Shareholders may vote on the special meeting proposals until the date and time of the adjourned meeting on September 9, 2004.

NO ACTION IN CONNECTION WITH THIS SUPPLEMENT IS REQUIRED BY ANY SHAREHOLDER WHO HAS PREVIOUSLY DELIVERED A PROXY FOR USE AT THE SPECIAL MEETING AND WHO DOES NOT WISH TO REVOKE THAT PROXY OR CHANGE HIS VOTE.

Special Meeting Proposals

As discussed in more detail in the Company's July 15, 2004 proxy statement, the special meeting has been called for shareholders to consider and vote upon the following matters:

1. A proposal (the CompuCom Merger Proposal) to approve and adopt a plan of asset transfer consisting of the Principal Stockholder Agreement, dated as of May 27, 2004, among us, CHR Holding Corporation and CHR Merger Corporation and the Agreement and Plan of Merger, dated as of May 27, 2004, among CompuCom Systems, Inc., CHR Holding Corporation and CHR Merger Corporation, which plan of asset transfer provides that we will (i) vote the CompuCom equity securities that we own in favor of approval of the CompuCom merger and adoption of the merger agreement and (ii) comply with the other terms and conditions of the Principal Stockholder Agreement for which approval of our shareholders is required under the Pennsylvania Business Corporation Law, as amended.

2. Such other business as may properly come before the special meeting or any adjournment or postponement of the meeting.

Shareholders are urged to read this supplement carefully together with the Company's July 15, 2004 proxy statement. The information contained in this supplement replaces and supersedes any inconsistent information set forth in the proxy statement. Capitalized terms used but not defined in this supplement have the meanings set forth in the proxy statement.

VOTING AND REVOCABILITY OF PROXIES

Only holders of record of our common stock at the close of business on July 6, 2004, the record date for the special meeting, are entitled to notice of, and to vote at, the special meeting. On that date there were approximately 1,764 holders of record of our common stock and 119,736,800 shares of our common stock outstanding.

A proxy card for use at the special meeting is enclosed. The execution of a proxy will not affect a shareholder's right to attend and vote in person at the special meeting.

NO ACTION IN CONNECTION WITH THIS SUPPLEMENT IS REQUIRED BY ANY SHAREHOLDER WHO HAS PREVIOUSLY DELIVERED A PROXY FOR USE AT THE SPECIAL MEETING AND WHO DOES NOT WISH TO REVOKE THAT PROXY OR CHANGE HIS VOTE.

A shareholder giving the proxy may revoke it at any time prior to the vote being taken at the special meeting by:

delivering to our corporate secretary, Deirdre Blackburn, at our corporate offices at 800 The Safeguard Building, 435 Devon Park Drive, Wayne, Pennsylvania 19087, Attention: Corporate Secretary, on or before the business day prior to the special meeting, a written revocation of the proxy or a later dated, signed proxy card;

delivering a written revocation or a later dated, signed proxy card to us at the special meeting prior to the taking of the vote on the matters to be considered at the special meeting;

re-voting by telephone or via the internet;

attending the special meeting and voting in person; or

if you have instructed a broker to vote your shares, following the directions received from your broker to change those instructions.

Attendance at the special meeting will not in itself constitute the revocation of a proxy; you must vote in person at the special meeting to revoke a previously delivered proxy.

Table of Contents

Our board of directors is not currently aware of any business to be brought before the special meeting other than that described in the proxy statement and this supplement. However, if other matters are properly presented, the persons named as proxies will vote in accordance with their judgment with respect to those matters.

RECENT DEVELOPMENTS

Litigation Regarding the Merger

As set forth in the Company's July 15, 2004 proxy statement, on May 28, 2004, June 1, 2004 and June 10, 2004, three substantially similar complaints were filed in the Chancery Court of the State of Delaware by purported stockholders of CompuCom allegedly on behalf of a class of holders of CompuCom's common stock. By order dated July 22, 2004, these three actions were consolidated for all purposes. On July 27, 2004, plaintiffs filed an amended class action complaint under the caption of one of the three actions (Central Laborers' Pension Fund v. CompuCom Systems, Inc., et. al., C.A. No. 499-N) (the Amended Complaint) that names as defendants CompuCom, its directors, and Safeguard. The Amended Complaint alleges that CompuCom, its directors, and Safeguard breached fiduciary duties in connection with the CompuCom merger agreement described in the proxy statement and aided and abetted one another in the course of committing the alleged breach. Among other things, the Amended Complaint alleges that the defendants failed to obtain the best transaction reasonably available and diverted merger consideration from CompuCom's minority stockholders to Safeguard and CompuCom's directors and certain of its officers. It is also alleged that CompuCom failed to disclose, or only partially disclosed, certain matters in CompuCom's proxy statement dated July 15, 2004 which was distributed to CompuCom's stockholders in connection with the special meeting of CompuCom's stockholders called to consider and vote on the CompuCom merger.

