QUESTIONS AND ANSWERS ABOUT THE 2016 MEETING

Q: When and where is the 2016 Meeting?

A: The 2016 Meeting is being held at 1025 Willa Springs Drive, Winter Springs, Florida 32708, at 10:00 am, local time on Friday, June 10, 2016. Driving directions to the 2016 Meeting may be obtained by contacting the Company at (407) 677-8022.

The Meeting Notice, proxy statement and form of proxy are first expected to be made available to stockholders on or about April 29, 2016.

As of the close of business on the Record Date, there were 10,914,424 shares of our Common Stock outstanding and entitled to vote. Holders of our Common Stock are entitled to one vote per share at the 2016 Meeting. Q: Who can attend the 2016 Meeting?

A: Admission to the 2016 Meeting is limited to:

- stockholders as of the close of business on the Record Date, April 14, 2016;
- holders of valid proxies for the 2016 Meeting; and
- our invited guests.

Each stockholder may be asked to present valid picture identification such as a driver’s license or passport and proof of stock ownership as of the Record Date.

Q: Can I vote my shares by filling out and returning the Meeting Notice?

A: No. The Meeting Notice identifies the items to be voted on at the 2016 Meeting, but you cannot vote by marking the Meeting Notice and returning it.

Q: What is the difference between a stockholder of record and a stockholder who holds stock in street name?

If your shares are registered in your name as evidenced and recorded in the stock ledger maintained by the A: Company and our transfer agent, you are a stockholder of record. If your shares are held in the name of your broker, bank or other nominee, these shares are held in street name.

If you are a stockholder of record and you have requested printed proxy materials, we have enclosed a proxy card for you to use. If you hold your shares in street name through one or more banks, brokers or other nominees, you will receive the Meeting Notice, together with voting instructions, from the third party or parties through which you hold your shares. If you requested printed proxy materials, your broker, bank or other nominee has enclosed a voting instruction card for you to use in directing the broker, bank or other nominee regarding how to vote your shares.

Q: What are the quorum requirements for the 2016 Meeting?

The presence in person or by proxy of a majority in voting interest of the shares entitled to vote at the 2016 Meeting constitutes a quorum. Your shares will be counted as present at the 2016 Meeting for purposes of determining A: whether there is a quorum if a proxy card has been properly submitted by you or on your behalf, or you vote in person at the 2016 Meeting. Abstaining votes and broker non-votes are counted for purposes of establishing a quorum.

Q: What matters will the stockholders vote on at the 2016 Meeting?

The stockholders will vote on the following proposals:

Proposal 1. Election of Directors. To elect three members of our Board, each to hold office until the next annual meeting of stockholders or until such director's successor shall have been duly elected and qualified, including Roger Susi, our Chief Executive Officer, who, if so elected, will be appointed by the Board to serve as Chairman of the Board.

Proposal 2. Ratification of Independent Registered Public Accounting Firm. To ratify the appointment of RSM US LLP as the Company's independent registered public accounting firm.

Q: What vote is required to approve these proposals?

A: Provided a quorum is present, the following are the voting requirements for each proposal:

Proposal 1. Election of Directors. Each of the three nominees who receive the affirmative vote of the holders of a majority of the Common Stock having voting power present in person or represented by proxy shall be elected.

Proposal 2. Ratification of Independent Registered Public Accounting Firm. The Company's independent registered public accounting firm, RSM US LLP, will be ratified upon the affirmative vote of the holders of a majority of the Common Stock having voting power present in person or represented by proxy.

Q: What are the Board's voting recommendations?

A: Our Board recommends that you vote your shares:

“FOR” the three directors nominated by our Board as directors, each to serve until the next annual meeting of stockholders or until such director's successor shall have been duly elected and qualified; and

“FOR” the ratification of RSM US LLP as the Company's independent registered public accounting firm.

Q: How do I vote?

A: You may vote by any of the following methods:

In person. Stockholders of record and beneficial stockholders with shares held in street name may vote in person at the 2016 Meeting. If you hold shares in street name, you must obtain a proxy from the stockholder of record authorizing you to vote your shares and bring it to the meeting along with proof of beneficial ownership of your shares. A photo I.D. is required to vote in person.

By mail. If you elected to receive printed proxy materials by mail, you may vote by signing and returning the proxy card provided. Please allow sufficient time for mailing if you decide to vote by mail.

