PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD TUESDAY, APRIL 23, 2002

This proxy statement is furnished to the shareholders of Citizens Holding Company, or the company, in connection with the solicitation of proxies by the board of directors, for use at the annual meeting of shareholders to be held at 3:30 p.m., Central time on Tuesday, April 23, 2002, at the company's main office, 521 Main Street, Philadelphia, Mississippi 39350, and any adjournments or postponements. This proxy statement and accompanying proxy card are first being distributed to our shareholders on or about March 22, 2002.

PROXY SOLICITATION

The board of directors is soliciting the enclosed proxy so that each shareholder has the opportunity to vote on the proposals presented at the annual meeting, whether or not the shareholder attends the meeting. When a proxy card is returned properly signed and dated, the shares represented by the proxy will be voted in accordance with the instructions on the card at the annual meeting, including any adjournments or postponements. If the proxy card is signed but no instructions are given, the shares represented by the proxy will be voted at the annual meeting and any adjournments or postponements:

- (1) "FOR" setting the number of directors to serve on the board at twelve;
- (2) "FOR" the election of nominees Willis W. Dungan, George R. Mars,

Edgar Filing: CITIZENS HOLDING CO /MS/ - Form DEF 14A

William M. Mars and Steve Webb as Class III directors; and

- (3) "FOR" the approval of the appointment of Horne CPA Group as the company's independent accountants for the fiscal year ending December 31, 2002.

The proxy card gives the individuals named as proxies discretionary authority to vote the shares represented by the proxy on any matter other than the proposals that is properly presented for action at the annual meeting.

A shareholder who gives a proxy may revoke it at any time before it is voted by giving written notice to the secretary of the company before the annual meeting, by granting a subsequent proxy or if the shareholder, rather than his or her broker, is a record holder of our stock, by appearing in person and voting at the annual meeting.

1

The company generally bears all costs of soliciting proxies. The company has retained and pays a fee to American Stock Transfer and Trust Company to act as its registrar and transfer agent and to assist it in the solicitation of proxies, but the company pays no identifiable compensation for the solicitation of proxies. Directors, officers and employees of the company, who will receive no compensation for their services, may solicit proxies by telephone, mail, facsimile, via the Internet or overnight delivery service.

RECORD DATE AND VOTING RIGHTS

The board of directors has fixed the close of business on Friday, March 15, 2002, as the record date for the annual meeting. Only shareholders of record on that date are entitled to notice of and to vote at the annual meeting. As of March 22, 2002, the company's only outstanding class of securities was common stock, \$.20 par value per share. As of March 22, 2002, the company had 22,500,000 shares authorized, of which 4,963,125 shares of common stock were issued and outstanding.

This proxy provides the opportunity for shareholders to specify approval, disapproval, or abstention for the following proposals:

- (1) A proposal to set the number of directors to serve on the board at twelve;
- (2) The election of four Class III directors to serve until the expiration of their respective three-year term or until their successors are elected and qualified; and
- (3) The appointment of Horne CPA Group as the company's independent accountants for the fiscal year ending December 31, 2002.

A majority of the votes entitled to be cast at the annual meeting constitutes a quorum. A share, once represented for any purpose at the annual meeting, is deemed present for purposes of determining a quorum for the remainder of the meeting and for any adjournment, unless a new record date is set for the adjourned meeting. This is true even if the holder of the share abstains from voting with respect to any matter brought before the annual meeting.

Shareholders are entitled to one vote for each share held, which may be given in person (if the shareholder, rather than his or her broker, is the record holder of our stock) or by proxy, except that shareholders may cumulate their votes in the election of directors. Cumulative voting entitles a

Edgar Filing: CITIZENS HOLDING CO /MS/ - Form DEF 14A

shareholder to give one nominee a number of votes equal to the number of directors to be elected multiplied by the number of shares held by that shareholder, or to distribute the total votes, computed on the same principle, among as many nominees for election as directors as the shareholder chooses. For example, if the number of directors to be elected is four, a shareholder owning ten shares may cast ten votes for each of four nominees, cast forty votes for one nominee, or allocate the forty votes among several nominees. Directors are elected by plurality vote, thus, the candidates receiving the highest number of votes cast, up to the number of directors to be elected, are elected.

