Proxy Statement

Edgar Filing: BERKSHIRE HILLS BANCORP INC - Form DEF 14A

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Berkshire Hills Bancorp, Inc. (the "Company" or "Berkshire Hills") to be used at the annual meeting of stockholders of the Company. The Company is the holding company for Berkshire Bank (the "Bank"). The annual meeting will be held at the Crowne Plaza Hotel, One West Street, Pittsfield, Massachusetts on Thursday, May 1, 2003 at 10:00 a.m., local time. This proxy statement and the enclosed proxy card are being mailed to stockholders of record on or about March 27, 2003.

Voting and Proxy Procedure

Who Can Vote at the Meeting

You are entitled to vote your Company common stock if the records of the Company show that you held your shares as of the close of business on March 13, 2003. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by your broker or nominee. As the beneficial owner, you have the right to direct your broker how to vote.

As of the close of business on March 13, 2003, a total of 6,000,862 shares of Company common stock was outstanding. Each share of common stock has one vote. As provided in the Company's Certificate of Incorporation, a record owner of the Company's common stock, which is beneficially owned, either directly or indirectly, by a person who beneficially owns in excess of 10% of the Company's outstanding shares, is not entitled to any vote in respect of the shares held in excess of the 10% limit.

Attending the Meeting

If you are a stockholder as of the close of business on March 13, 2003, you may attend the meeting. However, if you hold your shares in street name, you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or a letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of Company common stock held in street name in person at the meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

Vote Required

A majority of the outstanding shares of common stock entitled to vote is required to be represented at the meeting to constitute a quorum for the transaction of business. If you return valid proxy instructions or attend the meeting in person, your shares will be counted for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes also will be counted for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

In voting on the election of directors, you may vote in favor of all nominees, withhold votes as to all nominees or withhold votes as to specific nominees. There is no cumulative voting for the election of directors. Directors are elected by a plurality of the votes cast. This means that the nominees receiving the greatest number of votes will be elected. Votes that are withheld and broker non-votes will have no effect on the outcome of the election.

Edgar Filing: BERKSHIRE HILLS BANCORP INC - Form DEF 14A

In voting on the approval of the Berkshire Hills Bancorp, Inc. 2003 Equity Compensation Plan and the ratification of the appointment of Wolf & Company, P.C. as independent auditors, you may vote in favor of the proposal, against the proposal or abstain from voting. To be approved, these matters require the affirmative vote of a majority of the votes cast. Broker non-votes and abstentions will not be counted as votes cast and will have no effect on the voting on these proposals.

Voting by Proxy

The Company's Board of Directors is sending you this proxy statement to request that you allow your shares of Company common stock to be represented at the annual meeting by the persons named in the enclosed proxy card. All shares of Company common stock represented at the meeting by properly executed and dated proxies will be voted according to the instructions indicated on the proxy card. If you sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. The Board of Directors recommends that you vote:

- o FOR each of the nominees for director;
- o FOR approval of the Berkshire Hills Bancorp, Inc. 2003 Equity Compensation Plan; and
- o FOR ratification of Wolf & Company, P.C. as the Company's independent auditors for fiscal 2003.

If any matters not described in this proxy statement are properly presented at the annual meeting, the persons named in the proxy card will use their judgment to determine how to vote your shares. This includes a motion to adjourn or postpone the meeting to solicit additional proxies. If the annual meeting is postponed or adjourned, your Company common stock may be voted by the persons named in the proxy card on the new meeting date as well, provided such new meeting occurs within 30 days of the annual meeting and you have not revoked your proxy. The Company does not know of any other matters to be presented at the meeting.

You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy you must either advise the Corporate Secretary of the Company in writing before your common stock has been voted at the annual meeting, deliver a later dated proxy or attend the meeting and vote your shares in person by ballot. Attendance at the annual meeting will not in itself constitute revocation of your proxy.

If your Company common stock is held in street name, you will receive instructions from your broker, bank or other nominee that you must follow to have your shares voted. Your broker or bank may allow you to deliver your voting instructions via the telephone or the Internet. Please review the proxy card or instruction form that is provided by your broker, bank or other nominee which accompanies this proxy statement.

Participants in Berkshire Bank's ESOP

If you participate in the Berkshire Bank Employee Stock Ownership Plan you will receive a vote authorization form which permits you to instruct the ESOP trustee how you would like the shares allocated to you under the ESOP voted on the matters presented at the annual meeting. Shares of common stock held by the

Edgar Filing: BERKSHIRE HILLS BANCORP INC - Form DEF 14A

ESOP which have not been allocated to participants and allocated shares for which no timely voting instructions are received will be voted by the ESOP trustee in the same proportion as shares for which the trustee has received voting instructions, subject to the exercise of its fiduciary duties. The deadline for returning your voting instructions to the ESOP trustee is April 21, 2003.

The following table provides information as of March 13, 2003, with respect to persons known by the Company to be the beneficial owners of more than 5% of the Company's outstanding common stock. Proposal 1 -- Election of Directors

On October 17, 2002, in connection with his appointment as President and Chief Executive Officer of the Company and the Bank, Michael P. Daly was appointed to the Board of Directors to fill the vacancy which formed upon James A. Cunningham, Jr.'s departure. Additionally, at that time, the Board of Directors was increased to nineteen seats and Lawrence A. Bossidy was appointed to the Board. On January 15, 2003, Henry D. Granger, Michael G. Miller, Raymond B. Murray, III, Louis J. Oggiani, Robert S. Raser, William E. Williams and Anne Everest Wojtkowski retired from the Board of Directors and were appointed to a newly-formed advisory board. After their retirement, the Company's Board of Directors consists of twelve members. Ten directors are independent and two directors are officers. John M. Kittredge, having reached the age limit established by the Board of Directors in the Company's bylaws, will retire at the 2003 Annual Meeting of Stockholders at which point the Board of Directors will be reduced to eleven members.

