PROXY STATEMENT
OF
TF FINANCIAL CORPORATION
3 PENNS TRAIL
NEWTOWN, PENNSYLVANIA 18940

ANNUAL MEETING OF STOCKHOLDERS
APRIL 24, 2013

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of TF Financial Corporation (the "Company") to be used at the 2013 Annual Meeting of Stockholders (the "Meeting") of the Company which will be held at Holy Family University, One Campus Drive, Room 138, Newtown, Pennsylvania on April 24, 2013 at 9:30 a.m., Eastern Time. This Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders, form of proxy and Annual Report to Stockholders are being first mailed to stockholders on or about March 27, 2013. The Company is the parent company of 3rd Fed Bank (the "Bank") and Penns Trail Development Corporation.

At the Meeting, stockholders will consider and vote upon (i) the election of three directors, (ii) the ratification of the appointment of S.R. Snodgrass, A.C. as independent auditors of the Company for the fiscal year ending December 31, 2013, (iii) a non-binding advisory proposal regarding the Company's executive compensation, and (iv) a non-binding advisory proposal regarding the frequency with which stockholders should vote on the Company's executive compensation. The Board of Directors knows of no additional matters that will be presented for consideration at the Meeting. Execution of a proxy, however, confers on the designated proxy holder discretionary authority to vote the shares represented by such proxy in accordance with their best judgment on such other business, if any, which may properly come before the Meeting or any adjournment thereof.

VOTING AND REVOCABILITY OF PROXIES

Stockholders who execute proxies retain the right to revoke them at any time. Unless so revoked, the shares represented by such proxies will be voted at the Meeting and all adjournments thereof. Proxies may be revoked by written notice to the Secretary of the Company at the address above or by the filing of a later dated proxy prior to a vote being taken on a particular proposal at the Meeting. A proxy will not be voted if a stockholder attends the Meeting and votes in person. Proxies solicited by the Board of Directors of the Company will be voted as specified thereon. If no specification is made, proxies will be voted "FOR" the nominees for director set forth herein, "FOR" the ratification of the appointment of S.R. Snodgrass, A.C. as the Company's independent auditor for the fiscal year ending December 31, 2013, "FOR" the non-binding advisory proposal regarding the Company's executive compensation (the "say on pay proposal") and "FOR" the option that the say on pay proposal be considered every three years. The proxy confers discretionary authority on the persons named therein to vote with respect to the election of any person as a director if the nominee is unable to serve, or for good cause will not serve, and matters incident to the conduct of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Stockholders of record as of the close of business on February 27, 2013 (the “Record Date”) are entitled to one vote for each share of Common Stock of the Company then held. As of the Record Date, the Company had 2,839,931 shares of Common Stock outstanding and eligible to vote.

The amended and restated articles of incorporation of the Company (the “Articles”) provide that in no event shall any record owner of any outstanding Common Stock which is beneficially owned, directly or indirectly, by a person who beneficially owns in excess of 10% of the then-outstanding shares of Common Stock (the “Limit”)

be entitled or permitted to any vote with respect to the shares held in excess of the Limit. Beneficial ownership is determined pursuant to Rule 13d-3 of the General Rules and Regulations promulgated pursuant to the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and includes (i) shares beneficially owned by such person or any of his or her affiliates (as defined in the Articles), (ii) shares which such person or his or her affiliates have the right to acquire upon the exercise of conversion rights or options and (iii) shares as to which such person and his or her affiliates have or share investment or voting power, but shall not include shares beneficially owned by any employee stock ownership or similar plan of the issuer or any subsidiary.

The presence in person or by proxy of at least a majority of the outstanding shares of Common Stock entitled to vote (after subtracting any shares held in excess of the Limit) is necessary to constitute a quorum at the Meeting. Abstentions and broker non-votes (i.e., shares held by brokers on behalf of their customers that may not be voted on certain matters because the brokers have not received specific voting instructions from their customers with respect to such matters) will be counted solely for the purpose of determining whether a quorum is present. In the event there are not sufficient votes for a quorum or to ratify or adopt any proposal at the time of the Meeting, the Meeting may be adjourned in order to permit the further solicitation of proxies. Please note that under the New York Stock Exchange (“NYSE”) rules that govern how brokers vote your stock, your brokerage firm or other nominee may not vote your shares with respect to Proposals I, III, or IV without specific instructions from you as to how to vote as these matters are not considered to be a “routine” matter under the NYSE rules.

