the Special Voting Shares to be issued to the holders of FI Ordinary Shares and CNH Common Shares, as applicable, in connection with the Mergers. FI and CNH each shall use reasonable best efforts to cause the Registration Statement to become effective as promptly as practicable following such filing (including by responding to comments of the SEC), and shall also use its reasonable best efforts to satisfy prior to the effective date of the Registration Statement any applicable foreign or state securities laws in connection with the issuance of DutchCo Common Shares and the Special Voting Shares, as applicable, pursuant to the Mergers. After the execution of this Agreement and as promptly as reasonably practicable in accordance with applicable law and regulation: (w) FI shall prepare, file and publish in accordance with applicable Italian Law an information document relating to the FI Shareholders' Meeting (together with any amendments thereof or supplements thereto, the "Information Document"), (x) CNH shall prepare and make available at CNH's registered office in Amsterdam, the Netherlands, the CNH Shareholder Circular, (y) DutchCo shall prepare and file with the NYSE a listing application (the "NYSE

Listing Application”) for the listing of the DutchCo Common Shares on the NYSE, and (z) DutchCo shall prepare and file with the Autoriteit Financiële Markten an application for the authorization to publish a listing prospectus and with Borsa Italiana S.p.A. (“Borsa Italiana”) a listing application (the “EU Listing Application”) for the listing of the DutchCo Common Shares on Borsa Italiana. Each of FI and CNH shall furnish all information concerning itself as may reasonably be requested in connection with such actions and the preparation of the Registration Statement, the Information Document, the CNH Shareholder Circular, the NYSE Listing Application and the EU Listing Application, provided that neither party shall use any such information without the prior written consent of the other party or if doing so would violate or cause a violation of United States, Dutch or Italian securities laws. Each of FI and CNH authorizes DutchCo to utilize in the Registration Statement and in all such filed materials the information concerning FI and its subsidiaries and CNH and its subsidiaries furnished by each of FI and CNH, respectively. FI will cause DutchCo to promptly advise CNH when the Registration Statement has become effective and of any supplements or amendments thereto, and CNH shall not distribute any written material that would constitute, as advised by counsel to CNH, a “prospectus” relating to the Mergers or the DutchCo Common Shares within the meaning of the Securities Act or any applicable state securities law without the prior written consent of FI.

(b) FI agrees promptly to advise CNH if at any time prior to the CNH Shareholders’ Meeting any information provided by FI for use or inclusion in the Registration Statement, the Information Document, CNH Shareholder Circular, the NYSE Listing Application or the EU Listing Application is or becomes untrue, incorrect or incomplete in any material respect and to provide CNH with the information needed to correct such inaccuracy or omission. FI will furnish CNH with such supplemental information as may be necessary in order to cause the Registration Statement, the Information Document, the NYSE Listing Application or the EU Listing Application, insofar as it relates to FI or its subsidiaries (other than CNH and its subsidiaries), to comply with applicable law after such document is filed or made available.

(c) CNH agrees promptly to advise FI if at any time prior to the FI Shareholders’ Meeting any information provided by CNH for use or inclusion in the Registration Statement, the Information Document, CNH Shareholder Circular, the NYSE Listing Application or the EU Listing Application is or becomes untrue, incorrect or incomplete in any material respect and to provide FI with the information needed to correct such inaccuracy or omission. CNH will furnish FI with such supplemental information as may be necessary in order to cause the Registration Statement, the Information Document, the NYSE Listing Application or the EU Listing Application, insofar as it relates to CNH or its subsidiaries, to comply with applicable law.

(d) As promptly as practicable after the Registration Statement is declared effective, each of CNH and FI shall, in accordance with all applicable rules and regulations of the SEC, the NYSE, the CONSOB, Borsa Italiana, Italian Law and Dutch Law, call and hold a meeting of their respective shareholders (the “CNH Shareholders’ Meeting” and the “FI Shareholders’ Meeting,” respectively), for the purpose of obtaining the CNH Shareholder Approval and the FI Shareholder Approval (together, the “Shareholder Approvals”), respectively. FI shall use reasonable efforts to obtain the FI Shareholder Approval, and through

its Board of Directors, shall recommend to its shareholders the obtaining of the FI Shareholder Approval. CNH shall use reasonable efforts to obtain the CNH Shareholder Approval, and through its Board of Directors, shall recommend to its shareholders the obtaining of the CNH Shareholder Approval. Unless an event or circumstance has occurred as a result of which any condition set forth under Section 5.3(a) or Section 5.3(b) is incapable of being satisfied as of the End Date, FNH or FI if the FNH Merger has occurred shall (a) appear at the CNH Shareholders Meeting (in person or by proxy) or otherwise cause all Total Shares (as defined below) to be counted as present for purposes of determining a quorum; and (b) vote (or cause to be voted), all Total Shares (i) in favor of the CNH Shareholder Approval and (ii) against any action or proposal that would render the CNH Shareholder Approval invalid or ineffective. For purposes of this section, "Total Shares" shall mean those CNH Common Shares and FNH CNH Shares that FNH (or FI if the FNH Merger has occurred) owns of record as of the date used for determining the holders of shares entitled to vote at the CNH Shareholders Meeting together with any other shares that FNH (or FI if the FNH Merger has occurred) will have the power to vote at such meeting.

4.2 Access to Information; Regulatory Communications.

(a) FI and CNH shall, and shall cause their respective subsidiaries (in the case of FI excluding CNH and its subsidiaries) to, afford the other party, and the Representatives of such other party, reasonable access, upon reasonable prior notice, during normal business hours during the period prior to the CNH Effective Time or termination of this Agreement in accordance with its terms to inspect their respective properties, books and records and, during such period, FI and CNH shall, and shall cause these respective subsidiaries (in the case of FI excluding CNH and its subsidiaries) to, furnish promptly to the other party, all information concerning its business, properties and personnel as such other party may reasonably request; provided, that except as provided for below, the foregoing shall not require FI or CNH (i) to permit any inspection, or to disclose any information, that in the reasonable judgment of FI or CNH, as the case may be, would result in the disclosure of any trade secrets of third parties or violate any of its obligations with respect to confidentiality or data privacy or (ii) to disclose any privileged information of FI or CNH, as the case may be, or any of their subsidiaries. Notwithstanding the foregoing, FI and CNH shall continue to exchange information in the ordinary course consistent with past practice, including information provided in connection with financial reporting and budgeting processes, the maintaining of consolidated books and records, disclosure controls and procedures and controls over financial reporting, which exchange of information shall remain subject to any pre-existing arrangements established among the parties in connection with such processes which may be modified from time to time.

FI shall be responsible for coordinating all submissions to and discussions with any Regulatory Agency by CNH.

BOARD RECOMMENDATION

6.1 CNH Board Recommendation. The Board of Directors of CNH, with due consideration to a potential conflict of interest, given the position of FI as majority shareholder of CNH, having received extensive legal and financial advice, having conducted such due diligence in respect of FI as deemed appropriate, and having given due and careful consideration to strategic and financial aspects and consequences of the proposed Mergers, has reached the conclusion that, taking into account the current circumstances, the CNH Merger is fair to the shareholders of CNH from a financial point of view and in the best interests of CNH and all of its stakeholders. The CNH Board of Directors, acting through its unconflicted directors, will support and unanimously recommend the CNH Merger to the CNH shareholders and will recommend voting in favor of the CNH Shareholder Approval and any ancillary resolutions submitted to the CNH Shareholders' Meeting.

6.2 **FI Board Recommendation.** The Board of Directors of FI, having received extensive legal and financial advice, and having given due and careful consideration to strategic and financial aspects and consequences of the proposed Mergers, has positively resolved upon the Mergers and has reached the conclusion that, taking into account the current circumstances, such Mergers are fair to the shareholders of FI from a financial point of view and are in the best interests of FI and are fair to FI shareholders. The Board of Directors of FI will support and unanimously recommend the Mergers and will recommend voting in favor of the FI Shareholder Approval and any ancillary resolutions submitted to the FI Shareholders' Meeting.

ARTICLE VII

TERMINATION, AMENDMENT AND WAIVER

7.1 **Termination.** This Agreement may be terminated and the Mergers may be abandoned at any time prior to the FNH Effective Time and (except in the case of Section 7.1(a)) whether before or after the Shareholder Approvals:

- (a) by mutual written consent of FI and CNH, prior to receipt of the Shareholder Approvals, if the Board of Directors of each so determines by the affirmative vote of (i) a majority of the members of its entire Board of Directors, in the case of FI, and (ii) a majority of the unconflicted members of the Board of Directors, in the case of CNH;
- (b) by either FI or CNH if (i) all of the conditions set forth in Section 5.1 hereof shall not have been satisfied or waived by October 31, 2013 (the "End Date"); provided, however, that the right to terminate this Agreement under this Section 7.1(b)(i) shall not be available to any party whose material breach of a representation, warranty or covenant in this Agreement has been a principal cause of the failure of the conditions set forth in Section 5.1 to be satisfied by the End Date, or (ii) at any time following the date hereof if any of the conditions set forth in Section 5.1 hereof shall have become incapable of being satisfied; provided, however, that the right to terminate this Agreement under this Section 7.1(b)(ii) shall not be available to any party whose material breach of a representation, warranty or covenant in Article IV of this Agreement has been a principal cause of the failure of any of the conditions set forth in Section 5.1 to be capable of being satisfied;
- (c) by FI if at any time following the date hereof any of the conditions set forth in Section 5.3 hereof shall have become incapable of being satisfied;
- (d) by CNH if at any time following the date hereof any of the conditions set forth in Section 5.2 hereof shall have become incapable of being satisfied;
- (e) by either FI or CNH, if any approval of the shareholders of CNH or FI required for the consummation of the Mergers shall not have been obtained by reason of the failure to obtain the required vote at a duly held meeting of CNH's shareholders or FI shareholders, as the case may be, or at any adjournment or postponement thereof;

(f) by FI if the FI Expert Report includes an unfavorable conclusion with respect to the fairness of the FI Exchange Ratio taking into account the impact of the Mergers, including the CNH Exchange Ratio, and no subsequent report including a favorable conclusion is received within the period specified in Section 4.13; or

(g) by CNH if the CNH Expert Report concludes that the CNH Exchange Ratio, taking into account the impact of the Mergers, including the FI Exchange Ratio, is not fair and no subsequent report concluding that the CNH Exchange Ratio is fair is received within the period specified in Section 4.14.

