***The Southern Company Deferred Compensation Plan***

On October 19, 2006, the Board of Directors of Southern Company Services, Inc., a wholly-owned subsidiary of The Southern Company ( Southern Company ), approved amendments to the Southern Company Deferred Compensation Plan (the Plan ). Executive officers of Southern Company and its subsidiaries, including Alabama Power Company, Georgia Power Company, Gulf Power Company and Mississippi Power Company, are eligible to participate in the Plan.

The amendments to the Plan were made effective as of January 1, 2005 and primarily were designed to incorporate changes necessary to comply with the requirements of Section 409A of the Internal Revenue Code of 1986, as amended. In addition, the Plan also was amended to: (1) permit a participant to elect to receive distributions under the Plan on a specified date or pursuant to a fixed schedule, with distributions commencing prior to retirement or other termination of service as an employee; and (2) to remove certain restrictions on changes to a participant's investment elections under the Plan, which previously limited such changes to two window periods each year.

***Southern Company Non-Employee Director Compensation***

The Governance Committee of the Board of Directors of Southern Company periodically reviews the compensation paid to Southern Company's non-employee directors. On October 17, 2006, the Governance Committee recommended to the Board of Directors and the Board of Directors approved an adjustment to the annual retainer paid for service as a non-employee director. Effective November 1, 2006, the annual retainer will be increased from \$49,000 to \$70,000.
