Port Financial Corp. (the "Company"), the holding company for Cambridgeport Bank (the "Bank"), announced today that the Company will accrue a liability in the first quarter of 2003 of approximately \$840,000, representing an estimate of the additional state tax liability, including interest (net of any federal and state tax deductions associated

Edgar Filing: PORT FINANCIAL CORP - Form 8-K

with such taxes and interest), relating to the deduction for dividends received from a real estate investment trust subsidiary (a "REIT") for the 2001 and 2002 fiscal years. The accrued liability is the result of new legislation signed yesterday by the Governor of Massachusetts that amends Massachusetts law to expressly disallow the deduction for dividends received from a REIT. This amendment applies retroactively to tax years ending on or after December 31, 1999. As a result of the enactment of this legislation, the Company has ceased recording the tax benefits associated with the dividend received deduction effective for the 2003 tax year and accrued the liability described above.

The Company issued a press release relating to this matter on March 7, 2003, a copy of which is attached hereto as Exhibit 99.1.

The Exhibit 99.1 referred to in this Item 5 is filed as part of this report and is incorporated herein by reference.