2

For all matters brought before the annual meeting, other than the election of directors, each proposal or other matter is approved if the votes cast favoring the proposal or other matter exceed the votes cast opposing the proposal or other matter.

Under Mississippi law and the company's articles of incorporation and bylaws, an abstention by a shareholder who is either present in person at the annual meeting or represented by proxy is not a vote "cast" and is counted neither "for" nor "against" the matter subject to the abstention. Broker non-votes on matters are treated as shares as to which voting power has been withheld by the beneficial holders of those shares and therefore, as shares not entitled to vote.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The board meets monthly, generally in a joint session with the board of directors of The Citizens Bank of Philadelphia, the bank. During the fiscal year ended December 31, 2001, the board

4

met sixteen times. There were twelve regular monthly meetings and four special meetings. Each director attended at least 75% of all meetings held by the board and the committees on which he served. The board, among other things, (1) approves remuneration arrangements for executive officers of the company, (2)

Edgar Filing: CITIZENS HOLDING CO /MS/ - Form DEF 14A

reviews compensation plans relating to executive officers and directors, (3) determines other benefits under the company's compensation plans, and (4) performs general reviews of the company's employee compensation policies. Any director who also serves as an executive officer of the company or the bank, does not participate in any board determination regarding salaries and other compensation for executive officers.

The board has established an audit committee. The board has not formally established a compensation committee and a nominating committee; however, the full board generally performs the functions of these committees. The board of the bank also maintains a trust and loan committee.

Karl Brantley, Donald L. Kilgore, and Herbert A. King are the members of the audit committee. Each member of the audit committee is an "independent director" as defined in Section 121(A) of the American Stock Exchange's listing standards. The audit committee operates under a written charter adopted by the board of directors on February 22, 2000. The audit committee is responsible for the review of audit fees, the supervision of matters relating to audit functions, the review and establishment of internal policies and procedures regarding audits, accounting and other financial controls, and the review of related party transactions. The audit committee also recommends to the board of directors an independent accounting firm to be engaged as the company's independent auditors. During 2001, the audit committee held three meetings.

COMPENSATION OF THE BOARD OF DIRECTORS

During 2001, each employee and nonemployee director of the company received a \$875 monthly retainer, a \$875 year-end bonus and an additional \$125 for each board meeting attended. Directors that serve on the loan committee received an additional \$50 per month and an additional \$50 year-end bonus.

The company maintains a stock option plan for the benefit of nonemployee directors, the 1999 Directors' Stock Compensation Plan. During 2001, each nonemployee director was granted options to purchase 1,500 shares of common stock, at an exercise price of \$10.83 per share, which is the fair market value of the stock on the date of grant. The number of shares covered by the options and the exercise price have been adjusted to give effect to the three-for-two stock split that occurred on December 14, 2001. As of March 22, 2002, no director has exercised any options granted under the plan.

Directors of the company and the bank may elect to participate in the Directors' Deferred Fee Plan maintained by the bank. The plan requires a participating director to defer all or part of his director fees for a ten-year period. Benefits are equal to the amount credited to each director's individual account, including deferred fees and interest at a stated rate based upon the Moody's Average Corporate Bond Rate. Benefits are generally payable when a director ceases to serve on the

5

board or attains age 70. The company has elected to purchase individual life insurance policies to fund its obligation under the plan.

PROPOSAL I: NUMBER OF DIRECTORS TO BE ELECTED

The company's articles of incorporation provide for a board of directors consisting of not less than nine nor more than twenty-five directors. The company's shareholders set the actual number of directors to serve on the board each year at the annual meeting. The board of directors currently consists of twelve directors divided into three classes, with members of each class elected

Edgar Filing: CITIZENS HOLDING CO /MS/ - Form DEF 14A

for a three-year term. The terms of the three classes are staggered in a manner so that only one class is elected by the shareholders annually.