7.2 Effect of Termination.

(a) In the event of termination of this Agreement by either CNH or FI as provided in Section 7.1 hereof, and subject to the provisions of Section 8.1 hereof, this Agreement shall forthwith become void and have no effect, without any liability or obligation on the part of FI, FNH, DutchCo or CNH or their respective officers or directors, except as set forth in this Section 7.2 and in Section 4.2(a), Section 4.8 and Article VIII hereof, which shall survive termination. No termination of this Agreement shall affect the obligations of the parties contained in the Confidentiality Agreement, all of which obligations shall survive any termination of this Agreement.

7.3 Amendment. This Agreement may be amended by the parties at any time before or after the Shareholder Approvals; provided, however, that after such Shareholder Approvals have been obtained there shall not be made any amendment that by law requires further approval by either the shareholders of CNH or the shareholders of FI without the further approval of such shareholders or shareholders. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties.

7.4 Extension; Waiver. At any time prior to the CNH Effective Time, the parties may (a) extend the time for the performance of any of the obligations or other acts of the other parties, (b) waive any inaccuracies in the representations and warranties contained in this Agreement or in any document delivered pursuant to this Agreement or (c) subject to the proviso of Section 7.3 hereof, waive compliance with any of the agreements or conditions contained in this Agreement. Any agreement on the part of a party to any such extension or waiver shall be valid only if set forth in an instrument in writing, signed on behalf of such party. The failure of any party to this Agreement to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of those rights.

7.5 Procedure for Termination, Amendment, Extension or Waiver. A termination of this Agreement pursuant to Section 7.1 hereof, an amendment of this Agreement pursuant to Section 7.3 hereof or an extension or waiver pursuant to Section 7.4 hereof shall, in order to be effective, require in the case of FI or CNH, action by its Board of Directors, acting by the affirmative vote of (i) a majority of the members of its entire Board of Directors, in the case of FI, and (ii) a majority of the unconflicted members of the Board of Directors eligible to vote on such matter in accordance with the Dutch Corporate Governance Code, in the case of CNH.

Issuance of shares.

Article 5.

1. The general meeting of shareholders or alternatively the board of directors, if it has been designated to do so by the general meeting of shareholders, shall have authority to resolve on any issuance of shares. The general meeting of shareholders shall, for as long as any such designation of the board of directors for this purpose is in force, no longer have authority to decide on the issuance of shares.
2. The general meeting of shareholders or the board of directors if so designated as provided in paragraph 1 above, shall decide on the price and the further terms and conditions of issuance, with due observance of what has been provided in relation thereto in the law and in the articles of association.
3. If the board of directors is designated to have authority to decide on the issuance of shares, such designation shall specify the class of shares and the maximum number of shares that can be issued under such designation. When making such designation the duration thereof, which shall not be for more than five (5) years, shall be resolved upon at the same time. The designation may be extended from time to time for periods not exceeding five (5) years. The designation may not be withdrawn unless otherwise provided in the resolution in which the designation is made.
4. Within eight (8) days after the passing of a resolution of the general meeting of shareholders to issue shares or to designate the board of directors as provided in paragraph 1 hereof, the company shall deposit the complete text of such resolution at the office of the Trade Register in the Netherlands where the company is registered. Within eight (8) days after the end of each quarter of the financial year, the company shall notify the Trade Register in the Netherlands where the company is registered of each issuance of shares which occurred during such quarter. Such notification shall state the number of shares issued and their class.
5. What has been provided in the paragraphs 1 to 4 inclusive shall mutatis mutandis be applicable to the granting of rights to subscribe for shares but shall not be applicable to the issuance of shares in respect of any exercise of such rights.

6. Payment for shares shall be made in cash unless another form of contribution has been agreed. Payment in a currency other than euro may only be made with the consent of the company. Payment in a currency other than euro will discharge the obligation to pay up the nominal value to the extent that the amount paid can be freely exchanged into an amount in euro equal to the nominal value of the relevant shares. The rate of exchange on the day of payment will be decisive, unless the company requires payment against the rate of exchange on a specified date which is not more than two (2) months before the last day on which payment for such shares is required to be made, provided that such shares will be admitted to trading on a regulated market or multilateral trading facility as referred to in Article 1:1 of the Dutch Financial Supervision Act (Wet op het financieel toezicht) or a regulated market or multilateral trading facility of a state, which is not a EU member state, which is comparable thereto.
7. The board of directors is expressly authorized to enter into the legal acts referred to in Article 2:94 of the Civil Code, without the prior consent of the general meeting of shareholders.
8. For a period of five (5) years as of [insert date, on which these articles become effective], the board of directors shall irrevocably be authorized to issue special voting shares up to the maximum aggregate amount of special voting shares as provided for in the company's authorized share capital as set out in Article 3, paragraph 1 of these articles of association.

Right of pre-emption.

Article 6.

1. In the event of an issuance of common shares every holder of common shares of that class shall have a right of pre-emption with regard to the shares to be issued of that class in proportion to the aggregate amount of his shares of that class, provided however that no such right of pre-emption shall exist in respect of shares to be issued to directors or employees of the company or of a group company pursuant to any option plan of the company.
2. A shareholder shall have no right of pre-emption for shares that are issued against a non-cash contribution.
3. In the event of an issuance of special voting shares to Qualifying Shareholders or an issuance of pre-emption shares, shareholders shall not have any right of pre-emption.
4. The general meeting of shareholders or the board of directors, as the case may be, shall decide when passing the resolution to issue shares in which manner and, subject to paragraph 3 of this article, within what period the right of pre-emption may be exercised.
5. The company shall give notice of an issuance of shares that is subject to a right of pre-emption and of the period during which such right may be exercised by announcement in the State Gazette and as provided in Article 18 paragraph 4 hereof.

6. The right of pre-emption may be exercised during a period of at least two (2) weeks after the announcement.
7. The right of pre-emption may be limited or excluded by a resolution of the general meeting of shareholders or a resolution of the board of directors if it has been designated to do so by the general meeting of shareholders and provided the board of directors has also been authorized to resolve on the issuance of shares of the company. In the proposal to the general meeting of shareholders in respect thereof the reasons for the proposal and a substantiation of the proposed issuance price shall be explained in writing. With respect to designation to the board of directors the provisions of the last three sentences of paragraph 3 of Article 5 shall apply mutatis mutandis.
8. For a resolution of the general meeting of shareholders to limit or exclude the right of pre-emption or to designate the board of directors as authorized to do so, a simple majority of the votes cast is required to approve such resolution; provided, however, that if less than one half of the issued share capital is represented at the meeting, then a majority of at least two thirds of the votes cast is required to approve such resolution. Within eight (8) days from the resolution the company shall deposit a complete text thereof at the office of the Trade Register.
9. When rights are granted to subscribe for common shares the shareholders shall also have a right of pre-emption; what has been provided hereinbefore in this article shall be applicable mutatis mutandis. Shareholders shall have no right of pre-emption in respect of shares that are issued to anyone who exercises a previously acquired right.

Acquisition by the company of shares in its own share capital.

Article 7.

1. The company shall at all times have the authority to acquire fully paid-up shares in its own share capital, provided that such acquisition is made for no consideration (om niet).
2. The company shall also have authority to acquire fully paid-up shares in its own share capital for consideration, if:
 - a. the general meeting of shareholders has authorized the board of directors to make such acquisition – which authorization shall be valid for no more than eighteen (18) months – and has specified the number of shares which may be acquired, the manner in which they may be acquired and the limits within which the price must be set; and
 - b. the company's equity, after deduction of the acquisition price of the relevant shares, is not less than the sum of the paid-up portion of the share capital and the reserves that have to be maintained by provision of law; and

c. the aggregate par value of the shares to be acquired and the shares in its share capital the company already holds, holds as pledgee or are held by a subsidiary company, does not amount to more than one half of the aggregate par value of the issued share capital.

The company's equity as shown in the last confirmed and adopted balance sheet, after deduction of the acquisition price for shares in the share capital of the company and distributions from profits or reserves to any other persons that became due by the company and its subsidiary companies after the date of the balance sheet, shall be decisive for purposes of item b above. If no annual accounts have been confirmed and adopted when more than six (6) months have expired after the end of any financial year, then an acquisition by virtue of this paragraph shall not be allowed.

3. No authorisation shall be required, if the company acquires its own shares for the purpose of transferring the same to directors or employees of the company or a group company as defined in Article 2:24b of the Civil Code, under a scheme applicable to such employees. Such own shares must be officially listed on a price list of an exchange.

4. The preceding paragraphs 1 and 2 shall not apply to shares which the company acquires under universal title of succession (algemene titel).

5. No voting rights may be exercised in the general meeting of shareholders for any share held by the company or any of its subsidiaries. Beneficiaries of a life interest on shares that are held by the company and its subsidiaries are not excluded from exercising the voting rights provided that the life interest was created before the shares were held by the company or any of its subsidiaries. The company or any of its subsidiaries may not exercise voting rights for shares in respect of which it holds a usufruct.