As to the election of directors (Proposal I), the proxy card being provided by the Board of Directors allows a stockholder to vote for the election of the nominees proposed by the Board of Directors or to withhold authority to vote for any or all of the nominees being proposed. Under the Company’s bylaws, directors are elected by a plurality of votes cast.

Concerning Proposal II and III (the ratification of auditors and the say on pay proposal), by checking the appropriate box, a stockholder may: vote “FOR” the item, vote “AGAINST” the item, or “ABSTAIN” with respect to the item. Both of these Proposals shall be determined by a majority of votes cast affirmatively or negatively without regard to broker non-votes or proxies marked “ABSTAIN” as to that matter. With respect to Proposal IV (the frequency vote), stockholders may vote to consider a say on pay proposal every one year, every two years or every three years, or may abstain from voting. This Proposal will be decided by a plurality of the votes cast without regard to broker non-votes or proxies marked “ABSTAIN” as to that matter.

Participants in the 3rd Fed Bank Employee Stock Ownership Plan

If you are a participant in the 3rd Fed Bank Employee Stock Ownership Plan (the “ESOP”), you will receive a voting instruction form on behalf of the ESOP that reflects all the shares that you may vote under the plan. Under the terms of the ESOP, all shares held by the ESOP are voted by the ESOP Trustee, but each participant in the ESOP may direct the ESOP Trustee on how to vote the shares of Common Stock allocated to his or her account. Unallocated shares and allocated shares for which no voting instructions are received will be voted by the ESOP Trustee as directed by the ESOP Committee.

The process for identifying and evaluating potential Board nominees includes soliciting recommendations from directors and officers of the Company and the Bank. Additionally, the Board will consider persons recommended by stockholders of the Company in selecting the Board's nominees for election. There is no difference in the manner in which persons recommended by directors or officers versus persons recommended by stockholders in

selecting Board nominees are evaluated.

To be considered in the selection of Board nominees, recommendations from stockholders must be received by the Company in writing not less than 120 days prior to the anniversary date of the immediately preceding annual meeting of stockholders of the Company. Recommendations should identify the submitting stockholder, the person recommended for consideration and the reasons the submitting stockholder believes such person should be considered. Persons recommended for consideration as Board nominees should meet the director qualification requirements set forth in Article III, Sections 15 to 18 of the Company's bylaws, which require that (i) directors

must be stockholders of the Company, owning at least 5,000 shares; (ii) directors of the Company must reside within ninety miles of the Company's main office in Newtown, Pennsylvania; (iii) directors may not serve as a management official of another depository institution or depository holding company as those terms are defined in 12 U.S.C. Section 3201; and (iv) directors must be persons of good character and integrity and must also have been nominated by persons of good character and integrity. The Board also believes potential directors should be knowledgeable about the business activities and market areas in which the Company and its subsidiaries engage. The Company does not have a specific policy as to diversity.

Stockholder Communications

The Board of Directors does not have a formal process for stockholders to send communications to the Board. In view of the infrequency of stockholder communications to the Board of Directors, the Board does not believe that a formal process is necessary. Written communications received by the Company from stockholders are shared with the full Board no later than the next regularly scheduled Board meeting. The Board encourages, but does not require, directors to attend the annual meeting of stockholders. All of the Board's members attended the 2012 annual meeting of stockholders.

Board Leadership Structure

Director Kent C. Lufkin serves as President and Chief Executive Officer of the Company and Director Robert N. Dusek serves as Chairman of the Board. The Board of Directors has determined that the separation of the offices of Chairman of the Board and Chief Executive Officer and President will enhance Board independence and oversight. Moreover, the separation of the Chairman of the Board and Chief Executive Officer and President will allow the Chief Executive Officer and President to better focus on his growing responsibilities of running the Company, enhancing stockholder value and expanding and strengthening our franchise while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management.

Board's Role in the Risk Management Process

We face a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of the risks the Company faces, while the Board, as a whole and through its committees and the committees of the Board of Directors of the Bank, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Chairman of the Board meets regularly with the Chief Executive Officer and President to discuss strategy and risks facing the Company. Senior management attends the Board meetings and is available to address any questions or concerns raised by the Board on risk management and any other matters. The Chairman of the Board and independent members of the Board work together to provide strong, independent oversight of the Company's management and affairs through its standing committees and, when necessary, special meetings of independent directors.