A proposal that the number of directors to serve for the ensuing year remain fixed at twelve will be submitted for vote by the shareholders at the annual meeting. If this proposal is approved by the affirmative vote of the holders of a majority of the shares of common stock voted at the annual meeting, four Class III directors will be elected, each to serve a three year-term. If this proposal is not approved and the number of directors to serve on the board is not set by the shareholders at the annual meeting, the number of directors to serve on the board will remain at twelve as fixed at the 2001 annual meeting and Four Class III directors will still be elected, each to serve a three-tear term.

VOTE REQUIRED AND BOARD RECOMMENDATION

The affirmative vote by the holders of a majority of the shares of common stock voted at the annual meeting is required to approve the proposal to set the number of directors to serve on the board at twelve.

Shares represented by a properly signed and dated proxy card will be voted in accordance with the instructions on the card at the annual meeting. If the proxy card is signed but no instructions are given with respect to setting the number of directors to serve on the board, the proxy holders will vote the proxies received by them for setting the number of directors to serve on the board at twelve.

THE BOARD OF DIRECTORS HAS UNANIMOUSLY RECOMMENDS A VOTE "FOR" SETTING THE NUMBER OF DIRECTORS TO SERVE ON THE BOARD AT TWELVE.

PROPOSAL II: ELECTION OF CLASS III DIRECTORS

Four Class III directors will be elected at the annual meeting to each serve a three-year term. The board has nominated Willis W. Dungan, George R. Mars, William M. Mars and Steve Webb for election as Class III directors to serve until the 2005 annual meeting or until their successors are duly elected and qualified. Willis W. Dungan, George R. Mars, William M. Mars and Steve Webb are currently Class III directors of the company and have been nominated for re-election as Class III directors.

6

VOTE REQUIRED AND BOARD RECOMMENDATION

For the election of directors, shareholders are entitled to four votes for each share held and may cumulate votes. Directors are elected by plurality vote. Thus, the four Class III nominees receiving the highest number of votes cast will be elected to serve as Class III directors.

Shares represented by a properly signed and dated proxy card will be voted in accordance with the instructions on the card at the annual meeting. If the proxy card is signed but no instructions are given with respect to the election of directors, the proxy holders will vote the proxies received by them for the nominees listed above, and reserve the right to cumulate votes and distribute them among the nominees, in their discretion. If for any reason one or more of the nominees named above is not available as a candidate for director, an event that the board of directors does not anticipate, the proxy holders will vote, in their discretion for another candidate or candidates nominated by the board. If shareholders attending the annual meeting cumulate their votes such that all of the nominees above cannot be elected, the proxy holders will cumulate votes to elect as many of the nominees listed above as possible.

Edgar Filing: CITIZENS HOLDING CO /MS/ - Form DEF 14A

THE COMPANY'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES FOR CLASS III DIRECTOR OF THE BOARD OF DIRECTORS.

STOCK OPTIONS

The company maintains the 1999 Employees' Long-Term Incentive Plan, which provides for the grant of stock options and restricted stock to employees of the company and the bank. The company has reserved for grant or issuance under the plan shares of common stock not to exceed 7% of the company's issued and outstanding common stock, as determined from time to time, or 347,419 shares as of December 31, 2001. As of December 31, 2001, grants representing 26,700 shares of the company's common stock have been awarded under the plan.

The following table presents information on the stock option grants that were made under the plan during the fiscal year ended December 31, 2001 to the named executive officers of the company and the bank. The number of securities underlying the options and the per share exercise prices have been adjusted to reflect the three-for-two stock split that occurred on December 14, 2001.

REPORT ON EXECUTIVE COMPENSATION

The company has not established a separate compensation committee. Instead, the board is responsible for setting the compensation of executive officers, developing executive benefit plans, and establishing other employee benefit plans or programs for the benefit of the company's executive officers. Steve Webb and Greg L. McKee, the sole members of the board who are also employees of the company or the bank, do not participate in determinations affecting executive compensation, but do make recommendations to the board with respect to the amount and form of executive compensation.