The Company's Certificate of Incorporation requires that the Board be divided into three classes in equal as number as possible, each with three-year staggered terms, with approximately one-third of the directors elected each year. To preserve the division of directors into three classes as equal in number as possible, the Board is nominating four directors to serve three-year terms and one director to serve a two-year term. The nominees for election this year are Lawrence A. Bossidy, Michael P. Daly, Thomas R. Dawson, Peter J. Lafayette and Corydon L. Thurston, each of whom is a director of the Company and the Bank.

It is intended that the proxies solicited by the Board of Directors will be voted for the election of the nominees named above. If any nominee is unable to serve, the persons named in the proxy card would vote your shares to approve the election of any substitute proposed by the Board of Directors. Alternatively, the Board of Directors may adopt a resolution to reduce the size of the Board. At this time, the Board of Directors knows of no reason why any nominee might be unable to serve.

Edgar Filing: BERKSHIRE HILLS BANCORP INC - Form DEF 14A

The Board of Directors recommends a vote "FOR" the election of all of the nominees.

Information regarding the nominees and the directors continuing in office is provided below. Unless otherwise stated, each individual has held his current occupation for the last five years. The age indicated in each nominee's biography is as of December 31, 2002. There are no family relationships among the directors or executive officers. The indicated period for service as a director includes service as a director of the Bank.

(4) Ms. Fawcett became an executive officer on October 17, 2002. Information for the prior two years is not disclosed as Ms. Fawcett was not an executive officer during that period.

(5) Mr. Cunningham's employment was terminated on October 17, 2002.

(6) Mr. Plungis' employment was terminated on February 28, 2003.

(7) Ms. Santora's employment was terminated on November 13, 2002.

Employment Agreements

Berkshire Bank and Berkshire Hills maintain employment agreements with Messrs. Daly and Wells. The employment agreements are intended to ensure that Berkshire Bank and Berkshire Hills will be able to maintain a stable and competent management base. The continued success of Berkshire Bank and Berkshire Hills depends to a significant degree on the skills and competence of these officers.

The employment agreements provide for three-year terms that automatically extend daily unless the Board of Directors or the executive gives the other party written notice of non-renewal. The Board has provided Mr. Wells written notice that his employment agreements will terminate on November 22, 2005. The employment agreements provide for base salaries for Messrs. Daly and Wells of \$260,000 and \$150,000, respectively, which are reviewed by the Berkshire Bank Board of Directors at least annually. In addition to the base salary, the employment agreements provide for, among other things, participation in stock and employee benefit plans and fringe benefits applicable to executive personnel.

The employment agreements provide for termination by Berkshire Bank or Berkshire Hills for cause, as defined in the employment agreements, at any time. If Berkshire Bank or Berkshire Hills chooses to terminate an executive's employment for reasons other than for cause, or if an executive resigns from Berkshire Bank or Berkshire Hills after specified circumstances that would constitute constructive termination, the executive or, if the executive dies, his beneficiary would be entitled to

receive an amount equal to the remaining base salary and incentive compensation payments, including amounts related to stock-based compensation, due for the remaining term of the employment agreement and the contributions that would have been made on the executive's behalf to any employee benefit plans of Berkshire Bank and Berkshire Hills during the remaining term of the employment agreement. Berkshire Bank and Berkshire Hills would also continue and/or pay for the executive's life, health, dental and disability coverage for the remaining term of the employment agreement. Upon termination of the executive's employment under these circumstances, the executive must adhere to a one year non-competition restriction.

Edgar Filing: BERKSHIRE HILLS BANCORP INC - Form DEF 14A

Under the employment agreements, if voluntary (upon circumstances discussed in the agreements) or involuntary termination follows a change in control of Berkshire Bank or Berkshire Hills, the executive or, if the executive dies, his beneficiary would be entitled to a severance payment equal to the greater of: (1) the payments due for the remaining term of the agreement; or (2) three times the average of the executive's compensation for the five preceding taxable years. Berkshire Bank and Berkshire Hills would also continue the executive's life, health, and disability coverage for thirty-six months. Even though both the Berkshire Bank and Berkshire Hills employment agreements provide for a severance payment if a change in control occurs, the executive would not receive duplicative payments or benefits under the agreements. The executive would also be entitled to receive a certain tax indemnification payment if payments under the employment agreements trigger liability under the Internal Revenue Code for the excise tax applicable to "excess parachute payments." Under applicable law, the excise tax is triggered by change in control-related payments which equal or exceed three times the executive's average annual compensation over the five years preceding the change in control. The excise tax equals 20% of the amount of the payment in excess of the executive's average compensation over that preceding five-year period.

Payments to the executive under the Bank's employment agreement are guaranteed by Berkshire Hills if payments or benefits are not paid by the Bank. Payment under Berkshire Hills' employment agreement would be made by Berkshire Hills. All reasonable costs and legal fees paid or incurred by the executive in any dispute or question of interpretation relating to the employment agreements will be paid by Berkshire Bank or Berkshire Hills, respectively, if the executive is successful on the merits in a legal judgment, arbitration or settlement. The employment agreements also provide that Berkshire Bank and Berkshire Hills will indemnify the executive to the fullest extent legally allowable.

