PROXY STATEMENT

Annual Meeting of Stockholders
To Be Held on May 17, 2004

IN GENERAL

Edgar Filing: CENTURY CASINOS INC /CO/ - Form DEF 14A

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Century Casinos, Inc. (the "Company"), to be used at the Annual Meeting of Stockholders (the "Meeting") to be held on May 17, 2004 at the Marriott Hotel, Prague 1, Czech Republic at 18:00 Central European Time (10:00 a.m. Mountain Time and 12:00 p.m. Eastern Time) for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The enclosed material was mailed on or about April 16, 2004 to stockholders of the Company.

All properly executed proxies received at or prior to the Meeting will be voted at the Meeting. If a stockholder directs how a proxy is to be voted with respect to the business coming before the meeting, the proxy will be voted in accordance with the stockholder's directions. If a stockholder does not direct how a proxy is to be voted, it will be voted in favor of the election of the nominees to the Board of Directors named in this proxy statement. A proxy may be revoked at any time before it is exercised by giving written notice to the Secretary of the Company at the above address or by a subsequently executed proxy. Stockholders may vote their shares in person if they attend the Meeting, even if they have executed and returned a proxy. If no instructions are indicated on the proxy, the shares will be voted in favor of the proposals that have been brought forward in accordance with the Company's bylaws to be considered at the Meeting.

The matters to be brought before the Meeting are the election of two Class I directors of the Board of Directors, and the transaction of such other business as may properly come before the meeting in accordance with the Company's bylaws or any adjournment thereof.

Expenses in connection with the solicitation of proxies in regard to the proposals brought forward by the Company and included in this proxy statement will be paid by the Company. Proxies are being solicited by mail, and, in addition, directors, officers and regular employees of the Company (who will not receive any additional compensation) may solicit proxies personally, by telephone, by email, or by special correspondence. The Company will reimburse brokerage firms and others for their expenses in forwarding proxy materials to the beneficial owners of the Company's common stock.

1

VOTING SECURITIES

Only stockholders of record at the close of business on March 19, 2004, will be entitled to vote at the Meeting. On that date, there were issued and outstanding 13,681,900 shares of the Company's \$.01 par value common stock, the only class of voting securities of the Company. Each share of common stock is entitled to one vote per share. Cumulative voting in the election of directors is not permitted.

A majority of the number of the outstanding shares of common stock, represented either in person or by proxy, will constitute a quorum for the transaction of business at the Meeting. Of the votes cast at the Meeting, a vote of the holders of a majority of the common stock present, either in person or by proxy, is required to elect each director nominee.

In accordance with Delaware law, a stockholder entitled to vote for the election of directors can withhold authority to vote for certain nominees for director. Abstentions are counted for purposes of determining a quorum to conduct business, but are ignored in vote tabulation, thereby having the same effect as a vote against any proposal. The inspectors of election will treat any

Edgar Filing: CENTURY CASINOS INC /CO/ - Form DEF 14A

shares held by brokers or nominees for which they have no discretionary power to vote on a particular matter and for which they have received no instructions from the beneficial owners or persons entitled to vote ("broker non-votes") as shares that are present for purposes of determining the presence of a quorum. However, for purposes of determining the outcome of any matters as to which the broker has indicated on the Proxy that it does not have discretionary authority to vote, those shares will be treated as not entitled to vote with respect to that matter (even though those shares may be entitled to vote on other matters).

All shares of Common Stock will vote as a single class. The Company's Certificate of Incorporation does not provide for cumulative voting rights.

STOCKHOLDER PROPOSALS

If you wish to present a proposal for inclusion in the proxy statement and form of proxy for consideration at our 2005 Annual Meeting of Stockholders, you must submit your proposals to the attention of our Secretary at our principal executive office no later than December 17, 2004. In order for a stockholder proposal to be properly considered at the 2005 Annual Meeting, our Secretary must have received notice of the proposal not less than 120 days nor more than 180 days prior to the meeting.