EXECUTIVE COMPENSATION

Summary Compensation Table. The following table sets forth compensation awarded to the Principal Executive Officer, the Principal Financial Officer, and the other executive officers of the Company or the Bank for the year ended December 31, 2012. All compensation is paid by the Bank, with the exception of \$4,000 in director's fees paid to Mr. Lufkin by Penns Trail Development Corporation, a wholly-owned subsidiary of the Company. None of the named executive officers received any option grants of any option or stock awards during 2012 or 2011.

(1) Non-Equity Incentive Plans. At the beginning of each plan year, the Compensation Committee establishes targets for consolidated net income, originated loan volume, and growth in total deposits. Each participant in the Company's Incentive Compensation Plan is assigned a combination of these three factors, aggregating to 100%. The extent to which these individualized targets are accomplished determines the percentage of payout earned by each participant. The payout, in turn, is a percentage of base salary, and the percentage will vary based on the title and duties of the participant. No awards will be made unless the Company's net income equals 90% of the target established for the year, even though other target components may exceed the related goal. Thus, the minimum award cannot be quantified. There is no maximum award. The awards are not vested until paid in the year following the plan year, except in the case of a "change of control" in which case the payment is 100% earned and payable on the change of control effective date.

(2) For All Other Compensation details please refer to the table below. The cost of ESOP share allocations is based upon a \$23.83 per share closing price of the Common Stock on December 31, 2012.

- (3) Mr. Haggar's employment with the Bank terminated on January 17, 2013.

Pension Plan. The Pension Plan provides for monthly payments to each participating employee at normal retirement age (age 65). For accruals before January 1, 1998, the annual benefit payable as a life annuity under the Pension Plan is equal to 45% of Final Average Compensation plus 19.5% of Final Average Compensation in excess of the Covered Compensation in effect for the year of benefit determination, reduced for each year of service less than 30. Where the percentage results in an amount that exceeds the allowable limits under the Internal Revenue Code (the "Code"), such amount shall be reduced to the maximum allowable amount. For purposes of benefit calculations, Final Average Compensation is defined as the average of total compensation for the five highest years. For accruals after December 31, 1997, the annual benefit payable as a life annuity under the Pension Plan is equal to 45% of Average Compensation reduced for each year of service less than 30. Average Compensation is defined as the average of total compensation for all years beginning after December 31, 1997. A participant may elect an early retirement at age 55 with 5 years of service at a reduced monthly benefit.

Potential Payments Upon Termination Due to a Change in Control

Change in Control Severance Agreements. The Bank has entered into a change in control severance agreement with Kent C. Lufkin, President and Chief Executive Officer, Dennis R. Stewart, Executive Vice President and Chief Financial Officer and Elizabeth A. Kasporn, Executive Vice President and Chief Retail Banking Officer. The change in control severance agreement between the Bank and Floyd P. Haggar terminated with the end of Mr. Haggar's employment on January 17, 2013. The severance agreement for Mr. Lufkin has a term of thirty-six months. The severance agreements for Mr. Stewart and Ms. Kasporn each have a term of twenty-four months. The agreements are terminable by the Company and the Bank for just cause as defined in the agreements. If the Company or the Bank terminates the employee without just cause following a change in control as defined in such agreements, the employee will be entitled to a severance payment. With respect to Mr. Lufkin's agreement, such agreement contains a provision stating that in the event of the termination of employment in connection with any change in control of the Bank, Mr. Lufkin will be paid an amount equal to 2.99 times his most recent three calendar years' average annual total compensation. The agreements with Mr. Stewart and Ms. Kasporn provide for payments equal to 2.00 times the prior three calendar years' average annual total compensation upon termination of employment following a change in control. It is anticipated that all such payments made by the Bank under such agreements would be a tax-deductible compensation expense for federal tax purposes. The aggregate payments that would be made to such individuals net of the federal tax benefit would be an expense to the Bank, thereby reducing net income and the Bank's capital by such amount. The agreements may be renewed annually by the Board of Directors within the Board's sole discretion.

