PROXY STATEMENT

This Proxy Statement is furnished to the stockholders of Equus II Incorporated ("EQS" or the "Fund"), in connection with the solicitation by its Board of Directors of proxies to be voted at the 2003 Annual Meeting of Stockholders to be held on Friday, May 9, 2003, at 9:00 a.m., local time, at Meeting Room No. 1, Ground Level, Wortham Tower, 2727 Allen Parkway, Houston, Texas 77019, and at any adjournment thereof.

ABOUT THE MEETING

What is the purpose of the annual meeting?

At the annual meeting, stockholders will act upon the matters outlined in the accompanying notice of meeting, including the election of directors, the ratification of the Fund's independent auditors, the approval of an amendment to the 1997 Stock Incentive Plan and the cancellation and reissuance of certain options previously granted to the non-employee directors under the 1997 Stock Incentive Plan. In addition, the Fund's management will report on the performance of the Fund during 2002 and respond to questions from stockholders.

Who is entitled to vote?

Stockholders of record at the close of business on the record date, March 21, 2003, are entitled to receive notice of the annual meeting and to vote the shares of common stock that they held on that date at the meeting, or any postponement or adjournment of the meeting. Each outstanding share entitles its holder to cast one vote on each matter to be voted upon. A list of stockholders on the record date will be available for inspection at the Fund's office at 2929 Allen Parkway, Suite 2500, Houston, Texas for ten days before the meeting.

Who can attend the meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend the meeting. Each stockholder may be asked to present valid picture identification, such as a driver's license or passport. Cameras, recording devices, and other electronic devices will not be permitted at the meeting.

Please note that if you hold your shares in "street name" (that is, through a broker, bank, or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date and check in at the registration desk at the meeting.

Parking is available at local garages; the fee for parking is \$0.75 per half hour.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum, permitting the meeting to conduct its business. As of the record date, 6,233,021 shares of common stock of the Fund were outstanding.

Proxies received but marked as abstentions and broker non-votes that are voted on any matter will be included in the calculation of the number of shares

Edgar Filing: EQUUS II INC - Form DEF 14A

considered to be present at the meeting.

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to the Fund, it will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. "Street name" stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

Can I vote by telephone or electronically?

Because of cost increases, we are not offering registered stockholders (that is, if you hold your stock in your own name) the ability to vote by telephone or via the Internet. If your shares are held in "street name," you will need to contact your broker or other nominee to determine whether you will be able to vote by telephone or electronically.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with the Secretary of the Fund either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the Board's recommendations?

The Board's recommendation is set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote:

- . for election of the nominated slate of directors (see page 4);
- . for ratification of the appointment of PricewaterhouseCoopers LLP as the Fund's independent auditors (see page 16); and
- . for approval and ratification of the proposed amendment to the Fund's 1997 Stock Incentive Plan and to authorize the cancellation and reissuance of certain options granted to non-employment directors of the Fund under the Fund's 1997 Stock Incentive Plan (see page 18).

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

How are votes counted?

In the election of directors, you may vote "FOR" all of the nominees or your vote may be "WITHHELD" with respect to one or more of the nominees. For the other proposals, you may vote "FOR," "AGAINST," or "ABSTAIN." If you sign your proxy card or broker voting instruction card with no further instructions, your shares will be voted in accordance with the recommendations of the Board.

2

What vote is required to approve each item?

Election of Directors. The affirmative vote of a plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked "WITHHELD" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated,

Edgar Filing: EQUUS II INC - Form DEF 14A

although it will be counted for purposes of determining whether there is a quorum.

Other Items. For each other item, the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. A properly executed proxy marked "ABSTAIN" with respect to any such matter will not be voted in favor of or against such matter, although it will be counted as voted for purposes of determining whether there is a quorum.

If you hold shares in "street name" through a broker, bank, or other nominee, your broker, bank, or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

What does it mean if I receive more than one proxy or voting instruction card?

It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Who will bear the cost of soliciting votes for the meeting?