By internet or telephone. Stockholders who hold their shares beneficially in street name through a nominee (such as a bank or broker) may be able to vote by telephone, the Internet or mail. You should follow the instructions you receive from your nominee to vote those shares. If you are a stockholder who owns shares through a nominee and attends the Annual Meeting, you should bring a letter from your nominee identifying you as the beneficial owner of the shares and acknowledging that you will vote your shares.

Q: How can I change or revoke my vote?

A: You may change your vote as follows:

Stockholders of record. You may change or revoke your vote by submitting a written notice of revocation to IRADIMED CORPORATION, 1025 Willa Springs Drive, Winter Springs, FL 32708, Attention: Chris Scott, Chief Financial Officer, or by submitting another proxy card before the conclusion of the 2016 Meeting. For all methods of voting, the last vote cast will supersede all previous votes.

Beneficial owners of shares held in “street name.” You may change or revoke your voting instructions by following the specific directions provided to you by your bank, broker or other nominee.

Q: What if I do not specify a choice for a matter when returning a proxy?

A: Your proxy will be treated as follows:

Stockholders of record. If you are a stockholder of record and you sign and return a proxy card without giving specific voting instructions, then the proxy holders will vote your shares in the manner recommended by the Board on all matters presented in this proxy statement and as the proxy holders may determine in their discretion for any other matters properly presented for a vote at the meeting.

Beneficial owners of shares held in “street name.” If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, the organization that holds your shares may generally vote on routine matters but cannot vote on non-routine matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization that holds your shares will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is referred to as a “broker non-vote.”

Q: Which ballot measures are considered “routine” or “non-routine”?

A: The election of directors (“Proposal 1”) is considered to be a non-routine matter under applicable rules. The confirmation of RSM US LLP as the Company’s independent registered public accounting firm (“Proposal 2”) is considered a routine matter. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore there may be broker non-votes on Proposal 1.

Q: Could other matters be decided at the 2016 Meeting?

A: As of the date of the filing of this proxy statement, we were not aware of any matters to be raised at the 2016 Meeting other than those referred to in this proxy statement. If other matters are properly presented at the 2016 Meeting for consideration, the proxy holders for the 2016 Meeting will have the discretion to vote on those matters for stockholders who have submitted a proxy card.

Q: How are proxies solicited and what is the cost?

We are making, and we will bear all expenses incurred in connection with the solicitation of proxies. In addition to solicitation by mail, our directors, officers and employees may solicit proxies from stockholders by telephone, letter,

3

facsimile or in person. Following the original mailing of the Meeting Notice, we will request brokers, custodians, nominees and other record holders to forward their own notice and, upon request, to forward copies of the proxy statement and related soliciting materials to persons for whom they hold shares of our capital stock and to request authority for the exercise of proxies. In such cases, upon the request of the record holders, we will reimburse such holders for their reasonable expenses. We do not intend to engage a proxy solicitation firm to assist us in soliciting proxies.

Q: What are the implications of being an "emerging growth company?"

A: We are an "emerging growth company" under applicable federal securities laws and therefore permitted to take advantage of certain reduced public company reporting requirements. As an emerging growth company, we provide in this Proxy Statement the scaled disclosure permitted under the Jumpstart Our Business Startups Act of 2012 (or the JOBS Act) including the compensation disclosures required of a "smaller reporting company," as that term is defined in Rule 12b-2 promulgated under the Securities Exchange Act of 1934 (or the Exchange Act). In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We expect to remain an "emerging growth company" for up to five years after our initial public offering on July 15, 2014, or until the earliest of (i) the last day of the first fiscal year in which our annual gross revenues exceed \$1.0 billion, (ii) December 31 of the fiscal year that we become a "large accelerated filer" as defined in Rule 12b-2 under the Exchange Act, which would occur if the market value of our Common Stock that is held by non-affiliates exceeds \$700 million as of the last business day of our most recently completed second fiscal quarter and we have been publicly reporting for at least 12 months or (3) the date on which we have issued more than \$1.0 billion in non-convertible debt securities during the preceding three-year period.

Q: What should I do if I have questions regarding the 2016 Meeting?

A: If you have any questions about the 2016 Meeting, would like to obtain directions to be able to attend the 2016 Meeting and vote in person or would like additional copies of any of the documents referred to in this proxy statement, you should call us at (407) 677-8022.

PROPOSAL 1

ELECTION OF DIRECTORS

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE DIRECTOR-NOMINEES.

General

At the 2016 Meeting, a board of three directors will be elected, each to hold office until succeeding annual meeting of stockholders or until such director’s successor shall have been duly elected and qualified (or, if earlier, such director’s removal or resignation from our Board). Information concerning all director nominees is contained in this proxy statement. All of the Board’s nominees are incumbent directors of the Company.

