Notes to Unaudited Pro Forma Condensed Consolidated Financial Information

Pro forma adjustments for the unaudited pro forma condensed consolidated financial information are as follows:

- (1) Reflects Conexant's contribution of the assets and liabilities of the Mindspeed business and \$100 million in cash to its wholly owned subsidiary Mindspeed and the distribution of all outstanding shares of Mindspeed common stock to Conexant's shareholders.
- (2) Reflects the receipt of warrants to purchase 30 million shares of Mindspeed common stock exercisable for a period of ten years after the distribution at a price per share equal to the fair market value of Mindspeed common stock at the time of the distribution. The estimated fair value of the warrants was determined by management using the Black-Scholes option pricing model (assuming volatility of 90%, a risk-free interest rate of 3.5% and no dividend yield). The estimated fair value of the warrants assumes an exercise price of \$2.00 per share. The actual exercise price of the warrants will be determined based upon the volume weighted average price per share of Mindspeed common stock for the ten consecutive trading days immediately following the distribution date. In the event the exercise price of the warrants were to increase or decrease by \$0.20 per share, the estimated fair value of the warrants would increase or decrease by approximately \$5.2 million.
- (3) Reflects the historical results of operations of the Mindspeed business contributed to Mindspeed by Conexant. Such historical results of operations include allocations of certain operating expenses, determined on bases which management considers to be reasonable reflections of the utilization of services provided to, or the benefit received by, the Mindspeed business.
- (4) Reflects separation costs incurred by Conexant in connection with the Spin-off Transaction, which will be included in loss from discontinued operations in Conexant's historical consolidated statements of operations.
- (5) As required by Statement of Financial Accounting Standards No. 145, which the Company adopted as of the beginning of fiscal 2003, a fiscal 2001 gain of \$11.7 million and related income tax provision of \$4.4 million (previously presented as an extraordinary gain on extinguishment of debt, net of income taxes) were reclassified to Debt Conversion and Debt Extinguishment and Income Tax Benefit, respectively, in the unaudited pro forma condensed consolidated statements of operations.
