### EXPLANATORY NOTE

This amendment (this Amendment) to the Annual Report on Form 40-F filed on April 3, 2006 (the Original Filing) of Fairfax Financial Holdings Limited (the Company) for the fiscal year ended December 31, 2005, as amended by the amendment to such report (Amendment No. 1 to Form 40-F/A) filed on September 11, 2006, is being filed for the purpose of (1) filing audited restated consolidated financial statements (the Restated Financial Statements) of the Company as at December 31, 2005 and 2004 and for each of the years in the three year period ended December 31, 2005, including the auditors' report with respect thereto; and (2) filing the related Revised Management's Discussion and Analysis of Financial Condition and Results of Operations (MD&A). On November 2, 2006, the Company announced that during management's review in preparing the third quarter consolidated financial statements, management identified an error in the US GAAP accounting for changes in the fair value attributed to embedded options in convertible bonds for the year ended December 31, 2005. The correction of this error had no cumulative impact on US GAAP shareholders' equity as at December 31, 2005 or on US GAAP comprehensive income for the year ended December 31, 2005, but had the net effect of increasing the US GAAP net loss for the year ended December 31, 2005 by \$26.8 million to \$313.4 million (a loss of \$19.65 per share and per diluted share) and increasing US GAAP other comprehensive income for that year by the same \$26.8 million amount. This correction had no impact on any Canadian GAAP consolidated financial statements or any Canadian GAAP disclosures. See Note 21 to the Restated Financial Statements.

The Restated Financial Statements have been amended to correct the US GAAP accounting error described above. The Restated Financial Statements have not been updated to reflect other events occurring after the filing of the Original Filing or to modify or update any disclosures affected by subsequent events, except as described in Amendment No. 1 to Form 40-F/A.

The MD&A has been amended to correct certain errors included in such section in Amendment No. 1 to Form 40-F/A. In addition, in connection with the filing of this Amendment, we are including as exhibits certain currently dated certifications of our Chief Executive Officer and Chief Financial Officer. This Amendment has no effect on other information presented in the Original Filing, as amended on September 11, 2006, except with respect to the information included herein. Therefore, this Amendment should be read together with other documents that the Company has filed with the Securities and Exchange Commission subsequent to the filing of the Original Filing. Information in such reports and documents updates and supersedes certain information contained in this Amendment. The filing of this Amendment shall not be deemed an admission that the Original Filing, or Amendment No. 1 to Form 40-F/A, when made, included any known, untrue statement of material fact or knowingly omitted to state a material fact necessary to make a statement not misleading.
