(the Company) to be held on Thursday, October 9, 2003, as set forth in the preceding Notice. It is expected that this Proxy Statement and the enclosed form of Proxy will be mailed to Stockholders commencing September 12, 2003.

GENERAL INFORMATION

The holders of outstanding shares of Common Stock and Preferred Stock of the Company at the close of business on August 15, 2003 are entitled to notice of and to vote at the Annual Meeting. The presence in person or by proxy of persons entitled to vote a majority of the issued and outstanding stock of each class of stock entitled to vote will constitute a quorum for the transaction of business at the meeting. As of August 15, 2003, there were 7,657,044 shares of Common Stock outstanding and 437 shares of Preferred Stock outstanding.

Generally, holders of Common and Preferred Stock each vote separately as a class with respect to each matter that the class is authorized to vote on, with each share of stock in each class being entitled to one vote. In connection with the election of directors, the holders of Common Stock are entitled to vote on the election of Group A directors and the holders of Preferred Stock are entitled to vote on the election of Group B directors. The candidates for office who receive the highest number of votes will be elected. Although no other proposals are scheduled to come before the meeting, the affirmative vote of the holders of a majority of the voting power represented at the meeting (or such higher voting requirement as may be specified by law or the Company's Articles of Incorporation) is required for approval of other proposals.

Abstentions and broker non-votes will be counted as present for purposes of determining the existence of a quorum at the Annual Meeting. Abstentions will be treated as shares present and entitled to vote for purposes of any matter requiring the affirmative vote of a majority or other proportion of the shares present and entitled to vote. With respect to shares relating to any proxy as to which a broker non-vote is indicated on a proposal, those shares will not be considered present and entitled to vote with respect to any such proposal. With respect to any matter brought before the Annual Meeting requiring the affirmative vote of a majority or other proportion of the outstanding shares of a class, an abstention or non-vote will have the same effect as a vote against the matter being voted upon.

Any stockholder giving a Proxy may revoke it at any time prior to its use by executing a later dated Proxy or by filing a written revocation with the Secretary of the Company. A stockholder may also revoke a Proxy by appearing at the meeting and voting by written ballot. Certain information concerning the Board and its Committees

The Board has three standing committees: Audit, Nominating and Human Resources and Compensation.

During the fiscal year ended June 30, 2003, the Board met five times, the Audit Review Committee met three times, the Human Resources Committee met four times and the Nominating Committee met once. Except for Mr. Haverty, each director attended at least 75% of the meetings of the Board and the Committees of which the director was a member.

The Audit Review Committee reviews the process involved in the preparation of the Company's annual audited financial statements and appoints a firm of independent public accountants to serve as independent auditor and to conduct that audit and review the Company's quarterly financial statements. It also reviews and makes recommendations with regard to the process involved in the Company's implementation of its conflict of interest and business conduct policy. In connection with this work, the Committee annually reviews: (a) the adequacy of the Audit Review Committee's written Charter that has been adopted by the Board of Directors; (b) the independence and financial literacy of each member of the Audit Review Committee; (c) the plan for and scope of the annual audit; (d) the services and fees of the independent auditor; (e) certain matters relating to the independence of the independent auditor; (f) certain matters required to be discussed with the independent auditor relative to the quality of the Company's accounting principles; (g) the audited financial statements and results of the annual audit; (h) recommendations of the independent auditor with respect to internal controls and other financial matters; (i) significant changes in accounting principles that are brought to the attention of the Committee; and (j) various other

matters that are brought to the attention of the Committee.

The Board of Directors has determined that each member of the Audit Review Committee is independent, as that term is defined in Rule 4200 (a) (15) of the National Association of Securities Dealers listing standards. The Board of Directors has adopted a written charter for the Audit Review Committee, a copy of which is included as Appendix I to the Proxy Statement.