6. Any acquisition by the company of shares that have not been fully paid up shall be void.

7. Any disposal of shares held by the company will require a resolution of the board of directors. Such resolution shall also stipulate the conditions of the disposal.

Reduction of the issued share capital.

Article 8.

1. The general meeting of shareholders shall have the authority to pass a resolution to reduce the issued share capital (i) by the cancellation of shares and/or (ii) by reducing the nominal amount of the shares by means of an amendment to the company's articles of association. The shares to which such resolution relates shall be stated in the resolution and it shall also be stated therein how the resolution shall be implemented.

2. A resolution to cancel shares may only relate to shares held by the company itself in its own share capital.
3. Any reduction of the nominal amount of shares without repayment must be made pro rata on all shares of the same class.
4. A partial repayment on shares shall only be allowed in implementation of a resolution to reduce the nominal amount of the shares. Such a repayment must be made in respect of all shares of the same class on a pro rata basis, or in respect of the special voting shares only. The pro rata requirement may be waived with the consent of all the shareholders of the affected class.
5. A resolution to reduce the capital shall require a simple majority of the votes cast in a general meeting for approval; provided, however, that such a resolution shall require a majority of at least two-thirds of the votes cast in a general meeting if less than one half of the issued capital is represented at the meeting.
6. The notice convening a meeting at which a resolution to reduce the share capital is to be passed shall state the purpose of the reduction of the share capital and the manner in which effect is to be given thereto. The second and third paragraph of Article 2:123 of the Civil Code shall mutatis be applicable.
7. The company shall deposit the resolutions referred to in paragraph 1 of this article at the office of the Trade Register and shall publish a notice of such deposit in a nationally distributed daily newspaper; what has been provided in Article 2:100, paragraphs 2 and 6 inclusive of the Civil Code shall be applicable to the company.

Shares and share certificates.

Article 9.

1. The shares shall be registered shares and they shall for each class be numbered as the board of directors shall determine. The numbers of the special voting shares that are issued or allocated to Qualifying Shareholders, shall correspond to the numbers of the relevant Qualifying Common Shares.
2. The board of directors may resolve that, at the request of the shareholder, share certificates shall be issued in respect of shares in such denominations as the board of directors shall determine, which certificates are exchangeable at the request of the shareholder.
3. Share certificates shall not be provided with a set of dividend coupons or a talon.
4. Each share certificate carries the number(s), if any, of the share(s) in respect of which they were issued.
5. The exchange referred to in paragraph 2 of this article shall be free of charge.

6. Share certificates shall be signed by a member of the board of directors. The board of directors may resolve that the signature shall be replaced by a facsimile signature.
7. The board of directors may determine that for the purpose of trading and transfer of shares at a foreign stock exchange, share certificates shall be issued in such form as shall comply with the requirements of such foreign stock exchange.
8. On a request in writing by the party concerned and upon provision of satisfactory evidence as to title, replacement share certificates may be issued of share certificates which have been mislaid, stolen or damaged, on such conditions, including, without limitation, the provision of indemnity to the company as the board of directors shall determine.

The costs of the issuance of replacement share certificates may be charged to the applicant. As a result of the issuance of replacement share certificates the original share certificates will become void and the company will have no further obligation with respect to such original share certificates. Replacement share certificates will bear the numbers and letters of the documents they replace.

Register of shareholders.

Article 10.

1. The board of directors shall appoint a registrar who shall keep a register of shareholders in which the name and address of each shareholder shall be entered, the number and class of shares held by each of them, and, in so far as applicable, the further particulars referred to in Article 2:85 of the Civil Code.
2. In the register of shareholders, the registrar shall separately administer a Loyalty Register in which the registrar shall enter the name and address of shareholders who have requested the board of directors to be registered in the Loyalty Register in order to become eligible to acquire special voting shares, recording the entry date and number and amount of common shares in respect of which the relevant request was made.
3. A shareholder who is included in the Loyalty Register may at any time request to be de-registered from the Loyalty Register for some or all of its common shares included therein.
4. The registrar shall be authorized to keep the register in an electronic form and to keep a part of the register outside the Netherlands if required to comply with applicable foreign legislation or the rules of a stock exchange where the shares of the company are listed.
5. The board of directors shall determine the form and contents of the register with due observance of the provisions of paragraphs 1, 2 and 3 of this article.
6. The register shall be kept up to date regularly.

7. The registrar shall make the register available for inspection by the shareholders at the registrar's office.
8. Upon request and free of charge, the registrar shall provide shareholders and those who have a right of usufruct or pledge in respect of such shares with an extract from the register in respect of their registration.
9. The registrar shall be authorized to disclose information and data contained in the register and/or have the same inspected to the extent that this is requested to comply with applicable legislation or rules of a stock exchange where the company's shares are listed from time to time.

Transfer of shares.

Article 11.

1. The transfer of shares or of a restricted right thereto shall require an instrument intended for such purpose and, save when the company itself is a party to such legal act, the written acknowledgement by the company of the transfer. The acknowledgement shall be made in the instrument or by a dated statement on the instrument or on a copy or extract thereof mentioning the acknowledgement signed as a true copy by the notary or the transferor, or in the manner referred to in paragraph 2 of this article. Service of such instrument or such copy or extract on the company shall be considered to have the same effect as an acknowledgement.
2. If a share certificate has been issued for a share the surrender to the company of the share certificate shall also be required for such transfer.

The company may acknowledge the transfer by making an annotation on such share certificate as proof of the acknowledgement or by replacing the surrendered certificate by a new share certificate registered in the name of the transferee.

Blocking Clause in respect of special voting shares.

Article 12.

1. Common shares are freely transferable. A transfer of special voting shares other than pursuant to Article 4 paragraph 4 of these articles of association may only be effected with due observance of the paragraphs of this article.
2. A shareholder who wishes to transfer one or more special voting shares shall require the approval of the board of directors.
3. If the board of directors grants the approval, or if approval is deemed to have been granted as provided for in paragraph 4 of this article, the transfer must be effected within three (3) months of the date of such approval or deemed approval.
4. If the board of directors does not grant the approval, then the board of directors should at the same time provide the requesting shareholder with the names of one or more prospective purchasers who are prepared to purchase all the special voting shares referred to in the request for approval, against payment in cash. If the board of directors does not grant the approval but at the same time fails to designate prospective purchasers, then approval shall be deemed to have been granted. The approval shall likewise be deemed granted if the board of directors has not made a decision in respect of the request for approval within six (6) weeks upon receipt of such request.
5. The requesting shareholder and the prospective purchaser accepted by him shall determine the purchase price referred to in paragraph 4 of this article by mutual agreement. Failing agreement, the purchase price shall be determined in accordance with Article 2:87 paragraph 2 of the Civil Code.

Each director may be reappointed at any subsequent general meeting of shareholders.
4. The company shall have a policy in respect of the remuneration of the members of the board of directors. Such remuneration policy shall be adopted by the general meeting of shareholders. The remuneration policy shall at least raise the subjects referred to in Article 2:383 (c) to (e) of the Civil Code, to the extent they concern the board of directors.
5. With due observation of the remuneration policy referred to in paragraph 4 above and the provisions of law, including those in respect of allocation of responsibilities between executive and non-executive directors, the board of directors may determine the remuneration for the directors in respect of the performance of their duties, provided that nothing herein contained shall preclude any directors from serving the company or any subsidiary or related company thereof in any other capacity and receiving compensation therefor.

6. The board of directors shall submit to the general meeting of shareholders for its approval plans to award shares or the right to subscribe for shares. The plans shall at least set out the number of shares and rights to subscribe for shares that may be awarded to the board of directors and the criteria that shall apply to the award or any change thereto.

Failure to obtain the approval of the general meeting of shareholders shall not affect the powers of representation of the board of directors.

7. The company shall not grant its directors any personal loans, guarantees or the like unless in the normal course of business, as regards executive directors on terms applicable to the personnel as a whole, and after approval of the board of directors.

The board of directors may furthermore appoint a company secretary.

3. The board of directors shall draw up board regulations to deal with matters that concern the board of directors internally.

The regulations shall include an allocation of tasks amongst the executive directors and non-executive directors and may provide for delegation of powers.

The regulations shall contain provisions concerning the manner in which meetings of the board of directors are called and held, including the decision-making process. Subject to paragraph 3 of Article 1, these regulations may provide that meetings may be held by telephone conference or video conference, provided that all participating directors can follow the proceedings and participate in real time discussion of the items on the agenda.

4. The board of directors can only adopt valid resolutions when the majority of the directors in office shall be present at the board meeting or be represented thereat.

5. A member of the board of directors may only be represented by a co-member of the board of directors authorized in writing.

The expression in writing shall include any message transmitted by current means of communication.

A member of the board of directors may not act as proxy for more than one co-member.

6. All resolutions shall be adopted by the favourable vote of the majority of the directors present or represented at the meeting, provided that the regulations may contain specific provisions in this respect. Each director shall have one (1) vote.
7. The board of directors shall be authorized to adopt resolutions without convening a meeting if all directors shall have expressed their opinions in writing, unless one or more directors shall object against a resolution being adopted in this way.

The general authority to represent the company shall be vested in the board of directors, as well as in executive directors to whom the title chairman, co-chairman or chief executive officer has been granted severally. The company shall indemnify any and all of its directors, officers, former directors, former officers and any person who may have served at its request as a director or officer of another company in which it owns shares or of which it is a creditor, against any and all expenses actually and necessarily incurred by any of them in connection with the defence of any action, suit or proceeding in which they, or any of them, are made parties, or a party, by reason of being or having been director or officer of the company, or of such other company, except in relation to matters as to which any such person shall be adjudged in such action, suit or proceeding to be liable for negligence or misconduct in the performance of duty. Such indemnification shall not be deemed exclusive of any other rights to which those indemnified may be entitled otherwise.