The cost of soliciting proxies will be paid by the Fund. Copies of solicitation material will be furnished to brokerage houses, fiduciaries and custodians to forward to beneficial owners of stock held in the name of such nominees. The solicitation of proxies will be by mail, telephone, or otherwise through the officers and regular employees of the Fund or Equus Capital Management Company (the "Management Company"), the Fund's investment advisor, without special compensation therefor.

3

ITEM 1 -- ELECTION OF DIRECTORS

Article III, Section 3.2 of the By-laws of the Fund provides for a minimum of three and a maximum of fifteen directors (a majority of whom must be independent directors). There are currently eight directors, including six independent directors (i.e. directors who are not "interested persons" as defined in the Investment Company Act). The nominees receiving an affirmative vote of a plurality of the shares entitled to vote and present, either in person or by proxy, at the Annual Meeting, will be elected as members of the Board. All of the elected directors will serve until their respective successors have been duly elected and qualified or until they resign, die or are removed from office.

The persons named as proxies in the enclosed form of proxy were selected by the Board, and have advised the Board that, unless authority is withheld, they intend to vote the shares represented by them at the Annual Meeting for the election of Sam P. Douglass, Gregory J. Flanagan, Robert L. Knauss, Nolan Lehmann, Gary R. Petersen, John W. Storms, Dr. Francis D. Tuggle, and Dr. Edward E. Williams. All of the nominees are current members of the Board, six of whom are independent directors (Messrs. Flanagan, Knauss, Petersen, Storms, Dr. Tuggle, and Dr. Williams). All of the nominees have consented to their nomination and will serve if elected to the Board.

The Board knows of no reason why any nominee for director would be unable to serve as a director. If at the time of the Annual Meeting any of the named

Edgar Filing: EQUUS II INC - Form DEF 14A

nominees are unable or unwilling to serve as directors of the Fund, the persons named as proxies intend to vote for such substitutes as may be nominated by the Board.

The Board unanimously recommends that each stockholder vote "FOR" the election of the Board's nominees for Director.

What are the duties of the Board of Directors?

The Board provides overall guidance and supervision with respect to the operations of the Fund and performs the various duties imposed on the directors of business development companies by the Investment Company Act. Among other things, the Board supervises the management arrangements of the Fund, the custodial arrangements with respect to portfolio securities, the selection of accountants, fidelity bonding and transactions with affiliates. All actions taken by the Board are taken by majority vote unless a higher percentage is required by law or unless the Investment Company Act, the Fund's Restated Certificate of Incorporation or By-laws require that the actions be approved by a majority of the independent directors. The Investment Company Act requires that a majority of the directors be individuals who are not "interested persons" (as defined under the Investment Company Act) of the Fund.

Compensation of Directors and Executive Officers of the Fund

During 2002, each director who was not an officer of the Fund received an annual fee of \$25,000, \$3,000 for each meeting of the directors attended, \$1,500 for participation in each meeting conducted by telephonic conference, and \$1,500 for each committee meeting attended (\$500 for each committee meeting - if attended on the same day as a Board meeting), and reimbursement for all out-of-pocket expenses relating to attendance at such meetings. For 2003, the Board has voted to reduce the annual fee to \$20,000, the meeting fee to \$2,000, and the committee fee to \$1,000 per meeting. The independent directors do not receive any additional compensation from the Fund or portfolio companies for any additional services rendered. Officers and directors of the Fund who are affiliated with management may serve as directors of portfolio companies and in such capacities may receive and retain directors' fees and other compensation directly from the portfolio companies. Officers of the Fund do not receive cash compensation directly from the Fund, but are employed by and receive a salary from the Management Company. The Fund established a stock incentive plan in 1997 to provide incentive compensation to its directors, officers, and employees.

The directors who were not officers of the Fund were paid an aggregate of \$238,500 and \$246,000 as compensation for the years ended December 31, 2002 and 2001, respectively.