Change in Control Agreements

Berkshire Hills and Berkshire Bank each maintains a change in control agreement with Ms. Fawcett. Each change in control agreement has a term of three years and is renewable annually. The change in control agreements provide that if involuntary termination, other than for cause, or voluntary termination (upon the occurrence of circumstances specified in the agreements) follows a change in control of Berkshire Hills or Berkshire Bank, Ms. Fawcett would be entitled to receive a severance payment equal to three times her average annual compensation (as described in the agreements) for the five most recent taxable years. Berkshire Bank would also continue her health and welfare benefits coverage for thirty-six months following termination.

Other Retirement Arrangements

Berkshire Bank maintains a supplemental retirement arrangement with Mr. Wells to provide him with an annual retirement benefit at age 60 equal to 70% of the average of the three consecutive years during which his compensation is the highest. Benefits under the supplemental arrangement are reduced by the benefits Mr. Wells would receive under the 401(k) plan, social security and through split-dollar life insurance arrangements under which the executive is entitled to share in the policy cash value at retirement.

The reports of the Compensation Committee and the Audit Committee and the stock performance graph shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act or the Exchange Act, except as to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Compensation Committee Report on Executive Compensation

Compensation Committee Report on Executive Compensation. Under the rules established by the Securities and Exchange Commission, the Company is required to provide certain data and information about the compensation and benefits provided to the Company's Chief Executive Officer and the other executive officers of the Company. The disclosure requirements for the Chief Executive Officer and the other executive officers include the use of tables and a report explaining the rationale and considerations that led to fundamental compensation decisions affecting those individuals. In fulfillment of this requirement, the Company's Compensation Committee, at the direction of the Board of Directors, has prepared the following report for inclusion in this proxy statement.

Compensation Practices and Policies. The Company does not pay direct cash compensation to the executive officers of the Company. However, the Company's executives are also executives of the

Bank and are compensated by the Bank, as determined by the Compensation Committee of the Bank. The members of the Compensation Committee are four non-employee members of the Board of Directors.

Edgar Filing: BERKSHIRE HILLS BANCORP INC - Form DEF 14A

The Company's executive compensation practices are intended to attract and retain qualified executives, to recognize and reward individual contributions and achievement and to offer a compensation package that is competitive in the financial industry and motivational to each individual executive. In furtherance of these objectives, the Company and the Bank maintain a compensation program for executive officers which consists of a base salary and a bonus. The salary levels are intended to be consistent and competitive with the practices of other comparable financial institutions and each executive's level of responsibility. In making its determination, the Compensation Committee utilized surveys of compensation paid to executive officers performing similar duties for depository institutions and their holding companies with particular focus on the level of compensation paid by institutions of comparable size and characteristics primarily in the New England Region of the United States. Salary increases are aimed at reflecting the overall performance of the Company and the Bank and the performance of the individual executive officer.

All executive officers participate in the Bank's Incentive Compensation Plan (Bonus Plan). Factors included in determining a bonus include the Bank's financial performance as well as the individual performance of those participants. In addition, the named executive officers participate in other benefit plans available to all employees including the 401(k) Plan and the employee stock ownership plan. In addition, executive officers participate in supplemental benefit plans as well as the Stock-Based Incentive Plan.

The decisions made by the Compensation Committee as to executive compensation are discretionary. However, a written performance review is prepared and includes an assessment of performance against certain individual and Bank goals established at the beginning of the year which are adjusted as necessary. All decisions by the Compensation Committee relating to compensation affecting executive officers of the Bank are reviewed by the full Board of Directors.

Chief Executive Compensation. The Chief Executive Officer's salary and bonus are determined by the Compensation Committee substantially in accordance with the policies described above relating to all executive officers of the Company and the Bank. Certain quantitative and qualitative factors were reviewed to determine the Chief Executive Officer's compensation. In addition to the review of the Chief Executive's performance, the Compensation Committee established the total compensation for the Chief Executive Officer after reviewing an analysis of the Chief Executive Officer's base salary in comparison to other institutions selected by the Compensation Committee with specific considerations given to the level of the Bank's performance and operations in comparison to peer institutions which consisted primarily of similarly structured financial institutions operating in the New England Region of the United States.

Audit Committee Report

The Audit Committee of the Company's Board of Directors is composed of three non-employee directors and operates under a written charter adopted by the Board of Directors, a copy of which is

attached hereto as Appendix A. The Board of Directors has determined that each Audit Committee member is independent in accordance with the listing standards of the American Stock Exchange.

Edgar Filing: BERKSHIRE HILLS BANCORP INC - Form DEF 14A

The Company's management is responsible for the Company's internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those financial statements with generally accepted accounting principles. The Audit Committee oversees the Company's internal controls and financial reporting process on behalf of the Board of Directors.

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees), including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements.

In addition, the Audit Committee has received the written disclosures and the letter from the independent auditors required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees) and has discussed with the independent auditors the auditors' independence from the Company and its management. In concluding that the auditors are independent, the Audit Committee considered, among other factors, whether the non-audit services provided by the auditors were compatible with its independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent auditors who, in their report, express an opinion on the conformity of the Company's financial statements to generally accepted accounting principles. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent auditors are in fact "independent."

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission. The Audit Committee and the Board of Directors also have approved, subject to stockholder ratification, the selection of the Company's independent auditors.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than 10% of any registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. These individuals are required by regulation to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on its review of the copies of the reports it has received and written representations provided to the Company from the individuals required to file the reports, the Company believes that each of its executive officers and directors has complied with applicable reporting requirements for transactions in Company common stock during the fiscal year ended December 31, 2002.