General meeting of shareholders.

Article 18.

1. At least one (1) general meeting of shareholders shall be held every year, which meeting shall be held within six (6) months after the close of the financial year.
2. Furthermore, general meetings of shareholders shall be held in the case referred to in Article 2:108a of the Civil Code and as often as the board of directors, the chairman or co-chairman of the board of directors, the Senior Independent Board Member or the chief executive officer deems it necessary to hold them, without prejudice to what has been provided in the next paragraph hereof.

3. Shareholders solely or jointly representing at least ten percent (10%) of the issued share capital may request the board of directors, in writing, to call a general meeting of shareholders, stating the matters to be dealt with. If the board of directors fails to call a meeting, then such shareholders may, on their application, be authorized by the interim provisions judge of the court (voorzieningenrechter van de rechtbank) to convene a general meeting of shareholders. The interim provisions judge (voorzieningenrechter van de rechtbank) shall reject the application if he is not satisfied that the applicants have previously requested the board of directors in writing, stating the exact subjects to be discussed, to convene a general meeting of shareholders.
4. General meetings of shareholders shall be held in Amsterdam or Haarlemmermeer (Schiphol Airport), and shall be called by the board of directors, the chairman or co-chairman of the board of directors, the Senior Independent Board Member or the chief executive officer, in such manner as is required to comply with the law and the applicable stock exchange regulations, not later than on the forty-second (42nd) day prior to the meeting.
5. All convocations of meetings of shareholders and all announcements, notifications and communications to shareholders shall be made by means of an announcement on the company's corporate website and such announcement shall remain accessible until the relevant general meeting of shareholders. Any communication to be addressed to the general meeting of shareholders by virtue of law or these articles of association, may be either included in the notice, referred to in the preceding sentence or, to the extent provided for in such notice, on the company's corporate website and/or in a document made available for inspection at the office of the company and such other place(s) as the board of directors shall determine.
6. In addition to paragraph 5 above, convocations of meetings of shareholders may be sent to shareholders through the use of an electronic means of communication to the address provided by such shareholders to the company for this purpose.
7. The notice shall state the place, date and hour of the meeting and the agenda of the meeting as well as the other data required by law.
8. An item proposed in writing by such number of shareholders who, by law, are entitled to make such proposal, shall be included in the notice or shall be announced in a manner similar to the announcement of the notice, provided that the company has received the relevant request, including the reasons for putting the relevant item on the agenda, no later than the sixtieth (60th) day before the day of the meeting.

9. The agenda of the annual general meeting shall contain, inter alia, the following items:
 - a. adoption of the annual accounts;

10. The board of directors shall provide the general meeting of shareholders with all requested information, unless this would be contrary to an overriding interest of the company. If the board of directors invokes an overriding interest, it must give reasons.
11. If a right of approval is granted to the general meeting of shareholders by law or these articles of association (for instance as referred to in Article 13 paragraph 6 and Article 14 paragraph 8) or the board of directors requests a delegation of powers or authorization (for instance as referred to in Article 5), the board of directors shall inform the general meeting of shareholders by means of a circular or explanatory notes to the agenda of all facts and circumstances relevant to the approval, delegation or authorization to be granted.
12. When convening a general meeting of shareholders, the board of directors may determine that, for the purpose of Article 18 and Article 19 of these articles of association, persons with the right to vote or attend meetings shall be considered those persons who have these rights at the twenty-eighth day prior to the day of the meeting (the Record Date) and are registered as such in the register of shareholders if they are shareholders and in a register to be designated by the board of directors for such purpose if they are not shareholders, irrespective whether they will have these rights at the date of the meeting. In addition to the Record Date, the notice of the meeting shall further state the manner in which shareholders and other parties with meeting rights may have themselves registered and the manner in which those rights can be exercised.
13. If a proposal to amend the company's articles of association is to be dealt with, a copy of that proposal, in which the proposed amendments are stated verbatim, shall be made available for inspection to the shareholders and others who are permitted by law to attend the meeting, at the office of the company and on the website of the company, as from the day the meeting of shareholders is called until after the close of that meeting. Upon request, each of them shall be entitled to obtain a copy thereof, without charge.

Article 19.

1. The general meeting of shareholders shall be presided over by the Senior Independent Board Member or, in his absence, by the co-chairman or in the absence of the latter by the person chosen by the board of directors to act as chairman for such meeting.
2. One of the persons present designated for that purpose by the chairman of the meeting shall act as secretary and take minutes of the business transacted. The minutes shall be confirmed by the chairman of the meeting and the secretary and signed by them in witness thereof.
3. The minutes of the general meeting of shareholders shall be made available, on request, to the shareholders no later than three (3) months after the end of the meeting, after which the shareholders shall have the opportunity to react to the minutes in the following three (3) months. The minutes shall then be adopted in the manner as described in the preceding paragraph.
4. If an official notarial record is made of the business transacted at the meeting then minutes need not be drawn up and it shall suffice that the official notarial record be signed by the notary. Each director shall at all times have power to give instructions for having an official notarial record made at the company's expense.
5. As a prerequisite to attending the meeting and, to the extent applicable, exercising voting rights, the shareholders entitled to attend the meeting shall be obliged to inform the board of directors in writing within the time frame mentioned in the convening notice. At the latest this notice must be received by the board of directors on the day mentioned in the convening notice.
6. Shareholders and those permitted by law to attend the meetings may cause themselves to be represented at any meeting by a proxy duly authorized in writing, provided they shall notify the company in writing of their wish to be represented at such time and place as shall be stated in the notice of the meetings. For the avoidance of doubt, such attorney is also authorized in writing if the proxy is documented electronically. The board of directors may determine further rules concerning the deposit of the powers of attorney; these shall be mentioned in the notice of the meeting.
7. The chairman of the meeting shall decide on the admittance to the meeting of persons other than those who are entitled to attend.
8. For each general meeting of shareholders, the board of directors may decide that shareholders shall be entitled to attend, address and exercise voting rights at such meeting through the use of electronic means of communication, provided that shareholders who participate in the meeting are capable of being identified through the electronic means of communication and have direct cognizance of the discussions at the meeting and the exercising of voting rights (if applicable). The board of directors may set requirements for the use of electronic means of communication and state these in the convening notice. Furthermore, the board of directors may for each meeting of shareholders decide that votes cast by the use of electronic means of communication prior to the meeting and received by the board of directors shall be considered to be votes cast at the meeting. Such votes may not be cast prior to the Record Date. Whether the provision of the foregoing sentence applies and the procedure for exercising the rights referred to in that sentence shall be stated in the notice.

9. Prior to being allowed admittance to a meeting, a shareholder or its attorney shall sign an attendance list, while stating his name and, to the extent applicable, the number of votes to which he is entitled. Each shareholder attending a meeting by the use of electronic means of communication and identified in accordance with paragraph 8 of this article shall be registered on the attendance list by the board of directors. In the event that it concerns an attorney of a shareholder, the name(s) of the person(s) on whose behalf the attorney is acting, shall also be stated. The chairman of the meeting may decide that the attendance list must also be signed by other persons present at the meeting.
10. The chairman of the meeting may determine the time for which shareholders and others who are permitted to attend the general meeting of shareholders may speak if he considers this desirable with a view to the order by conduct of the meeting.
11. Every share (whether common or special voting) shall confer the right to cast one (1) vote. Shares in respect of which the law determines that no votes may be cast shall be disregarded for the purposes of determining the proportion of shareholders voting, present or represented or the proportion of the share capital provided or represented.
12. All resolutions shall be passed with an absolute majority of the votes validly cast unless otherwise specified herein. Blank votes shall not be counted as votes cast.
13. All votes shall be cast in writing or electronically. The chairman of the meeting may, however, determine that voting by raising hands or in another manner shall be permitted.
14. Voting by acclamation shall be permitted if none of the shareholders present objects.

15. No voting rights shall be exercised in the general meeting of shareholders for shares owned by the company or by a subsidiary of the company. Usufructuaries of shares owned by the company and its subsidiaries shall however not be excluded from exercising their voting rights, if the usufruct was created before the shares were owned by the company or a subsidiary.
16. Without prejudice to the other provisions of this Article 19, the company shall determine for each resolution passed:
- a. the number of shares on which valid votes have been cast;
 - b. the percentage that the number of shares as referred to under a. represents in the issued share capital; and
 - c. the aggregate number of votes cast in favour of and against a resolution, as well as the number of abstentions.

4. A copy of the annual report in the English language and of the other documents referred to in Article 2:392 of the Civil Code, shall be published simultaneously with the annual accounts and in the same manner.
5. If the activity of the company or the international structure of its group justifies the same, its annual accounts or its consolidated accounts may be prepared in a foreign currency.
6. The broad outline of the corporate governance structure of the company shall be explained in a separate chapter of the annual report. In the explanatory notes to the annual accounts the company shall state, in addition to the information to be included pursuant to Article 2:383d of the Civil Code, the value of the options granted to the executive directors and personnel and shall indicate how this value is determined.

The scope of any such release from liability shall be subject to limitations by virtue of the law.

Article 22.