Edgar Filing: EQUUS II INC - Form DEF 14A

Under the 1997 Stock Incentive Plan (the "Plan"), each non-officer director was granted an option to purchase 5,500 shares of EQS common stock on November 4, 1997. In addition, each individual elected as a non-officer director is, on the first business day following the annual stockholders meeting, granted a stock option to purchase 2,200 shares of EQS common stock at the closing sales price for shares of EQS common stock on that date. One of the items of business to be voted on at the Annual Meeting of the Stockholders will be to authorize the cancellation of certain outstanding options to purchase shares of EQS common stock held by non-employee directors, which were granted prior to 2002, and to authorize the Fund to make a one-time grant of options to purchase the same number of EQS shares to each non-employee director at current market value of the EQS shares at the date of the Annual Meeting. The Fund currently has no bonus, profit-sharing, pension or retirement plan. Any new director will automatically be granted an option to purchase 5,500 shares of EQS common stock on the first business day following such director's first board meeting.

Under the Plan the Fund may grant stock options to eligible directors and officers for up to the number of shares of EQS common stock equal to 20% of the outstanding shares. At December 31, 2002, the Fund had outstanding stock options covering an aggregate of 1,086,800 shares. The Compensation Committee is responsible for granting awards of stock options under the Plan.

(1) The amounts shown under these columns are the result of calculations at the 5% and 10% rates required by the rules adopted by the Securities and Exchange Commission and are not intended to forecast future appreciation of the Fund's stock price. The potential realizable values are based on an assumption that the stock price of the shares of EQS Common Stock appreciates at the annual rate shown (compounded annually) from the date of grant until the end of the option term. The values do not take into account amounts required to be paid as income taxes or option provisions providing for termination of an option following termination of employment, nontransferability, or vesting over periods of up to four years.

Under the federal securities laws, the Fund's directors, executive (and certain other) officers, and any persons holding more than ten percent of EQS Common Stock are required to report their ownership of EQS Common Stock and any changes in that ownership to the Fund and the Securities and Exchange Commission (the "SEC"). Specific due dates for these reports have been established by regulation and the Fund is required to report in this proxy statement any failure to file by these dates in 2002. The Fund's directors, officers, and ten-percent holders satisfied all of these filing requirements.

As of April 4, 2003, the Fund believes that all directors, officers and ten-percent holders are current in their filings. In making these statements, the Fund has relied on the written representations of its directors, officers and ten percent holders and copies of reports that they have filed with the SEC.

INVESTMENT MANAGEMENT AGREEMENT

The investments and business of the Fund are managed by the Management Company pursuant to a Management Agreement (the "Management Agreement") dated May 9, 1997. The date that the Management Agreement was last submitted to a vote of the stockholders of the Fund was May 9, 1997, when it was initially approved. On May 7, 2002, the Board of Directors of the Fund approved the continuation of the Management Agreement until June 30, 2003.

Under the Management Agreement the Management Company provides, or arranges for suitable third parties to provide, any and all management and administrative services reasonably necessary for the operation of the Fund and the conduct of its business. Such management and administrative services include providing the Fund with office space, equipment, facilities and supplies, and clerical services; keeping and maintaining the books and records of the Fund, and handling communications and correspondence with stockholders; preparing accounting, management and other reports; and providing such other managerial and administrative services as may be reasonably requested by the Fund to identify, evaluate, structure, monitor and dispose of the Fund's investments. In return for its services and the expenses that the Management Company assumes under the Management Agreement, the Fund pays the Management Company, on a quarterly basis, a management fee equal to 0.5% of the net assets of the Fund on the last day of each calendar quarter (2% per annum). The management fee is payable quarterly in arrears. The Management Company's management fee from the Fund was \$1,532,152 for the year ended December 31, 2002. The total net assets of the Fund as of December 31, 2002, were approximately \$77.0 million.

Under the Management Agreement, the Fund bears all costs and expenses directly allocable and identifiable to the Fund or its business or investments, including all expenses with respect to investments or the acquisition or disposition thereof, expenses of registering the shares under federal and state securities laws, costs of printing proxies and other expenses related to meetings of stockholders, litigation expenses, costs of third party evaluations or appraisals of the Fund (or its assets) or its actual investments, fees of transfer agents and custodians, legal fees, fees of independent public

Edgar Filing: EQUUS II INC - Form DEF 14A

accountants, expenses of printing and distributing reports to stockholders, securities holders and regulatory bodies, federal, state and local taxes, and other costs and expenses directly allocable and identifiable to the Fund or its business or investments.