Transactions with Management

Federal regulations generally require that all loans or extensions of credit to executive officers and directors must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public and must not involve more than the normal risk of repayment or present other unfavorable features. Loans made to a director or executive officer in excess of the greater of \$25,000 or 5% of the Bank's capital and surplus (up to a maximum of \$500,000) must be approved in advance by a majority of the disinterested members of the Board of Directors.

Edgar Filing: BERKSHIRE HILLS BANCORP INC - Form DEF 14A

All loans made to the Company's and Bank's officers and directors are made on the same terms and conditions offered to the general public. Berkshire Bank's policy provides that all loans made by Berkshire Bank to its executive officers and directors be made in the ordinary course of business, on substantially the same terms, including collateral, as those prevailing at the time for comparable transactions with other persons and may not involve more than the normal risk of collectibility or present other unfavorable features.

The Company intends that all transactions in the future between the Company and its executive officers, directors, holders of 10% or more of the shares of any class of its common stock and affiliates thereof, will contain terms no less favorable to the Company than could have been obtained by it in arms length negotiations with unaffiliated persons and will be approved by a majority of independent outside directors of the Company not having any interest in the transaction.

Proposal 2 -- Approval of Berkshire Hills Bancorp, Inc. 2003 Equity Compensation Plan

The Board of Directors of the Company adopted the Berkshire Hills Bancorp, Inc. 2003 Equity Compensation Plan (the "2003 Plan"), subject to approval by the Company's stockholders. A copy of the 2003 Plan is attached hereto as Appendix B. The 2003 Plan will supplement the Company's 2001 Stock- Based Incentive Plan (the "2001 Plan"), which provided for the issuance of 767,376 stock options and 306,950 shares of restricted stock. As of December 31, 2002, 159,611 shares of Company common stock remained available for stock option grants and 100,681 shares remained available for restricted stock award grants under the 2001 Plan.

15

The ability to provide stock-based benefits in the future both to attract people of experience and ability and to retain existing key employees and directors is critical to sustain the Company's continued growth and success. The granting of stock-based benefits advances the interests of the Company and its stockholders by providing certain key employees and directors upon whose judgment, initiative and efforts the successful conduct of the business of the Company largely depends with additional incentive in the form of a proprietary interest in the Company to perform in a superior manner. Furthermore, the Company's Board of Directors believes that stock-based benefits are an important component of the Company's overall compensation strategy. To continue to be able to retain key employees and directors, the Company must have the ability to offer market competitive, long-term compensation opportunities. Additionally, stock options, because of their upside potential, are a key component in retaining employees. For these reasons, the Company wishes to continue its program of providing stock-based benefits.

Summary of the Plan

Type of Awards and Participants. The 2003 Plan provides for the grant of non-statutory stock options and restricted stock awards to employees and non-employee directors of the Company and its affiliates and for the grant of incentive stock options to employees.

Number of Shares of Common Stock Available. A total of 300,000 shares of common stock are reserved for issuance under the 2003 Plan. The Company may use shares reserved under the 2003 Plan for grants of restricted stock and/or grants of incentive or non-statutory stock options. These shares may come from either authorized but unissued shares or shares held in treasury.

Edgar Filing: BERKSHIRE HILLS BANCORP INC - Form DEF 14A

Administration. The 2003 Plan will be administered by a committee of the Board of Directors of the Company. The committee has the power to decide: (1) who will be granted restricted stock awards or stock options; (2) the number of shares underlying each stock option and the number of shares of restricted stock; (3) the date or dates when each award will vest in whole or in part and the terms and conditions of vesting; and (4) any other terms and conditions, so long as those other terms and conditions are not inconsistent with the 2003 Plan. The committee's determinations and interpretations of the 2003 Plan and the stock options and restricted stock awards granted under the 2003 Plan are final and binding upon all 2003 Plan participants.

Stock Options. All stock options granted under the 2003 Plan will be granted with an exercise price at least equal to 100% of the fair market value of the Company's common stock on the date of grant. No stock option will have a term of longer than ten years from the date of grant. The 2003 Plan does not permit the repricing of previously granted stock options or the cancellation and regrant of stock options without stockholder approval. Currently, under accounting principles generally accepted in the United States of America, compensation expense is not recognized with respect to the grant of stock options to officers and employees of the Company and its subsidiaries.

Restricted Stock Awards. Recipients of restricted stock awards are entitled to receive cash and stock dividends or other distributions (if any) on shares of Company common stock subject to their restricted stock. In addition, restricted stock award recipients may direct the voting of shares of restricted stock awarded to them.

Effect of Termination of Employment or Service. If a participant terminates employment or service, he or she may exercise his or her options for the period of time specified in the optionee's award

16

agreement. Additionally, upon such an event, any unvested shares of restricted stock will be treated as specified in the restricted stock award recipient's award agreement.

Effect of a Change in Control. If a change in control (as defined in the 2003 Plan) occurs, each outstanding stock option and restricted stock award will become fully vested. The stock options will remain exercisable for their full term.

Transferability. The 2003 Plan generally does not allow for the transfer of stock options, except if specified in a written will of an optionee or by the laws of descent and distribution. However, under limited circumstances, non-statutory stock options may be transferred for valid estate planning purposes, if approved by the committee. Restricted stock awards are transferable only by will or the laws of descent and distribution.