DIRECTOR COMPENSATION

Each director of the Company was also a director of the Bank throughout 2012, with the exception of John R. Stranford and Carl F. Gregory who served as directors of the Company only, and Dennis Pollack who became a director of the Company effective January 25, 2012. Mr. Stranford resigned as a director on December 17, 2012. For 2012, non-employee directors of the Company received a quarterly retainer of \$3,000 (\$16,400 for the Chairman of the Company's Board) paid in Common Stock. During 2012, each non-employee director of the Bank received a fee of \$1,000 per board meeting attended (\$3,500 for the Chairman of the Bank's Board, and \$2,000 for the Vice Chairman of the Bank's Board) and, depending on the committee, either \$500 per committee meeting attended (\$600 for the Chairman of the Committee) or \$1,000 per quarter regardless of the number of meetings. The director fees shown in the table below include fees paid for service on the Company's Board and any fees paid for service on the boards of the subsidiaries of the Company.

The Company has entered into a change in control severance agreement with Robert N. Dusek, Chairman of the Board. Mr. Dusek's agreement stipulates a payment of \$250,000 upon termination of service following a change in control.

Set forth below is a table providing information concerning the compensation of the directors of the Company who are not named executive officers for the fiscal year ended December 31, 2012:

ADDITIONAL INFORMATION ABOUT DIRECTORS AND EXECUTIVE OFFICERS

Section 16(a) Beneficial Ownership Reporting Compliance

The Common Stock of the Company is registered pursuant to Section 12(b) of the Exchange Act. The officers and directors of the Company and beneficial owners of greater than 10% of the Company's Common Stock (10% beneficial owners) are required to file reports of ownership and changes in beneficial ownership of the Common Stock with the SEC and Nasdaq and to provide copies of those reports to the Company. Based on the Company's review of such ownership reports furnished to the Company or written representations from certain reporting persons, it was determined that no officer or director failed to file such ownership reports on a timely basis during the fiscal year ended December 31, 2012 with the exception of one Form 4 for Director Albert M. Tantala, Sr. to report two transactions which was filed one day late due to an administrative oversight.

Certain Relationships and Related Transactions and Director Independence

There were no directors, executive officers or immediate family members of such individuals who were engaged in transactions with the Bank or any subsidiary involving more than \$120,000 during the years ended December 31, 2012 and 2011, with the exception of certain lending and deposit relationships. In the normal course of its business as a financial institution, the Bank has granted loans to its officers, directors and their affiliates. All such loans were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to the Bank and did not involve more than the normal risk of collectability or present other unfavorable features.

All members of the Board of Directors other than Mr. Lufkin, our current President and Chief Executive Officer, are independent under the rules of the Nasdaq Stock Market.

Report of the Audit Committee

For the fiscal year ended December 31, 2012, the Audit Committee (i) reviewed and discussed the Company's audited financial statements with management, (ii) discussed with the Company's independent auditor, S.R. Snodgrass, A.C., the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, and (iii) received from S.R. Snodgrass, A.C. the written disclosures and the letter as required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the Audit Committee concerning independence, and discussed with S.R. Snodgrass, A.C. its independence. Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2012.

Audit Committee:

Albert M. Tantala, Sr. (Chair), Carl F. Gregory and James B. Wood.

Principal Accounting Firm Fees

Audit Fees. The aggregate fees of the Company's principal accountant for professional services rendered for the audit of the Company's annual consolidated financial statements and for the review of the consolidated financial statements included in the Company's Quarterly Reports on Form 10-Q for the fiscal years ended December 31, 2012 and 2011 were \$107,990 and \$170,845, respectively.

Audit Related Fees. The aggregate fees of the Company's principal accountant for professional services rendered for audit related services or products other than those listed under the captions Audit Fees and Tax Fees for the years ended December 31, 2012 and 2011 were \$49,192 and \$27,000, respectively, and consisted of audits of benefit plans and due diligence services related to potential acquisitions.

Tax Fees. The aggregate fees of the Company's principal accountant for professional services rendered for tax compliance, tax advice or tax planning for the years ended December 31, 2012 and 2011 were \$16,667 and \$16,000, respectively.

All Other Fees. During the fiscal years ended December 31, 2012 and 2011, the Company's principal accountant did not provide any services or products other than those listed above.

It is the Audit Committee's policy to approve all audit and non-audit services prior to the engagement of the Company's independent auditor to perform any service. All of the services listed above for 2012 and 2011 were approved by the Audit Committee prior to the service being rendered.

PROPOSAL II—RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITOR

The Board of Directors of the Company has appointed S.R. Snodgrass, A.C. as the Company's independent auditor for the fiscal year ending December 31, 2013, and is submitting such appointment for ratification by the Company's stockholders. A representative of S.R. Snodgrass, A.C. is expected to be present at the Meeting, will have the opportunity to make a statement if he so desires, and is expected to be available to respond to appropriate questions.

