ITEM 4.02(a) Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On February 16, 2011, the Audit Committee of the Board of Directors of Universal Insurance Holdings, Inc. (“Universal”), in consultation with Universal’s management, concluded that due to a clerical error by Universal’s external provider of investment accounting services, Universal will restate its previously issued Condensed Consolidated Financial Statements for the three- and nine-month periods ended September 30, 2010. Accordingly, Universal’s previously issued Condensed Consolidated Financial Statements included in its Quarterly Report on Form 10-Q for the period ended September 30, 2010, should no longer be relied upon.

The restatement is the result of the correction of a third-party clerical error in the coding of a single investment security that resulted in an overstatement of unrealized gains on investments of \$2,316,041 and realized gains on investments of \$100,039 included in earnings for the three- and nine-month periods ended September 30, 2010. The net effect resulting from this clerical error on income before income taxes, net income and diluted earnings per share for the three- and nine-month periods ended September 30, 2010, and on stockholders’ equity at September 30, 2010, is as follows:

Income before income taxes decreased by \$2,226,252

Net income decreased by \$1,367,475

Diluted earnings per share decreased by \$0.04

Stockholders' equity decreased by \$1,367,475

Universal’s Audit Committee and management have discussed these matters with Universal’s independent registered public accounting firm.

Universal plans to file an amended Quarterly Report on Form 10-Q/A for the period ended September 30, 2010 as soon as practicable following the filing of this Current Report on Form 8-K.
