MTS Names New Corporate COO & CFO

Monday October 4, 8:30 am ET

- Yossi Brikman to Pursue Personal Interests -

RA'ANANA, Israel, Oct. 4 /PRNewswire-FirstCall/ -- MTS - Mer Telemanagement Solutions Ltd. (Nasdaq SmallCap: MTSL - News), a global provider of Operations Support Systems (OSS) for comprehensive Telecommunication Management and Customer Care & Billing solutions, today announced that it has named Mr. Ori Shachar as corporate chief operating officer and chief financial officer. Mr. Shachar replaces Yossi Brikman, who is leaving the company following seven years of service to pursue personal interests.

Ori Shachar comes to MTS with more than 10 years of senior-management operations and financial experience, including technology public company management. Most recently, he was CFO and COO of Davidoff Howden Insurance Brokers Ltd., a joint venture specializing in D&O and Professional Indemnity insurance.

Prior to joining Davidoff Howden, Ori served as acting CFO and corporate controller of Accord Networks Ltd., a manufacturer of video and voice network products for the converged network. During his six years with Accord, he supervised the company's successful 55 million dollar initial public offering and negotiated ongoing equity and private investments and played a key role in the company's merger with Polycom, Inc. in 2001.

"We are pleased to welcome Ori Shachar to the MTS team," said Eytan Bar, president and chief executive officer. "His experience with a successful high-tech public company is a valuable asset that we believe will help strengthen MTS' position in the public market. In his new role, Ori will be responsible for all financial and administrative activities."

Mr. Bar continued, "During his seven year career with MTS, Yossi Brikman made substantial contributions to the company, helping to expand its markets and products. Most recently, his leadership has been key to orchestrating the MTS turnaround strategy. While we regret Yossi's leaving, we understand his desire to pursue personal interests."

Mr. Brikman said, "My career at MTS has been rewarding and satisfying, both professionally and personally. I am confident that the MTS strategy is sound and will produce successful results in the future. I will remain on board through the issuance of the third quarter results to ensure a smooth transition. "

About MTS

Mer Telemanagement Solutions Ltd. is a global provider of operations support systems (OSS) for comprehensive telecommunication management and customer care & billing solutions. MTS' OSS is a full-featured customized solution for telecommunications management and customer care & billing. Its telecommunications enterprise resource planning (ERP) application suite is used by corporations and organizations to improve the efficiency and performance of all telecommunication and information technology (IT) operations, and to significantly reduce associated costs. Its affordable customer care and billing (CC&B) solutions are used by service providers and operators to support