Term of the 2003 Plan. The 2003 Plan will be effective upon shareholder approval and expire on the tenth anniversary of the effective date, unless terminated sooner by the Board.

Amendment of the 2003 Plan. The 2003 Plan allows the Board to amend the 2003 Plan in certain respects without stockholder approval, unless such approval is required to comply with a tax law, regulatory requirement or specific provision of the 2003 Plan.

Certain Federal Income Tax Consequences. The following brief description of the material tax consequences of stock options and restricted stock awards

Edgar Filing: BERKSHIRE HILLS BANCORP INC - Form DEF 14A

granted under the 2003 Plan is based on federal income tax laws currently in effect and does not purport to be a complete description of such federal income tax consequences.

The grant of a non-statutory stock option is not a taxable event. However, upon the exercise of a non-statutory stock option, an optionee will recognize ordinary income equal to the difference between the option exercise price and the fair market value of the Company common stock on the date of exercise, multiplied by the number of shares purchased upon the exercise of the option. The Company will receive a tax deduction equal to the ordinary income recognized by the optionee. Employees exercising non-statutory stock options are subject to federal, state and local (if any) tax withholding on the option income. Non-employee directors are not subject to tax withholding.

The grant of an incentive stock option is not a taxable event, nor is the exercise of an incentive stock option, if an optionee does not dispose of the common stock acquired upon exercise for a period of two years from the date of grant or one year following the date of exercise. If the optionee disposes of the shares prior to the expiration of the required holding periods, the optionee will have a disqualifying disposition and will recognize ordinary income equal to the difference between the option exercise price and the lesser of the price realized upon disposition or the fair market value of the Company common stock on the date of exercise, multiplied by the number of shares purchased upon the exercise of the option. In such a case, the Company will receive a tax deduction equal to the ordinary income recognized by the optionee. Currently, the Internal Revenue Service does not require tax withholding on the exercise of incentive stock options or upon disqualifying dispositions.

Taxable income will not be recognized by an individual upon the granting of restricted stock, unless he or she makes an election under Section 83(b) of the Internal Revenue Code. At the time any transfer or forfeiture restrictions applicable to the restricted stock award lapse, the recipient will recognize ordinary income and the Company will be entitled to a corresponding deduction equal to the fair market

17

value of the stock at such time. A restricted stock award recipient who makes an election under Section 83(b) of the Internal Revenue Code will recognize ordinary income at the time of the award and the Company will be entitled to a corresponding deduction equal to the fair market value of the stock at such time. If the recipient makes a Section 83(b) election, there are no federal income tax consequences either to the recipient or the Company at the time of any applicable transfer or lapse of restrictions.

New Plan Benefits

The Company anticipates that awards will primarily be made to employees and non-employee directors after the effective date of the 2003 Plan, as deemed appropriate. As of the date of this proxy statement, no specific determinations have been made regarding any future grants under the plan at this time.

Appendix A

BERKSHIRE HILLS BANCORP, INC.

AUDIT COMMITTEE CHARTER

Role

The primary role of the Audit Committee is to provide assistance to the Board of Directors (the "Board") in fulfilling its oversight responsibilities relating to (1) corporate accounting and reporting practices of Berkshire Hills Bancorp, Inc. and its subsidiaries (collectively, the "Company"), (2) the quality and integrity of financial reports of the Company, (3) compliance by the Company with legal and regulatory requirements related to accounting and financial reporting, and (4) the independence and performance of the Company's auditors.

In doing so, the Audit Committee shall maintain free and open communication with the Board, the independent auditors, and management of the Company. The Audit Committee shall be directly responsible for the appointment, compensation and oversight of the work of the Company's independent auditors, as well as the resolution of disagreements between management and the independent auditors regarding financial reporting. The Audit Committee shall have the authority to retain and determine funding for special legal, accounting or other consultants to advise the Audit Committee or assist in any investigations it may perform. The Audit Committee may request any officer or employee of the Company, the Company's outside counsel, auditors, investment bankers or financial analysts to meet with the Audit Committee.

Organization

The Audit Committee of the Board shall consist of at least three members of the Board. Director's fees are the only compensation that an Audit Committee member may receive from the Company. The membership of the Audit Committee shall consist of directors who are generally knowledgeable in financial and auditing matters and are able to read and understand financial statements at the time of their appointment. In addition, the Board shall endeavor to include at least one financial expert (as that term is defined by the Securities and Exchange Commission) among the Audit Committee members. 4. STOCK SUBJECT TO THE PLAN.

Subject to adjustment as provided in Section 11 of the Plan, the number of

Edgar Filing: BERKSHIRE HILLS BANCORP INC - Form DEF 14A

shares reserved for awards under the Plan is 300,000, including for purchase pursuant to the exercise of Options (Incentive Stock Options and Non-Statutory Stock Options) and grants of Restricted Stock Awards. The shares of Common Stock issued under the Plan may be either authorized but unissued shares or authorized shares previously issued and acquired or reacquired by the Company. Shares underlying outstanding Awards will be unavailable for any other use, including future grants under the Plan, except that, to the extent the awards terminate, expire or are forfeited without vesting or having been exercised, new awards may be granted with respect to these shares subject to the limitations set forth in this Section 4.