The Management Company also received additional compensation of \$50,000 for providing certain investor communication services to the Fund for the year ended December 31, 2002.

Officers of the Management Company also serve as directors of portfolio companies in which the Fund has investments. In consideration for such service, such officers may receive and retain fees and non-employee director stock options from such portfolio companies. During 2002, the officers of the Fund received \$256,750 of director fees from portfolio companies.

The Management Agreement will continue in effect until June 30, 2003, and from year-to-year thereafter provided such continuance is approved at least annually by (i) a vote of a majority of the outstanding shares of the Fund or (ii) a majority of the directors who are not "interested persons" of the Fund, at a meeting called for the purpose of voting on such approval. The Management Agreement may be terminated at any time, without the payment of any penalty, by a vote of the Board of Directors of the Fund or the holders of a majority of the Fund's shares on 60 days' written notice to the Management Company, and would automatically terminate in the event of its "assignment" (as defined in the Investment Company Act).

ITEM 2 -- RATIFICATION OF THE SELECTION OF INDEPENDENT AUDITORS FOR THE FUND

The Audit Committee has selected the accounting firm of PricewaterhouseCoopers LLP to audit the Fund's financial statements for, and otherwise act as the Fund's independent accountants with respect to the fiscal year ending December 31, 2003. The Fund's appointment of PricewaterhouseCoopers LLP is conditioned on the Fund's right to terminate such employment at any time without any penalty. In accordance with the Audit Committee's resolution, the selection of PricewaterhouseCoopers LLP for the current fiscal year is submitted to stockholders for ratification. The Fund knows of no direct or indirect financial interest of PricewaterhouseCoopers LLP in the Fund.

PricewaterhouseCoopers LLP was retained as the independent accountants for the Fund on July 5, 2002, following the resignation of Arthur Andersen LLP ("Andersen") as the independent accountants for the Fund. Prior to their resignation, Andersen served as the independent accountants for the Fund since the organization of the Fund in 1991. A representative of PricewaterhouseCoopers LLP is expected to be present at the Annual Meeting and will be available to make a statement, if he or she so desires, and to respond to appropriate questions of the stockholders.

Report of the Audit Committee

The Audit Committee of the Board reviews the financial reporting process, the system of internal controls, the audit process, and the process of monitoring compliance with laws and regulations. Each member of the committee satisfies the definition of independent director as established in the New York Stock Exchange listing standards currently in effect. In addition, the Board has determined that Robert L. Knauss, as defined by SEC rules, is both independent and an audit committee financial expert. In February 2003, we revised our independent charter, which was then approved by the Fund's Board of Directors. The revised Audit Committee charter is attached hereto as Appendix A.

The Audit Committee met six times during 2002. The Audit Committee has reviewed and discussed the Fund's audited financial statements for the year ended December 31, 2002, with management, which has primary responsibility for the financial statements, and with PricewaterhouseCoopers LLP. The Audit Committee has discussed with PricewaterhouseCoopers LLP, the Fund's independent accountants during 2002, the matters required to be discussed by Statement of Auditing Standards No. 61 (Communication with Audit and Finance Committees, as amended).

The Audit Committee received from PricewaterhouseCoopers LLP the written disclosure required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committee, as amended) and discussed with PricewaterhouseCoopers LLP their independence.

Edgar Filing: EQUUS II INC - Form DEF 14A

Based on the review and discussions noted above, the Audit Committee recommended to the Board that the Fund's audited financial statements for the year ended December 31, 2002, be included in the Fund's Annual Report on Form 10-K for the year ended December 31, 2002, and be filed with the Securities and Exchange Commission. The Audit Committee also recommended to the Board of Directors, and the Board has approved, subject to shareholder ratification, the selection of PricewaterhouseCoopers LLP as the Fund's independent accounts for 2003.

