Amendment of Loan and Security Agreement.

On February 14, 2014, IntriCon Corporation (the “Company”) and its domestic subsidiaries entered into a Sixth Amendment to the Loan and Security Agreement and Waiver with The PrivateBank and Trust Company. The amendment, among other things:

- extended the term loan and revolving loan maturity date to February 28, 2018, keeping the existing term loan amortization schedule in place;
- increased the eligible accounts receivable borrowing capacity under the revolving line of credit facility. Under the revolving credit facility as amended, the availability of funds depends on a borrowing base composed of stated percentages of the Company’s eligible accounts receivable and inventory, less a reserve;
- amended the applicable base rate margin, applicable LIBOR rate margin, applicable LOC fee and applicable non-use fee based on the then applicable leverage ratio;
- amended the funded debt to EBITDA and fixed charge coverage covenants;
- revised the definition of net income to exclude losses from discontinued operations;
- approved the application of net proceeds from the IntriCon Tibbetts asset sale against amounts outstanding under the revolving credit facility; and
- waived certain financial covenant defaults as of December 31, 2013.

The foregoing description of the amendment does not purport to be complete and is qualified in its entirety by reference to such document, a copy of which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.

A copy of the press release of the Company issued in connection with the amendment is furnished as Exhibit 99.1.