Board Recommendation

The Board unanimously recommends a vote “FOR” each nominee.

The three nominees receiving the highest number of votes will be elected. This Proposal 1 is a “non-discretionary” or “non-routine” item, meaning that brokerage firms cannot vote shares in their discretion on behalf of a client if the client has not given voting instructions. Accordingly, if you hold your shares in street name and fail to instruct your broker to vote your shares, your shares will not be counted as votes cast on this Proposal 1.

PROPOSAL 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO RATIFY THE REAPPOINTMENT OF RSM US LLP.

Our stockholders are being provided the opportunity to ratify the Board’s appointment of RSM US LLP as the Company’s independent registered public accounting firm to perform independent audit services for the fiscal year ending December 31, 2016.

General

Our Board has appointed RSM US LLP (formerly McGladrey LLP) to examine our financial statements for 2016. The selection of RSM US LLP as the independent registered public accounting firm for 2016 is being presented to our stockholders for ratification at the 2016 Meeting. Representatives of RSM US LLP are expected to be present at the 2016 Meeting.

During the fiscal years ended December 31, 2015 and 2014, there were no disagreements with RSM US LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of RSM US LLP, would have caused it to make reference to the subject matter of the disagreements in connection with its report. During the fiscal years ended December 31, 2015 and 2014 there have been no reportable events of the type required to be disclosed by Item 304(a)(1)(v) of Regulation S-K.

Audit and Non-Audit Fees

The following table sets forth the aggregate fees billed or expected to be billed to our company for professional services rendered by our independent registered public accounting firm, for the fiscal years ended December 31, 2015 and 2014:

5

	2015	2014
Audit Fees	\$173,326	\$ 144,974
Audit-Related Fees	31,870	122,673
Tax Fees	—	31,930
All Other Fees	—	—
Total Fees	\$205,196	\$ 299,577

Audit Fees. Consist of fees billed for professional services rendered for the audits of our financial statements, reviews of our interim financial statements included in quarterly reports, services performed in connection with regular filings with the Securities and Exchange Commission and other services that are normally provided by our independent registered public accounting firm for the fiscal years ended December 31, 2015 and 2014, in connection with statutory and regulatory filings or engagements.

Audit Related Fees. For the year ended December 31, 2015, audit related fees consist of fees billed for professional services rendered in connection with the Company’s Registration Statement filings on Form S-3. For the year ended December 31, 2014, audit related fees consist of fees billed for professional services rendered in connection with the Company’s Registration Statement filings on Form S-1.

Tax Fees. Consist of fees billed for the preparation of a Research Tax Credit Study for Taxable Years Ended December 31, 2005 through December 31, 2013.

All Other Fees. Represent amounts billed in each of the years presented for services not classifiable under the other categories listed in the table above.

Policy on Pre-Approval by Audit Committee of Services Performed by Independent Registered Public Accounting Firm

On April 14, 2014 we adopted an Audit Committee Charter which requires the Audit Committee to pre-approve all audit and non-audit services provided by our independent registered public accounting firm. All of the services and fees since the adoption of our Audit Committee Charter were reviewed and approved by our Audit Committee before the respective services were rendered.

Our Audit Committee has considered the nature and amount of fees billed or expected to be billed by RSM US LLP and believes that the provision of services for activities unrelated to the audit was compatible with maintaining RSM US LLP’s independence.

Vote Required for Approval

The foregoing Proposal 2 will be approved upon the affirmative vote of the holders of a majority of the Common Stock having voting power present in person or represented by proxy.

Board Recommendation

The Board unanimously recommends a vote “FOR” the ratification of RSM US LLP as its independent registered public accounting firm for fiscal year 2016.

Corporate Governance

Board Leadership Structure. In keeping with good corporate governance practices, we maintain a majority of independent directors and our committees are comprised solely of independent directors. We no longer require as a matter of policy that our Chairman of the Board be an independent director.

Board Role in Risk Oversight. One of the key functions of our Board is informed oversight of our risk management process. Our Board will not have a standing risk management committee, but rather intends to administer this oversight function directly through our Board as a whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic and medical regulatory risk exposures, and our audit committee will have the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures. The Audit Committee also has the responsibility to issue guidelines and policies to govern the process by which financial accounting and reporting risk assessment and management is undertaken, monitor compliance with related legal and regulatory requirements, and oversee the performance of our internal audit function. Our compensation committee will assess and monitor whether any of our compensation policies and programs have the potential to encourage excessive risk-taking.