This report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, or the Investment Company Act of 1940, as amended, except to the extent that the Fund specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Audit and Non-Audit Fees

During 2002, the Fund retained its principal auditor, PwC, to provide services in the following categories and amounts:

Audit Fees	\$75,870
Financial Information Systems Design and Implementation Fees	\$ 0
All Other Fees	\$ 0

During 2002, PwC provided audit services to the Management Company and Equus Capital Corporation, a subsidiary of the Management Company. The fee for such services was \$25,000.

The proposal to ratify the appointment of PwC as the Fund's independent auditors requires the affirmative vote of a majority of the outstanding shares of EQS Common Stock represented and entitled to vote at the Annual Meeting.

The Board unanimously recommends that each stockholder vote "FOR" the ratification of the appointment of PricewaterhouseCoopers LLP as independent auditors of the Fund.

ITEM 3 -- APPROVAL AND RATIFICATION OF AN AMENDMENT TO THE FUND'S 1997 STOCK INCENTIVE PLAN AND CANCELLATION AND REISSUANCE OF CERTAIN OPTIONS GRANTED TO NON-EMPLOYEE DIRECTORS OF THE FUND UNDER THE FUND'S 1997 STOCK INCENTIVE PLAN

On May 15, 1997, the Board of Directors of the Fund implemented an

Edgar Filing: EQUUS II INC - Form DEF 14A

executive compensation plan in the form of a stock option plan meeting the requirements of Section 61(a)(3)(B) of the Investment Company Act to provide incentive compensation to the individuals who manage the Fund. Officers, employees, and directors of the Fund are eligible to participate in the 1997 Stock Incentive Plan (the "Plan"). The Plan was approved by the Board on February 7, 1997, and by the Fund's stockholders on April 9, 1997. The portion of the Plan applicable to non-employee directors was implemented following receipt of an order from the Securities Exchange Commission ("SEC") dated November 4, 1997, approving that portion of the Plan.

At the 2001 annual meeting, stockholders approved an amendment to the Plan to permit the Fund to grant dividend equivalent rights with option awards. The Fund proposes to make certain technical amendments to the Plan to permit the award of dividend equivalent rights to non-employee directors and to permit the Fund to make a one-time grant of options to its non-employee directors to replace certain outstanding options that will be cancelled.

The Board believes that the Plan plays an integral role in retaining the services of experienced personnel, in encouraging such personnel to have a greater personal financial investment in the Fund, and to align the interests of management with the Fund's stockholders through increased employee ownership of the Fund.

The Fund does not have a profit-sharing plan as described in Section 57(n) of the Act and does not pay incentive compensation to its management under Section 205 of the Investment Adviser Act. Other than stock options issued to officers and directors of the Fund under the Plan, the Fund does not currently have outstanding any warrants, options, or rights to purchase its voting securities.

In addition to providing for the grant of stock options to officers and employees of the Fund, each non-employee director serving on the Board on November 4, 1997, was granted a nonqualified stock option to purchase 5,500 shares of common stock, \$.001 par value, of the Fund that vested 50% immediately and 16-2/3% on the first, second, and third anniversaries of the date of grant. Each new non-employee director is granted upon his or her election a nonqualified stock option for a similar number of shares. In addition, beginning with the 1998 annual meeting of stockholders of the Fund, each non-employee director elected was, and will be, on the first business day following the annual meeting, granted a nonqualified stock option to purchase 2,200 shares of common stock. The exercise price of the options is the closing price of the common stock on the New York Stock Exchange on the date the option is granted or if no market for the common stock exists, the current net asset value of the shares of common stock. Each option is exercisable during the period beginning six months after the date of grant and ending ten years after the date of grant. In the event of the termination of a director's services because of death, permanent disability, or retirement, any unvested options vest and the director or, if the director is not living, the director's estate, may exercise his or her options during the one-year period following the date of death, permanent disability, or retirement. The termination of a director's services will not otherwise accelerate the termination date of his or her options. Options may not be assigned or transferred other than by will or the laws of descent and distribution.