Peter Hoetzing received a Masters degree from the University of Linz, Austria, in 1986. He thereafter was employed in several managerial positions in the gaming industry with Austrian casino companies. Mr. Hoetzing has been employed full-time by the Company since May 1993.

Robert S. Eichberg graduated from Bradley University in 1968 with a B.S. Degree in Accounting and is a Certified Public Accountant. He was employed by the public accounting firm of Deloitte & Touche, LLP from 1974 to 1994, ending his tenure there as Tax Partner. From 1994 to 1996 he served as Tax Partner for the public accounting firm Price Bednar LLP, before joining the public accounting firm of Causey, Demgen & Moore, Inc. in September 1996, where he has been employed since, as shareholder and President.

Edgar Filing: CENTURY CASINOS INC /CO/ - Form DEF 14A

Dinah Corbaci holds a Doctorate degree in Law from the University of Salzburg, Austria (1981). She joined IBM Austria in 1984, where she is responsible as Account Manager for large government customers, with a special focus on e-business for large IBM mainframe hardware and e-government solutions.

He became Chief Accounting Officer in October 1999, and was appointed as Secretary of the Company in March 2000 and Treasurer in June 2001.

Effective May 1, 2003, James Forbes resigned as a member of the Company's Board of Directors and as an employee of the Company, but will continue as a member of the Board of Directors of Century Casinos Caledon Proprietary Limited, and will focus his attention on the project in Johannesburg, in the Gauteng province of South Africa, pursuant to the terms of a consulting agreement between Century Casinos Inc. and Respond Limited, a management company controlled by him. Mr. Forbes was employed full-time by the Company from February 1993 until his resignation.

After the resignation of Mr. Forbes, the Company's Board of Directors discussed this issue and determined that the current, uneven number of directors, set at five, is the ideal number of directors at present. The Board also concluded that the level of expertise available to it through its members of the Board continues to be satisfactory for both its short and long term goals. The Board further discussed and agreed that because the majority of the Board members are outside, independent members, there is no need for adding another member to the Board.

There are no family relationships between or among the Company's executive officers and directors.

7

CERTAIN INFORMATION REGARDING THE BOARD OF DIRECTORS

The Board of Directors held one (1) meeting during 2003, and on several occasions executed unanimous written consents in lieu of meetings, in accordance with Delaware law. Each director attended at least 75% of the meetings of the Board of Directors, and of each committee on which he or she sits.

The Company's policy regarding attendance by members of the Board of Directors at the Company's annual meeting of stockholders is to encourage directors to attend, either in person or by teleconference, subject to their availability during that time. In 2003, three (3) members of the board attended the annual meeting.

The Company has an Audit Committee of the Board of Directors, which is comprised of Robert S. Eichberg (Chairman), Gottfried Schellmann and Dinah Corbaci. The Audit Committee selects and appoints the Company's independent auditors, reviews the performance of the independent auditors, and approves independent auditor's fees. The Audit Committee also reviews the independence of such accountants from the Company's management, the Company's annual and quarterly financial statements and the Company's system of internal controls. During 2003, the Audit Committee held four (4) meetings. On March 29, 2004, the Board of Directors adopted the "Amended and Restated Charter and Powers of Audit Committee," which is attached as Exhibit A to this Proxy Statement.

Edgar Filing: CENTURY CASINOS INC /CO/ - Form DEF 14A

The Board of Directors and the Audit Committee believe that the Audit Committee's current composition satisfies the applicable rules and pronouncements of the National Association of Securities Dealers, Inc. ("NASD") and the Securities and Exchange Commission that govern audit committee selection, experience, and composition, including the requirement that audit committee members all be "independent directors" as that term is defined by such rules.