The Amended Complaint seeks (i) an injunction against the proposed transaction, (ii) an order invalidating the proposed transaction in the event it is consummated, (iii) an order directing CompuCom's directors to obtain a transaction that is in the best interests of all of its stockholders and to disclose all material information to its stockholders in connection with any transaction; and (iv) the imposition of a constructive trust, in favor of plaintiffs, upon any benefits improperly received by defendants.

On July 27, 2004, plaintiffs filed a motion for expedited proceedings and discovery in connection with the injunctive relief sought and requested that a preliminary injunction hearing be held before August 19, 2004, the date of the special meetings of the shareholders of Safeguard and the stockholders of CompuCom. Defendants filed their opposition to the motion on July 28, 2004. On July 29, 2004, the Court denied the plaintiffs' motion.

Postponement of CompuCom Special Meeting

The Company and CompuCom believe that all of plaintiffs' claims are without merit, including their claims that the July 15, 2004 CompuCom proxy statement as originally distributed fails to disclose or only partially discloses certain purportedly material information. The Company and CompuCom believe that the information plaintiffs allege CompuCom should have disclosed (i) is not required to be disclosed under the federal securities laws or under state law and (ii) is not material as a matter of law or in the context of the matters to be considered in connection with the CompuCom special meeting. Nevertheless, to avoid any argument that the CompuCom proxy statement should have included factual information on the issues identified by plaintiffs, CompuCom has determined to provide information supplemental to the disclosure set forth in its proxy statement by means of a proxy supplement to its stockholders dated August 19, 2004. The CompuCom proxy supplement contains certain information regarding the background of the CompuCom merger, projected financial information included in the CompuCom proxy statement and background facts concerning certain members of the special committee of CompuCom's board of directors.

In order to afford its stockholders sufficient time to review such supplemental disclosures before submitting the proposals in the CompuCom proxy statement to a vote of its stockholders, CompuCom has informed the Company that it intends to convene the CompuCom special meeting on August 19, 2004 as originally scheduled and adjourn the meeting until September 9, 2004 without a vote on any proposal. Safeguard has agreed to vote its shares of CompuCom common stock and preferred stock in favor of adjourning the CompuCom special meeting until

Table of Contents

September 9, 2004.

Accordingly, the Company has determined (i) to adjourn the Safeguard special meeting until September 9, 2004, the same day as the adjourned CompuCom special meeting, and (ii) to provide the following supplemental information to our shareholders:

Background of the Transaction

The proxy statement is supplemented to add the following disclosure concerning the **COMPUCOM MERGER PROPOSAL** Background of the Transaction :

Safeguard understands that Platinum Equity, LLC (Platinum) never discussed with CompuCom the synergies, if any, which Platinum expected to realize from the merger.

Safeguard understands that CompuCom ultimately elected not to pursue the repurchase of the shares of its stock owned by Safeguard due to several factors, including an inability to agree upon mutually acceptable terms of such a repurchase with Safeguard, difficulties in obtaining the requisite financing for such a repurchase on acceptable terms, the effects of such indebtedness and cash expenditure on CompuCom's ongoing liquidity and the fact that the resulting leverage and increased balance sheet risk would limit CompuCom's ability to obtain the required capital to make the acquisitions considered necessary to implement CompuCom's growth strategy.

Safeguard understands that with respect to the efforts of CompuCom and Broadview to identify other possible purchasers in the weeks preceding the signing of the merger agreement, five potential purchasers who had previously expressed an interest in a possible transaction with CompuCom were contacted again. Safeguard understands that one such potential purchaser failed to respond and the remainder of these entities responded that they were either not interested in a possible transaction or indicated potential interest in a transaction that would not provide value to CompuCom's stockholders comparable to the Platinum proposal.

Opinion of Safeguard's Financial Advisor Robert W. Baird & Co. Incorporated

The proxy statement is supplemented to add the following disclosure concerning the **COMPUCOM MERGER PROPOSAL** the Opinion of Safeguard's Financial Advisor Robert W. Baird & Co. Incorporated :

Although CompuCom provided Baird with the same internal financial projections through December 31, 2004 that were prepared and provided by CompuCom to its advisors and Platinum, any other projections Baird used were neither prepared by, nor provided to, CompuCom or its advisors. In particular, projections of the unlevered free cash flows of CompuCom from 2005 through 2008, which Baird utilized in connection with a discounted cash flow analysis it performed, were reviewed by senior management of Safeguard and, in the view of such senior management, were reasonably prepared on bases reflecting the best available estimates and good faith judgment of such senior management as to future performance of CompuCom for the periods indicated in such projections.

Background Facts Concerning Certain Members of the Special Committee of CompuCom's Board

CompuCom has informed Safeguard that it is including in its proxy supplement background facts concerning certain members of the special committee of its board of directors as set forth below:

Michael J. Emmi, who joined the special committee on February 18, 2004, was a director of Safeguard from September 26, 1998 to May 22, 2002. As a director of Safeguard, he received certain publicly disclosed annual cash payments and options to purchase shares of Safeguard common stock.

John D. Loewenberg, who joined the special committee on February 18, 2004, served, at the request of the founder and controlling stockholder of Diamond Technology Partners Incorporated (DTP), as a director of DTP and its successor by merger in 2000, DiamondCluster International, Inc. (DCI), from late 1996 through early 2003. Safeguard held a significant non-controlling interest in DTP prior to the initial public

offering of DTP in 1997, and divested its DTP holdings entirely in 1999. As compensation for serving as a director of DTP (and subsequently DCI), Mr. Loewenberg received an annual grant of options to purchase 10,000 DTP/DCI shares with an exercise price equal to the fair market value at the date of grant. He also received and exercised the right to purchase up to 6,000 shares of DTP common stock at the offering price in DTP's 1997 initial public offering.

Mr. Loewenberg has served as a director of DocuCorp International, Inc. (DocuCorp) since May 1997. Safeguard held a significant non-controlling interest in DocuCorp from 1997 until June 2003, at which time it sold its remaining holdings of DocuCorp common stock. As compensation for serving as a director, Mr. Loewenberg has received, during his seven year tenure on the DocuCorp board, options to purchase an aggregate of 82,500 shares of DocuCorp, each with an exercise price equal to the fair market value at the date of grant. Mr. Loewenberg has not exercised any of these options. For his service as a director in 2002 and 2003, Mr. Loewenberg received \$2,500 per year plus either \$10,000 or its equivalent in DocuCorp stock. He elected stock and received 2,206 shares as a result. He expects to receive that same compensation again in 2004 and has elected to receive stock. Mr. Loewenberg also purchased 5,000 shares in DocuCorp's initial public offering in April 1998 at the offering price of \$5.00 per share. Mr. Loewenberg served, on the recommendation of Warren Musser (then the Chief Executive Officer of Safeguard), as the acting Chief Executive Officer of FormMaker Software, Inc. (FormMaker) for seven months prior to its merger with Image Sciences, Inc. (ISI) to become DocuCorp in 1997. As compensation for serving as acting Chief Executive Officer of FormMaker, Mr. Loewenberg received options to purchase shares of FormMaker that, upon the merger of FormMaker and ISI into DocuCorp, were converted into options to purchase shares of DocuCorp. As a result of these transactions, Mr. Loewenberg currently owns 30,359 shares of DocuCorp.

Mr. Loewenberg served, on the recommendation of Warren Musser, on the board of directors of Sanchez Computer Associates (Sanchez) from November 1996 until his resignation in early 2003. Safeguard held a significant non-controlling interest in Sanchez from 1996 until April 2004, when Sanchez was acquired by Fidelity National Financial, Inc. (FNF). As compensation for serving as a director of Sanchez, Mr. Loewenberg received annually options to purchase 10,000 shares of Sanchez with an exercise price equal to the fair market value at the date of grant. He also received, in 2002, 2,906 shares in lieu of cash compensation, and, in 2003, a cash payment of \$10,000. He also purchased shares of Sanchez through a rights offering made to Safeguard shareholders in November 1996. At the time of the acquisition of Sanchez by FNF in April 2004, Mr. Loewenberg owned 27,806 shares of Sanchez, all of which were exchanged for FNF common stock.

As compensation for serving as an advisor to Safeguard, Mr. Loewenberg received an option in 1996 to purchase 15,000 shares of common stock of Safeguard at an exercise price of \$13.2917 per share. Mr. Loewenberg exercised 7,500 of these options in April 1999, and the remainder remain unexercised and will expire by their terms in October 2004.

Anthony J. Paoni served as an outside director of Arista Knowledge Systems, Inc. (Arista) from early 1998 until Arista was sold to DigitalThink, Inc. (DigitalThink) in July 2000. Safeguard held a 45% ownership interest in Arista at the time of its sale to DigitalThink. As compensation for serving as a director of Arista, Mr. Paoni received options to purchase shares of Arista common stock, with an exercise price equal to the fair market value at the date of grant. None of these options were exercised. Mr. Paoni currently holds options to purchase 1,177 shares of DigitalThink.

Mr. Paoni served, at the request of the founder and controlling stockholder of DTP, as a Fellow of DTP (and later DCI) from 1996 until 2001. The Fellows are various individuals who are available to consult with DTP's clients when their expertise is needed. As compensation for serving as a Fellow, Mr. Paoni received, prior to DTP's 1997 initial public offering, options to purchase 10,000 shares of DTP. Mr. Paoni became a client

relations partner and Vice Chairman of DCI in April 2001, after Safeguard had divested its DCI holdings in 1999. The Vice Chairmanship position does not include serving on the board of directors or any other governance role.