The information in or referred to in the foregoing paragraph shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The Human Resources and Compensation Committee recommends to the Board of Directors the compensation of all officers and employees who report directly to the Chief Executive Officer. The Committee approves a bonus system for various key employees and reviews the scope and type of compensation plans for management personnel. The Committee administers the Company's Executive Stock Bonus Plan, the Salaried and Senior Stock Incentive Plans and the Directors' Stock Option Plans, and also serves as an executive search committee.

5

The Nominating Committee recommends to the Board of Directors the qualifications for new director nominees, candidates for nomination and policies concerning compensation and length of service. The Committee considers written recommendations from stockholders concerning these subjects and suggests that they may be addressed to the Secretary of the Company. Recommendations for director nominees should provide pertinent information concerning the candidates' background and experience.

Non-employee directors are paid a retainer at the rate of \$2,500 quarterly, \$625 for attendance at each meeting of the Board, and \$312.50 for attendance at each meeting of a committee of the Board. Employee directors receive a fee of \$437.50 for attendance at each meeting of the Board of Directors. Pursuant to a stockholder approved plan, each non-employee director also receives an automatic grant of an option to purchase 1,000 shares of the Company's Common Stock on the first business day following each annual meeting of stockholders at a price equal to the fair market value of the Common Stock on that date. Options become exercisable on the 184th day following the date of grant and expire on the sooner of (a) ten years from the date of grant, (b) three years following termination of the director's office due to retirement following age 70, (c) one year following termination of the director's office due to death or (d) 90 days following the date of the termination of the director's term of office for any other reason.

OTHER MATTERS

A Proxy confers discretionary authority with respect to the voting of shares represented thereby on any other business that properly may come before the meeting as to which the Company did not have notice prior to July 30, 2003. The Board of Directors is not aware that any such other business is to be presented for action at the meeting and does not itself intend to present any such other business. However, if any such other business does come before the meeting, shares represented by Proxies given pursuant to this solicitation will be voted by the persons named in the

Proxy in accordance with their best judgment. A Proxy also confers discretionary authority on the persons named to approve minutes of last year's Annual Meeting, to vote on matters incident to the conduct of the meeting and to vote on the election of any person as a director if a nominee herein named should decline or become unable to serve as a director for any reason.

The following performance graph compares the performance of the Company's Common Stock during the period beginning June 30, 1998 and ending June 30, 2003, to the Center for Research in Security Prices of the University of Chicago School of Business (CRSP) index for the NASDAQ Stock Market (the NASDAQ COMPOSITE index consisting of US companies) and a peer group CRSP index consisting of active NASDAQ stocks of US processors of food and kindred products having SIC codes between 2000-2099 (the NASDAQ Food index) for the same period. The number of companies in the NASDAQ Food index varies from period to period but consisted of 41 companies at the end of June 2003. The graph assumes a \$100 investment in the Company's Common Stock and in each of the indexes at the beginning of the period and a reinvestment of dividends paid on such investments throughout the period.

Report of the Human Resources and Compensation Committee

The report of the Human Resources and Compensation Committee of the Board of Directors shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Human Resources and Compensation Committee Interlocks and Insider Participation. Executive compensation is based primarily upon recommendations made to the Board of Directors by the Company's Human Resources Committee (the Committee). The Committee for the year ended June 30, 2003, consisted of Daryl R. Schaller, Ph. D. (Chairman), Michael R. Haverty, Robert J. Reintjes, Linda E. Miller, Michael Braude and James A. Schlindwein. All of the members of the Committee are non-employee directors of the Company. The Committee recommends to the Board of Directors compensation and compensation plans for officers and employees who report directly to the Chief Executive Officer. The recommendations are acted

11

upon by the full board which includes Messrs. Seaberg and Schrick, who are two of the five highest paid officers of the Company.

This report is provided by the Committee to assist stockholders in understanding the Committee's philosophy in establishing the compensation of the Chief Executive Officer and all other Executive Officers of the Company for the year ended June 30, 2003.

Compensation Philosophy. Historically, executive compensation has been designed to link rewards with business results and stockholder returns consistent with (a) the executive's level of responsibility, (b) compensation paid to the executive in the prior year, (c) the Company's performance for the year and the prior year, (d) the executive's individual performance for the year and the prior year, (e) salary levels for executives in comparable positions in comparable enterprises, (f) inflation and (g) a variety of other factors. The components of Executive Compensation which reflect this philosophy consist of (i) annual base salary, (ii) annual cash bonuses, (iii) annual stock bonuses, (iv) stock options and (v) equity based retirement compensation, which is reflected in the Company's Employee Stock Ownership Plan and 401(k) Plan. In formulating its compensation recommendations, the Committee considered information and recommendations provided by management and by Arthur J. Gallagher & Company, a nationally known and recognized firm of management consultants.

Base Salary. The past practice of the Committee has been to establish base salaries of all executives prior to the beginning of the year based on the various factors described in the preceding paragraph. In 2003, the Committee increased base salaries of certain of the named executive officers to the levels indicated in the Summary Compensation Table to keep salary levels reasonably consistent with inflation and salary levels for executives in comparable positions in comparable enterprises. These increases were based in large part on studies conducted by Arthur J. Gallagher & Company. Mr. Seaberg's salary was not increased in 2003 at his request.

Annual Cash Bonuses. Historically, annual cash bonuses have been paid primarily pursuant to a Cash Bonus Plan. Under that plan, each executive, along with all other nonunion personnel, has been entitled to cash bonuses, payable annually, of up to 25% of each employee's base salary to the extent that certain Company performance targets are met. In fiscal 2003, due to the anticipated effect on the Company's operations of the September 2002 distillery explosion at its Atchison facility, the Committee determined not to award bonuses under the Cash Bonus Plan.

The Committee has authorized a \$50,000 bonus pool that may be paid at the discretion of the Chief Executive Officer to reward superior performance by any employee of the Company other than the CEO. This bonus pool was utilized in fiscal 2003.

Stock Incentive Plan of 1996. In January, 1996, the Board of Directors, upon recommendation of the Committee, adopted the Stock Incentive Plan of 1996. The Plan was approved by stockholders at the Annual Meeting in 1996. The Board and the Committee took this action due to a recognized need to provide medium term incentives for the retention and motivation of Senior Executives consistent with current needs to conserve cash. Since that

action, the Committee has granted options to Senior Executives on an annual basis. In fiscal 2003, 49,000 options were granted to Senior Executives under the Plan.

Equity Based Retirement Compensation. The final component of executive compensation consists of equity based retirement compensation through participation in the Company's employee stock ownership plans for salaried and certain hourly employees (Salaried ESOP) and 401(k) Plan. The amount of the Company's contributions to the Salaried ESOP and the 401(k) Plan is determined by the Board each year based upon the recommendation of the Committee. The Committee bases its recommendation primarily upon Company performance for the year.

Under the Salaried ESOP, amounts contributed by the Company are invested in shares of the Company's Common Stock. Shares purchased are allocated to participant accounts in proportion to the participant's eligible compensation (as defined). Generally, accounts are distributed to participants who have completed at least ten years of service upon death, permanent disability or retirement. In fiscal 2003, the Company contributed an amount equal to 4-1/2% of eligible compensation for the Salaried ESOP. This is the same amount as in the prior year.

The Company has maintained a 401(k) Plan for the benefit of employees for several years but prior to fiscal 2001 had not made a contribution to it. During fiscal 2001, the Board determined to reduce the Company's contribution to the Salaried ESOP and to contribute an amount equal to the reduction to the 401(k) Plan. Five years service is required for full vesting in the amount of the Company contribution. In fiscal 2003, the Company contributed an amount equal to 4-1/2% of eligible compensation to the 401(k) Plan.

Compensation of the Chief Executive Officer for Fiscal 2003. All of the components of fiscal 2003 compensation of the Chief Executive Officer were determined in accordance with the criteria described above for other Senior Executives. As noted above, at Mr. Seaberg's request his base salary was not increased in fiscal 2003 over the fiscal 2002 amount.

This report is being made over the names of Daryl R. Schaller, Ph. D. (Chairman), Michael R. Haverty, Robert J. Reintjes, Linda E. Miller, Michael Braude and James A. Schlindwein, who are the continuing members of the Committee which passed on Executive Compensation for fiscal 2003.

- (a) For the purposes of the table, a person is deemed to be a beneficial owner of shares if the person has or shares the power to vote or to dispose of them. Except as otherwise indicated in the table or the footnotes below, each person had sole voting and investment power over the shares listed in the beneficial ownership table and all stockholders shown

in the table as having beneficial ownership of 5% or more of either of the classes of stock had business addresses at 1300 Main Street, Atchison, Kansas 66002, as of July 1, 2003. Stockholders disclaim beneficial ownership in the shares described in the footnotes as being held by or held for the benefit of other persons.

- (b) The table includes shares which may be acquired pursuant to stock options granted under the Company's stock option plans that become exercisable on or before September 1, 2003. These consist of options held by three non-employee directors (Messrs. Braude, Cray and Reintjes) to purchase 7,000 shares each, one non-employee director (Mr. Schaller) to purchase 6,000 shares, one non-employee director (Mr. Haverty) to purchase 4,000 shares, one non-employee director (Ms. Miller) to purchase 3,000 shares, and one non-employee director (Mr. Schlindwein) to purchase 2,000 shares, options held by Messrs. The trustees are obligated to vote the shares which are allocated to participants in accordance with instructions given by such participants, all of which were allocated at July 1, 2003. Any unallocated shares are voted by the trustees. The number and percentage of ownership shown after the names of each of the Trustees in the table above do not include any of the 730,747 shares or any of the shares allocated to their individual accounts. Accordingly, the aggregate beneficial ownership for each of the Trustees may be deemed to be the individual amounts shown, plus 730,747 shares and 9.54%.

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than 10% of the Company's Common Stock, to file reports of ownership and changes in ownership with the SEC and NASDAQ. Brian T. Cahill, Gerald D. Lasater, Steven J. Pickman, Clodualdo Maningat, David E. Rindom, William R. Thornton and Michael J. Trautschold each failed to timely file one report, each of which reports related to a single transaction.

The selection was made upon the recommendation of the Audit Review Committee, which, at the time of such recommendation, consisted of Mr. Reintjes, Chairman, Ms. Miller and Messrs. Braude, Haverty, Schaller and Schlindwein. BKD, LLP has audited the Company's books annually since 1958.

Representatives of BKD, LLP will be present at the stockholders' meeting. They will have the opportunity to make a statement and will be available to respond to appropriate questions.

preapproval authority to its Chairman or to subcommittees consisting of one or more members so long as any decision to grant preapprovals is presented to the full Committee for informational purposes at its next scheduled meeting. The Committee may provide for the preapproval of services through the adoption of additional pre-approval policies and procedures, provided the policies and procedures are detailed as to the particular services, the audit committee is informed of each service and the procedures do not include delegation to management of audit committee responsibilities under the Act.

(f) Review of Certain Items with Representatives of the Independent Auditor. Annually and at such other times as may be appropriate, the Committee shall review and discuss with the Independent Auditor the following matters and shall take such actions with respect to the results of such reviews and discussions, including the making of recommendations to the Board, as may be appropriate and consistent with the duties of the Committee:

³ Other matters include, if applicable, selection of new or changes in significant accounting policies or their application, methods used to account for significant unusual transactions, management judgments and accounting estimates, the auditor's judgment about the quality of the Company's accounting principles and disagreements with management and difficulties encountered in the course of the work of the Independent Auditor, including any restrictions on the scope of activities or access to information.