The special voting shares shall not carry any entitlement to the balance of the special capital reserve. The board of directors shall be authorized to resolve upon (i) any distribution out of the special capital reserve to pay up special voting shares or (i) re-allocation of amounts to credit or debit the special capital reserve against or in favour of the share premium reserve.
2. The company shall maintain a separate dividend reserve for the special voting shares. The special voting shares shall not carry any entitlement to any other reserve of the company. 3. From the profits, shown in the annual accounts, as adopted, such amounts shall be reserved as the board of directors may determine.
4. The profits remaining thereafter shall first be applied to allocate and add to the special voting shares dividend reserve an amount equal to one percent (1%) of the aggregate nominal amount of all outstanding special voting shares. If special voting shares are issued during the financial year to which the allocation and addition pertains, then the amount to be allocated and added to the voting shares dividend reserve in respect of these newly issued special voting shares shall be calculated as from the date on which such special voting shares were issued until the last day of the financial year concerned. The special voting shares shall not carry any other entitlement to the profits.
5. Any profits remaining thereafter shall be at the disposal of the general meeting of shareholders for distribution of dividend on the common shares only, subject to the provision of paragraph 8 of this article.
6. Subject to a prior proposal of the board of directors, the general meeting of shareholders may declare and pay dividends in United States Dollars. Furthermore, subject to the approval of the general meeting of shareholders and the board of directors having been designated as the body competent to pass a resolution for the issuance of shares in accordance with Article 5, the board of directors may decide that a distribution shall be made in the form of shares or that shareholders shall be given the option to receive a distribution either in cash or in the form of shares.
7. The company shall only have power to make distributions to shareholders and other persons entitled to distributable profits to the extent the company's equity exceeds the sum of the paid-up portion of the share capital and the reserves that must be maintained in accordance with provision of law. No distribution of profits may be made to the company itself for shares that the company holds in its own share capital.

8. The distribution of profits shall be made after the adoption of the annual accounts, from which it appears that the same is permitted.
9. The board of directors shall have power to declare one or more interim dividends, provided that the requirements of paragraph 5 hereof are duly observed as evidenced by an interim statement of assets and liabilities as referred to in Article 2:105 paragraph 4 of the Civil Code and provided further that the policy of the company on additions to reserves and dividends is duly observed.
The provisions of paragraphs 2 and 3 hereof shall apply mutatis mutandis.
10. The board of directors may determine that dividends or interim dividends, as the case may be, shall be paid, in whole or in part, from the company's share premium reserve or from any other reserve, provided that payments from reserves may only be made to the shareholders that are entitled to the relevant reserve upon the dissolution of the company.
11. Dividends and other distributions of profit shall be made payable in the manner and at such date(s) - within four (4) weeks after declaration thereof - and notice thereof shall be given, as the general meeting of shareholders, or in the case of interim dividends, the board of directors shall determine, provided, however, that the board of directors shall have the right to determine that each payment of annual dividends in respect of shares be deferred for a period not exceeding five (5) consecutive annual periods.
12. Dividends and other distributions of profit, which have not been collected within five (5) years and one (1) day after the same have become payable, shall become the property of the company.

2. Purpose of Special Voting Shares

The single purpose of Special Voting Shares is to reward long-term ownership of Common Shares and to promote stability of the Company's shareholder base.

3. Role of Agent

3.1 The Agent shall on behalf of the Company manage, organize and administer the Loyalty Register and process the issuance, allocation, sale, repurchase and transfer of Special Voting Shares. In this respect, the Agent will represent the Company and process and sign on behalf of the Company all relevant documentation in respect of the Loyalty Register and the Special Voting Shares, including - without limitation - deeds, confirmations, acknowledgements, transfer forms and entries in the Company's register of shareholders.

3.2 In accordance with the Power of Attorney (as referred to in clause 4.3), the Agent shall accept instructions from Shareholders to act on their behalf in connection with the issuance, allocation, acquisition, sale, repurchase and transfer of Special Voting Shares.

3.3 The Board shall ensure that up-to-date contact details of the Agent will be published on the Company's corporate website.

4. Application for Special Voting Shares - Loyalty Register

4.1 A Shareholder may at any time opt to become eligible for Special Voting Shares by requesting the Agent, acting on behalf of the Company, to register all or some of his Common Shares in the Loyalty Register. Such a request (a Request) will need to be made by the relevant Shareholder through its Broker, by submitting (i) a duly completed Election Form and (ii) a confirmation from the relevant Shareholder's Broker that such Shareholder holds title to the Common Shares included in the Request.

4.2 A Request may also be made by a Shareholder directly to the Agent acting on behalf of the Company (i.e. not through the intermediary services of a Broker), provided, however, that the Agent may in such case set additional rules and procedures to validate any such Request, including - without limitation - the verification of the identity of the relevant Shareholder, the evidence with respect to such Shareholder's title to the Common Shares, included in the Request and the authenticity of such Shareholder's submission.

4.3 Together with the Election Form, the relevant Shareholder must submit a duly signed Power of Attorney, irrevocably instructing and authorizing the Agent to act on his behalf and to represent him in connection with issuance, allocation, acquisition, transfer and repurchase of Special Voting Shares in accordance with and pursuant to these Terms and Conditions, such Power of Attorney to be substantially in the form as annexed hereto as Exhibit H.

4.4 The Company and the Agent may establish an electronic registration system in order to allow for the submission of Requests by email or other electronic means of communication. The Company will publish the procedure and details of any such electronic facility, including registration instructions, on its corporate website.

4.5 Upon receipt of the Election Form, the Broker confirmation, if applicable, as referred to in clause 4.1 and the Power of Attorney, the Agent will examine the same and use its reasonable efforts to inform the relevant Shareholder, through his Broker, as to whether the Request is accepted or rejected (and, if rejected, the reasons why) within ten Business Days of receipt of the above-mentioned documents. The Agent may reject a Request for reasons of incompleteness or incorrectness of the Election Form, the Power of Attorney or the Broker confirmation, if applicable, as referred to in clause 4.1 or in case of serious doubts with respect to the validity or authenticity of such documents. If the Agent requires further information from the relevant Shareholder in order to process the Request, then such Shareholder shall provide all necessary information and assistance required by the Agent in connection therewith.

4.6 If the Request is accepted, then the relevant Common Shares will be [taken out of / blocked from trading in] the Regular Trading System and will be registered in the Loyalty Register. [Please note that the ultimate wording depends on the outcome of discussions with the operator / depository of the Regular Trading System re technical implementation. This also applies to the wording in 4.8, 4.9, 7.1, 7.4]

4.7 Without prejudice to clause 4.8, the registration of Common Shares in the Loyalty Register will not affect the nature or value of such shares, nor any of the rights attached thereto. They will continue to be part of the class of common shares in which they were issued, and any stock exchange listing or registration with the U.S. Securities and Exchange Commission shall continue to apply to such shares. Such shares shall be identical in all respects to the Common Shares that are not registered in the Loyalty Register.

4.8 Once Common Shares are included in the Loyalty Register, a Shareholder wanting to trade such shares will need to submit a De-Registration Request as referred to in clause 7.1, in order to [move back the relevant Common Shares to the Regular Trading System / undo the block on trading in the Regular Trading System] except that a Shareholder may transfer Common Shares included in the Loyalty Register to a Loyalty Transferee without moving such shares from the Loyalty Register to the Regular Trading System.

4.9 The Company and the Agent will establish a procedure with [the operator/depositary of] the Regular Trading System to facilitate the [movement of Common Shares from the Regular Trading System to the Loyalty Register / block of the Common Shares from trading in the Regular Trading System], and vice versa.

5. Allocation of Special Voting Shares

5.1 As per the date on which a Common Share has been registered in the Loyalty Register in the name of one and the same Shareholder or its Loyalty Transferee for an uninterrupted period of three years (the Qualification Date), such Common Share will become a Qualifying Common Share and the holder thereof will be entitled to acquire one Special Voting Share in respect of such Qualifying Common Share provided that a transfer of Common Shares to a Loyalty Transferee shall not be deemed to interrupt the three year period referred to in this Clause 5.1.

5.2 On the Qualification Date, the Agent will, on behalf of both the Company and the relevant Qualifying Shareholder, process the execution of a Deed of Allocation pursuant to which such number of Special Voting Shares will be allocated to the Qualifying Shareholder as will correspond to the number of newly Qualifying Common Shares.

5.3 Any allocation of Special Voting Shares to a Qualifying Shareholder will be effectuated for no consideration (om niet) and be subject to these Terms and Conditions. The par value of newly issued Special Voting Shares will be funded out of, and debited to, the part of the reserves of the Company that is labelled "Special Capital Reserves".

6. Initial Allocation Procedures

6.1 In addition to the registration and allocation procedures set out in clauses 4 and 5, Special Voting Shares will be allocated on the occasion of the Mergers to shareholders of the legal predecessors of the Company who have complied with the requirements of the Initial Allocation Procedures (Initial Qualifying Shareholders), including - without limitation - (i) the requirement to hold common shares in the share capital of the relevant predecessor from the record date preceding the FI EGM Date or, as the case may be, the record date preceding the CNH EGM Date up to the applicable Merger Execution Date, (ii) the requirement to have been present or represented (by proxy) at the relevant FI EGM or, as the case may be, the CNH EGM, (iii) the requirement to submit a duly completed Initial Election Form [no later than [3-5] Business Days after the relevant FI EGM or, as the case may be, the CNH EGM], together with a duly completed Power of Attorney and (iv) the requirement to submit an Initial Broker Confirmation Statement on or prior to the applicable Merger Execution Date.

6.2 The Common Shares to be acquired by Initial Qualifying Shareholders on the occasion and as a result of the Mergers, will be registered in the Loyalty Register immediately after completion of the Mergers, in accordance with the Initial Allocation Procedures. Following such registration, each Initial Qualifying Shareholder shall be entitled to such number of Special Voting Shares as will correspond to the number of Common Shares registered in the name of such person in the Loyalty Register.