5. OPTIONS.

The Committee may, subject to the limitations of this Plan and the availability of shares of Common Stock reserved but not previously awarded under the Plan, grant Options, subject to terms and conditions as it may determine, to the extent that such terms and conditions are consistent with the following provisions:

- (a) **Exercise Price.** The Exercise Price shall not be less than one hundred percent (100%) of the Fair Market Value of the Common Stock on the date of grant.
- (b) **Terms of Options.** In no event may an individual exercise an Option, in whole or in part, more than ten (10) years from the date of grant.
- (c) **Non-Transferability.** Unless otherwise determined by the Committee in accordance with this Section 5(c), an individual may not transfer, assign, hypothecate, or dispose of an Option in any manner, other than by will or the laws of intestate succession. The Committee may, however, in its sole discretion, permit transfer or assignment of a Non-Statutory Stock Option, if it determines that the transfer or assignment is for valid estate planning purposes and is permitted under the Code and Rule 16b-3 of the Exchange Act. For purposes of this Section 5(c), a transfer for valid estate planning purposes includes, but is not limited to, transfers:
 - (i) to a revocable inter vivos trust, as to which an individual is both settlor and trustee;
 - (ii) for no consideration to: (1) any member of the individual's Immediate Family; (2) a trust solely for the benefit of members of the individual's Immediate Family; (3) any partnership whose only partners are members of the individual's Immediate Family; or (4) any limited liability corporation or other corporate entity whose only members or equity owners are members of the individual's Immediate Family; or
 - (iii) to the Greater Berkshire Foundation, Inc. or the Berkshire Hills Foundation.

For purposes of this Section 5(c), "Immediate Family" includes, but is not necessarily limited to, a Participant's parents, grandparents, spouse, children, grandchildren, siblings (including half brothers and sisters), and individuals who are family members by adoption. Nothing contained in this Section 5(c) shall be construed to require the Committee to give its approval to any transfer or assignment of any Non-Statutory Stock Option or portion thereof, and approval to transfer or assign any Non-Statutory Stock Option or portion thereof does not mean that such approval will

be given with respect to any other Non-Statutory Stock Option or portion thereof. The transferee or assignee of any Non-Statutory Stock Option shall be subject to all of the terms and conditions applicable to such Non-Statutory Stock Option immediately prior to the transfer or assignment and shall be subject to any other conditions prescribed by the Committee with respect to such Non-Statutory Stock Option.

- (d) Special Rules for Incentive Stock Options. Notwithstanding foregoing provisions, the following rules apply to the grant of Incentive Stock Options:
- (i) If an Employee owns or is treated as owning, for purposes of Section 422 of the Code, Common Stock representing more than ten percent (10%) of the total combined voting securities of the Company at the time the Committee grants the Incentive Stock Option (a "10% Owner"), the Exercise Price shall not be less than one hundred and ten percent (110%) of the Fair Market Value of the Common Stock on the date of grant.
 - (ii) An Incentive Stock Option granted to a 10% Owner shall not be exercisable more than five (5) years from the date of grant.
 - (iii) To the extent the aggregate Fair Market Value of shares of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by an Employee during any calendar year, under the Plan or any other stock option plan of the Company, exceeds \$100,000, or such higher value as may be permitted under Section 422 of the Code, Options in excess of the limit shall be treated as Non-Statutory Stock Options. Fair Market Value shall be determined as of the date of grant for each Incentive Stock Option.
 - (iv) Each Award Agreement for an Incentive Stock Option shall require the individual to notify the Committee within ten (10) days of any disposition of shares of Common Stock under the circumstances described in Section 421(b) of the Code (relating to certain disqualifying dispositions).
 - (v) Incentive Stock Options exercised more than three (3) months following the date an Employee terminates employment (for reasons other than death or Disability) will be treated as Non-Statutory Stock Options. In the event employment is terminated due to death or Disability, Incentive Stock Options will remain exercisable for one (1) year from the date the Employee terminates employment.
- (e) Acceleration Upon a Change in Control. Upon a Change in Control, all Options held by a Participant as of the date of the Change in Control shall immediately become exercisable and shall remain exercisable until the expiration of the Option term.
- (f) Termination of Employment or Service. The following rules apply upon the termination of a Participant's employment or other service:
- (i) In General. Unless the Committee determines otherwise, upon termination of employment or service for any reason other than Retirement, Disability or death, or Termination for Cause, a Participant may exercise only those Options that were

Edgar Filing: BERKSHIRE HILLS BANCORP INC - Form DEF 14A

immediately exercisable by the Participant at the date of termination, and only for a period of three (3) months from the date of termination, or, if sooner, until the expiration of the Option term.

- (ii) Retirement. Unless the Committee determines otherwise, upon a Participant's Retirement, the Participant may exercise only those Options that were immediately exercisable by the Participant at the date of Retirement, and only for a period of one (1) year from the date of Retirement, or, if sooner, until the expiration of the Option term.
- (iii) Disability or Death. Unless the Committee determines otherwise, upon termination of a Participant's employment or service due to Disability or death, all Options shall become immediately exercisable and shall remain exercisable for a period of one (1) year from the date of termination, or, if sooner, until the expiration of the Option term.
- (iv) Termination for Cause. Unless the Committee determines otherwise, upon Termination for Cause, all rights to a Participant's Options, whether or not exercisable, shall expire immediately upon the effective date of Termination for Cause.