Determinations of the board are primarily made on the basis of industry and peer group standards and regional and national economic considerations. The board relies upon external legal counsel, when needed from time to time, and upon survey data produced by independent third parties.

Edgar Filing: CITIZENS HOLDING CO /MS/ - Form DEF 14A

The company's executive compensation program consists of three components: base salary, short-term incentives, and long-term incentives. Currently, the program emphasizes base salary and short-term incentives. Long-term incentives that link the performance of the company's common stock and executive compensation are not significant. Neither the company nor the bank has entered into employment, retention, change in control or similar agreements with Steve Webb or any other executive officer.

The board sets base salary at levels somewhat below the average of regional, competitive peer banks. Base salary is reviewed annually and is subject to adjustment based upon individual performance and changes in the regional competitive market. Based upon these standards, the board established the base salary of Steve Webb, president of the company and the chief executive officer of company and the bank, at \$150,000, and the base salary of Greg L. McKee, the president of the bank, at \$90,000, effective January 1, 2001.

14

Executives and employees are eligible to receive annual bonuses. Such bonuses are awarded based upon recommendations made to the board by Steve Webb, subject to approval in the board's discretion. Recommendations are generally based upon individual performance and the company's performance. There are no preestablished performance goals or objectives.

The company has established a long-term incentive plan, called the 1999 Employees' Long-Term Incentive Plan, which was first effective as of January 1, 1999. The plan permits the grant of options and restricted stock. During 2001, grants of stock options were made to Mr. Steve Webb and Mr. McKee in recognition of their service as members of the company's board of directors, subject to terms and conditions substantially identical to the terms and conditions of grants made to the company's nonemployee directors under the 1999 Directors' Stock Compensation Plan.

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits to \$1 million in a taxable year the deduction a company may claim for compensation paid to its chief executive and four other highest paid officers, unless certain performance-based conditions are met. The board has reviewed this provision and does not anticipate the payment of any compensation to an executive officer that would be affected by the limit.

The board believes that base salary levels and other short and long-term incentives are reasonable and sufficiently competitive. The board further believes that the degree of performance sensitivity in the compensation program is reasonable, taking into consideration the historical practices of the company and the bank and the interests of its shareholders.

The nonemployee members of the board of directors:

M.G. Bond	Karl Brantley	Willis W. Dungan
Don L. Fulton	Donald L. Kilgore	David A. King
Herbert A. King	George R. Mars	William M. Mars
David P. Webb		

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the board of directors who participate in deliberations of the board of directors concerning executive officer compensation are set forth above. None of these individuals is a former officer of the company or any of its subsidiaries.

INDEBTEDNESS OF RELATED PARTIES

Certain directors and officers of the company, businesses with which they are associated, and members of their immediate families are customers of the bank and have had transactions with the bank in the ordinary course of the bank's business. The indebtedness (including unfunded commitments) of the directors, officers and related parties, to the bank was equal to 2.6% of the company's shareholders' equity as of December 31, 2001. This indebtedness comprised 0.5% of the

15

total currently outstanding loans net of unearned interest made by the bank as of December 31, 2001. In the opinion of the board of directors, such transactions were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and do not involve more than the normal risk of collectibility or present other unfavorable features.

INTERESTS OF THE BOARD OF DIRECTORS

For the past several years, the company has employed the legal services of Phelps Dunbar LLP, of which Mr. David Webb, a current director of the company and bank, is a partner. Phelps Dunbar LLP has represented the company in various legal areas, including tax audits, employee benefits, civil lawsuit defense and general corporate law. The company expects that the firm will continue to represent the company in similar matters in the future.

STOCK PERFORMANCE GRAPH

The following performance graph compares the performance of the company's common stock to the AMEX Market Index and to a peer group of 58 other regional bank holding companies for the company's reporting period. The graph assumes that the value of the investment in the company's common stock and each index was \$100 at October 19, 1999 (the date trading of the common stock began on the American Stock Exchange) and that all dividends were reinvested. All information relating to the company's common stock in the performance graph has been adjusted to give effect to the three-for-two stock split of the company's common stock that occurred on December 14, 2001.