Passing of Mr. Novovich and Board Vacancy. Mr. Novovich, a board member since 2005, passed away on April 15, 2016. The board is actively seeking a qualified replacement and expects to find and appoint a replacement prior to the annual meeting of stockholders pursuant to the procedures outlined in the Company's bylaws.

Director Independence. The Board makes an affirmative determination that those members of its Board that serve as independent directors do not have any relationships with the Company and its businesses that would impair their independence. In connection with these determinations, the Board reviews information regarding transactions, relationships and arrangements involving the Company and its businesses and each director that it deems relevant to independence. We deem that Roger Susi is not independent as that term is defined by NASDAQ 5605(a)(2) because Mr. Susi serves as our President and Chief Executive Officer. We deem that Antony Vuoto and Monty Allen are independent as that term is defined by NASDAQ 5605(a)(2). We deemed that Serge Novovich was an independent director prior to his passing.

Director Nominations. Our Board does not have a standing Nominating Committee. As opposed to delegating such functions to a sub-group of the Board, it has been the Company's preference to involve all of the Board members in the nomination process. All of the members of the Board consider and recommend candidates for election to the Board and nominees for committee memberships and committee chairs. Director candidates are considered based upon a variety of criteria, including demonstrated business and professional skills, experience relevant to our business and strategic direction, concern for long-term stockholder interests, personal integrity and sound business judgment. The Board seeks men and women from diverse professional backgrounds who combine a broad spectrum of relevant industry and strategic experience and expertise that, in concert, offer us and our stockholders diversity of opinion and insight in the areas most important to us and our corporate mission. However, we do not have a formal policy concerning the diversity of the Board. All director candidates must have time available to devote to the activities of the Board. We also consider the independence of director candidates, including the appearance of any conflict in serving as a director. A director who does not meet all of these criteria may still be considered for nomination to the Board, if our independent directors believe that the candidate will make an exceptional contribution to us and our stockholders.

Generally, when evaluating and recommending candidates for election to the Board, the Board will conduct candidate interviews, evaluate biographical information and background material and assess the skills and experience of candidates in the context of the then current needs of the Company. In identifying potential director candidates, the Board may also seek input from the executive officers and may also consider recommendations by employees, community leaders, business contacts, third-party search firms and any other sources deemed appropriate by such directors. The Board will also consider director candidates recommended by stockholders to stand for election at the annual meeting of stockholders so long as such recommendations are submitted in accordance with the procedures described below under "Stockholder Recommendations for Board Candidates."

Executive Sessions. Non-management directors may meet in executive sessions without our management. Non-management directors are those directors who are not also our executive officers and include directors, if any, who are not independent by virtue of the existence of a material relationship with our company. Executive sessions are led by our Audit Committee Chairman. An executive session is sometimes held in conjunction with each regularly scheduled Audit Committee meeting and other sessions may be called by the Audit Committee Chairman in his own discretion or at the request of the Board of Directors.

The Board and Board Committees

The Board. The Board met four times for meetings during 2015, with such meetings including regularly scheduled meetings and special board meetings held as needed. During 2015, each incumbent director attended 75% or more of the Board meetings for the periods during which each such director served. Directors are not required to attend annual meetings of our stockholders. Mr. Susi and Mr. Allen attended the 2015 annual meeting.

Board Committees. Our Board includes an audit committee and a compensation committee. Our audit and compensation committees are comprised solely of independent board members. The audit committee held thirteen meetings during 2015 and the compensation committee held six meeting during 2015.

Audit Committee. Our audit committee currently consists of Mr. Allen, who is the chair of the Committee and Mr. Vuoto (since March 28, 2016) (Mr. Novovich was a member of our audit committee prior to his passing), each of whom has been determined by our Board to be independent in accordance with NASDAQ and SEC standards. Mr. Hawkins was a member of the audit committee during 2015. Mr. Allen is an "audit committee

financial expert" as the term is defined under the SEC regulations. The audit committee operates under a written charter. The functions of the audit committee include:

- overseeing our evaluation and engagement of independent registered public accountants;

Stockholder Recommendations for Board Candidates

The Board will consider qualified candidates for directors recommended and submitted by stockholders. Submissions that meet the then current criteria for board membership are forwarded to the Board for further review and consideration. The Board will consider a recommendation only if the informational and other requirements set forth in our bylaws are met. The Board will evaluate any such candidates by following substantially the same

process, and applying substantially the same criteria, as for candidates submitted by Board members. To submit a recommendation for a nomination, a stockholder must write to the Company's Secretary, at our principal office, Attention: Chris Scott, Secretary.

