Pursuant to Rule 13d-2(a) of Regulation 13D-G of the General Rules and Regulations under the Securities and Exchange Act of 1934, as amended, PPM America Special Investments Fund, L.P, a Delaware partnership ("SIF I"), PPM America Fund Management GP, Inc., a Delaware corporation ("SIF I GP"), PPM America Special Investments CBO II, L.P., a Delaware partnership ("CBO II"), PPM America CBO II Management Company, a Delaware partnership ("CBO II GP"), PPM MGP (Bermuda), Ltd., a Bermuda corporation ("PPM Bermuda"), PPM America, Inc., a Delaware corporation ("PPM America") and PPM Holdings, Inc., a Delaware corporation ("Holdings") (collectively, SIF I, SIF I GP, CBO II, CBO II GP, PPM Bermuda, PPM America and Holdings, the "Reporting Persons") hereby amend their Schedule 13D Statement dated May 22, 2002, as amended on November 5, 2002 and January 17, 2003 (collectively, the "Schedule 13D"), regarding the common stock, par value \$0.01 per share (the "Common Stock"), of Darling International Inc., a Delaware corporation (the "Issuer"). Unless otherwise indicated capitalized terms used but not defined herein shall have the same meanings assigned to them in the Schedule 13D.

Item 4. Purpose of Transaction.

-----  
Item 4 is hereby amended and supplemented by adding the following:

In December 2002, a third party (the "Third Party") that had been engaged in discussions with representatives of the Reporting Persons regarding a possible acquisition of the shares of the Issuer that are beneficially owned by the Reporting Persons informed those representatives that the Third Party was considering making a tender offer for all of the outstanding shares of Common Stock of the Issuer, subject to, among other things, obtaining financing. The price that the Third Party indicated that it would be willing to offer, if it were to make a tender offer (if it had the ability to do so), represented a moderate premium to the market price in early December, but was significantly less than the current market price of the Issuer's Common Stock. Representatives of the Reporting Persons initially told the Third Party that they would be inclined to accept an offer at that price, but that such inclination was dependent upon, among other things, the timing and structure of any actual offer. Subsequently, however, representatives of the Reporting Persons told the Third Party that they would not accept such an offer and sent a letter to the Third Party informing it that the Reporting Persons do not wish to engage in further discussions regarding a proposed offer. The Reporting Persons have no knowledge as to whether any offer by the Third Party will occur or if one does occur, what the price will be.

The Reporting Persons continuously evaluate the Issuer's businesses and prospects, alternative investment opportunities, stock price and all other factors deemed relevant in determining whether any or all of the Reporting Persons will dispose of securities of the Issuer or whether additional securities of the Issuer will be acquired by any or all of the Reporting Persons. At any time, some or all of the shares of the Issuer beneficially owned by any or all of the Reporting Persons (including on behalf of Daple) may be sold or additional shares of Common Stock may be acquired, in either case in

the open market, in privately negotiated transactions or otherwise. Except as otherwise disclosed herein, none of the Reporting Persons currently has any agreements, beneficially or otherwise, which would be related to or would result in any of the matters described in Items 4(a)-(j) of Schedule 13D; however, as part of the ongoing evaluation of this investment and investment alternatives, each Reporting Person may consider such matters and, subject to applicable law, may formulate a plan with respect to such matters and, from time to time, each Reporting Person may hold discussions with or make formal proposals to management or the Board of Directors of the Issuer, other shareholders of the Issuer or other third parties regarding such matters. Additionally, as Lenders, the Reporting Persons have, from time to time, been asked to sign, and may in the future be asked to sign, waivers allowing certain sales or acquisitions of, assets by the Issuer.