6.3 The allocation of Special Voting Shares to Initial Qualifying Shareholders will be effectuated by the Agent on behalf of both the Company and the Initial Qualifying Shareholders, by execution of an Initial Deed of Allocation. For the avoidance of doubt, any allocation of Special Voting Shares to Initial Qualifying Shareholders will be effectuated for no consideration (om niet) and be subject to these Terms and Conditions. The par value of newly issued Special Voting Shares will be funded out of, and debited to, the part of the reserves of the Company that is labelled “Special Capital Reserves”.

7. De-registration – Withdrawal of special voting shares

7.1 A Shareholder who is registered in the Loyalty Register may at any time request the Agent acting on behalf of the Company to [move back some or all of his Common Shares registered in the Loyalty Register back to the Regular Trading System / to undo the block on trading in the Regular Trading System]. Such a request (a De-Registration Request) will need to be made by the relevant Shareholder through its Broker, by submitting a duly completed De-Registration Form.

7.2 A De-Registration Request may also be made by a Shareholder directly to the Agent acting on behalf of the Company (i.e. not through the intermediary services of a Broker), provided, however, that the Agent may in such case set additional rules and procedures to validate any such De-Registration Request, including - without limitation - the verification of the identity of the relevant Shareholder and the authenticity of such Shareholder’s submission.

7.3 By means of and as per the moment of a Shareholder submitting the De-Registration Form, such Shareholder shall be considered to have waived his rights to cast any votes that accrue to the Special Voting Shares concerned in the De-Registration Form.

7.4 Upon receipt of the De-Registration Form, the Agent will examine the same and use its reasonable efforts to ensure that the [block on trading in the Regular Trading System on the Common Shares as specified in the De-Registration Form will be undone / the Common Shares as specified in the De-Registration Form will be moved back to the Regular Trading System] within [three] Business Days of receipt of the De-Registration Form.

7.5 Upon de-registration from the Loyalty Register, such Common Shares will no longer qualify as Qualifying Common Shares and the holder of the relevant shares will no longer be entitled to hold the Special Voting Shares allocated in respect thereof and will be bound to offer and transfer such Special Voting Shares to the Company for no consideration (om niet).

7.6 The offering and transfer of the Special Voting Shares referred to in clause 7.5 by the relevant Shareholder to the Company and the repurchase and acquisition of such shares by the Company, will be processed by the Agent on behalf of both the Company and the relevant Shareholder, by execution of a Deed of Withdrawal.

7.7 Upon completion of the repurchase of Special Voting Shares as referred to in clauses 7.5 and 7.6, the Company may proceed with the withdrawal and cancellation of such shares or, alternatively, continue to hold such shares as treasury stock.

7.8 If the Company determines (in its discretion) that a Shareholder has taken any action a principal purpose of which is to avoid the application of Article 8 regarding transfer restrictions or Article 9 regarding a Change of Control of such Shareholder, the Company may instruct the Agent to transfer such Shareholder's shares registered in the Loyalty Register back to the Regular Trading System and such Shareholder shall immediately transfer any Special Voting Shares allocated in respect thereof to the Company for no consideration (om niet).

8. Transfer restrictions

8.1 In view of the single purpose of the Special Voting Shares (as set out in clause 2) and the contingent obligation of a Shareholder to re-transfer his Special Voting Shares to the Company as referred to in clauses 7.5 and 9, no Shareholder shall, directly or indirectly:

- (a) sell, dispose of or transfer any Special Voting Share or otherwise grant any right or interest therein; or
- (b) create or permit to exist any pledge, lien, fixed or floating charge or other encumbrance over any Special Voting Share or any interest in any Special Voting Share.

Notwithstanding the foregoing, upon any transfer of Qualifying Common Shares to a Loyalty Transferee in accordance with the terms hereof, the associated Special Voting Shares shall also be transferred to such Loyalty Transferee.

9. Change of Control

9.1 Upon the occurrence of a Change of Control in respect of a Qualifying Shareholder or a holder of Common Shares who is registered in the Loyalty Register, such Shareholder must promptly notify the Agent and the Company thereof, by submitting a Change of Control Notification, and must make a De-Registration Request as referred to in clauses 7.1 and 7.2.

9.2 The procedures described in clauses, 7.4, 7.5, 7.6 and 7.7 will apply accordingly to the De-Registration Request submitted pursuant to clause 9.1.

10. Breach, compensation payment, pledge

In the event of a breach of any of the covenants set out in clauses 7.5, 8.1 and 9.1, the relevant Shareholder shall without prejudice to the Company's right to request specific performance, be bound to pay to the Company an amount equal to the Reference Price multiplied by the number of Special Voting Shares that are affected by the relevant breach (the Compensation Amount).

The above-mentioned obligation to pay the Compensation Amount shall constitute a penalty clause (boetebeding) as referred to in article 6:91 of the Dutch Civil Code. The Compensation Amount payment shall be deemed to be in lieu of, and not in addition to, any liability (schadevergoedingsplicht) of the relevant Shareholder towards the Company in respect of the relevant breach - so that the provisions of this clause 10 shall be deemed to be a "liquidated damages" clause (schadevergoedingsbeding) and not a "punitive damages" clause (strafbeding).

The provisions of article 6:92, paragraphs 1 and 3 of the Dutch Civil Code shall, to the maximum extent possible, not apply.

11. Loyalty Register

The Agent, acting on behalf of the Company, shall keep the Loyalty Register up to date and shall ensure that the Loyalty Register will be made available for inspection through the Company's website.

12. Amendment of these Terms and Conditions

12.1 These Terms and Conditions have been established by the Board on [*] 2012 and have been approved by the general meeting of shareholders of the Company on [*] 2012.

12.2 These Terms and Conditions may be amended pursuant to a resolution by the Board, provided, however, that any material, not merely technical amendment will be subject to the approval of the general meeting of shareholders of the Company.

12.3 Any amendment of the Terms and Conditions shall require a private deed to that effect.

12.4 The Company shall publish any amendment of these Terms and Conditions on the Company's corporate website and notify the Qualifying Shareholders of any such amendment through their Brokers.

13. Costs

All costs of the Agent in connection with these Terms and Conditions, any Power of Attorney and any Initial Deed of Allocation, Deed of Allocation and Deed of Withdrawal, shall be for the account of the Company. Any other costs shall be for the account of the relevant Shareholder.

14. Governing law, Disputes

14.1 These Terms and Conditions are governed by and construed in accordance with the laws of the Netherlands.

14.2 Any dispute in connection with these Terms and Conditions and/or the Special Voting Shares will be brought before the courts of Amsterdam, the Netherlands.

NOTE: THIS IS A TRANSLATION INTO ENGLISH OF THE DEED OF AMENDMENT OF THE ARTICLES OF ASSOCIATION (STATUTEN) OF A DUTCH LIMITED LIABILITY COMPANY (NAAMLOZE VENNOOTSCHAP). IN THE EVENT OF A CONFLICT BETWEEN THE ENGLISH AND DUTCH TEXTS, THE DUTCH TEXT SHALL PREVAIL.
DEED OF AMENDMENT TO THE ARTICLES OF ASSOCIATION OF CNH GLOBAL N.V.

On this, the [...] day of December two thousand and twelve, appeared before me, Teska Johanna van Vuren, civil law notary at Rotterdam:

[].

The person appearing declared that the general meeting of shareholders of CNH Global N.V., a limited liability company (naamloze vennootschap), having its corporate seat at Amsterdam (address: 1118 BH Luchthaven Schiphol, Schiphol Boulevard 217, trade register number: 33283760) (the "Company"), held at Haarlemmermeer (Schiphol Airport) on the [...] day of December two thousand and twelve has resolved to partially amend the articles of association of the Company.

The articles of association were last amended on the eleventh day of April two thousand and six before a deputy of the vacant office of B.Th. Dérogee, civil law notary at Rotterdam.

Further to this resolution the person appearing stated that the articles of association of the Company are amended as follows:

I. A new Article 22 will be added and shall read as follows:

"TRANSITIONAL PROVISIONS

Article 22

1. Up to and including the Conversion Date (as defined below), the Articles 22, 23, 24 and 25 form an integral part of the articles of association of the company. With effect as of the first calendar day following the Conversion Date, the entire Articles 22, 23, 24 and 25 shall automatically lapse and cease to apply.
2. Up to and including the Conversion Date, article 3, paragraph 1 of these articles of association will read as follows: "The authorized share capital of the company amounts to one billion three hundred fifty million Euro (EUR 1,350,000,000.--), divided into one hundred eighty eight million one hundred thirty three thousand nine hundred sixty three (188,133,963) common shares, two hundred eleven million eight hundred sixty six thousand thirty seven (211,866,037) common shares B and two hundred million (200,000,000) Series A preference shares of two Euro and twenty-five Euro cent (EUR 2.25) each. Any reference in these articles of association to shares or shareholders without further specification shall be understood to mean all three classes of shares, common shares, common shares B and Series A preference shares or the holders thereof, as the case may be. Any reference in these articles of association to common shares shall be understood to also be a reference to common shares B."
3. The company shall maintain a special separate share premium reserve, a special separate retained earnings reserve and a special separate dividend reserve exclusively attached to the class of common shares B (together the Special Separate Reserves). Any distribution from any of these Special Separate Reserves in accordance with Article 20, can only be made on the basis of a resolution of the meeting of holders of the common shares B, except that the board of directors may unilaterally resolve to fully release the Special Separate Reserves on the thirtieth-first of October two thousand and thirteen.

4. If and when the meeting of holders of the common shares B adopts a resolution to release the Special Separate Reserves and notifies the board of directors of such release resolution, the company shall distribute the amounts as specified in the relevant resolution to the holders of the common shares B, subject, however, to the provisions of Article 20, paragraph 5 and the applicable statutory rules under Dutch law.
5. On the first business day on which the Trade Register of the Chamber of Commerce for Amsterdam, the Netherlands, is open for regular business activities after the day on which all of the amounts in the Special Separate Reserves shall have been fully released and distributed to the holders of the common shares B (the Conversion Date), the board of directors shall file a statement at the offices of the Trade Register where the company has its corporate seat, confirming that as of the calendar day following the Conversion Date each common share B is converted into one common share."

II. A new Article 23 will be added and shall read as follows:

"Article 23

Up to and including the Conversion Date, an additional article 16, paragraph 12 of these articles of association will read as follows:

"12. a. Meetings of holders of common shares B shall be held in all cases in which a resolution of the meeting of holders of common shares B is required pursuant to these articles of association and whenever the board of directors so requires or if one or more persons holding in the aggregate common shares B that represent at least ten percent of the entire class of outstanding common shares B, make a request to the board of directors in writing, setting out in detail the matters to be discussed.

b. Articles 16(4-6), 17(2-10) shall apply mutatis mutandis to meetings of holders of common shares B.

c. In the event that the board of directors fails to convene a meeting of holders of common shares B in such a manner that it is held within four weeks of receipt of the relevant request, the persons who made the request shall have the right to convene the meeting themselves in accordance with the relevant provisions of these articles of association.

d. The meeting of holders of common shares B shall appoint its own chairman.

e. Resolutions of the meeting of holders of common shares B may, instead of at a meeting, be passed in writing - including by facsimile transmission, or in the form of a message transmitted by any accepted means of communication and received or capable of being produced in writing - provided that the resolution is passed unanimously by all persons entitled to vote in respect of the relevant matter."

III. A new Article 24 will be added and shall read as follows:

"Article 24

Up to and including the Conversion Date, an additional article 20, paragraph 3 of these articles of association will read as follows:

"3. As from the thirty-first of October two thousand thirteen, the holders of common shares B shall be entitled to a class B preferential dividend in an amount equal to the product of (i) the Dividend Rate (as defined below) and (ii) the weighted average of the amount held in the Special Separate Reserves during the relevant accrual period. The first accrual period shall commence on the first of November two thousand thirteen. The class B preferential dividend shall be payable by the company on the Class B Preferential Dividend Payment Date (as defined below), subject however to profits being available for distribution on each such Class B Preferential Dividend Payment Date and only after profits will have been applied in accordance with paragraphs 1 and 2 above in respect of the relevant financial year.

To the extent that the company does not have sufficient profits available for distribution to declare and pay the full amount of the class B preferential dividend at any Class B Preferential Dividend Payment Date, any shortfall in class B preferential dividend shall be declared and paid on the subsequent Class B Preferential Dividend Payment Date, insofar and to the extent that the company has profits available for distribution out of which such amount can wholly or partially be declared and paid. In this paragraph 3, Dividend Rate means the six month US Dollar London Interbank Offered Rate plus 300 basis points and Class B Preferential Dividend Payment Date means the last day of every six month period, commencing on the first of November two thousand thirteen. The first Class B Preferential Dividend Payment Date shall be the thirtieth of April two thousand fourteen."

As a consequence of the addition of an additional article 20 paragraph 3, the paragraphs 3 to 11 of article 20 are renumbered 4 to 12."

IV. A new Article 25 will be added and shall read as follows:

"Article 25

Up to and including the Conversion Date, an article 21, paragraph 4 of these articles of association will read as follows:

"3. Whatever remains of the company's equity after all its debts have been discharged shall first be applied to distribute to the holders of Series A preference shares the nominal amount of their preference shares and thereafter the amount of the share premium reserve relating to the Series A preference shares. Thereafter the Special Separate Reserves will be distributed to the holders of common shares B. Any remaining assets shall be distributed to the holders of common shares and common shares B in proportion to the aggregate nominal amount of their shares and, if only Series A preference shares are issued and outstanding, to the holders of Series A preference shares in proportion to aggregate nominal amount of Series A preference shares. No liquidation distribution may be made to the company itself for shares that the company holds in its own share capital."

FINAL PROVISION

Finally, the person appearing declared:

- that from the issued share capital two hundred eleven million eight hundred sixty six thousand thirty seven (211,866,037) common shares, each common share having a nominal value of two Euro and twenty-five Euro cent (EUR 2.25), numbered 1 up to and including 211,866,037, were converted by this deed into two hundred eleven million eight hundred sixty six thousand thirty seven (211,866,037) common shares B, each common share B having a nominal value of two Euro and twenty-five Euro cent (EUR 2.25), whereby upon the execution of this deed the total issued share capital of the company will amount to [CHECK before execution] five hundred forty two million nine hundred fifty thousand two hundred two Euro and twenty-five Euro cent (EUR 542,950,202.25);
- the person appearing declared that he has been appointed by the abovementioned general meeting of shareholders to lay down and confirm the amendment of the articles of association by notarial deed.

CONCLUSION

The person appearing is known to me, civil law notary.

This Deed was executed in Rotterdam on the date mentioned in its heading.

After I, civil law notary, had conveyed and explained the contents of the Deed in substance to the person appearing, he declared that he had taken note of the contents of the Deed, was in agreement with the contents and did not wish them to be read out in full. Following a partial reading, the Deed was signed by the person appearing and by me, civil law notary.

5. Financial Statements. True and complete copies of the audited consolidated balance sheet of CNH for each of the fiscal years ended as of December 31, 2011 and December 31, 2010, and the related audited consolidated statements of income, retained earnings,

None of (i) the execution of this Agreement, (ii) shareholder approval of this Agreement or (iii) the consummation of any of the Mergers and the other transactions contemplated by this Agreement, in each case, either alone or together with any other event, will entitle any employees of CNH or any of its subsidiaries to severance, termination or similar pay or benefits or any increase in such payments or benefits, upon any termination of employment after the date of this Agreement.

8. **Compliance with Applicable Laws.**

(a) Except as disclosed in Schedule 8 of the CNH Disclosure Schedule, each of CNH and its subsidiaries has in effect all Permits necessary, under applicable laws, for it to own, lease or operate its properties and assets and to carry on its business as now conducted, and there has occurred no default under any such Permit, except for the lack of Permits and for defaults under Permits which individually or in the aggregate would not have a Material Adverse

9. **Contracts; Debt Instruments.** "CNH Material Contracts" means any contract (other than, for the purposes of Section 4 of this Exhibit C, any Intra-Group Contract) that requires payments or repayments by CNH exceeding 2% of CNH's consolidated gross revenues for 2011 on a yearly basis. Except as set forth on Schedule 9 to the CNH Disclosure Schedule, each CNH Material Contract is valid and binding on CNH (or, to the extent a CNH subsidiary is a party, such subsidiary) and is in full force and effect, and, to CNH's knowledge, CNH and each CNH subsidiary have in all material respects performed all obligations required to be performed by them to date under each CNH Material Contract, except (a) to the extent that any CNH Material Contract has previously expired in accordance with its terms or (b) where such non-compliance, individually or in the aggregate, would not have a Material Adverse Effect on CNH. Except as set forth on Schedule 9 to the CNH Disclosure Schedule, neither CNH nor any CNH subsidiary knows of, or has received notice of (x) any termination, cancellation or revocation with respect to, or (y) any violation or default under (nor, to the knowledge of CNH, does there exist any condition which with the passage of time or the giving of notice or both would result in such a violation or default under) any CNH Material Contract except for any termination, cancellation, revocation, violation or default which individually or in the aggregate would not result in a Material Adverse Effect on CNH.

10. **Financial Advisors.** Other than J.P. Morgan and Lazard, no broker, investment banker, financial advisor or other person engaged by or on behalf of CNH is entitled to any broker's, finder's or financial advisor's fee or commission in connection with the transactions contemplated by this Agreement for which any party hereto or any of its subsidiaries would be liable.

11. SEC Documents; Financial Statements

(a) Since January 1, 2011, CNH has timely filed or furnished with the SEC all annual reports and other periodic and other reports required to be so filed or furnished (the “CNH SEC Documents”). As of their respective dates, the CNH SEC Documents complied in all material respects with the requirements of the Securities Act or the Exchange Act, as the case may be, and the rules and regulations of the SEC promulgated thereunder applicable to such CNH SEC Documents, and none of the CNH SEC Documents contained any untrue, incorrect or incomplete statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

(b) The audited financial statements of CNH included in the CNH SEC Documents (together with the notes thereto, the “CNH Audited Financial Statements”) (i) comply as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto, (ii) have been prepared in accordance with generally accepted accounting principles applicable to United States listed companies (“U.S. GAAP”) applied on a consistent basis during the periods involved (except as may be indicated in the notes thereto), (iii) fairly present the financial position of CNH as of the dates thereof and the results of its operations and cash flows for the periods then ended and (iv) in the case of the CNH Audited Financial Statements, have been audited by E&Y for the year ended December 31, 2011 and by Deloitte & Touche LLP for the prior years covered by the CNH Audited Financial Statements.

12. Litigation. Except as disclosed in Schedule 12 of the CNH Disclosure Schedule, (i) there are no civil, criminal or administrative actions, suits, arbitrations or other proceedings pending or, to CNH’s knowledge, threatened against CNH or any of its subsidiaries that could reasonably be expected to (A) materially jeopardize or affect the consummation of the Mergers or (B) have a Material Adverse Effect on CNH, and (ii) neither CNH nor any of its subsidiaries is a party to or subject to any material judgment, order or decree of any governmental or regulatory body which is, individually or in the aggregate, reasonably likely to (A) jeopardize or materially delay the consummation of the Mergers or (B) have a Material Adverse Effect on CNH.