Stockholder Communications with the Board

Stockholders may, at any time, communicate with any of our directors by mailing a written communication to IRADIMED CORPORATION, 1025 Willa Springs Drive, Winter Springs, FL 32708, Attention: Chris Scott, Secretary. The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Stockholder-Board Communication" or "Stockholder-Director Communication." All such letters must identify the author as a stockholder, provide evidence of the sender's stock ownership and clearly state whether the intended recipients are all members of the Board or a particular director or directors. The Corporate Secretary will then forward such correspondence, without editing or alteration, to the Board or to the specified director(s) on or prior to the next scheduled meeting of the Board. The Board will determine the method by which such submissions will be reviewed and considered. The Board may also request the submitting stockholder to furnish additional information it may reasonably require or deem necessary to sufficiently review and consider the submission of such stockholder.

In the event that we are involved in a change of control transaction, which generally means the transfer of ownership of more than 50% of our shares, and Mr. Susi terminates his employment with us for good reason, we must pay him an amount equal to three times his then current annual salary. The employment agreement also contains non-solicitation, non-compete, and confidentiality provisions and an employee innovation and proprietary information assignment to us by Mr. Susi of any of his inventions or innovations.

We entered into an employment agreement with Chris Scott as our Chief Financial Officer in December 2013, pursuant to which we agree to compensate Mr. Scott at a base annual salary of \$145,000, with eligibility for merit increases to the base salary, annual bonuses and standard employee benefits. Employee Benefit Plans

2005 Incentive Stock Plan

13

In connection with the merger agreement effecting the reincorporation of our Oklahoma entity into the newly formed Delaware corporation in April 2014, the Delaware corporation assumed all obligations associated with the Oklahoma corporation's 2005 Incentive Stock Plan (the "2005 Plan"). The 2005 Plan was terminated as of the date of the merger and no new awards will be granted thereunder. All outstanding stock options under the 2005 Plan were assumed and adopted, subject to the 1.75:1 conversion ratio of the merger, by the Company and continue, to the extent yet unexercised and unexpired, to be outstanding and governed by the 2005 Plan. Upon expiration of any outstanding options under the 2005 Plan, the corresponding number of shares of common stock reserved will be cancelled and will not be made available for issuance under our new plan described below. As of December 31, 2015, options to purchase a total of 1,390,342 shares of common stock were issued and outstanding under the 2005 Plan.

2014 Equity Incentive Plan

In April 2015, our Board adopted and the Shareholders approved the IRADIMED CORPORATION 2014 Equity Incentive Plan (the "2014 Plan"). 1,000,000 shares of common stock have been reserved for issuance under the 2014 Plan. Any shares covered by an award that are forfeited, expired, cancelled, settled in cash, settled by issuance of fewer shares than the amount underlying the award, or otherwise terminated without delivery of shares to the grantee, will be available for future grants under the 2014 Plan. The following types of awards are available for grant under the 2014 Plan: ISOs, non-qualified stock options ("NSOs"), stock appreciation rights ("SARs"), restricted stock, restricted stock units, performance awards and other stock-based awards and cash awards. Unless earlier terminated by our Board, the authority to make grants under the 2014 Plan will terminate on April 14, 2024.

Eligibility to participate in the 2014 Plan is limited to such employees, officers, directors, consultants and advisors of the Company, or of any affiliate, as our Board may determine and designate from time to time. The exercise price per share of an ISO or NSO (together, "Options") will in no event be less than 100% of the fair market value per share of our stock underlying the award on the grant date. The grant price of a SAR will be fixed at the fair market value of a share of stock on the date of grant. Our Board determines when an Option or SAR will become exercisable and includes such information in the award agreement. Options and SARs will expire at such time as our Board determines; provided, however that no Option may be exercised more than ten years from the date of grant, or in the case of an ISO held by a Ten Percent Shareholder, not more than five years from the date of grant.

As of December 31, 2015, options to purchase a total of 239,000 shares of common stock were issued and outstanding under the 2014 Plan.

Limitations of Director Liability and Indemnification of Directors, Officers, and Employees

As permitted by the Delaware General Corporation Law, provisions in our charter and amended and restated bylaws limit or eliminate the personal liability of our directors. Consequently, directors will not be personally liable to us or our stockholders for monetary damages or breach of fiduciary duty as a director, except for liability for:

- any breach of the director's duty of loyalty to us or our stockholders;
- any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;
- any unlawful payments related to dividends or unlawful stock repurchases, redemptions or other distributions; or
- any transaction from which the director derived an improper personal benefit.