6. RESTRICTED STOCK AWARDS.

The Committee may make grants of Restricted Stock Awards which shall consist of the grant of some number of shares of Common Stock to an individual upon such terms and conditions as it may determine to the extent such terms and conditions are consistent with the following provisions:

- (a) Grants of Stock. Restricted Stock Awards may only be granted in whole shares of Common Stock.
- (b) Non-Transferability. Except to the extent permitted by the Code, the rules promulgated under Section 16(b) of the Exchange Act or any successor statutes or rules:
 - (i) The recipient of a Restricted Stock Award grant shall not sell, transfer, assign, pledge, or otherwise encumber shares subject to the grant until full vesting of such shares has occurred. For purposes of this section, the separation of beneficial ownership and legal title through the use of any "swap" transaction is deemed to be a prohibited encumbrance.
 - (ii) Unless determined otherwise by the Committee and except in the event of the Participant's death or pursuant to a domestic relations order, a Restricted Stock Award grant is not transferable and may be earned in his or her lifetime only by the individual to whom it is granted. Upon the death of a Participant, a Restricted Stock Award grant is transferable by will or the laws of descent and distribution. The designation of a beneficiary shall not constitute a transfer.
 - (iii) If the recipient of a Restricted Stock Award is subject to the provisions of Section 16 of the Exchange Act, shares of Common Stock subject to the grant may not, without the written consent of the Committee (which consent may be given in the Award

Edgar Filing: BERKSHIRE HILLS BANCORP INC - Form DEF 14A

Agreement), be sold or otherwise disposed of within six (6) months following the date of grant.

- (c) Acceleration of Vesting Upon a Change in Control. Upon a Change in Control, all Restricted Stock Awards held by a Participant as of the date of the Change in Control shall immediately vest and any further restrictions shall lapse.
- (d) Termination of Employment or Service. The following rules will govern the treatment of a Restricted Stock Award upon the termination of a Participant's employment or other service:
 - (i) In General. Unless the Committee determines otherwise, upon the termination of a Participant's employment or service for any reason other than Retirement, Disability or death, or Termination for Cause, all unvested Restricted Stock Awards held by the Participant will be forfeited and any rights the Participant had to such Restricted Stock Award will become null and void.
 - (ii) Retirement. Unless the Committee determines otherwise, upon a Participant's Retirement, all unvested Restricted Stock Awards held by the Participant will be forfeited as of his or her Retirement date. All rights the Participant had to such unvested Restricted Stock Awards will become null and void.
 - (iii) Disability or Death. Unless otherwise determined by the Committee, in the event of a termination of a Participant's service due to Disability or death, all unvested Restricted Stock Awards held by such Participant shall immediately vest as of the date of such termination.
 - (iv) Termination for Cause. Unless otherwise determined by the Committee, in the event of a Participant's Termination for Cause, all unvested Restricted Stock Awards held by the Participant as of the effective date of such termination will be forfeited and any rights the Participant had to such unvested Restricted Stock Awards will become null and void.
- (e) Issuance of Certificates. Unless otherwise held in trust and registered in the name of the Plan trustee, reasonably promptly after the date of grant with respect to shares of Common Stock pursuant to a Restricted Stock Award, the Company shall cause to be issued a stock certificate, registered in the name of the Participant to whom the Restricted Stock Award was granted, evidencing such shares; provided, that the Company shall not cause a stock certificate to be issued unless it has received a stock power duly endorsed in blank with respect to such shares. Each such stock certificate shall bear the following legend:

"The transferability of this certificate and the shares of stock represented hereby are subject to the restrictions, terms and conditions (including forfeiture provisions and restrictions against transfer) contained in the Berkshire Hills Bancorp, Inc. 2003 Equity Compensation Plan entered into between the registered owner of such shares and Berkshire Hills Bancorp, Inc. or its Affiliates. A copy of the Plan and Award Agreement is on file in the office of the Corporate Secretary of Berkshire Hills Bancorp, Inc., 24 North Street, Pittsfield, Massachusetts 01201."

Edgar Filing: BERKSHIRE HILLS BANCORP INC - Form DEF 14A

This legend shall not be removed until the individual becomes vested in such shares pursuant to the terms of the Plan and Award Agreement. Each certificate issued pursuant to this Section 6(e) shall be held by the Company or its Affiliates, unless the Committee determines otherwise.

- (f) Treatment of Dividends. Participants are entitled to all dividends and other distributions declared and paid on Common Stock with respect to all shares of Common Stock subject to a Restricted Stock Award, from and after the date such shares are awarded or from and after such later date as may be specified by the Committee in the Award Agreement, and the Participant shall not be required to return any such dividends or other distributions to the Company in the event of forfeiture of the Restricted Stock Award. In the event the Committee establishes a trust for the Incentive Plan, the Committee may elect to distribute dividends and other distributions at the time the Restricted Stock Award vests or pay the dividends (or other distributions) directly to the Participants.
- (g) Voting of Restricted Stock Awards. Participants who are granted Restricted Stock Awards are entitled to vote or to direct the Plan Trustee to vote, as the case may be, all unvested shares of Common Stock subject to the Restricted Stock Award.

7. DEFERRED PAYMENTS.

The Committee, in its discretion, may permit an individual to elect to defer the receipt of all or any part of any cash or stock payment under the Plan, or the Committee may determine to defer receipt by some or all individuals, of all or a portion of any payment. The Committee shall determine the terms and conditions of any permitted deferral, including the period of deferral, the manner of deferral and the method used to measure appreciation on deferred amounts until paid.