13. Taxes.

(a) Except as would not, individually or in the aggregate, have or be reasonably likely to have a Material Adverse Effect on CNH, and except as set forth on Schedule 13 of the CNH Disclosure Schedule: (i) each of CNH and each CNH subsidiary has timely filed, or has caused to be timely filed on its behalf, all Tax Returns required to be filed by it, and all such Tax Returns are true, complete and accurate; (ii) all Taxes shown to be due on such Tax Returns, or otherwise owed, have been timely paid; (iii) no deficiency for any Tax has been asserted or assessed by a taxing authority against CNH or any CNH subsidiary which deficiency

has not been paid or is not being contested in good faith in appropriate proceedings; (iv) no deficiency with respect to any Taxes has been proposed, asserted or assessed against CNH and each CNH subsidiary, and no requests for waivers of the time to assess any such Taxes are pending; and (v) there are no liens for Taxes (other than for current Taxes not yet due and payable) on the assets of CNH or any CNH subsidiary.

(b) The CNH Audited Financial Statements reflect an adequate reserve under U.S. GAAP for all Taxes payable by CNH and each CNH subsidiary for all Taxable periods and portions thereof through the date of such financial statements.

(c) CNH has no knowledge of the existence of any facts or conditions that could reasonably be expected to prevent the CNH Merger from qualifying for the Intended Tax Treatment.

14. Projections. Subject to the limitations and qualifications set forth therein, the CNH Internal Projections were prepared in good faith and based upon estimates and assumptions believed by management of CNH to be reasonable at the time made, it being recognized that the CNH Internal Projections (i) were not prepared with a view towards compliance with published guidelines for preparation and presentation of financial forecasts, or generally accepted accounting principles, nor were they examined or reviewed by CNH's independent public accounting firm or any other accounting firm, nor has any such firm expressed any opinion or other assurance with respect thereto, (ii) were based on numerous variables and assumptions inherently uncertain and beyond the control of CNH, including risks and uncertainties identified in the reports, prospectuses and presentations publicly disclosed or otherwise filed by CNH, (iii) reflect assumptions as to certain business decisions that are subject to change, and (iv) and that, since they cover multiple years, any data contained in such CNH Internal Projections by its nature becomes less reliable with each successive year. For the avoidance of doubt, this Section 14 cannot be construed in any manner whatsoever as to an express or implied representation or warranty that the CNH Internal Projections will be totally or partially realized and therefore actual results may substantially differ from the projected amounts.

15. Employee benefits plans. Except as set forth on Schedule 15 of the CNH Disclosure Schedule:

(a) Each bonus, deferred compensation, profit-sharing, thrift, savings, employee stock ownership, CNH Option Plan, welfare, pension, retirement, change-of-control, incentive or other employee benefit plan, program, policy or arrangement covering current or former directors, officers or employees and each individual employment, consulting, severance, retention or similar agreement that is sponsored or maintained by CNH or its subsidiaries, to which CNH or any of its subsidiaries is a party or contributes, is obligated to contribute, or under which CNH or any of its subsidiaries may have any liability (other than, in each case, such plans, programs, policies, agreements or arrangements that are required by applicable law) (the "CNH Benefit Plans") have been administered in accordance with their terms and are in compliance in all material respects with applicable law.

(b) All material filings required for all CNH Benefit Plans have been timely made with the appropriate governmental authority in accordance with the applicable law. All reports or information relating to all CNH Benefit Plans required to be disclosed to participants have been timely disclosed to participants.

(c) With respect to each material CNH Benefit Plan, CNH has made available to FI true, correct and complete copies (to the extent applicable) of the plan document, including any amendments thereto, other than any portion of a document that CNH or any of its subsidiaries is prohibited from making available to FI as the result of applicable law relating to the safeguarding of data privacy.

(d) Each CNH Benefit Plan that, as of the date of this Agreement, is intended to be registered, qualified or otherwise subject to special legal status is so registered, qualified or is entitled to such legal status, and, to the knowledge of CNH, there are no existing circumstances or any events that have occurred that could reasonably be expected to cause the loss of any such registration, qualification or legal status of any CNH Benefit Plan, except where a failure of such plan to be so registered or qualified or to achieve or retain such legal status would not reasonably be expected to have a Material Adverse Effect on CNH. Neither CNH nor any of its subsidiaries has any actual or contingent material liability under any compensation or benefit plan, program, policy or arrangement that is not sponsored or maintained by CNH or any of its subsidiaries or to which CNH or any of its subsidiaries are a party.

16. **Voting Requirements.** The affirmative vote of the holders of a majority of the CNH Common Shares present at the CNH Shareholders' Meeting are the only votes of the holders of any class or series of CNH's shares necessary to approve the Mergers, the CNH Merger Proposal, this Agreement and the transactions contemplated hereby, provided that one half or more of the issued share capital of CNH is represented at the CNH Shareholders' Meeting; provided further, however, that if less than one half of the issued share capital of CNH is represented at the CNH Shareholders' Meeting, then the affirmative vote of the holders of at least two-thirds of the votes cast at the CNH Shareholders' Meeting is necessary to approve the Mergers, the CNH Merger Proposal, this Agreement and the transactions contemplated hereby.

17. **Recommendation of CNH Board; Fairness Opinions.** The Special Committee of the Board of Directors of CNH has recommended that the Board of Directors of CNH approve this Agreement and the transactions contemplated hereby, subject to the terms and conditions of this Agreement, and the Board of Directors of CNH has approved this Agreement and the transactions contemplated hereby, subject to the terms and conditions of this Agreement. The Special Committee of the Board of Directors of CNH has obtained the written opinions, addressed to the Special Committee of the Board of Directors of CNH by each of J.P. Morgan and Lazard as to, as of the date of such opinion and subject to the assumptions and limitations described in such opinion, the fairness of the CNH Merger Consideration, together with the CNH Dividend, to be paid to holders of CNH Common Shares (other than the FI and its affiliates) from a financial point of view (such opinions, the "Fairness Opinions"), and any other unconflicted directors of CNH may use the Fairness Opinions in connection with their evaluation of the Mergers.

EXHIBIT D
PRESS RELEASE

FIAT INDUSTRIAL AND CNH GLOBAL ANNOUNCE
DEFINITIVE AGREEMENT TO COMBINE BUSINESSES

November 25, 2012 – Fiat Industrial S.p.A. and CNH Global N.V. (NYSE: CNH) announced today that they have entered into a definitive merger agreement to combine the businesses of Fiat Industrial and CNH. The terms of the definitive merger agreement are consistent with Fiat Industrial’s final offer announced November 19. The terms provide that Fiat Industrial and CNH will each merge into a newly-formed company organized under the laws of the Netherlands (NewCo). Fiat Industrial shareholders will receive one NewCo share for each Fiat Industrial share and CNH shareholders will receive 3.828 NewCo shares for each CNH share in the merger.

Pursuant to the definitive merger agreement, CNH would pay a cash dividend of US\$10 per CNH share to the CNH minority shareholders prior to completion of the merger. CNH will use its reasonable best efforts for the dividend to be paid prior to December 31, 2012 or, as promptly thereafter as practicable. The cash dividend, when added to the 3.828 NewCo common shares for each CNH share, represented a 25.6% premium over the implied value of Fiat Industrial’s initial offer as of November 16, 2012, the trading day prior to the date on which Fiat Industrial’s final offer was announced. In addition CNH minority shareholders will benefit from the dividend being paid prior to completion of the merger.

The NewCo shares will be listed on the New York Stock Exchange. NewCo will also use its reasonable best efforts to cause the NewCo shares to be admitted to listing on the Mercato Telematico Azionario managed by Borsa Italiana shortly following the closing of the mergers.

NewCo will implement a loyalty voting structure; shareholders of each company that are present or represented by proxy at the respective shareholders’ meetings to consider the merger transaction and that continue to hold their shares until completion of the merger may elect to receive common shares registered in a special segment of NewCo’s share register and be entitled to two votes per share. NewCo shareholders will be entitled to retain double-vote shares indefinitely. If a NewCo shareholder transfers shares entitled to double votes, the shares will revert to the regular segment of the register and will be entitled to a single vote per share. Following completion of the merger, new shareholders may earn a double vote through a loyalty mechanism by holding the shares continuously for at least three years.

Sergio Marchionne, Fiat Industrial’s Chairman, stated “We are pleased to have reached agreement on the basis of Fiat Industrial’s improved proposal for the merger. Completion of this merger will bring to a conclusion a lengthy process of simplifying and rationalizing the Group’s equity capital structure and allow shareholders in both companies the opportunity to participate in the growth prospects of the world’s third largest capital goods provider, which will be a true peer in scale and capital markets appeal to the other major global capital goods companies. This appeal will be further enhanced through the loyalty share structure intended to reward long-term stable shareholders that share our goal of enhancing shareholder value over the long term as well as through enhanced flexibility to pursue strategic opportunities.”

The merger agreement contains customary representations and warranties and the merger is subject to customary closing conditions, including a condition capping the exercise of withdrawal rights by Fiat Industrial shareholders and opposition rights by Fiat Industrial creditors, at €325 million in the aggregate. The merger is also subject to approval

by the shareholders of each of Fiat Industrial and CNH. Fiat Industrial, as 88% shareholder of CNH, has agreed to vote its CNH shares in favor of the merger at the CNH shareholders' meeting. The merger is expected to close during the second quarter of 2013.

Fiat Industrial retained Goldman, Sachs & Co. as its financial advisor and Sullivan & Cromwell LLP, Freshfields Brukhaus Deringer LLP, and Legance Studio Legale Associato as its legal advisors.

The special committee of the CNH Board engaged J.P. Morgan and Lazard as its financial advisors and Cravath, Swaine & Moore LLP, De Brauw Blackstone Westbroek N.V., and Bonelli Erede Pappalardo, as its legal advisors.