These limitations of liability do not alter director liability under the federal securities laws and do not affect the availability of equitable remedies, such as an injunction or rescission.

In addition, our charter and amended and restated bylaws provide that:

we will indemnify our directors and officers to the fullest extent permitted by the Delaware General Corporation Law, subject to limited exceptions, including an exception for

indemnification in connection with a proceeding (or counterclaim) initiated by such persons; and

we will advance expenses, including attorneys' fees, to our directors and officers in connection with legal proceedings, subject to limited exceptions.

We maintain general liability insurance that covers certain liabilities of our directors and officers arising out of claims based on acts or omissions in their capacities as directors or officers, including liabilities under the Securities Act. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, or persons who control our company, we have been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

These provisions may discourage stockholders from bringing a lawsuit against our directors for breach of their fiduciary duty. These provisions may also have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit us and our stockholders. Furthermore, a stockholder's investment may be adversely affected to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions. We believe that these provisions and the insurance are necessary to attract and retain talented and experienced directors and officers.

Director Compensation

We compensate non-employee members of the Board of Directors. Directors who are also employees do not receive cash or equity compensation for service on the Board of Directors in addition to compensation payable for their service as our employees. The non-employee members of our Board of Directors are reimbursed for travel, lodging, and other reasonable expenses incurred in attending Board of Directors or committee meetings.

The following table sets forth summary information concerning the compensation awarded to, paid to, or earned by the non-employee members of our Board of Directors for the fiscal year ended December 31, 2015.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors and persons who own more than 10% of our common stock to file with the Securities and Exchange Commission initial statements of beneficial ownership, reports of changes in ownership and annual reports concerning their ownership of our common stock and other equity securities, on Forms 3, 4 and 5 respectively. Executive officers, directors and greater than 10%

shareholders are required by the Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) reports that they file.

Based solely on our review of the copies of such forms received by us, or written representations from certain reporting persons, we believe that during fiscal year ended December 31, 2015, all filing requirements applicable to our officers, directors and greater than 10% percent beneficial owners were complied with..

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

15

In addition to the compensation arrangements with directors and executive officers described above in "Executive and Director Compensation," the following is a description of each transaction since January 1, 2015 and each currently proposed transaction in which (i) we have been or are to be a participant, (ii) the amount involved exceeded or will exceed the lesser of \$120,000 or one percent of the average of our total assets at year end, and (iii) any of our directors, executive officers, holders of more than 5% of our capital stock, or any member of their immediate families or persons sharing their household had or will have a direct or indirect material interest.

Lease of Property from CEO

We entered into a lease, commencing July 1, 2014, for a new facility in Winter Springs, Florida owned by Susi, LLC, an entity controlled by our president and CEO, Roger Susi. The facility is approximately 27,000 square-feet and will house our manufacturing operations and corporate headquarters. Pursuant to the terms of our lease for this property, the monthly base rent is \$32,616, adjusted annually for changes in the consumer price index. The term of the lease expires on May 31, 2019. The lease will automatically renew for two successive terms of five years each beginning in 2019 and again in 2024, and thereafter, will be renewed for successive terms of one year each.

Purchase of Common Stock in Initial Public Offering by Director

At our request, the underwriters in our initial public offering, which closed on July 21, 2014, reserved 80,000 shares of our common stock for sale to James Hawkins, then Chairman of our Board of Directors. The number of shares of common stock available for sale to the general public was reduced by such amount. All sales of reserved common stock to Mr. Hawkins were made at the initial offering price of \$6.25, thus the total purchase price was \$500,000.

Secondary Offering by CEO

On December 18, 2015, our founder and CEO Roger Susi sold 1,043,479 shares of our Common stock in an underwritten secondary offering.

Policies and Procedures for Related Party Transactions

In April 2014, we established an audit committee and adopted an audit committee charter. Our audit committee has the primary responsibility for reviewing and approving or disapproving "related party transactions," which are transactions between us and related persons in which the aggregate amount involved exceeds or may be expected to exceed \$120,000 and in which a related person has or will have a direct or indirect material interest. For purposes of this policy, a related person is defined as a director, executive officer, nominee for director, or a greater than 5% beneficial owner of our common stock, in each case since the beginning of the most recently completed year, and their immediate family members. Our audit committee charter provides that the audit committee shall review and approve or disapprove any related party transactions