The Compensation Committee of the Board of Directors is comprised of Dinah Corbaci, Erwin Haitzmann and Peter Hoetzing . The Compensation Committee recommends the total compensation to be paid to each of the Company's executive officers on an annual basis, and periodically sets compensation for the Company's non-employee directors. The members of the Committee who are employed by the Company do not participate in discussions relating to, or in formulating the Committee's recommendation of, their own compensation. The Compensation Committee presents its recommendations relating to management compensation to the full Board of Directors, who vote on whether to approve the Committee's recommendations. If all of the independent directors failed to approve the Committee's recommended compensation for any particular officer, the Committee would reformulate its recommendation, taking into account the objections of the independent directors to the initial compensation recommended for such officer. During 2003, the Compensation Committee held one (1) meeting.

8

The Incentive Plan Committee of the Board of Directors is comprised of Erwin Haitzmann, Peter Hoetzing, Gottfried Schellmann and Dinah Corbaci. The Incentive Plan Committee oversees and awards equity incentives to eligible employees of the Company pursuant to the Company's Employee Equity Incentive Plan, as amended and restated. The members of the Committee who are employed by the Company do not participate in discussions relating to, or in formulating the Committee's recommendation of, their own compensation. During 2003, the Incentive Plan Committee had one (1) meeting.

The Company has no standing nominating committee. All of the directors participate in the consideration of director nominees, but the Company's nominations must be approved by a majority of the independent directors in order to be presented to the stockholders. The board does not have an express policy with regard to the consideration of any director candidates recommended by stockholders, because the Company's bylaws permit any stockholder to nominate director candidates, and the board believes it can adequately evaluate any such nominees on a case by case basis. The board will consider director candidates proposed in accordance with the procedures set forth under "Stockholder Communication" below, and will evaluate stockholder-recommended candidates under the same criteria as internally generated candidates. The general criteria the Board uses to select nominees are:

- o Such individual's reputation for integrity, honesty and adherence to high ethical standards;
- o Demonstrated business acumen;
- o Experience and ability to exercise sound judgments in matters that relate to the current and long-term objectives of the Company;
- o Willingness and ability to contribute positively to the decision making process of the Company;

Edgar Filing: CENTURY CASINOS INC /CO/ - Form DEF 14A

- o Commitment to understand the Company and its industry and to regularly attend and participate in meetings of the Board and its committees;
- o Interest and ability to understand the sometimes conflicting interests of the various constituencies of the Company, which include shareholders, employees, customers, governmental units, creditors, and general public;
- o Ability to act in the interest of all stakeholders;
- o Shall not have, or appear to have, a conflict of interest that would impair the nominee's ability to represent the interests of all Company's shareholders and to fulfill the responsibilities of a director;
- o Understanding the complexity of diverse international business structures.

It is the Board of Directors' view, considering the size of the Company and the composition of the Board of directors, which is comprised of five directors, three of whom are independent, that the Board of Directors can select nominees to the Board meeting these criteria without a separate nominating committee.

9

Pursuant to Section 406 of the Sarbanes - Oxley Act of 2002, the Company has adopted a Code of Ethics that applies to all directors, officers and employees, including the Company's Chief Executive Officer, President, and Principal Accounting Officer. The complete text of this Code of Ethics was filed as an exhibit to the Company's Annual Report on Form 10-K for the period ended December 31, 2003.

Stockholder Communication

Stockholders or other interested parties may communicate with the Company's Board of Directors, any individual director, or members of any board committee. Stockholders should send any communications to investor@cnty.com, and identify the intended recipient or recipients. All communications addressed to the board of directors or any identified director or directors will be forwarded to the identified person or persons.

In order to nominate candidates for election to the Company's board, nominations must be timely received from a stockholder of record at the Company's principal executive office, and must set forth the name, age, business address and residence address of each nominee, the nominees' principal occupations or employment, the number of shares of the Company's common stock owned by each nominee, and information required to be disclosed regarding each nominee by applicable laws. The nomination must also state the name and address of the stockholder making such nominations, and the number of shares of the Company's stock owned by such person. Further requirements regarding stockholder nominations are set forth in the Company's bylaws, which any stockholder desiring to make a nomination should carefully read.
