Item 1.01

Entry Into Material Agreements

On May 3, 2006, the Compensation Committee of the Board of Directors approved an amendment and restatement of the Computer Task Group, Incorporated Nonqualified Key Employee Deferred Compensation Plan (the "Plan"). The changes effected by the amendment, which are intended to comply with Section 409A of the Internal Revenue Code, include provisions that: (1) payments made on account of separation from service to certain key employees must be delayed at least six months following separation from service; (2) elections to defer compensation for a plan year must be irrevocable once the plan year begins; (3) impose certain restrictions to the timing of deferral elections and to elections as to the time and form of payment of benefits; and (4) payment of benefits must be limited to certain permissible payment events or specified times.

Prior to the amendment, the Plan design provided for pooled investments for all accounts and the crediting of a proportionate share of investment returns to each account as of the last day of each year. The amendment changes the Plan design to permit amounts in a participant's account to be invested in the manner directed by the participant, subject to final approval and authorization by the Committee. In making investment decisions, participants will select from among the investment options made available by the Committee. Under the restated Plan, no contributions, payments or investments will be made in Company stock.

Under the Plan, the Chief Executive Officer of the Company, subject to the approval of the Compensation Committee, recommends (1) those key employees who are eligible to participate, and (2) the percentage of each participant's base and bonus compensation which will be contributed each year to the Plan if the Company attains defined performance objectives. All amounts credited to the participant are invested, and the participant is credited with actual earnings on the investment.

A copy of the Plan, as amended and restated, is filed as an Exhibit 99 to this Form 8-K.

Also on May 3, 2006, the Compensation Committee approved the following base salary compensation for the 2006 fiscal year for executive officers who were identified in the Summary Compensation Table contained in the Company's 2006 Proxy Statement:
