NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of the Hercules Incorporated Savings and Investments Plan (the Plan) provides only general information. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Upon hire, substantially all domestic Hercules Incorporated (the Company) employees are eligible to participate in the Plan and obtain immediate, non-forfeitable (vested) rights to the full market value of their account. At time of enrollment in the Plan, participants may elect to contribute up to 15%

Edgar Filing: HERCULES INC - Form 11-K

of their annual wages on either a pre- or post-tax basis, or a combination thereof. The Company makes matching contributions in the form of Hercules Incorporated common stock, equal to 50% of the first 6% of the annual wages that an employee contributes to the Plan. Participants direct the investment of their monthly savings in any of the Plan's investment options, or a combination thereof.

The Plan provides for various investment options in any combination of stocks, bonds, fixed income securities, mutual funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

The Plan includes an employee loan provision authorizing participants to borrow a minimum of \$1,000 up to a maximum, equal to the lesser of \$50,000 or 50% of their vested balances in the Plan. The loans are executed by promissory notes and have a minimum term of 12 months and a maximum term of 60 months, except for qualified residential loans, which have a maximum term of 120 months. The loans bear an interest rate equal to the average rate charged by selected major banks to prime customers for secured loans. The loans are repaid over the term in monthly installments of principal and interest by payroll deduction. A participant also has the right to repay the loan in full at any time without penalty.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

The financial statements of the Plan are prepared under the accrual method of accounting. Investments in the Plan are carried at fair value. The fair value of the common stock of Hercules Incorporated is based upon the price at which the stock closed on the New York Stock Exchange on the last business day of the year. The Blended Interest Rate Savings Fund is carried at cost plus investment earnings less withdrawals, which is equivalent to contract value. The market value of the Equity Fund, the Fidelity Magellan Fund, the Frank Russell Equity Index Fund, and the SEI group of funds is valued at the net asset value of the shares held by the Plan at year end, which is based on the fair value of the underlying securities held by the fund. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

The Plan presents in the statement of changes in net assets available for benefits its allocated share of the Trust's investment activities, which includes the net appreciation (depreciation) in fair value of its investments, which consists of the realized gains or losses and the change in unrealized appreciation (depreciation) on those investments.

Withdrawals are recorded upon distribution. The Plan provides that participants who retire from the Company may elect, upon retirement, an Optional Valuation Date (OVD) for determining their final withdrawal. The OVD is the last business day of any month following retirement, in which the distribution is requested.

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

2. INVESTMENTS IN MASTER TRUST

The assets of the Plan are held in the Hercules Incorporated Master Savings Trust (the Trust) with the assets of the Hercules Incorporated Employee Savings Plan. The assets of the Trust are held by Bankers Trust Company (Trustee). The Plan's investment in the Trust is based upon the fair value of net assets in the Trust and the Plan's relative interest in the Trust. The fair value of the Plan's interest in the Trust is based on the beginning of the year value of the Plan's interest in the Trust plus contributions, and allocated investment income less actual distributions. The Plan's share of the net assets of the Trust was approximately 98% and 97% at both December 31, 2000, and 1999, respectively. Recordkeeping for the Plan is performed by MetLife's Defined Contribution Group.

4. TAX STATUS

The United States Treasury Department advised on October 29, 1997, that the Plan as amended through February 1, 1996 is a qualified trust under Section 401(a) of the Internal Revenue Code and is therefore exempt from Federal income taxes under provisions of Section 501(a) of the code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable provisions of the Internal Revenue Code.

6. PLAN TRANSFERS

On September 29, 2000, Hercules Incorporated entered into an agreement with Lehman Brothers to form CP Kelco, a joint venture combining Hercules' Food Gums Division and the Kelco Biogums unit of Pharmacia Corporation. Pursuant to the formation of the joint venture, approximately 32 former Hercules Incorporated Savings and Investment Plan participants joined CP Kelco. Their Hercules Incorporated Savings and Investment Plan account balances, having a fair market value of \$ 3,860,015.91, were transferred to CP Kelco's defined contribution plan as a plan to plan transfer.

7. SUBSEQUENT EVENTS

After the close of business on January 31, 2001, the Hercules Incorporated Employee Savings Plan merged into the Hercules Incorporated Savings & Investment Plan. Pursuant to the merger, approximately 194 participants with assets having a fair market value of \$ 7,345,810 million at the time of the merger, became part of the Hercules Incorporated Savings & Investment Plan.

Under the Hercules Incorporated Savings & Investment Plan, former Hercules Incorporated Employee Savings Plan participants underwent changes to their benefits. Under the former plan, participants could make contributions on a post-tax basis only. The employer match was 2.5% of the first 10% of employee contributions, and was a participant-directed investment. The former Hercules Incorporated Employee Savings Plan participants are now subject to the provisions of this plan.

REPORT OF INDEPENDENT ACCOUNTANTS

To the Board of Directors,
Hercules Incorporated,
Wilmington, Delaware

In our opinion, the accompanying statements of net assets available for benefits and the related statement of changes in net assets available for benefits present fairly, in all material respects, the net assets available for benefits of the Hercules Incorporated Savings and Investment Plan (the "Plan") at December 31, 2000 and December 31, 1999, and the changes in net assets available for benefits for the year ended December 31, 2000 in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Plan's management; our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with auditing standards generally accepted in the United States of America, which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.
