This Amendment No. 1 amends the Schedule 13D filed April 24, 2001 and is filed by GE Capital Equity Investments, Inc. (GECEI), General Electric Capital Corporation (GE Capital), General Electric Capital Services, Inc. (GECS) and General Electric Company (GE) (collectively, the "Reporting Persons"), with respect to the Common Stock, par value \$.01 per share (the "Common Stock"), of Transit Group, Inc., a Florida corporation (the "Company").

Item 2 Identity and Background

Item 2 is amended as follows:

GE Capital is a Delaware corporation.

For information with respect to the identity and background of each executive officer and director of GE, see Schedule I.

During the last five years GE, nor, to the best of its knowledge, any person identified in Schedule I has been (i) convicted of any criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to federal or state securities laws or finding any violation with respect to such laws.

Item 4. Purpose of Transaction

Edgar Filing: TRANSIT GROUP INC - Form SC 13D/A

Item 4 is supplemented as follows:

On December 17, 2001, GE Capital delivered a draft term sheet to T. Wayne Davis, a shareholder of the Company and its Chairman of the Board, and to representatives of certain Davis family trusts, describing a transaction in which a newly formed entity controlled by a third party investor or GE Capital would acquire, as part of the Company's reorganization pursuant to Chapter 11 of the U.S. Bankruptcy Code, all of the outstanding stock (representing approximately 35% of the authorized stock) of the reorganized Company for approximately \$7.5 million. The term sheet, representing a preliminary non-binding proposal, contemplates, among other things, that pursuant to the plan of reorganization: (i) all existing outstanding equity of the Company (including warrants and options) would receive no distribution and would be cancelled; (ii) warrants exercisable for approximately 40% of the reorganized Company's authorized stock would be issued to various lenders, including GE Capital; (iii) 5% of the reorganized Company's authorized stock would be reserved for employee stock options issued post-bankruptcy and post-confirmation; and (iv) 20% of the reorganized Company's authorized stock would be reserved for issuances for working capital and other needs post-bankruptcy and post-confirmation. A copy of the term sheet is filed herewith as Exhibit 1 and incorporated herein by reference. Since delivering the term sheet, GE Capital has had discussions with Mr. Davis and representatives of the trusts regarding the proposal and the reorganization of the Company and its subsidiaries. GE Capital may continue these discussions and may also have discussions with management of the Company concerning the proposal and the reorganization of the Company.

11

The proposal is only a preliminary outline of the potential terms of a transaction. All or any of the terms outlined in the proposal, including those relating to the capital structure of the reorganized Company, may be revised, deleted or supplemented. GE Capital and GECEI expect to continue to evaluate on an ongoing basis the Company's financial condition, business, operations and prospects, the market price of the Common Stock, general economic and industry conditions and other factors. Accordingly, GE Capital reserves the right to change its plans and intentions at any time, as it deems appropriate, and may or may not continue or have discussions with Mr. Davis, representatives of the Davis family trusts, or representatives of the Company, or submit a new or revised proposal, or terminate any proposal with respect to the Company. In particular, GE Capital and GECEI may at any time or from time to time, acquire additional securities of the Company or dispose of all or a portion of any securities of the Company.

On December 28, 2001, Company and certain of its subsidiaries filed voluntary petitions for relief under Chapter 11 of the U.S. Bankruptcy Code. GE Capital is providing the Company with a debtor-in-possession (DIP) financing facility of up to \$7 million.

Item 5. Interest in Securities of the Issuer

Item 5 is supplemented as follows:

Except as disclosed in Item 5(a) and in Item 3 of the Schedule 13D filed April 24, 2001, none of GECEI, GE Capital, GECS, GE, nor, to the best of their knowledge, any of their executive officers and directors, beneficially owns any securities of the Company or presently has a right to acquire any securities of the Company.

Edgar Filing: TRANSIT GROUP INC - Form SC 13D/A

Item 6. Contracts, Agreements, Understandings or Relationships with respect to Securities of the Issuer

Item 6 is supplemented as follows:

The information contained in Item 4 of this statement is specifically incorporated herein by reference.

Except as described above, there are no contracts, arrangements, understandings or relationships with respect to any securities of the Company (a) among the Reporting Persons and, to the best of their knowledge, any of the other persons identified pursuant to Item 2 above and (b) between (i) the Reporting Persons and, to the best of their knowledge, any of the persons identified pursuant to Item 2 above and (ii) any other person, other than the agreement filed herewith as Exhibit 1.
