The reporting person is an employee stock ownership plan under the Employee Retirement Income Security Act of 1974, as amended ( ERISA ) with individual accounts for the accrued benefits of participating employees and their beneficiaries. The reporting person is administered by an ESOP Committee ( ESOP Committee ) and its assets are held in trust by a trustee ( Plan Trustee ). The number of shares listed as beneficially owned represents the entire number of shares of Common Stock held by Delaware Charter Guarantee & Trust Company, d/b/a Principal Trust Company, as Plan Trustee, as of December 31, 2007. As of December 31, 2007, 751,345 shares of Common Stock were allocated to individual accounts established for participating employees and their beneficiaries, and 1,015,879 shares were held, unallocated, for allocation in future years. In general, participating employees and their beneficiaries have the power and authority to direct the voting of shares of Common Stock allocated to their individual accounts. Such allocated shares are, therefore, not included as shares over which the reporting person has sole or shared voting power. The reporting person, through the Plan Trustee, has shared voting power over unallocated Common Stock. Any unallocated Common Stock is generally required to be voted by the Plan Trustee in the same proportion as Common Stock which has been allocated to Participants is directed to be voted. The reporting person, through the Plan Trustee, shares dispositive power over all unallocated Common Stock held by the reporting person. The reporting person, acting through the Plan Trustee, shares dispositive power over allocated Common Stock with participating employees and their beneficiaries, who have the right to determine whether Common Stock allocated to their respective accounts will be tendered in response to a tender offer but otherwise has no dispositive power. Any unallocated Common Stock is generally required to be tendered by the Plan Trustee in a tender offer in the same proportion as Common Stock which has been allocated to Participants is directed to be tendered. In limited circumstances, ERISA may confer upon the Plan Trustee the power and duty to control the voting and tendering of Common Stock allocated to the accounts of participating employees and beneficiaries who fail to exercise their voting and/or tender rights. The reporting person disclaims voting power with respect to such allocated Common Stock.

- 
- (1) This number reflects the unallocated shares held in the ESOP. All allocated ESOP shares have pass-through voting. In the event that a participant does not direct his/her vote, those shares would not be voted, unless the Trustee determines that compliance with applicable law, compliance with its fiduciary duties or compliance with the Plan Sponsor's Voting Policy requires the Trustee to vote such shares.