As originally adopted, the exercise price of options granted under the Plan is set at the closing market price of the common stock on the date an option is granted. This pricing formula did not take into account any income or capital gain distributions made by the Fund. Historically, the market price of the Fund's shares has declined by an amount approximating any distribution made by the Fund. The Fund has

Edgar Filing: EQUUS II INC - Form DEF 14A

made a number of decisions that require periodic distributions. First, the Fund has attempted to qualify as a regulated investment company ("RIC") under the Internal Revenue Code in order to be exempt from taxation at the Fund level. To qualify as RIC, the Fund is required to distribute at least 90% of its investment company taxable income each year. Second, the Fund has elected to distribute its realized capital gains rather than to retain such gains and pay capital gains tax at the Fund level. Third, from 1995 to 2000, the Fund had a policy of paying a minimum annual distribution of at least \$0.50 per share. Each of these policies and distributions resulted in a decline in the Fund's net asset value and a corresponding decline in the market price of the Fund's common stock. Since 1997, the Fund has distributed approximately \$5.45 per share in long-term capital gains, ordinary income, and capital.

To address this problem, in 2001 the Board of Directors proposed an amendment to the Plan to provide for the grant of dividend equivalent rights. Generally, a dividend equivalent right provides each holder of an option with the right to receive an amount equal to the dividend distributions paid on a share of common stock subject to an option. The Fund's stockholders approved this amendment in May 2001.

The establishment and amendment of stock option plans pursuant to which options are granted to non-employee directors of a business development company must be approved by the SEC. The Fund received an order from the SEC approving the Plan in 1997. The Fund has filed an application with the SEC to permit the award of dividend equivalent rights to non-employee directors and to permit a special one-time grant of options to replace certain outstanding options that will be cancelled. Implementation of the following amendments to the Plan and the cancellation and reissuance of options to the non-employee directors is subject to receipt of an order from the SEC approving such amendments and options.

The Board's intention in adopting dividend equivalent rights was that non-employee directors would be entitled to be granted dividend equivalent rights with their Automatic Option Awards under the Plan.

Each of the six non-employee directors has been granted and currently holds the following options to purchase shares under the Plan:

Date of Grant	Number of Options(1)	Exercise Price
-----	-----	-----
11/4/1997	5,500	\$ 21.82
5/14/1998	2,200	24.95
5/6/1999	2,200(2)	14.15
5/10/2000	2,200	9.04
5/4/2001	2,200	8.45
5/7/2002	2,200	7.80

Total	16,500	
	=====	

The six non-employee directors hold options to purchase a total of 96,800 shares. These options represent less than 9% of the total options outstanding and less than 1.6% of the issued and outstanding shares of the Fund. The average exercise price of outstanding options issued to the non-employee directors prior to 2003 is approximately \$18.08 per share.

The Board proposes to amend or modify the Plan, subject to stockholder approval, to permit (1) the cancellation of outstanding options to purchase 96,800 shares held by non-employee directors (outstanding options granted prior

Edgar Filing: EQUUS II INC - Form DEF 14A

to 2003) and (2) a one-time grant of options to purchase 16,500 shares

(1) Includes a 10% stock dividend paid in December 2001.

(2) Mr. Storms and Dr. Tuggle each exercised options to purchase 1,100 shares in 1999 and hold options to purchase 15,400 shares.

19

(15,400 shares in the case of Mr. Storms and Dr. Tuggle) to each non-employee director at the closing price of the EQS shares on the date of the 2003 Annual Meeting.

As originally adopted, the Plan does not permit members of the Compensation Committee to receive awards under the Plan other than Automatic Awards, as defined in the Plan. This provision was included in the Plan at the time of its original drafting to permit options granted under the Plan to qualify for the exemption from Section 16(b) of the Securities Exchange Act of 1934 (short-swing profits) provided by Rule 16b-3. Subsequent to the Plan's adoption, the Securities Exchange Commission amended Rule 16b-3 to broaden the types of exempt transactions. Under Rule 16b-3, as amended, the grant of options to directors are exempt from Section 16(b) if (1) the grant is approved by the board of directors of the issuer, a committee of the board of directors that is comprised solely of two or more Non-Employee Directors (as defined in Rule 16b-3), (2) the grant is approved by the stockholders of the issuer, or (3) the equity securities so acquired are held for a period of six months following acquisition.