Ratification of the appointment of the independent auditor requires the affirmative vote of a majority of the votes cast, in person or by proxy, by the stockholders of the Company at the Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF S.R. SNODGRASS, A.C. AS THE COMPANY'S INDEPENDENT AUDITOR FOR THE 2013 FISCAL YEAR.

PROPOSAL III—APPROVAL OF A NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act") and the regulations of the Securities and Exchange Commission thereunder provide that for smaller reporting companies, such as the Company, for the first annual meeting of shareholders on or after January 21, 2013 and not less than once every three years thereafter the Company must include a separate resolution subject to shareholder vote to approve the compensation of the Company's named executive officers, as disclosed in its proxy statement pursuant to Item 402 of Regulation S-K of the Securities and Exchange Commission.

This proposal, commonly known as a "say-on-pay" proposal, gives the Company's shareholders the opportunity to endorse or not endorse the Company's executive pay program and policies, as disclosed in this Proxy Statement, through the following resolution:

"Resolved, that the compensation paid to the Company's Named Executive Officers as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative disclosures in this Proxy Statement is hereby approved."

As provided in the Dodd-Frank Act, this vote will not be binding on the Board of Directors and may not be construed as overruling a decision by the Board, creating or implying any change to the fiduciary duties of the Board or any additional fiduciary duty by the Board or restricting or limiting the ability of shareholders to make proposals for inclusion in proxy materials related to executive compensation. The Compensation Committee, however, may take into account the outcome of the vote when considering future executive compensation arrangements.

In voting on the above resolution, shareholders may vote for the resolution, against the resolution or abstain from voting. This matter will be decided by the affirmative vote of a majority of the votes cast at the Meeting. On this matter, abstentions will have no effect on the voting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVAL OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

PROPOSAL IV—ADVISORY VOTE ON THE FREQUENCY OF ADVISORY VOTES ON EXECUTIVE COMPENSATION

Section 951 of the Dodd-Frank Act and the regulations of the Securities and Exchange Commission thereunder require for smaller reporting companies, such as the Company, that at the first annual meeting of shareholders held on or after January 21, 2013, and not less frequently than once every six years thereafter, the Company must include a separate resolution subject to shareholder vote to determine whether the non-binding shareholder vote on executive compensation that is the subject of Proposal III should occur every one, two or three years.

The Board of Directors welcomes the views of shareholders on executive compensation matters. The Board of Directors, however, does not believe that it is necessary to have the non-binding vote on executive compensation occur every year. The Board believes that a vote once every three years will allow stockholders the time needed to properly assess the impact of changes made in the Company's executive compensation program in response to shareholder votes on executive compensation. The Board of Directors also notes that it incurs costs to have an additional item on the agenda. In the interest of saving costs, the Board recommends that the non-binding vote on executive compensation occur only once every three years.

As provided in the Dodd-Frank Act, this vote will not be binding on the Board of Directors and may not be construed as overruling a decision by the Board, creating or implying any change to the fiduciary duties of the Board or any additional fiduciary duty by the Board, or restricting or limiting the ability of shareholders to make proposals for inclusion in proxy materials related to executive compensation.

In voting on the frequency of the non-binding say-on-pay resolution, shareholders may vote to have the vote occur every one, two or three years or abstain from voting. The option which receives the most votes from shareholders will be deemed to be the option selected by shareholders. On this matter, abstentions and broker non-votes will have no effect on the outcome.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE TO HAVE THE NON-BINDING VOTE ON EXECUTIVE COMPENSATION OCCUR EVERY THREE YEARS.

OTHER MATTERS

The Board of Directors is not aware of any business to come before the Meeting other than those matters described above. However, if any other matters should properly come before the Meeting, it is intended that proxies will be voted in respect thereof in accordance with the judgment of the person or persons voting such proxies.

MISCELLANEOUS

The cost of soliciting proxies will be borne by the Company. The Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of Common Stock. Actual costs, however, may exceed estimated amounts. In addition to solicitations by mail, directors, officers and regular employees of the Company may solicit proxies personally or by telephone without additional compensation.

Upon receipt of a written request, the Company will furnish to any stockholder without charge a copy of the Company's Annual Report on Form 10-K (excluding exhibits) for the fiscal year ended December 31, 2012. Such written requests should be directed to the Corporate Secretary, TF Financial Corporation, 3 Penns Trail, Newtown,

Pennsylvania 18940.