8. METHOD OF EXERCISING OPTIONS.

Subject to any applicable Award Agreement, an individual may exercise any Option, in whole or in part, at such time or times as the Committee specifies in the Award Agreement. The individual may make payment of the Exercise Price in such form or forms as the Committee specifies in the Award Agreement, including, without limitation, payment by delivery of cash, Common Stock or a cashless exercise with a qualified broker. Any Common Stock used in full or partial payment of the Exercise Price shall be valued at the Fair Market Value of the Common Stock on the date of exercise. Delivery by the Company of the shares as to which an Option has been exercised shall be made to the person exercising the Option or the designee of such person. If so provided by the Committee upon grant of the Option, the shares received upon exercise may be subject to certain restrictions upon subsequent transfer or sale by the Participant. In the event the Exercise Price is to be paid in full or in part by surrender of Common Stock, in lieu of actual surrender of shares of Common Stock the Company may waive such surrender and instead deliver to or on behalf of the Participant a number of shares equal to the total number of shares as to which the Option is then being exercised less the number of shares which would otherwise have been surrendered by the Participant to the Company.

9. RIGHTS OF INDIVIDUALS.

No individual shall have any rights as a shareholder with respect to any shares of Common Stock covered by a grant under this Plan until the date of issuance of a stock certificate for such Common Stock.

Nothing contained in this Plan or in any Award Agreement confers on any person the right to continue in the employ or service of the Company or an Affiliate or interferes in any way with the right of the Company or an Affiliate to terminate an individual's services.

10. DESIGNATION OF BENEFICIARY.

With the Committee's consent, an individual may designate a person or persons to receive, upon the individual's death, any award to which the individual would then be entitled. This designation shall be made upon forms supplied by and delivered to the Company and it may be revoked in writing. If an individual fails to effectively designate a beneficiary, the individual's estate shall be deemed to be the beneficiary for purposes of the Plan.

11. DILUTION AND OTHER ADJUSTMENTS.

In the event of any change in the outstanding shares of Common Stock, by reason of any stock dividend or split, recapitalization, merger, consolidation, spin-off, reorganization, combination or exchange of shares, or other similar corporate change, or any other increase or decrease in such shares, without receipt or payment of consideration by the Company, or in the event an extraordinary capital distribution is made, the Committee may make adjustments to previously granted awards, to prevent dilution, diminution, or enlargement of the rights of individuals, including any or all of the following:

- (a) adjustments in the aggregate number or kind of shares of Common Stock or other securities that may underlie future awards under the Plan;
- (b) adjustments in the aggregate number or kind of shares of Common Stock or other securities that underlie awards already made under the Plan; and
- (c) adjustments in the Exercise Price of outstanding Options.

The Committee, however, shall not make adjustments that materially change the value of benefits available to an individual under a previously granted award. All Awards under this Plan shall be binding upon any successors or assigns of the Company.

12. TAXES.

Under this Plan, whenever cash or shares of Common Stock are to be delivered, the Committee is entitled to require as a condition of delivery that:

- (a) the Participant remit an amount sufficient to satisfy all related federal, state, and local withholding tax requirements;
- (b) the withholding of such sums may come from compensation otherwise due to the Participant or from shares of Common Stock due to the individual under this Plan; or
- (c) any combination of (i) and (ii), above; provided, however, that no amount shall be withheld from any cash payment or shares of Common Stock related to an Option transferred by the Participant in accordance with this Plan.

13. NOTIFICATION UNDER SECTION 83(b).

Edgar Filing: BERKSHIRE HILLS BANCORP INC - Form DEF 14A

The Committee may, on the date of grant or at a later date, prohibit an individual from making the election described below. If the Committee has not prohibited an individual from making this election, and the individual shall, in connection with the exercise of any award, make the election permitted under Section 83(b) of the Code, the individual shall notify the Committee of the election within ten (10) days of filing notice of the election with the Internal Revenue Service. This requirement is in addition to any filing and notification required under the regulations issued under the authority of Section 83(b) of the Code.

14. AMENDMENT OF THE PLAN AND AWARD GRANTS.

- (a) Except as provided in paragraph (c) of this Section 14, the Board of Directors may at any time, and from time to time, modify or amend the Plan in any respect, prospectively or retroactively; provided, however, that provisions governing grants of Incentive Stock Options shall be submitted for shareholder approval to the extent required by law, regulation, or otherwise. Failure to ratify or approve amendments or modifications by shareholders shall be effective only as to the specific amendment or modification requiring shareholder ratification or approval. Other provisions of this Plan shall remain in full force and effect. No termination, modification, or amendment of this Plan may adversely affect the rights of an individual under an outstanding award without the written permission of the affected individual.
- (b) Except as provided in paragraph (c) of this Section 14, the Committee may amend any Award Agreement, prospectively or retroactively; provided, however, that no amendment shall adversely affect the rights of an individual under an outstanding Award Agreement without the written consent of the affected individual.
- (c) In no event shall the Board of Directors, without shareholder approval, amend the Plan or shall the Committee amend an Award Agreement in any manner that effectively:
 - (i) allows any Option to be granted with an Exercise Price below the Fair Market Value of the Common Stock on the date of grant; or
 - (ii) allows the Exercise Price of any Option previously granted under the Plan to be reduced after the date of grant.

15. EFFECTIVE DATE AND TERMINATION OF THE PLAN.

The Plan shall become effective upon approval by the Company's shareholders. The right to grant awards under the Plan will terminate upon the earlier of: (i) ten (10) years after the effective date; or (ii) the issuance of a number of shares of Common Stock pursuant to the exercise of Options and vesting of Restricted Stock Awards equal to the maximum number of shares reserved under the Plan, as set forth in Section 4. The Board of Directors may suspend or terminate the Plan at any time; provided, however, that no such action will adversely affect an individual's vested rights under a previously granted award, without the consent of the affected individual.

16. APPLICABLE LAW.

The Plan will be administered in accordance with the laws of the state of Delaware, except to the extent that Federal law is deemed to apply.