The Board proposes the following amendments to the Plan:

1. Paragraph 1.2(a) of the Plan will be amended to read as follows:

(a) The Plan shall be administered by a Committee of disinterested persons appointed by the Board of Directors of the Company (the "Committee"), as constituted from time to time. The Committee shall consist of at least two members of the Board of Directors. Each member of the Committee shall be a "Non-Employee Director" as such term is defined in Rule 16b-3 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934.

2. Section 1.4 of the Plan will be amended to add the following new clause (vi):

(vi) Dividend Equivalent Rights, as described in Article VIII.

3. Article VIII of the Plan will be amended to read as follows:

Section 8.1. Award of Dividend Equivalent Rights. Concurrently with or subsequent to the award of any Stock Option, Incentive Stock Option, or Automatic Award the Committee may, subject to the provisions of the Plan and such other terms and conditions as the Committee may prescribe, award to the Optionee a related dividend equivalent right ("Dividend Equivalent Right"). The Dividend Equivalent Right will grant the Optionee the right to receive, with respect to each share of Common Stock subject to a Stock Option, Incentive Stock Option, or Automatic Award, for a period of time to be determined by the Committee, an amount equal to each cash payment, stock dividend, or other distribution declared and paid by the Fund on its outstanding shares of common stock. The period shall not extend beyond the expiration date set forth in the Stock Option, Incentive Stock Option, or

Edgar Filing: EQUUS II INC - Form DEF 14A

Automatic Award. The terms and conditions of each Dividend Equivalent Right shall be specified in a dividend equivalent right agreement that evidences the Award.

Section 8.2. Payments. Payment pursuant to a Dividend Equivalent Right shall be deferred and shall accumulate (with interest computed in a manner to be determined by the Committee) or may be deemed to be reinvested in additional shares of Common Stock, which may thereafter accrue additional equivalents, until a date or event specified by the Committee and then shall be made within 30 days after the occurrence of the specified date or event, unless the right is forfeited under the terms of the Plan. Any reinvestment shall be at fair market value on the date of

20

reinvestment. A Dividend Equivalent Right shall be settled only upon exercise of the Stock Option, Incentive Stock Option, or Automatic Award to which it relates. To the extent permitted by the Investment Company Act of 1940, as amended, the Committee may provide that in lieu of paying the amount of a deferred Dividend Equivalent Right to an Optionee in cash upon settlement of the right, the option price of the Stock Option, Incentive Stock Option, or Automatic Award to which the Dividend Equivalent Right relates shall be reduced by the amount of the deferred Dividend Equivalent Right.

Section 8.3. Termination. Each Dividend Equivalent Right shall terminate upon termination of the Stock Option, Stock Incentive Option, or Automatic Award to which it relates.

Other than the proposed cancellation of the 96,800 outstanding options and the grant of 96,800 in replacement options, the Board does not propose to grant non-employee directors any additional awards under the Plan (other than Automatic Awards) without stockholder or SEC approval.

The Board unanimously recommends that each stockholder vote "FOR" the ratification and approval of the proposed amendments to the 1997 Stock Incentive Plan, the cancellation of the outstanding Automatic Awards granted to non-employment directors of the Fund under the 1997 Stock Incentive Plan, and the reissuance of an equivalent number of Automatic Awards at the closing price of a share of common stock on the date of the 2003 Annual Meeting.

Implementation of the foregoing transactions will be subject to the issuance by the SEC of an exemptive order permitting such transactions.

21

OTHER MATTERS

The Board knows of no matters other than those listed in the Notice of Annual Meeting that are likely to come before the annual meeting. However, if any other matter properly comes before the meeting, the individuals named as proxies will vote in accordance with their best judgment on such matters.

In the event that sufficient votes in favor of the proposals set forth in the Notice of the Annual Meeting are not received by the time scheduled for the annual meeting, the individuals named as proxies may move for one or more adjournments of the meeting to permit further solicitation of proxies. Any adjournment will require the affirmative vote of a majority of the shares

Edgar Filing: EQUUS II INC - Form DEF 14A

present at the meeting.
